"It had rained all night, and was ing revival of the hard-shell-baptist those parts. Through the whole glen, which is ten miles long, tor rents were boiling and foaming, and sending up in every direction away like the smoke of great fires.

They were rushing down every hill They were rushing down every hill and mountain side, and tearing like devils across the path, and down into the depths of the rocks.

Some of the hills looked as if they "You see, me respective heaves?" point. As the platform is the re-verse of steady (we had proved this the day before), is very slippery, and affords anything but a pleasant footing, having only a tremb-ling little rall on one side, and on got ah jost the best yoke of steers, ah in this townships h? "Here

the other nothing between it and the foother nothing between it and the foaming stream, Kate decided to remain in the earninge, and trust herself to the wheels rather than to her feet. Fletcher and I had gone out, and it was going away, when I advised her, as I had done several times before, to come with us, for I saw that the water was very high. I have the water was very high. I have master's crib-ah. advised her, as I had done several times before, to come with us, for I saw that the water was very high, the current being greatly swollen by the rain, and that the post-boy had been eyeing It in a very disconcerted manner for the last half hour. This decided her to come out; and Fletcher, she, Tom and I speaker grew earnest, and sawed the air from this to the close in a most began to cross, while the carriage began to cross, while the carriage air from this to the close in a most frightful way, "fer-sh, your see-sh, when I got out-sh in the mornin's he to yoke-sh up-sh them sir steers ah much that we could only come across two at at a time, and then it felt as if it were hung on springs. As to the wind and rain! " and don't hardly breathe-sh while I work hand on the yoke-sh, and put in the bow-sh, and put in the bo

welf, put into one gust all the wind and rain you ever saw such hard, and you'll have some faint notion of it. When we got safely to the opposite bank, there came riding up a wild Highlander, in a great plaid, whom we recognised as the iandlord of the inn, and who, without taking the least notice of us, went dashing on—with the plaid be was wrapped in streaming in the wind—sercething in Gaelic to the post-boy on the opposite bank, and making the most frantic gestures you ever saw, in which he was joined by some other wild man on fopt, who had come across by a short cut, kneedeep in mire and water. As we began to see winst this meant, we (that is Fletcher and the control of the post-boy on the opposite bank, and say, 'Come, Buck an! COME, BUCK-AH! why what do you think ah f Buck'sh, that ornery ole Buck ah, 'stid of comin' right along ah and pattin' his neck under the was joined by some other wild man on fopt, who had come across by a short cut, kneedeep in mire and water. As we began to see winst this meant, we (that is Fletcher and the low ah, and put in I the key-ah, in the key-ah, and put in the key-ah, in the key-ah, in the key-ah, in the key-ah, and put in the key-ah, and put in the key-ah, and put in the key-ah, and kinder in the keythis meant, we (that is Fletcher and and says, Boo co-oo-OO-ah."

them and the coner go to the devil-when suddenly it came all right (having got into shallow water), and, all tembling and dripping, and jogging from side to side, climbed up to the dry land. 1 as Persons who are prediaposed to disper sia, find their sufferings from this can sure you we looked rather queer, greatly aggravated by damp weather, east as we wiped our faces and at the act winds, and audden changes from at each other in a little cluster mild to a chilling abmosphere. In the at seach other in a little singler inid to a chilling atmosphere. In the round about it. It seemed that the spring, therefore, the pange of findinge-man or horselback had been looking at us through a telescope as we came to the track, and knowing son, and it is incumbent apon all who dethat the place was very daugerous, and seeing that we meant to bring mate and insulations gales with any stemestic variations peculiar with any attention of the carriage, had come off at a great mache, and distrumented by the indeserve place where he could cross. By the six, to tone and strengthen the digestive place where he could cross. By the time he came up the man had taken organs with a healthful and efective vegethe water at the wrong place, and, in a word, was as nearly drowned with the medical record of the age, can be a superstant of the medical record of the age, can be a superstant or a superstan (with carriage, horses, luggage and question for one moment that Hostetter's all) as ever man was. Was this a Stemach Bitters is the Tonic best adapted good adventure !"—[Life of Charles to this purpose.

are unequalled in number and character by those of any other advertised medicine A traveler in Polynesia concludes in the world, if ever there was a prepa as follows a description of the wo- ration to rank as a national remedy, this

In the Egglester's new novel en-titled the "Hoosier School Master" recently published, we find follow-

Among the means of grace enjoy ed in the district of our schoolmas-ter was the occasional preaching of the Gospel by a Hard-Shell Baptist of eminent gifts. One of his dis-courses, which was taken down lit-

Some of the hills looked as if they were full of silver, and had cracked in a hundred places; others, as if they were frightened, and had broken out into a deadly sweat. Such a spare, in short, had not been known for many years. The post-boy was not at all at his ease, and the horses (as well they might be) were very much frightened by the perpetual raging and roaring. The rumble where Tom sat was by this time so full of water, that at Kings he was obliged to borrow a gimlet, and bore holes in the bottom to let it run out. We crossed the Black Mount, and came to a "You see, me respective hearers,"
he began — but alast I can never
picture to you the rich red nose, the
see sawing gestures, the nasat resonance, the suiffie, the melaucholy tom to let it run out. We crossed the Black Mount, and came to a space where a rapid river runs over a bed of broken rock. Now this river, sir, had a bridge last winter, but the bridge broke down when the thaw came, and has never since the thaw came, and has never since been mended; so travelers cross the thaw came, and has never since they's a tremengious defference ab been mended; so travelers cross apon a little platform, made of the trough deal planks, stretching from the ox knoweth ah his owner ah, and the assah his master's crib-sh. Now, my respective hearers ship when the traveler's voice here grew melticle prescriber's voice here grew melticle prescriber. Now, my respective hearers crib-ah.

Now, my respective hearers-ah.

Ithe preacher's voice here grew meliow, and the succeeding sentences were in the most pathetic and lugurious voice], "you all know ah that your humble speaker ah has got-ah jest the best yoke of steers. sh in this township-ah." Here Betsey Short shook the floor with a

scrambled on after them ; while the boy, horses and carriago were plunging in the water, which left

plunging in the wafer, which the boy's body visible. By the time we got up to them the man on horse back and the man on foot were perfectly mad with pantomime; for with the Adams Express Company of their shouts being heard by the boy, the water made such a great noise that they might such a great noise that they might as well have been damb, it made me quite sick to think how I should have felt if Kate had been inside. The carriage went round and round like a great stone, the boy as pale as death; the horses were struggling, and plashing and snorting like sen animals, and we were all the present the state of the rearing to throw himself off and let them and the coach go to the devil,

men of Tahiti:

"The most basisful and con never will pass you without a greeting, a giance of the eyes, and a slight gathering in of her dress with her elbows, to exhibit her buxon figure to full perfection. Or else, perhaps, she will come up coquettashly, and ask you for the loan of your engar, take a few purs at it, and hand it back again gracefully to the rather astonished owner, and then, with a parting compliment, which you most likely don't understand, he will come way in peace or not. The preper way to walk with your lady-love in Takirti is as follows:
You put your arm round her neck, and she here around your washs, and hangs on your breast in a simply, affectionate manner. It is as much selectionate manner to the control of the two conclusions is mational remedy, this test of the relation to the title. For a perigd of twenty years it has iterally seen the Champion Toole and Allematics in the side of the Athritic.
