FACTS BY WHICH DECIDE.

In those spacious but insignificant advertisements of C. Pratt & Co., they en deaver to convince the public that our STAR OILs and PRERILESS are identically the same, which they know, even better than we could ever attempt to concine them. Is NOT THE CASE. Poeries is by no means own of the interior grades of will, it is not every respect equal and fully up to the actual standard (not the advocated) of Astral, and is like the latter 12 degrees below the burning point of our STAR OIL. Now we propose to Furnish the Poeries, guaranteed equivalent in every respect to Astral, at One Dollar a case less than our STAR OIL, which we sell at the price of Astral, although our STAR OIL is 12 degrees better, honce safer, and consequently has the preference of the consuming publis.

If we hadn't been a finbing our-selves, and if we hadn't tried our level best to swamp all previous records in the catching line, the facts we are about to report wouldn't come so hard with us. For lifteen years we have been hard at work evineing an energy and perseverance seldom recognized by our friends in our ordinary purits of life, in order to make a beavy catch of fish, and then to have at this period of our existence, ly obliterated—it, is too hard. But with a magnanimity for which we cleim some praise, we unbesitating-ly give to the public what we con-ceive to be one of the most successtal catches ever heard of on the lake coast. The remarkable number of fish taken, the short, space of time which their capture occupi-ed, sounds all most like a fish story, as that term is ordinarily used, but the facts are too strong for even a doubt to exist on our part, and
