UMPTIVES, TAKE NOTICE - Every moment of delay makes your cure hopeless, and much depends on the judicious choice of a remedy. The amount of sestimony in favor of Dr. Seconda - Lulmenic Syrup, as a cure for consumption, far exceeds all a cure for consumption, far exceeds all that can be brought to support the pretensions of any other medicine. See Dr. Schenck's Almanac containing the corpinsates of many persons of the highest recpectability, who have been restored to pealth, after being pronounced incurable by physicians of acknowledged ability. Schenck's Pulmonic Syrup alone has ensed. many as these evidence will show; but the cure is often promoted by the employment of two other remedies which Dr. Schenck provides for the purpose. These additional remodies are Schench's Sea. Weed Tonic and Mandrake Pills. By the timely mayof these medicines are entire to timely use of these medicines, according to directions, Dr. Schenck certifies that most
