In order to obtain these results, time, labor, money, and the EXPERENCE OF MY In order to obtain those results, time, labor, money, and the EXPERIENCE OF MY LIFE, as a practical mechanic, have been freely contributed, and I believe, with success. Further to facilitate the magnificature and sale of my Machines, The Howe Machines Co. has been organized, and the business will be carried on in the name of that Company, under my supervision. The enviable reputation of my Machines has induced persons to use my name in connection with Machines of an inferior description—and I have, therefore, to protect myself and the public, adopted, as an especial Trade Mark, a Medallion, having in the centre the profile of the Inventor surrounded by the legend, Elias Howe, Jr., inventor and Markin, New York, U.S. A." Don't make War on the Stomach.

If yet are billous, dyspeptic and consti-pated, don't make war on the steinach by successively swallowing him pills, strong purgatives and powerful stringents. Such a procedure damages digestion and weak-ens the bowels, lewing steinach, liver and intestines, after the immediate effect, in a condition of greater disorder than before. That complete relief which remedies of the above description signally fail to afterd is obtained by using Hostotter's Stomach Bitters And for the best of reasons. Bil-iousness is the result of inactivity of the liver, dyspepsia of weakness of the di-gestive organ r and constipation is pro-dured by the above causes operating to-gether. The Bitters, being a powerful stomachic, overcome indigestion by stim-ulating the secretion of gastric junce, re-lieve biliousness by promoting greater ac-tivity of the liver, and thus enable the bowels to act with renewed regularity.

The Houses We Live in-In other words our bodies—are held on repairing leases. We must prop and sustain them when they exhibit signs of weakness and decay, or they will inevitably break down. In Dr. WALKER'S CALIFORNIA VINEGAR BITTERS WALKER'S-CALIFORNIA VINEGAR BITTERS, a matchless compound of newly discovered medicinal borbs, peculiar to the Pacific region, the debilitated, the bilious, the rheumatic the consumptive will find the most genial tonic and restorative ever offered to the suffering invalid. HAIR

Every year increases the populari-ty of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrens that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY, OR FADER HAIR to its youthful color, making it soft, fustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair-grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING aver used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."
