Gov. Davis' official record has been fairly spread before the people; it behooves you, gentlemen, of the democratic press, to show good cause, why that man, presently the man for the people, should make room for somebody, whose record—what little there is of it—gives occasion for the gravest apprehensions.

It would seem that the Governor seeks to goad our people into the commission of acts of violence. All we have to say about it is: Gov. Davis better be careful, how he behaves. Our people is a very high-strung, sensitive people, not accustomed to allow contradiction, and to whom the very proximity of a Radical is contaminating.

Who is there in this great nation that will not admit that the men whom Davis admiringly asserts were rebels, are capable of yielding the destinies of this great State to Northern Mercenaries. To be sure, who is there, whom Davis asserts etc.?

As to those men being capable of 'wielding the destinies of this great State,' there is hardly any ground for reasonable doubts, the only unpleasant feature about it being the fact that there is hardly a nation that could survive the repetition of such 'wielding.'

LOCAL AFFAIRS.

ALIX. E. SWENT, Notary Public, Medina, Ohio.

LARGE batch of locals crowded out by local advertisements.

THE Baptists have held a revival on the Medina, at Garza's crossing, and 23 persons were baptized.

It is alleged that Mexico from the Mission total in the world meeting. The force of habit is very strong.

For a better quality of READY MADE CLOTHING go to PANCOAST & SON.

THERE has been a great deal of talk for some time, but now it will become a settled aversion.

THERE is a perfect panic about mad dogs. After the "Conventio" "mad" we don't know what will become of men who have a hang dog look about them.

We call attention to the law card of Wise & Reynolds, published elsewhere. Both are very clever gentlemen, and will give satisfaction to their clients.

Go to PANCOAST & SON for all styles of SHIRTS and GENTS' FURNISHING GOODS.

We notice Cap Samuels in town from the Medina. He is a candidate for Justice of the Peace of his precinct, from which we infer it is prevailing in the country also.

MAC ALKES, a man who has been employed at the hospital, escaped from the hospital yesterday. He was confined with something akin to delirium tremens. He was captured and returned to his quarters.

THREE single gentlemen claim a home containing a parlor and a kitchen. Address: No. 33.

AMERICAN Colonist taken over for alleging that there were 100,000 on the Democratic city delegation, when there are really but two.

There are really but two on investigation we find he is correct. The other night, and several others, wanted to talk to him, but couldn't come in.

PANCOAST & SON make a specialty of HATS.

SOLOMON WHEE, policeman, died yesterday of typhoid fever. He was 40 years of age, the son of the late John Wheeler, a well known citizen of this section of the country. He was buried yesterday.

The City Council has passed an ordinance in the matter and all dogs found running loose after yesterday will be poisoned.

We mention, through personal business, the death of Corvettus Hartnett. He had contracted a fever while at work on the railroad, which occurred in a few days. He was about 40 years of age, of the town of Madison, Indiana, had been a Union soldier, was a consistent Republican, at one time was City Surgeon of San Antonio, and his death will be regretted by all who knew him.

We copy from the Medina, the arrival of the steamer "The City" from Vienna, Sept. 17th.

"If we are to believe the reports of our eyes, we are to believe that the steamer 'The City' is the largest steamer ever built, and is capable of weighing 10,000 tons.

The scales are probably based on the displacement, though the actual weight of the vessel is 10,000 tons.

In our issue of to-day will be found the local advertisement of Messrs. Mandelbaum & Rilling, who are known not only as the best of the city, but also as enterprising merchants in their line.

Owing to the fact they have been able to considerably enlarge their establishment and besides employing some fourteen hands, keep a stock of leather etc. on hand which can compete favorably with any in the State. Parties interested will find it to great advantage by giving them a call.

NOTICE!!! The undersigned offers in exchange choice land east of the San Antonio River for 1 two acre wagon and team, 1 harness, and 100 lbs of best quality flour at the rate of \$100.00.

REMOVED L. BERNARD has removed his Dry Goods Store from Santa's new store to Weber's building, 120 North Main Street, No. 30 Commerce Street. We invite everybody to give us a visit.

Special Indulgences—Calf, best brands and fresh eggs at 10 cents per yard, 20 cents per yard, and every other article cheaper than ever. Give us a call before buying elsewhere.

MEAS. PANCOAST & SON, merchant Tailors, have removed their large and complete stock to the new store next to the Express office and nearly opposite Messrs. Gross & Co. on Main Street, where they will be pleased to see all their customers as heretofore. The increase which their business has experienced ever since it has been established is the best proof that they occupy the same high position, and dispense.

PROF. BURT'S SPECTACLES. Hardens and invigorates the eyes, purifies and perfects the breath, cleanses, beautifies and preserves the teeth from youth to old age. Sold by all Druggists.

Several of the Whites was largely attended. The Mayor, a number of the Aldermen and members, and a large number of our colored fellow citizens in company of 30 vehicles, followed the remains of the deceased to their last resting place. Policeman White was a good fellow, and the fact of his having received his death in the discharge of his duty, excited much public sympathy.

PANCOAST & SON GUARANTEE their clothing to FIT and GIVE SATISFACTION.

That friend of our youth, James Kiddy, is in town from Eagle Pass. Political trouble still continues, making 250,000 men unable to buy. The hotel and mercantile people of the country are taking measures to prevent general stealing, while the political dispute remains unsettled. The legislature has held a meeting at San Antonio and elected Mr. Maria del Rio, in opposition to Zepeda, who is at Mexico.

Our informant thinks that if there is no fighting within ten days it will blow over.
