EX-PRESIDENT ANDREW JOHNSON is dead.

The Comptroller of Currency advises the Secretary of the Treasury of the issue of \$1,250,000 of National Bank circulation in the month ending 28th inst., eight per cent. of which is to be returned by legal tender notes...

INDIAN AFFAIRS.—At Long Branch the Indian Commissioners had a long interview with President Grant, who announces his unflinching confidence in the business and Christian policy by him adopted.

The Post-office Department has sent to the Department of Justice the names of thirty-nine mail contractors to be prosecuted for failing to perform service after their bids had been accepted.

The past administration with a reckless disregard for the provisions of the City Charter and the blindness to the consequences, ordered certain streets to be macadamized and issuing ten year bonds for the payment of the work.

Personal Journalism.—A Word to the Herald. We have always been fully satisfied that journalism should be impersonal.

Notice is hereby given that the co-partnership existing between E. B. Stark and William Reuter, in the management of the hotel known as the "German House," is dissolved by mutual consent.

The Mayor's Veto—City Finance and Street Improvements.

No subject is of such vital concern to our citizens as the one presented by the Mayor in his veto of the last meeting of the City Council. The subject of the veto was a resolution passed at a previous meeting of the Council ordering the macadamizing of Elm and South streets.

To the Hon. Board of Aldermen of the City of San Antonio:

When the resolution passed at your last meeting, for "Macadamizing the City Streets," that Elm and South streets be macadamized, and the work be let to the lowest bidder...

Guenther's Mills.

THE WHEAT CROP OF THIS YEAR is very large and of good quality, and my mill is turning the very best in America.

GEUTHER'S PLAN is to store the best and cheapest in San Antonio. My old customers cannot possibly cut up all the flour I make each year; therefore I hope the public generally will give it a trial, and help consume the surplus.

Local Agents Wanted! An Agent wanted for each town and county in the United States.

Parties desiring to act as agents under my plan should apply by letter to the editor of a newspaper published in the town or county for which they are desirous to act. The agency is to be in the hands of the Industrial Exhibition Company.

Bonds \$20 each.

The Industrial Exhibition Company will furnish agents with Circulars, giving the names of the towns in the State where agents are wanted, and the holder of a \$20 bond may obtain a premium of either \$5, \$10, \$20, \$50, \$100, \$200, \$500, \$1,000, \$2,000, \$5,000, \$10,000, \$20,000, or \$50,000, which is ordinarily distributed to all the bond-holders pro rata, in the form of a dividend by check.

The Industrial Exhibition Company is the best to adopt the plan so long in use by the European governments of issuing bonds when the principle is made secure and not risky, but where there is a chance for a large premium, an investment of \$20 is sure to return to the investor \$25 or more.

"We have said that he was the observed of all observers, and we have spoken truthfully. The keen eye of Special Officer William Cooper was upon him, as that gentleman had 'heard a thing or two' concerning the antecedents of the individual of whom we have been writing.
