A New York letter to the Boston Saturday Gazette says: Madame Nilsson-Rouzead has changed her quarters from the some interest. Nilsson has on her bill for Mr. Strakosch to pay: There is washing, newspapers and postage stamps, all charged to him. Whether Nilsson acknowledges any personal expenses at all is a question. She has already received for services, this year, \$64,000 in gold, so one would suppose that she might keep herself in postage stamps. During a recent visit to Philadelphia, the orchestra of the troupe thought they would give the prima donna a serenad; it would be a good advertisement and let the people know that Mme. Nilsson had really arrived in town. They came and played under her window at the Continental, and were invited in to champagne by the fair cantatrice, and they drank and were merry. The next day

It is needless to remark that the temperance movement has not yet made its appearance there.

Chinese oil beans, remakable for the amount of protein matter and oil they contain, are but little used as food for man, but are cultivated mainly as feed for cattle and for fertilizing. The ripe beans, as well as oil cake, are fed; the oil cake also serving as a manure for sugar cane and mulbery trees. The Situation in Europe.

The impression that there is a European war brewing which may break out at any time at the slightest provocation, is prevailing all over the world. All European nations are arming at a fearful rate, and while the governments are professing peaceful intentions, the new arms and deadly missils, and charges against certain United States refuse is a caution. the youth is enrolled and drilled for Judges who will probably be impeached if military service. They have allied themselves in Italy, Germany, Austria, Belgium and Switzerland the worst enemies of human society, the Internationalists and Socialists, while in France they support the present Government as long as the Government supports them and submits to their dictates, Here it is where the wild fire is to be kindled which will spread like a fory over all European countries and wreep millions of human beings from the earth and bring misery and desolation to the finest counbries of the world, distroy civiliza bien and fun the richest nations inpoverty, from , which they will not recover for decades. It provides that whoever, being a civil officer of the United States, except the President and Vice President of the United States, who shall be impeached by the House of Rep resentatives, shall be deprived of his office while his trial is in progress. TENGER HOTEL,

#### LOCAL AFFAIRS.

RAINEY weather yesterday. Thermometer is running high.

CARR. WEIR from Corpus Christi is nted Judge for the Castroville Dia-

For all the styles of spring and summer hats go to PANCOAST & SON. 14-3-dtf

WE had the pleasure of meeting our old friend the Hon. Jacob Kuechler, late Commissioner of the General Land Office. He looks well and hearty.

PANCOAST & SON have now received a full assortment of cloths, cassimeres and lineus to make up to order. 14 3 dtf

THE meeting called in the interest of the friends of the new ditch was held on Saturday, April 4th, in Karber's Garden, and was well attended. A committee of nine was appointed to report the landed property bordering on and situated near the proposed ditch to the meeting to be held on Saturday next.

GENTLEMEN'S farn'shing goods of the cery best quality always to be found at PANCOAST & SON. 14-3-dtf

ALL the tall, in town is railroad. The line to Schulenburg is now visible and all it needs are workmen and iron to induce the iron horse to pay us a visit. We have assurances that the road will be built and finished by January next. If the promises made are realized, the people of Bexar county will give Mr. Peirce all encouragement he needs to make his road a success.

READY made clothing in style and make not to be surpassed, just received by PAN-COAST & SON. 14-3-1ts

BEAUTIFIL weather greeted us on Easter Sunday. Pedro Springs was crowded with visitors and deserves the patronage of the citizens. The crystal springs, the verdure of the prairies, the magnificent ceping willows, the stately pecane and live oak, the picturesque cannas and caladium, all combine to offer a scenery seldom met with in this country. We scarcely appreciate the jewel nature and Mr. Duerle's energy have presented us with this place of recreation.

THE American Sardine Co.'s Boneless ardines are much better, and less than Sardines are much better, and half the cost of imported Sardines.

In spite of your teeth, Both, above and beneath, Being lightly enamel'd and thin, They will ever break down, If the SOZODONT'S daily brushed in.

Ask them? An advertisement of a medicine, howofer candid and conscientious it muy be, does not always carry conviction with it. The public know to their sorrow that the boastful ciaims put forth in behalf of many so-called remedies are literally "a delusion and a snare." Probably the best use, therefore, that can be made of the space devoted to this notice of Hostetter's Stomach Bitters is to invite those who read it to inquire of the parties that have tested the curative and preventive properties the article, what they think of it. We earnstly request all doubters to ascertain

from sach of their friends and neighbors as have taken this standard tonic and as have taken this standard tonic and alterative as a protection against malarious diseases, or as a cure for indigestion, liver complaint, constipation, rheumatism nervous debility, headache, low spirits, languer, biliousness, &c., what Hostetter's Bitters has done for them. There is no testimony so trustworthy as that which is the result of personal experience

Owing to the hard times and the inability of many of the suffering to visit the National Surgical Institute, at INDIA-NAPOLIS, Indiana, three of the Surgeons of the Institute have yielded to urgent solicitations, and will visit Galveston, stopping at the Exchange Hotel April 2nd to 11th, Austin Fitzbugh House April 14th and 15th, and Dallas, Texas, Crutchfield House April 17th and 18th 1874, with all kinds of Surgical Apparatus and appliances, and fully prepared to treat such cases as may call upon them for relief, thus saving the patient a long journey to the Home Institution. They will come especially prepared to treat all surgical cases; Paralysis; all kinds of defermities of the face, Spine, and limbs: Diseased Joints; Diseased Eyes; Catarrh; Private Diseases; Piles; Fistula, &c. — No cases will be undertaken without a fair hope of relief undertaken without a fair hope of relief Prices will be moderate. It is needless to say that this Institution is entirely responsible, and the largest and most popular of the kind in America, cering thousands of cases annually. Come the first day, if possible, as a great crowd will be there. Remember the time and place.. Send to the Institute for circular.
