Frank Blair on Grant.

The other day I sent a card to Frank Blair, who promptly came out of the Senevades the newspaper challenge. Frank invited J. B. Stillman and myself back into the Marble Room, and gave us a frank Mr. Gladetone stated a short time ago the opinion that Grant was a "great the opinion that Grant was a "great the first grant was a "great the control of the control of the Control of the Control of the Government without principles, the Government without principles, must be a big man; for who ever anw a confirmed drunkard and borrower raise himself up late in life, unless be had left himself up late in life, unless he had left some strong human elements for capital f His government is not comprehensible, not intellectual—only personal. The Ameri-can people are in more danger to-day from a man of this character, than they would be from Aaron Burr, or men of such higher parts. Under Grant we are approaching that period of political completency and indifference, as a people, which will make natural. Grant cares nothing for party or selple; he runs the thing for himself; and many of the business interests of the country are so situated that they can bet-ter afford to drop into the line of a powerful President's prejudices and ambition than to join the mass of the people in pamphlets, 17,000 sengs, 5,710 sense and pamphlets, 17,000 sengs, 5,710 serds and sufficient to join the mass of the people in and the graphic prints. A similar assisty is to be established in Paris, where, it is scarcely necessary to any, it is much needed. another—and that mistake is shaking off the old Abolitionists who have revolutioner cared for the darkey more than Grant."

—"Gath" in Chicago Trilense.
