manuer to obvinte the most serious objections made to by and will now the day and and the drawing will naturally take place on the drawing will naturally to desire the try their last to breats at one, as the drawing of the Texas members are being inclined to be hostife. They insist appear changes, it is said, which might be at soal advantage to certain cities, and are inclined, oppose a bill which the drawing are much better, and less than oppose a bill which the drawing the compose a bill which the drawing the compose and the drawing the compose a bill which the drawing the compose the co which might he of local advantage to certain cities, and are inclined, if those changes are not made, to oppose a bill which would be of the greatest benefit to the record of all the. Southwestern States, We hope this report is erroneous, but if it proves true, the members from this and other States especially interested, ought to compent their efforts, only the more earnest by, to pass the bill. We may be sure that it will not be aided by the arising monopoly if transconting the property of the existing monopoly if the existing monopoly if the existing monopol there route. But if the bill is properly framed, so that it duly guards the interests of the Unital States, we hope that no local differences among representatives from the South will be permitted to hinder its passage. The Southern tier of States has not hitherto enjoyed a large share from Congress, in part because its representatives have not been as united or zealous as not been as united or zealous as those from Mornier States, in defense of enterprises peculiarly (adjusted to them. The measure now proposed would be worth millions to those States, and is at the second would be worth millions to those States, and is at the second would be worth millions to those States, and is at the second would be worth millions to those States, and is at the second would be worth millions to those States, and is at the second would be worth millions to those States, and is at the second would be worth millions to those States, and is at the second would be worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States, and is at the second worth millions to those States where we worth millions to those States were second worth millions to those States where we were second worth millions to those States where we were all the second worth which were all the second worth millions to those States were second worth which were well as the second worth worth which were well as the second worth work which we worth with the second worth worth we were well as the second worth which we were well as the second worth worth worth we were well as the second worth which we were well as the second worth worth worth we were well as the second worth worth worth same time deserving of support as druggists.

LOCAL AFFAIRS.

YESTERDAY was a beautifully bright day

This morning the watering carts were of

in their work. It is now drizzling.

FLANNELS and Merino, Under West and a good stock of first class furnishing goods at PANCOAST & SON. THE Masquerade of the acciety "Harmo

nie," the first of this year, came off last Saturday in the Hall of the Association. It was not as well attended as the large number of members of the Association would liave justified fatill there were enough masqueraders, about 60 or 70 sh number, to make it a pleasant affair. The costumes were splendid, and the variety of characters as great as might have been

STOP that cough by using CLAVIN'S WILD CHERRY AND SQUILL. For sale by J. CLA-VIN and A. DREISS.

It is not well always for a place to speak of its own charms and advantages but the climate of San Antonio seem the be especially suited for the wants of consumptives and asthmatics, and is fast becoming a resort of persons affected with throat and lang thouses [4] beg Occurren-is a similar resort and enjoys a good repufation, but the accommodations there are indifferent, and while the climate is dry yet it is often too cold. Though this winter has been very un

favorable, rull we have known of several who were far gone in consumption, yet ed as they marshed by soon after their arrival here, they improved and have continued to improve, the and weather to the contrary not with stand-ing. But some one may say, consumptives lists, so can never get here. Alas we have no rail roads." On the contrary the ride in the stage with the breezes of Texas meeting them, and the joite of the rocks make their blood circulate freely.

Usz Clavin's Wild Cherry and Squills for all diseases of the throat and lungs. För sale by J. CLAVIN and A. DREISS.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY.

OR FADRO HARK TO ItS YOUTH AND TO THE ORDER OF THE on Farm Ham to its youthful color, making it soft fustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair clands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical Ham Dansand ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and care The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPA-RATION for its intended purposes."

Buckingham's Dye. FOR THE WHISEERS.

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.

Ayer's Ague Cure, For Fever and Agus, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Agus, Periodical or Bilitous Fever, &c., and indeed all the affections which arise from malatious, march, or mismatio

No one remedy is lousier called for by the necessities of the American people than a sure and sake ours for fever ealled for by the necessities of the American people than a sure and sake ours for fever enabled to offer, with a period certainty that it will predicate the dispase, and with steers when, founded on proof, that is a period certainty that it will predicate the dispase, and with steers when you are now enabled to offer, with a period certainty that it will predicate the dispase, and with steers when cure, for the patient escapes the risk which be must run in violent stacks of this buttuil distemper. This 'CURB' expels the missantic polon of FEVER AND AGUE from the system, and prevents the development of the disease, if taken on the first approach of its premohitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the obsequent. The large quantity we supply for a dollar brings it within the reach of everybody; and in billion districts, where PEVER AND AGUE prevails, everybody should have it, and use it freely, both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superfectly of this remedy ever any other ever discoveres for the superior way and cure of intermittents is, that it centaries no quintam or other injurious effects whiteers upon the constitution. Those cured by it are left as healthy as if they had sever had the disease.

Forer and Ague is not alone the consequence of the minamatic poison. A great variety of disorders arise from its britainon, among which are Neurally and persons travelling or temperatily remedies in the healthy and reversity of the remedy of the remedy of the remedy of the remedy of the poison from the blood, and consequently correlate from its hysterica, Pairs in the Bowels, Colle, Paralysis, and december theye, or betoken periodical.
