SPECIAL NOTICES.

Twenty Ecare Econger. To say that hundreds of maids, wivess widows look 20 years younger than they are in consequence of the compl freshness derived from the use of Hagan's MAGNOLIA BALM, is simply to state an absolute fact, which neight be premptly recified by direct testimony if Indies were as ified by direct testimony if ladies were as willing to tell their ages as to use the best means of making themselves lovely. Nature sometimes, but vary rarely, crowns thre sometimes, but very rarely, crowns the charm of perfect features with a complexion of exquisite clearness; buf even plaxion of exquisite clearness; but even then time suon begins to make inroads upon the valvet cheek, the fair white brow the ivery bust, the rounded arm. To preserve the "glory of women" nablemished, even after the meridian of life has been passed, it is only necessary to use daily this cooling, healthful vegetable preparation.

To Physicians! ELIXIR HODO-BROWIDE OF CALCIUM, COMP.

(For Internal Use.)

Medically used in Scrofula, Scrotulous Abcesses and Swellings, and all diseases of the blood traceable to a scrofulous diathesis; in Cancer and Cancerous Tumours, Caries or diseased bone; Bronchial and Throat Affections; Pulmonary Degeneration, Erysipelas, Salt Rheum, Scald Head, and Cutaneous affections; in Neuralgia and Rheumatism, and particularly efficient as an anti bilious remedy to combat what is commonly called "Liver Com-

Dr. L. Rogers states that in his practice he was called to see a patient who was attacked with pain and swelling of the hip, simulating scute rheumatiem, which finally culminated in a large abscess which required opening. Abscess after abscess appeared, five in all.—Suppuration profuse, and portions of the dead bone extracted and portions of the dead bone extracted from day to day—suffering intense. At this stage he commenced the use of the Elixir, and when fully under its influence patient made a rapid recovery. He says: "I gave him us other medicine, only as was necessary to correct the disturbed condition of the secretions; consequently the combatment of the disease must be attri-buted to the influence of the lode Brom-

large number of cutaneous diseases, and am highly gratified with its effect. I consider it a rainable acquisition to our thera-peutical agents, and could not think of be-ing without it."

In Rheumatism and Piles.— Dr. X. T.

In Rheumatism and Piles.—Dr. X. T. Bates, in a comunication to the "Journal-Materia Medica," says: "I have found the Elixir Iodo-Bromide Calcium, Compound, by far the most safisfactory alterative I ever used. In the trentment of Rhenmatism and Piles it has proved timelf a powerful and useful remedy and a valuable sequisition to the 'Materia Medica.' L.

In Neurolgia and Operthea. —8. R. Nise

LY, M. D., Pemberton, Ohio, says: "I have recently used the Iodo-Bromide of Calcium, Compound, and have been highly gratified with its action.

In Chronic Irritable Ulcer.—Dr. S. H. POTTER, says: "It has proved itself in every case a very valuable and potent remedy. I have been maing it on a Chronic Irritable Ulcer on my own person, arising from a severe concusion five years since. Singusevere concusion five years since. Singular as it seems, nothing else promotes healthy grasulations, nothing else can be tolerated, and yet this acts like a charm. "Both internally and externally, I have found it more efficacions than any other medicine that an experience of forty years

nedicine that an experience of forty years enables me to select."

In a Case of Scrofulous Abscess.—Br. F. M. Hanvey, Outario, Canada writes: "The Elixir of Iodo-Bromide Calcium, Compound, is a magnificant remedy. I am using it with marked success in a case of Scrofulous Abscess in the apper part of the femor. I think more of this remedy than of mur. I think more of this remedy than of all the many atteratives I have noticed in medical journals for the last two years."

In a Case of Cancer.—H. H. Prancz, M. D., Ruthand, Vs., writes; "I am using the lode-Bromide of Calcium, Compound, as a otion, and the Elixir of the same internal ly, with the happiest results. They have far exceeded my expectations. My patient is greatly improved, and able to walk about his room.

TILDEN & CO.,
176 William St., New York.

Iodo-Bromide Calcium, Comp. (Solution for External Use)

Medically used externally, in Salt Rheum, Scald Head, Eczema, The Putnam Ironing Mangle. Itch, "Prarie Itch," or "Prarie Mange"; Psoriasis, Herpes, Prnrigo, Scabies, Gangrene, Scrotulous Swellings or sores, Cancerous Swellings or sores, Sloughing Sores. It also possesses superior efficacy in Chron ic Rheumatism, giving often almost immediate relief.

immediate relief.

The above should be used concurrently with the ELIXIR in all cases of Shrimatism, Piles, Scrafula, Riephantiasis, Puerhasis, Ecrema, Scald Bead, and every description of SORES and ULCERS.

The Elixir is strongly recomended also incases of Secondary and Tertiary Syphilia, (to be taken internally); and the IODO-BROMIDE (to be appled externally) in Syphilids Swallings and Theory.

discharge a darrier when required by the Department to do so; for running an express as aforesaid; or for transparting persons or packages sourceting mailable material and the material material and the material material and the material material and the material may even an express of service on a route by allowing 8. The Postmaster General may order an increase of service on a route by allowing therefor a pre rata increase on the contract pay. He may change schedules of departures and arrivale in all care, and particularly to make them conform to connections with railroads, without increase of pay, provided the running time be not abridged. The Postmaster General may also discontinue or curtail the carvice, in whole or in part, in order to place on the reuts superior service, or whomewarths public interpart, in order to place on the route superior service, or whenever the public interests, in his judgment, shall require such discentinuance or curtailment for any other cause; he allowing as full indemnity to contractor one mouth's extra pay on the amount of service dispensed with, and a pre safe compensation for the amount of service retained and continued.

9. Payments will be made by collections from or drafts on, postmasters or otherwise, after the expiration of each quartersay in May suber, February, May and August, provided that required evidence of service has been received.

vice has been received.

O. The distances given are believed to 10. The distances given are believed to be substantially correct; but no increased pay will be allowed should they be greater than advertised, if the points to be supplied are correctly stated. Bidders must inform themselves on this point, and also in reference to the weight of the mail, the condition of bills, roads, streams, etc., and all tell bridges, turnpikes, plank reads, ferries, or obstructions of any kind by which expense may be incurred. No claim which expense may be incurred. No claim for additional pay, based on such ground, can be considered; nor for alleged mistakes or misapprehension as to the degree of service; nor for bridges destroyed, ferrica discoutinned, or other obstructions causing or increasing distance or expense occurring during the contract term. Of fices established after this advertisement is issued, and also during the contract term, are to be visited without extra pay, if the distance be not increased.

11. Bidders are cautioned to mail their proposals in time to reach the Department by the day and hour named (3 p. m., March 3, 1873), for bids received after that time ill not be considered in competition with sids, of reasonable amount, received in which are without the guarantee required by law, and a certificate of the sufficiency of anch guarantee, and the path of the 8, 1879. . 12. Bidders should first propose for ser-

vice strictly according to the advertise-ment, and then, if they desire, suparately for different service; and if the regular bid be the lowest offered for the advertised service, the other propositions may
