There was a the insurance agent-one of the linear and a state in the seep, but to accept it as the highest wool producing expacity of the linearies. There was a life insurance agent-one of the sheep, but to accept it as the highest wool producing capacity of the spatisfs Merino at the begin will be sheep that the spatisfs Merino at the begin agravating smile—
That percented Abner Brawn, and eke insurance his big.

This agent followed Abner like a sleath-hound on the scent, had managed to encounter him wherever Abner west.

Abuse went.

Till Abuse fell into a state of chronis discontent:

on and bore,
Until, in desperation, the disgusted Abner awore;
Then the calmiy-emiling agent would Abner to his place of avoid,
And he realized that, if he would no lenger he annoyed,
That 'pestiential agent must be specify destroyed.

One day he followed Abner to his place of business, Remarking, "Now, you'd better take a pelicy, I guess,"

The foregoing description of the Merino, given by Youatt, would answer very well for such as I first became adquanted with, forty-five or fifty years age. They were too long in the neck, too thin through the body, too low in the back behind the shoulders, too much the these behind the shoulders, too much the these behind the shoulders, too much the these behind the shoulders, too much the the behort.

Then Abner said one profane word, the opposite of "bleas."

And hold a loaded pistol midst that agent's bristing hair.

And grainly sold the agent, if he ever anywhere

The sheep of this day.

Said "policy" to him again, he'd elay him then and there!

"If that is so," the agent said, "perhaps I'd better go.
But if you will permit me, I would just like to shew, Our new andewment policy, with rates extremely low."

with the sheep of this day.

The first measure of improvement adopted by our breeders, when the wool busines commenced to reach the great disasters that came from Free Trade that followed the war of 1812-15, were directed to the

His ill-timed iteration sealed the scalons agent's fate,
For Abner pulled the trigger and forever stepped his prais,
So that he annoyed nobody, subsequently to that date. DOMMISSION HOUSE

The jurous by such agents had frequently Been tried, Hence their verdict that Abner was com-pletely justified, By "temporary agaity," in this one's homi

Sheep Husbandry.

From these extracts from Consul-

residence there. The old lady was residence there. The old lady was residence to the price of wool beyond anything known in anotern times—was followed by a sheep fever, that took the price of rams to \$1,000 or over, and wool rabing engrossed the attention of some of the ablest men of the country. War following the embargo, continued this order of things until the peace of 1815, which flung open our seaports to all the world, and practical Free Trade came, and in its tank ruin to our new industries, and and made visitors take off their shock in the half. It was her sked opinion that the two greatest men who ever lived were George Washington and dolar.

who ever lived were George Washington and Merino rain could be bought for a dollar.

The woolen business in both the branches, its production and manufacture, died; and it was very long before it could be revived, and then only by protective terifical. Ilaving given the foregoing out line of the history of the introduction of the Merino sheep to out American farmers, I will now try to describe this milmal as he was when he first came to us; and then

when he first come to us 1 and then tell what was have made him, as the Spaniard Land formed him, I quote from Yonatt: "The first impression made by the Merine they not the major of the second for second to the control of the contr

CITY OF SAN ANTONIO. SATURDAY, MARCH 9, 1872. REPUBLICAN STATE CONVENTION. A Delegate Convention of the Republican party of Texas is hereby called to assemble in the city of Houston on the second Tuesday of May, 1872, for the purpose of nominating Presidential Electors, selecting Delegates to the Philadelphia National Convention, for a thorough re-organization of the party, and for the trainaction of each other business as may properly come before the body.

The basis of representation is fixed the tame as for members of the Legislature under the present apportionness.

Paper fittedly to the objects herein ex-The same as for members of the same as for members of the same as for members of the same as for a s Ch'n Republican State Executive Commisses J. P. NEWCOMB, Secretary. There is nowhere west of the Gulf of Mexico, or west of the Mississippi river, a better opportunity for he follows our advice, we promise making a large fortune in a few to give him our note for \$17,000, cold; thermometer averaging to years than right here in San Anto and to take immediate benefit of degrees below zero.

PHILADELPHIA, March 5—Ti nio; -provided the individual amthe bankrupt act thereafter.

The Baltimore American, having been found to take immediate because of the bankrupt act thereafter.

The Baltimore American, having been found to the properties of marines and sailors with the standard of the body want any more lawyers or dectors, or candidates for office, just as present in this city, unless it be a man of remarkable genius and learning, combined with an extraordinary taste for exversal of the load virtues; nor do so need any more missionaries, unless they are of the practical kind, such as build their own beguns, and work in their own gardeus, nor would an influx of in surrance agents, or real estate agens, find this field an extremely profittable one. But there is a business in which a really live, energy tie man, who understands it, who is honest and has some capital, who has perseverance to overcoming a few obstacles which will meet him in the outset, may amass a large fortune in ten or fifteen years. He will make along the months of the standard of the st bitious for a fortune, possesses the ing enabled his posterity to put on aira, waste his savings in rictous living, and render themselves generally disagreeable, and good for not thing for at least two generations.

That business is the Darry Business! We are a suffering people, a dying wicked people, for the want of a missionary in the shape of an orthodox Dairy Mus. By orthodo orthodox. Desiry Man. By orthodox set of lewelry from the groom; a quilt piece by the donor when slower years of age and a package of cabbage seed, from the rota; but one who understands and will practice the true creed of sucenergy, perseverance and integrity.

Here is a city with over 15,000 in habitants, duily increasing in population and wealth, and not a single orderly, reliable source of supply of two of the prime pecessities of civilized life, milk and butter, (to say nothing of cheese,) and yet we are continuitly have a filling on castern and continuit that Gen. Butter that Gen. But liked life, milk and butter, (to any nothing of cheese,) and yet we are continually housing a fair his world as the foreign that this is the heat stock country in the world of the second that this is the heat stock country in the world of the second that this is the heat stock country in the world of the world that this is the heat stock country in the world of the world that this is the heat stock country in the world of the world that this is the heat stock country in the world of the world of the world of the world that this is the heat stock country in the world of t the cow is not able to travel a great distance to good grass and roturn in time to divide her supply of sells with her calf and the milk man, and therefore embinets on weeks and meaquit browns. The price you pay is just exactly what your milk man chooses to ask you. In the coldest winter weather he charges 20 cents pr. quest, and from time to time to week from the following the past week \$35,000 worth of bunded ary goods. This gives some idea of the funites being done at Corpus Christia.

The aame paper states that buildings are going up self price required being made in every part of the city.

A handsome rooms gentleman walked great competition, nor because you am competition, nor because you can competition, nor because you can competition, nor because you can competition, the basis of the competition of th that 10 cents is really more than a barrel of the bitter fluid he calls milk, is worth. Its short, Mr. Borden is the only reliable, and the best patronized influence of the calls men, then clearing his throat from a certain hashiness, replied, "Well, I ran't my they may from Figin III."

Comes all the way from Figin III. comes all the way from Edgie Hilnois. As for butter—we dont like
to my much on the butter question.
In fact there is very little butter to
say much about ut may time, and it

with his dairy, sow some of the TELEGRAPHIC NEWS. rains, sow alfalfa and other grassin any mason, and mise rests which are grown with little trouble; he should have thelier for his cows to Jury at Jarest Clark Communication of the control o are grown with little trouble; he should have some at least of the modern conveniences used where the business has reached a science. But it is not necessary to enumer at the first of the warfs and the winter the first of the modern conveniences used where the business has reached a science at further the warfs and a very set of the conveniences are a very set of the conveniences used where the business has reached a science at further the warfs and very set of the conveniences used where the business has reached a science at the properties of the combined efforts of the Opposition. The combined efforts of the Opposition, backed by Harker, Manchaes, Mr. Walker blacksmith, (not the learned) know, and the dictional indictaneuts against offit scales by Harker, Manchaes, Mr. Walker blacksmith, (not the learned) know, and the declared aum of \$5500 treely distributed, a have succeeded in dividing the votes between A. McClung and Dr. Leach, for Justice of the Peace for Precinct No. 3 of this county. What the four remaining hours of the canvas may develop—sets as being made in the United States.

SAN FRANCISCO, March 5—The California press condenn the send ting of General Howard to interfere with Gen. Cook's operations against offit additional indictaneuts against offit and the learned) know, and the declared aum of \$5500 treely distributed, have succeeded in dividing the votes between A. McClung and Dr. Leach, for Justice of the Peace for Precinct No. 3 of this county. What the four remaining hours of the canvas may develop—sets as being made in the United States.

Now:—Alea it not be considered that they import worthless Swiss watches stamped as being made in the United States.

Nor:—Had it not be combined efforts of the Opposition, backenith, (not the learned) know, and the declared aum of \$5500 treely distributed, have succeeded in dividing the votes between A. McClung and Dr. Leach, for Justice of the Peace for Precinct No. 3 of this county. What the four remaining hours of the canvas and the declared aum of \$5500 ate further the wants and needs of the Apaches.

OMAHA, March 5—The Pacific say, that he has not yet appeared in road is still blocked between Cheythis part of the world. Will not WASHINGTON, March 5—Senator Mr. Greeley make it known that such a man is wanted here !—a live man, with some capital, who will be minus from Marshall, to Shreveindependent enough to go to work port.

Big fight is anticipated over it in without listening to the ayren voices of the last droles and croakers who have come here simply to take "a the Governorship of Ohio. Secrelittle more sleep, a little more slum. tary of Treasury instructed Collective more folding of the tor of Brownsville not to clear any san Antonio, the award to be made by the hands to sleep!" If such a man will Grande above Matameros, in bands come here, and he does not realize of the revolutionists.

rangement, but is simply this — want of unflicient morrishment. There is, it may be, abundance of food; but then the com-plicated sparsium which ought to convert tablishment has usen removed to the fine this food into nutritions blood, is not work building on Commerce et, next door to ing aright,—and, in this way, multitudinthe National Bank and opposite J. H. one myriads are actually starved, slowly specific J. H. ous myriads are actually starved, slowly and miserably starved, in the very presource of plenty, and find their only asylum lace and from a wretched life, in a premature grave! But it is the property of certain substan-os, when received into the system, to repair this complicated apparatus—to urge forward, that is, the work of nutrition. Under the name of Dr. Gottlieb Fisch's Bitters, we have a preparation which thus

> This subject continued hext week under "The Importance of Health."

See advertisement of Dr. Buits MARIAGE GUIDE-in another column.

Very effective service was rendered by the Babcock Extinguisher, a few days ago, against a terrible prairie fire which swept over the extensive farm of W. F. Slogle ton, in the vicinity of Momence. The flames had overleaped the Kankakee river and were rushing on with fearful rapidity through the tall grass and canebrake wards Mr. Singletou's house, barns, stacks, THERE was a russer affect yesterday &c. So intense was the heat that the men could not approach the fire near enough to work to advantage, and they were nearly exhausted, when the Extinguisher was brought to the rescue. Its effect was positively surprising. Notwithstanding the strong gale which was blowing, it

> sire to pass through the ordeal of its cold aniets and insalubrious gales with easy sto-machs, and unformented by the indescribat. The editor is grateful to his with the medical record of the age, can

Chicago Phenix.

WHEN PERSON OF TAXABLE PARTY.

A UNIVERSAL NEWSPAPER

Read the Following:

A popular welly paper for the times, embracing the leading features of those ournals destroyed by the terrible conflagra-tion, and combining just such a corps of writers as will give the public all the news of the week, in a condensed compitation of the leading journals of the nation, and the world.

A TRUTHFUL RECORD.

The Puggiz will be the most truthful and reliable recorder of incidents and facts con-terning the great fire, over published.

ACCOUNTS OF THE PIRE. Is will contain only such accounts as are vouched for by reliable witnesses, and will correct the erroteous and fabricated statements of sensational writers.

CHICAGO AND THE NEWS.

It will, for a time, be devoted especially to the past, present and future of Chicago; besides being the most complete weekly newspaper in the world.

PIRESIDE COMPANION AND NEWS-PAPER. Its columns are devoted to News, Commerce, Science, Literature, Act, Drama, Music, Ilumor, Pastime, Poetry, Pashion, Society news, and conugh of Remance to make it a most desirable freside companion, as well as the most reliable and complete newspaper for the businessman in the counting room.

Its columns are devoted to News, Commander Surface, Andersa, Internet, Science, Andersa, Internet, Science, Scien

BEAUTIFUL ILLUSTRATIONS. It will be illustrated with engravings to hen from Photographs of the Chiengo Ruins, instead of shotches By Our Special Artist" who was not 'on the spot; and thus give a series of FERRICT VIEWS, not obtainable clewhare, 'and the first number will contain the only correct map of the burned city.

HAPPY HOURS.

That beautiful literary journal, "Harry House," whose publisher was the first to issue a paper to meet the public demand, after the awful first, has been merged into, the Murary department of the PRENIE, which will embrace the contributions of more than sixty of the most popular writer of the day,

A SPECIAL FRATURE.

The PHENTE Will contain, as an especial atore, a more complete record of indidents and recalts of the late terrible fire, than can be found in any book, paper or other publication in the country. So numerous and insocurate have been the accounts and forth, that something reliable and readable is e sought at this time, and The Public will dil the bill.

Some of the country of

A PAPER FOR THE PEOPLE.

Factory Prof. Frank, Daneing Academy, F. Wuber, Stone Cutter, E. Rische, Cigara Tun Phanex to the cheapent paper in America, heing an eight page, forty column weekly, at only two dultars a year; in fact it shall be the paper for the people and the times.

THE PIRST NUMBER.

The first number will be issued on Satur-Wahrman I & Stucken. day, Nov. 11th. and will be the paper wanted by everybody, as a record worth preserved
ing of to seed away, and for its accuracy.

CASTROL John Vance'

It, is a consolidation of other journals, and therefore on a solid foundation, con-taining their former circulation.

To any person who gets us three new sub-verthers, we will set d The Phenix for one year free, or nee of her beautiful prins, steel plate engravings worth \$0.50. PREMIUMS.

For the purpose of rapidly increasing our subscription list before the close of the present year, we will give to every person who subscribes for the Phenix during the month of Norember, a heantiful steel plate engravin, worth \$2.50, half a dollar more than the price of subscription. No such appotently was ever before given, and probably never will be again. Avail yourself of it. Regressings will be example and asfely each by mail or delivered at this after, as subscribers may with. Colgate. John D. Kellogg, January Vick.
