SULNON, our elegant friend of the Tures Russian Baths, and Hair-Dressing Saloon, complains that our notices of him have so increased his fame and business that he hardly has time to eat or sleep. He must remember that such is the fate and for. tune of all famous men. The public must remember, however, to give him still more patronage. He'll stand it.

TRE Vaudeville Theatre has been fixed up more comfortably still, and is comfortably heated etc., etc.

FOR COUGHS AND COLDS USA CLAVIN'S WILD CHERRY AND SQUILL. For sale by J. Clavin and A. Dreiss.

THE PERSONAL ASSAULT-made upon Col-J. D. Logan in the San Antonio Horald, in Its famin of Saturday last, was we mildly suggest, out of tasts, unjust, and without sufficient provocations, With the service of the old quarrel between Col, Logan and the present Herald company, of course, we have no concern. But we have a right to judge of the manuer to which a well-known and highly respected citizen of San Antonie and Western Texas, and an old and honored member of the editorial frateratty. is treated in one of our public journals The advantage sought to be taken by the Herald of the physical prestration, now happily passing away, which Col. Logan brought upon himself by devotion to jour-nalistic duty, in making the Herald what it is to-slay, must be adjudged as bad is taste, in logic, and in editorial ethics, There must be a higher standard and bet-ter tone established for the journalism of San Antonio, or new journals must take the place of some of the old ones. This everlasting in railor of private and personal life must be stopped: Good society will scous it, or else good society, will let our journalism severely alone.

THE American Sardine Co.'s Boneless Sandines are much better, and less than half the cost of imported Sardines.

MESS MOLLIE SOMMERS, in her German congs, is splendid, and amuses the audience from beginning to end.
