Frank is much rejoicing amongst the Democrats at the election in Indianapolis. From the dispatches it is evident the contest was between Temperance men and Anti-temperance men. If Democracy is going to identify itself with the temperance cause, this victory will prove the heaviest defeat it ever suffered.

GESTONER'S furnishing goods of the very best quality always to be found at PANCOAST & SON.

Tax work on the Columbus Railroad is steadily going on. It is said that four hundred laborers are employed and that the engine will cross the San Marcos on or before the first day of July. To evade the construction of the extension law imposed upon the road by Ireland, it becomes necessary for Mr. Pierce to complete his road before his old charter expires. Thus the effort of Ireland will be nullified.

Animated Machinery.

Our bodies are like time-pieces. When they run down we must wind them up or otherwise they will stop forever. What key will best perform this work of re-creation? Experience has shown that it can be accomplished more rapidly and certainly by a course of Hostetter's Stomach Bitters than by any other article under the sun. That searching yet harmless agent tends to loosen every spring and lever, and when, so to speak, of the living machine. The relaxed nerves are braced, the torpid liver is stirred, the weak stomach is strengthened, the disordered bowels are regulated, the lost appetite is restored, the blooded mind is brightened, in short the whole inert system is stimulated into healthy action. New life is put into every failing fibre, and physical regeneration ensues. This is the testimony of thousands. In every city, town and village of the union living proofs of its efficacy may be found.

TO ALL, particularly invalids, spring is a trying season. Indications of sickness should at once be attended to. Fatal diseases may be caused by allowing the bowels to become constipated, and the system to remain in a disordered condition, until the disorder has time to develop itself. An ounce of prevention is worth a pound of cure. An old and truthful saying. Therefore, we advise all who are troubled with the complaints now very prevalent - headache, indigestion, disordered liver, weak digestion, general debility, skin to take Hostetter's Stomach Bitters. We know of no remedy so harmless and effective in its action. It at once strikes at the root of the disease and produces a healthy condition of the system. People never need to get sick, any one arising from a disordered condition of the liver if they would take this excellent medicine when they feel the first indications of the trouble. Families leaving home for the summer months should take three or four bottles of these pills with them. They will not only maintain the system in a healthy condition, but will rapidly cleanse the liver, surrounding bile, and the intestinal system a bilious attack. They are sold by all druggists.
