Those delicate pieces of English artillary called the " Woolwich Infants and weighing thirty-five tone each, have been recovered after sinking on board the Maiberough. The twins are doing as well as could be expected.

They had a "contempt" case at Pooria Illinois, if we are to believe the Spring field Register, and the justice is credited with rebuking a witness thus:

"Young man, if you speak in that way again, this sourt will forget its dignity and punch you in the smoot."

Tommy has discovered wherein his mother resembles time. It is not that she lays her hand gently on her father's brow, nor that her footsteps fall with noiseless treud, nor that she waits for no man, nor that she writes no wrinkles on her azura brow, nor that she acts like time, nor is it her age, nor any of these things, Tommy and that's myself."

When you make a sidewalk you want to get it very narrow and very high-something like the shape of an egg. Then when any one slips on it, a leg will go off at each side, and he will be split through at each side, and he will be split through gle, and his wife can get the inenrance and marry a man who will go into busi ness and make an ansignment. On any wife is dead, and then die and leave his insurance money to his mather

It was a Titusville man who became so affected by the smell of a bettle of whiskey broken on the sidewalk, that he went off and tried to pick the pecket of a billiard table.

Jackson rille, Tenn., young ladies tie up their taper fingers and when the young gentlemen callers in the evening inquire anisation now in existence. And this is the cause, blushingly reply, "I burnt them while boiling the beefsteak this

Shaken Coustitutions. General debility, and the despendency by which it is invariably accompanied, are often regarded as the symptoms of incurable physical decay. Of persons thus afflicted it is often said that their constitu tions are undermined; that they have nothing left to fall back upon; that they are grandson; the son's former wife is his step- ing undermined; and even if undermined mother, and the old man's wite is his may be propped and strengthened; and in system that only require stimulating and developing to render them equal to the work of rapair. The best and surest stimulant and invigorant that can be given as a remedy for decay of the vital powers, whother natural or essual, is Hostetter's Stomach Bitters. If the faltering physique can be roused into healthy activity by and the bowsle is most salutary. It not only note directly upon the solids and fluids stitution itself. Persons left by fever fi such a deplorably helpless condition that it would soom as if they could never re cover, may be completely tellt up - it might almost be said, re-butt-by this mighty, this wellnigh infallible, regetable esterative At this wearen of inclement winds and chilling damps the Birters should be taken as a protective medicine
