We which is due to merit alone. can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all cruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. The Missouri, Kansas & Texas Railway-has become so well known to the people of Texas, as one of the finest and most con-fortable Roads on the continent to travel on that it weeks almost unnecessary that on, that it weeks almost unnecessary that we should say anglet, it is praise. Let we cannot ever get back from a trip over this line without saying something in praise of the name of the the Northwestern States or Territories, it is much the best route we have from Texas. Their Dining Stations and Hours for Mests are all that a treveler would wish for, and

in fact there seems to be nothing left and done to render a trip over this line pleasest.
