From Longfellow's New Volume. AN AFTERNOON PICTURE.

sudden wind from out the West sudden wind from out the West Blew all its trumpets bond and shrill; The windows rattled with the blast, The oak trees shouted as it passed, and straight, as if by fear possessed, The cloud encampinent on the hill. Broke up, and fluttering flag and tent 'Vanished into the firmament, And down the valley held amain. The rear of the retreating rain.

Only far up in the blue sky
A mass of clouds like drifted snow
Sufficed with a faint Alpine glow,
Was heaped togethor, vast and high,
On which a shattered rambow hung
Not rising like the ruined arch
Of some crial aqueduct,
But like a roseate garland plucked
From an Olympus code and thus

From an Olympian god, and flung Aside in his triumphal march. Diamond Discovery in California.

Fortune hunters need no longer brave the perils of the treacherous ocean to seek for sudden wealth in the famous diamond fields of Southern Africa. It is believed that "many a gem of purest ray serene" lies buried with mineral wealth of

w. kronger, cimens discovered by workers in monds in California might meet with a rich reward. F. H. Plumado, of Placerville, Eldorado.county, vesterday brought to San Francisco two valuable diamonds discovered in a gravel claim in the vicinity of Placerville. Mr. Plumado, accom-panied by James C. Bronson, who reporter was detailed to accompany the gentlemen to the establishment of Charles Lemme, manufacturing jeweler, 413 Bush street, opposite the California Theatre, for the pur-

pose of having them subjected to the inspection of an expert. As frequent accounts have appeared of fictitious diamonds manufactured in England for the purpose of "salting" claims in the diamond regions of Africa, the report of Mr. Lemme was looked for with considerable interest. The largest crystal was first examined, and after a very short inspection was declared to be a genuine diamond beyond question, and of good quality. It weighted two and seven-eights carats, and the expert pronounced it worth, at

6 75 the least calculation, \$200. He rack, said the price could not be certainly fixed until after it had been cut. It will probably be sent to Boston tor that purpose. It is a stone of the first water, quite clear and aptalization being unusually perfect. talization being unusually perfect, most unnaturally perfect and mo tively little value, presenting a good many imperfections. When cut it rill weigh a stone worth \$20 or 7 50 830. The genuineness of the largest

able by all of the experts, though they differed widely in their esti-mates of its value—some placing it as \$190. The diamonds were found in a gravel claim some two miles east of Placerville. The fact that they were found at different times is regarded as proof that there are more, and the discovery created much excitement in the neighbor-hood. The claim has been sold for

now in vard, and are daily a large sum to parties who have g. a large and well assorted faith that it will pan out a wealth mally changed hands yet. The gold-hunters in the neighborhood have redoubled their exertions, and are constantly on the qui vive for Koh moors or diamonds of any to be circus clowns; and I make

Another Female Reporter,

Miss Middie Morgan, of the New Hels Question Answered. By Junius York Times, is thus photographed in a sketch to a Cincinnati paper:

It is now some two years since the office of the Tribune was assaifed, one fine morning, by what appeared cided in an English court. A man, very much like a wild Irish girl. being already married, went through mained ever since. Het department includes the reporting of all the faces and cattle shows throughout criminality. the country, and she is always to be met at these places. It is a cuthe country, and she is always to be met at these places. It is a cue rious sight to see, moving about among the sporting men and reporters, the strapping form of Middie Morgan. But she is not out of place, if knowledge of subject can peaceful that one for a place. She

the turf in no wise fall behind those from

One of the most common, toolish, and mischievous habits is that of naming babies after historical characters, or persons who have achiev

The Naming of Children.

ed contemporaneous distinction. The smaller the chance the children have of ever achieving any resem-blance to those with whose title they are crushed from the first, the greater the likelihood of the bestow al of such titles. A narrow and ig norant man, living in some rural and semi-civilized region, is more inclined to call his boy, born under every disadvantage of circumstances, after some celebrated poet or scholar, than a wealthy and culti vated citizen would be on whom fatherhood had fallen. A woman to whom poverty and toil had nar-rowed and vulgarized, blindly reach-es out toward the ideal by stamping her graceless and commonplace daughter with a name acquired from

California, and the occasional specific that fair names may exercise a fa a popular romance. It may be said vorable influence, and serve as mo dels and patterns for the namesake. So they may, if there be any simi larity or concord between the two but when there is not, when the two natures are opposite, perchance an tagonistic, the heavy capital overweights and weakens the slender column. Names to be beneficial

and inspiring to their bearers, must panied by James C.

FOR PRESIDENT. Ulysses S. Grant.

PHURSDAY, JUNE 27, 1872.

1111 OF HASHAGHUNTEN

At the physical of the members of the

(From the Freis Presse for Texas) This State Journal in one of its rewould be better than cavalry, and when a body of them start in pursuit is should keep right on to the correct the result of conversation, concerning school matters, which the editor of the Freie Press had blish torts, holding possession.

At least 10,000 troops are needed by whose authority this construction has been made; nor do we care, the ladean appropriations we are convinced the Government of the post-office. The earlier appropriation and executive forces, was naturally arbitrary; he believed the country needed to be governed by some authority this construction has been made; nor do we care, the Indian appropriation and appropriation, and will soon be ready for he ingrees the Government of the convinced the convinc ion we are convinced the Gov being cut down to the lowest minf. use ernor will keep his promises made mum. The people will help in such to us, and we ourselves are not in an effort. Wherever there is a choice "Hon. John Potts, Chief Clerk of the been raised to that office in peaceful times, the least in doubt as to the nature of the section of land to be had for the least in doubt as to the nature of those promises. We know the living upon it, with a sense of security by the presence of troops, to whom she will be married soon after her any man. They choose to govern themthe full extent of the power grantinteresting the stardy and adventurous settler will go; not by ones and
officers, as well as the absolute contwos but in colonies. It must eith
this week, and will go thence to Ningara
the full extent of the power grantinteresting the po trol which it entrusts to the Super- er come to this, or to a war of exintendent of public Schools in the appointment and removal of all school officers. The law itself has so far not acted obstructively in such matters and will, so we hope, ahall give it future extention, and we such matters and will, so we hope, ahall give it future extention, and we such matters and will, so we hope, ahall give it future extention, and we such matters and will, so we hope, ahall give it future extention, and we such matters and will, so we hope, ahall give it future extention, and we such matters and will, so we hope, ahall give it future extention, and we such matters and will, so we hope, ahall give it future extention, and we such matters and will, so we hope, ahall give it future extention, and we such matters and will, so we hope, ahall give it future extention, and we such matters and will, so we hope, ahall give it future extention.

Duke de Nousilles will arrive here next month to the day and repeatedly disavewed any such conception of his duty. He has declared that he will see that the laws are faithfully executed, and that he will have no polition to the late President Lineary of his own to enforce. The government of the United States is, in the language of our own bill of rights, a government of ways in the late President Lineary and will arrive here next the laws are faithful by executed, and that he will have no polition to the late President Lineary of his own to enforce. The government of the United States is, in the language of our own bill of rights, a government of the line of the linear president Linear that he will are the day of the late of the late of the late of the linear faithful by the wayside in the prime of the linear faithful by executed, and that he will have no polition that he will also extent the late of the late o such matters and will, so we hope, not do so in the future, when the wishes of the officens are to be taken into consideration. Accord-

ough to arrange these matters harniously. To remove all doubts, we had, in our last presence in Austin, another conversation with the Governor in the presence of the Superintendant regarding the best plan to execute the promised reforms. It was the Governor's opinion that the patrons of public schools should meet publicly and express
their wishes by selecting the best the political field, ascertain by correspond-

Began county and our neighbor ing counties may go at once to work and examine according to this plan. They will find our that we understood the Governor well enough. The circular of the Superintendant, recently published, concerning the removal of all principals, seems to us.

Expendican party, so I have heard many of the five leaders state, as it will afford an obthing in this section shall be same on his land. LOCAL AFFAIRS.

THE open of the State vs. Lindsay, was continued yesterday upon affidavit of de-fendant, the State announcing for trial.

Tax artistical pictures which whilom attracted the multitude to the cellar un-derneath the Mayor's office, have been removed to market street, where Mr. Zine-moyer still holds himself in readiness to gratify the acathetical, or bibulous taster of his many friends. iends.

Wnar is more natisfactory after a long at severe day's labor, then a brick ride in an easy buggy, with a willing mag, over the hills currounding the city? The breeze is refreshing, the atmosphere reviving and you return with renewed vigor. Go to Crawford's stable and he will give you leasant drive.

Whi learn from a private letter from Austin, that the Treasury vaults were opened on Saturday last by Mr. Honey, and that there was no deficit in the funds. The commission, we are informed, are overhauling the books and accounts.

Greatest finis and Popularity
of may Sewing Machine the Section
is on well known as a proficient in the science of music, as well as an accomplished
and measurful sember of it, that no one is
surprised that her pupils should take this
method of showing their appreciation of
her as an artist, as well as their love for the personally. Many of the pupils of Mrs. Guion have made wonderful progress, and this concert will be a treat to the most refined and critical. Every lover of good music will be there; and this ettraction, coupled with the desire to benefit the worthy recipions, is some to fill the hall with the very silte of our city. The tickets are fifty cords each.

TORRES ONLY THE

BAPTIZED IN FIRE.

Read the Following :

A popular weely paper for the times, smbreding the leading features of those journals destroyed by the terrible conflagra-tion, and combining just such a corps of writers as will give the public all the news of the week, is a condensed compilation of the leading journals of the nation, and the world.

A TRUTHFUL RECORD. The Punntx will be the most truthful and reliable recorder of incidents and facts concerning the great fire, over published.

ACCOUNTS OF THE FIRE.

It will contain only such accounts as are vouched for by reliable witnesses, and will correct the erroneous and fabricated state-ments of sensational writers.

CHICAGO AND THE NEWS.

It will, for a time, he devoted especially to the past, present and future of Chicage, besides being the most complete weakly newspaper in the world. Bull & Bros.

PIRESIDE COMPANION AND NEWS-PAPER

Its columns are devoted to Kowe, Commerce, Science, Literature, Art. Drama, Duerier & Dugosh.
Music, Hamer, Pastime, Poetry, Fashion,
Society news, and enough of Romance to
make it a most desirable freside companion,
as well as the most reliable and complete
newspaper for the business man in the count.

BRAUTIFUL ILLUSTRATIONS.

It will be illustrated with engravings to to will be interrated with edge-vings to-hen from Photographs of the Olicano Eusine, instead of sketches "By Our Special Artist" who was not "on the apost," and thus give a series of reservor tunes, not obtainable classwhere, and the first number will contain the only correct map of the burned city.

BAPPY BOURS TO T

That beautiful literary journal, "Happy Houns," whose publisher was the first to issue a paper to most the public demand, after the artil fire, has been morged into, the literary department of the Paraxx, which will ambeen the constructions of more than sixty of the most popular writes of the day.

A SPECIAL PEATURE.

The PRENIX will contain, as an especial unture, a more complete record of incidents undercentre of the late terrible fire, then can be found in any head, paper or ether publication is the country. So sumerous and nacourate have been the accounts centorth, that something reliable and readable a cought at this time and The PRENIX will fill the bill.

A PAPER FOR THE PEOPLE. THE PHENTS is the cheapens America, being an eight page, forty column reckly, at only two dellars a year; in fact t shall be the paper for the people and the

The first number will be issued on Saturday, Nov. 11th, and will be the paper wanted by woreybody, as a record worth presering or to send away, and for its accurate likely-accurate.

ITS BASIS.

It is a consolidation of other journ and therefore on a solid foundation, o aining their former circulation.

NEW SUBSCRIBURS.

To any person who gets us three new sub ribers, we will send The Phonix for on rear free, or one of our beautiful; plate engravings worth \$2.50.

PREMIUMS. For the purpose of rapidly mercann abscription list before the close of the subscription list before the close of the present year, we's wil give to svery pursue whe griboriless for the Phenix during the spential for the Phenix during the spential for the price of the benix of the price of intertiples.
