CONSUMPTIVES, TAKE NOTICE. - Every moment of delay makes your cure hopeless, and much depends on the judicious choice of a remady. The amount of testimony in favor of Dr. Secenck's Pulmonic Syrup, as favor of Dr. Seconck's Pulmonic Syrup, as a cure for consumption, iar exceeds all that can be brought to support the pretensions of any other medicine. See Dr. Scheuck's Almanac, containing the certifisates of many persons of the highest respectability, who have been restored to health, after being pronounced incurable by physicians of acknowledged ability. Schenck's Pulmonic Syrup alone has cured many, at these evidences will show that many, as these evidences will show; but the cure is often promoted by the employ ment of two other remedies which Dr. Schenck provides for the purpose. These additional remedies are Schenich's Sea Weed Topic and Mandrake Pills. By the timely use of these medicines, according to directions, Dr. Schenck certifies that most

any diad of consumption may be enred.

Dr. Schenck is professional at his principal office, Curner Sixth and Arch Sta.,

Philadelphia, every Monday, where all letters for advice must be addressed. The American Sardine Co,'s Bousiess Sardines are much better, and less than half the cost of imported Sardines.

HALIBS 1 HAIR

The Signa of Mealth

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully, up to its high standard; and it is the only reliable and perfect. ed preparation for restoring Gmay on Faden Hair to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D. State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PURPA-BATION for its intended purposes."
