In perpetunting Grant in power the people of this nation have rati fled and confirmed a counterfeit royalty which has not merely endan-gered but lime actually described the liberties of the country.—S. A.

This. certainly, is a terrible son tyrs." The poor offpressed saints who preside over that immortal the solitary victims among some 45,000,000 of people of a royal desglogy-gloria de ptofundis mundi.

Tim following is from the Hous-Texas Given up.

In managing the carries on behalf of the Republicans of this State, the Chair the State to solicit mitten in the way of speakers. He man in Bexar. Now, the shedew has been commended by other Republicans, who follows the metallic states with an in Bexar. Now, the shedew has been commended by some one who has been commended by other Republicans, who follows the commended by other Republicans, who follows the commended by other Republicans, who follows the commended by some one who has been commended by some commended swer was the same in all cases: We look upon Texas as a hopeless case, not worthy any effort on our parts. If the people there cannot be portal is written "Welsome" and the people there cannot be perseive their true interests, they will seem the common that the common t oust take the consequences. Do is beade all. the best your can."

Well, we have done the best that Chairman of the State Committee Chairman of the State Committee has never received a dollar from a single office holder to aid him in promuting the cuives in the direction. What mames he has expended name from his born purse, or from that of from his born purse, or from that of from the local organization whatever, and he has had not not promited in whatever, and he has had not not compared to the committee of the committee o

tion whatever, and he has had not only to print tickets free of charge, in high and lucrative Federal offices

have never, by word or deed, dur-ing the canvalus, done unything to help their struggling brethren. In some instances, we are credibly in-tormed, they have even thrown cold water upon the efforts of local Republicans.
The election therefore, las game,

to a great extent, by detault, at a time too when a vigorous canvass would utterly have demoral sed the sold-out Democracy. We do not mention these things

in the spirit of fault-finding, but to cause a correction, if possible, of the evils in the party. Another election, and an important one, is but a year off. No time is to be lost in organizing for it, if we desire or hope to cut any figures in electing the next Governor of this State.

THERE is an absolute ludierousness in the manner in which the democratic press of this State receives the triumph of the national republican party. There are scarcely any two who feel and express themserves similarly apon the sobject. One assigns one cause, and one another, and none agree; meanwhile others ignore the subject altogether and crow lustily over the "State frimpli." It le the crow of the cook which in terror, has erawled outside of the chicken yard, and there proclaims himself master of the signation; A. When the

In a false attitude before the country and will suffer by it; but she will not suffer by the result or this election one tithe as much as she o'Cohi will in the event the next Legislature shall devote its time to revolutionizing the government instead of passing good laws, repealing and King ones, and correcting defective ones. Such a course will be sure to restore the republicans to power in Tivy this State, but we prefer that the party shall restore itself, rather than triumph because of wrongs perpetrated by its opponents from which the people must suffer. E / 1919 - -----

MR. W. W. GAMBLE, who has the most complete book, stationery and huse store in Western Texas, has favored as with several sheets of new music, vocal and instructive influences by the daily use of transmission.

As seen as we have an experience of this beneficent preparation. tunity to know of their merits, we shall let our readers know our judgment; meantime we advise them to go and purchase a few in order to judge for themselves. There may be a comparing of notes hereafter. We won't give the names of any of the pieces before to morrow or next day.

WHAT a relief it is to knew that the great Presidential campaign is once more over, that the people will all settle down into their old quiet ways, and the editors oan write of compiling class heater palities. I fahat emblect clery with any one is does with the ariser; and we beartily have a limited rest at long. How much the next legislature may force upon se by was of arthelian or approval is a very dentiting enewtion.

It is astonishing what affect the City very trying to delicate organizations, and Recordership has on the countenance of in low-lying and swampy localities they man who succeed to that office. These produce an enormous crep of intermittent who were grave learn to smile; the melan-chelly become gay; but he who was origin-ally vivacious becomes absolutely jelly; ably half a million of people in the United The numby elected Recorder sentences his victims so agreeably it must be a pleasure misematic fegs and exhalations. What to he brought before him, once in a while, makes the prevalence of this evil the more How charmingly he can smile though!

chrishmetry; no matter how small or how system pro-fertified by a course of Hostet arge is may be, whose reputations rest ter's Stomach Bitters. Every fall and upon such solid bases that they are never apring hundreds of letters are received q though, and even the stranger, should from persons residing in fever and ague he deals. A do business in their line, will districts, who state that while their neigh-lears of them balors he has been in the bors are incapitated for labor by that de-cipy results fair hours. Such is that is bilitating disease, they have been happily pulsation of Mesers, Butta a Buo's, of this city. They are known from Maiden Lane of the great vegetable antidote to missums. New York to Same Fe, so the most trust-worthy is welcome perfectly reliable in word took and when you want anything be justly accounted infallible. They erawill obtain it just exactly as promised, nate forms; but the wiser course is to forefor just what it is worth. This firm has stall attack by taking the preparation as a preventive. The amount of productive labor withdrawn from active service durthe State, and we again call attention to ing several mouths in the year by malarity, we well us to their manufacturing skill, at maladies is immerse, and the pecuniantiply because it affects us pleasure to nation from the cause to incorporate.

Bear in mind that by toning and regulating the aystem with Hostetter's Bitters before last was a most successful affair. The capacious dancing halls were crown with the second and field the second and affair. The capacieus dancing halls were crowed with selection and the lights are always and the lights a limit to the lights are the lights the grain the second until the grain the second sec
