In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathertic for the purpose equal to Dr. J. CAUTION.

We wish to caution users of Dr. Price's Cream Baking Powder against buying it FALL AND WINTER in bulk. Unprincipled dealers are mixing lloss sheap powder, and other substances with it and selling it as Dr. Price's. Some too are filling large cans that have Dr. Price's name on them, with commers as Dr. Pric.'s. The only safe way is to buy it in cans, and to see that their trade marks, the words Dr. Price's Gream Baking Powder, and the hand and cor-nuconia, are on the box. Do not bay it if label is broken. Every year increases the popularity of this valuable Hair Preparation which is due to merit alone, We can assure ou patrons that it is kept fully up his high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dindruff, and, by its tonic prop-erties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most eco-nomical Harr Diressing ever used, as it requires fewer applications, and gives the hair a splendid glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPA-RATION for its intended purposes."
