HALES VEGETABLE SICILIAN HAIR RENEWER.

Every year increases the populari-ty of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The sealp, by its use, becomes white and clean. It removes all cruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair-grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most connomical HAIR DRESSING ever used, as it recovers fower applications. as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPA-KATION for its intended purposes."

SPECIAL NOTICES. RCONOMX

Aside from their excellence there is economy in buying Dr. Price's Flavoring Extracts, as the bottles hold one-half more than others purporting to hold the same quantity. They are the most natural flavors made, and in strongth, quality, and quantity there are none like them. With Dr. Price's Cream Baking Powder and Dr. Price's Flavoring Extracts, we can have articles of our daily food made palatable, enjoyable, digestible, and healthful. The cheap articles in this line are odious comparisons with Dr. Prices preparations, which in quality are fit for the highest in the land, yet at a price within the reach of the poorest. Buy the powder only in cans securely labelled not in bulk, as many have been deceived thereby.
