SUNDAY MORNING, May 14th, 1876. INO THE GREAT METHODIST

The greatest ecclesiastical schism that has ever occurred in the history of this to mary, and the one most notent in its intion of the people, was the rupture which secured in May 1844 in the General Conerence of the Mathodist Episcopal Church seld at Green Street Church New York. It began in the introduction of a resolution that Bishop James O. Andrew of Georgia desirt from the exercise of his pal duties" until he had ceased to nominal owner of slaves, he having married a lady who had a few family ervants as an inheritance. The South n he bouth, and the Northwen

delegates, with a few exceptions, were in its support, declaring that a bolding Bishop bresiding at the Annual Conferences in New England and anti-slavery regions, regid also prove disastrons in its influence- Violent debates on the constitution of the Church were followed by calm reasoning, and otherly and pious consultation, and a dal division was at length agreed on, nd also a plan and line of separation,

m Episcopal Methodism in the Uni-ation was divided into two great bod-the Methodist Episcopal Church, the Methodist Episcopal Church, tisas polities, soon embittered the two sections of Methodiem against ch other. The Church property in the Concern and other things was not on, and the Southern Church had to win her share after a long, utseemly, and exmaive law suit. The Hee of separation stillated, and when the Rev. Dr. Lovick Pierce of Goorgia went to the next General Conference of the M. E. Church, four years later, as the fraternal delegate of apprehension one moment, an reverse from the fourthers Church, they refused to in the delight of punishing those who had ceive him in his official capacity. (In this connection it is a singular co-inci-

sivil war. Ever since the war closed, and then of another—is marvelous. His de will be navigation for vessels for twenty memor to Mary is so politely insolent as to miles.

South, both in the Church and out of it, so unless, since alavery, the real cause of or kinglike courtesy. Impassive, unfeet-the separation, had passed away forever, ing, thoroughly hateful, he is yet royal in But the work, has been tedious and diffi-oult; yet with such succeeding quadron-sial General Conference of the two Church and Mary, in which Mary pleads with him eleser and closer together. These messenthe most cordial and hearty manner, and rest his title to be called a great artist on dicated the route, and almost cut out we now hear that the reception of the this. aral Conference at Baltimore is so cordial and fraternal as to inspire the highest lappes of a final closing of the breach, and the re-scablishment of the great body of witness the play. Tennyson was not and in the great necessity and benefit of latte distance in the United States present, but Mr Browning. George Filipt, such as a long and dangerous Gulf coast, as this one is. It ought to be a national work. The Galveston News are the many desire to when Miss Bateman gave, with great meeting the Rio Grande and Mississippi rivers by canals between the various Mathedista by the United States ids of a restored Union, and in | ng the bitterness of sectional hos ty. The great Episcopal Church, once

TENNYSON ON THE STAGE.

When it was announced that Mr. Ten-New York Tribune of the power and effect every new movement in that direction of its rendering is enthusiastically lauda-He labored earnessly for the completion of the railroad between Houston and New

energetic and rich. This also, of course, is by comparison. Putting Shakespeare gation Company, and for the construction of the Ship Channel from Houston to the nothing on the stage in recent days which had claims to high literary excellence, been completed, especially in the matter The contrast between the perfect literary of railroads, making Houston the great The contrast between the perfect literary form of Tennyson's Jamest passages and the liteless language which seeks effects from mere eccentricity, was very striking and very delightful. This alone should teach the English people the English toreign tongues.

half the personages of the poem have dis- benefit to Houston will be the completion tage of simplifying the movement of the city would not have acquired such an imdrama, and the signal disadvantage of re- mouse superiority over Houston as she ducing it, in many cases, to a mere out. did, and which it is now hard to overcome.

line that eadly wants life and color. the poet Tennyson has here and there got J. R. Morris, of that city, to construct the better of Tennyson the playright, and two canals, one turning the Brazos river, deniable poetic beauty which a rigid sary, into Buffalo Bayon at Houston, and dramatic censorsup - the have nathless; the other turning the waters of the San

ly pruned away. Speaking of the nuamiable, unhuman place. This scheme wa character of Mary, as represented by Judge Morris at the outset, and we by Mrs. Bateman, the writer says that wrote the first srticles in its favor that at least she is a queenly queen, robed ever appeared. Of the practibility and as belits the soverign lady of England, great value of this scheme we have never broading gloomily by the fire while Reside of the line, and contiguous to it, block, spurning the usber who accounces that the Council is in session, with her hanghty "Sir, let them alt;" sternly warning Atice that she is neither to hear nor crushing the poor child with her imperpress, and that baleful in those was genuine power. So in return per mile, or \$165,000 for the whole disaut cry, "My Philip is all mine," there year, as she knelt, a stateliness of heroic among all the passions, that shook her soul, was not alien from a woman's tenderpess. There was nothing floor than next act, the transition from the pressure of imminent peril to the vindictive joy of triumph were finaly marked-all agony of apprehension one moment, all ferocity

spec of the M. E. Church now in session small compass, all the feeling for art and water in Buffalo Bayon within the city at Baltimore. He is about ninety years exquisite sensibility which made Petitot limits will be increased to eighteen feet, old and probably the oldest preacher in the first of minature painters. But there while the volume of water obtained from the world in regular service.) is not much of it. Philip figures in two both canals will furnish a perpetual power There is no doubt that this schim of or three scenes only, but one of them is for keeping the bayou scoured out after the most powerful and numerous body of better worth socing and studying than the points have been cut away by the ristians in the Union hastened the di most whole plays. His make up-in dradges. Above the dam on the Brazos, non of the United States and our late exact copy first of one portrait of Philip at Crump's Ferry, Mr. Morris asserts there have labored earnestly to bring about a gas anused to this form of Castilian and Mary, in which Mary pleads with him been said and written, and about which to slay, and the imperial ruffian extorts nothing has been done, is again being so meeting two years spart, fraternal to stay, and the imperial rufflan extorts nothing has been done, is again being many societies have been sent by each to successive concessions from her as the talked about. We have written many the other, and they have been coming price of the favor, only to refuse it at the an elaborate argument in its behalf, and last to her, and grant it on a careless have published many others written by ers have been received on both sides in word of Renard. Mr. Irving might well the pens of other men. Nature has in-

cansed her terror, in the next.

The English public are so proud of Ten. Rio Grande, and there never was on nyson that they will not let him fail if earth a great enterprise so clearly markthey can prevent it. The first literary peo. ed out by providence, both in the natple of the metropolis were out in force to ural toland canal already nearly formed,

THE ENTERPRISE AND FUTURE OF HOUSTON

THE GREAT INLAND CANAL.

The Mississippi and Rio Grande Inland Canal, about which so much has been said and written, and about which point and emphasis, the now significant rivers by canals between the various bays, lakes and lagoons which lie along the coast a few miles from the Gulf shore, and afford facilities for steam I am English Queen, not Bounn Emperor, it was received with a whirlwind of cheers, to which a faint his or two gave all the mere manifed since the war; without stint all through; there were calls before the curtain at through; there were calls before the curtain at through; there were calls before the curtain at the und of every act; a laurel wreath went to Mr. Irving and a correct to the unifer the late that the late that the late that the late through the congress of the United States by Senators of bonquets to Miss Lateman. In response to mile for the author, Mr. Irving and a correct to the congress of the United States by Senators of bonquets to mile for the author, Mr. Irving and a correct to the congress of the United States by Senators of the work has never been ordered. The matter, was also clucidated and discussed in the Commercial Convention at Cincinnal in 1871; but has languished for the late three or four years. A. Scheidemantel & Co.

THE SMALL BUT RECIABLE PIANO FORTE HOUSE #1

Scheidemantel & Co.,

DEALERS IN .

A. Scheidemant 1 & Co. do not do business in over 100 towns in Texas, but are prepared to formish Pianos and Organs of any unike at any place just as cheap as anybody else A. Scheidemante & Co. are the Sole Agents for the two leading Pianos of the World—the celebrated Stein-way and knabe Pianos, for San Antonio and W.

Texas. THAT'S ALL THEY CARE FOR.

A. Scheldemantel & Co. will furnish pianos of less renowned makes at

Chickering, Style 1, Square Piano, \$410, Chickering, Style 3, Square Piano, 450. Chickering, Style 4, Square Piano, 475. Chickering, Style 10, Upright, 415: Other styles in proportion,

Arion Pianos at a discount of 50 per cent. National Pianos, rosewood, 74 octave, from \$250 upwards. The National Plano is similar to a piano manufactured by Joseph P. Hate with the name of Dofinan, Holmes & Co. agen. it.

A. Scheidemantel & Co. were oftered by another manufacturer of bogue pianos to have their names on the key board, to make parties believe they were manufacturers, but they do not wish to do a humbug business, nor sell a Stanley & Son—there is no Piano Fact ry of such a name in this country—for a Steinway & Son Piano, the name being so similar, or imitate any other make.

A Scheldemantel & Co. will continue to do fair and square dealings, their mette being. "Satisfaction to all who favor tham with their orders." During their first year A. Scheidemantel & Co. sold the Steinway & Krabe Pianos to the their first year A. Scheidemantel & Co. sold the Steinway & Krabe Planos to the following best families of air city: W. A. Bennett. Maj Minter, Mayor Frencis, Chas Hummel, J. seph Dentz, Mrs. H. D. Norton, Hans Degener, Ferd Herff, Ed Froboese Gustave Groos, Dr John Herff, Mrs. Schmitt's flotel, Flory, Garcia Villarcal, A. Siemering, Col Frost, Louis Bergstrom, Hy Veltmann, Hy Collmann, Schurr, G. B. Cochran, A. Panooast, besides a number shipped direct from the factories, to Austin, San Marcos, Goszales, Big Hill, Flatonia, New Braunfels, Boerne, Frederickeburg, Frio City and Livalde, and havemore had a single case of dissatisfaction. and Uvalde, and havenet had a single case of dissatisfaction.

We may also add that General Augur took one of our \$1,200 Knabe Grand Pia os with him to New Orleans.

The very best of the cheaper pianos is the Gabler Piano, which A. Scheidemantel & Co. introduced in this city a few months ago. In regard to this make, we refer to Father Bufford, of the Brauline Convent, Mesers. Chas. Sauer, and E B Rutledge.

A. Scheidem antel & Co. repair Pianos, Organs, and any other musical strument, in the best manner, and at reasonable figures.

A. Scheidemantel & Co. reduced the price of \$5 for tuning planes to only \$3: From this date we will more pianos from and to any part of the city at \$3, if up stairs, \$5, with French & Co.'s Patent Truck which protects the planes from

OUR LIVING AND DEAD FRIENDS.

Mrs. M. J. Young of Houston, probably the most talented woman in the State and the most widely known throughout a grand celebration the coming Fourth the whole country as a a post and writer of fiction, and also in other departments of elegant literature, is now on a visit to San Antonio. We are made glad by the visit, but would rejoice if she could be induced to make this beautiful city her permanent, home, on account of her genins and culture, and more especially on account of mutual relations of friendship and sympathy in times of great trial and distress in the past, involving mutual good offices in scenes and spiritual experiences, public and private, too sacred to picture upon the printed pages of a daily sent themselves at this meeting, were newspaper. This genial and balmy and beautiful Western country, full of the natural scenery which inspires visious of Palestine in the intelligent and sensitive. imagination, and rich in the undeveloped legendary lore of the wonderful Spanish heroism, history, chivalry, and religion of hundreds of years ago, would give her the | 9decdtf needed afflates for the real works of supe rior merit which she is capable of writing, which are demanded of her by the State in which she has been reared, which she semmittee to consist of one from each of loves so much, and which has so much Main Street, with a front of about 26; bonored ber.

She has watched and went over the dead dear to usen the past, and comforted and ministered to the living equally dear; and now we are called upon to weep with her It being also settled upon that the dele- over her awn dead, whom she loved with and other kind of Mineral Waters, manu gates of the societies present select their a clinging tenderness. We observe that factured by own representative to act upon this com? she is in mourning for her brother, the mittee, the final result was announced as late Capt. B. Pu. Fuller who died a short follows: Fire Department chose L. Huth, time since in Houston. He was our close Jr., Irish American Association, T. A. friend, both having served throughout Dayer, Casino Association, P Biesen the late war, he in Hood's colebrated bach, Turn Verein, Ben Mauermanu, Ben- Texas Brigade in Virginia, and we in that eficiary society, Jacob Kuhn, Laborer's other noted Texas Brigade which served Association, Charles Degen, Alamo Rifles, first in Arkansas, and afterwards in Tennessee under Gen Pat Cleburne, known at 12 each day, is good. Examine the pre-Meyer, Beethoven Singing Association, H. the close of the war as Granbury's Bri-Barbeck, French Mutual Relief Society, A. gade. From the close of the war until two years ago we were intimate friends in A motion prevailed that this committee Houston, and we knew more about his NATIONAL SURGICAL INSTITUTE be requested to apply to the City Council inner life than most mon. His outer life, for an appropriation to be devoted to as men commonly saw and estimated it ward accomplishing the ends for which was but a very inadequate presentment of the real man. Like his sister, he had follows: It was agreed to that other societies strong native intellect, quick perceptions, wishing to join in the move at issue, but a vivid imagination, and was keeply aphad been unable to represent themselves precistive of the beautiful, the good and on this eccasion, should have the privilege, the true, and was overflowing with atl

ed as a commander by his enperior officers meeting, with request to publish the same, prices, in which he vindicated the confidence reposed in him, and won deserved fame in the Fifth Texas Infantry, to whole corps. He was well known and highly esteemed by the officers of the Virginia army, from Gens. Lee, Longstreet and Hood down to the Brigadiers and in lower part of the city. These general facts we know, although we have no record of his military career as goed as new. Send your broken stoves before us. He was in nearly all the great to George White-he will make them as battles fought by Gen. Lee's army and Gen. Longstreet's corps, and always behaved with conspicuous gallantry. An in stance of his tenderness as well as conrage moment of the battle of Gettysburg, in the beat and height of a charge of flood's Brigade to silence the fearful fire of a Captain Fulier served a term as Recor

der of the city of Honston after the war, his sister, Mrs Young, with an extract
