## WERE THEY INDIANS!

Considerable doubt exists with many groons as to whether the recent raiders of our frontier were Indians. Answer this mastion definitely, we cannot do. We know that it is perfectly natural for the red man to invade the domains of the white-to rob him of his stock, and to kill and scalp him. The Kickapos knows the penalty attached to robbery and murder in Texas, as well as the white desperado. While Commissioner Edgar was with them, they were overawed for the while from raiding into Texas, and were fully informed as to our punishments for crimes. The class of white men who depredate and murder upon our frontier, are refugees trom justice, and know full well what would follow, should they fall into the clutches of Texas, should they fall into the clutches of Texas and Strengthening. No one should fail to observe that his testimonial is the result of two year's experience with the use of Vegetine in the Rev Mr Walker's family, who now pronounce it invaluable:

## The Best Evidence.

The following letter from Rev. E. S. Best, Pastor of the M. E. Church, Natick Mass., will be read with interest by many NATICE, Mass., Jan. 1st 1873.

Dear Sir-We have good reason for re garding your Vegetine a medicine of the greatest value. We feel assured that it people whose naturally deprayed con-sciences never accuse them of wrong-nearly all who saw him thought his recovery impossible. A council of able physicians could give us but the faintest ope of his every rallying; two of the num ber declaring that he was beyond the reach of human remedies, that even ampu tation could not save him as he had not vigor enough to endure the operation.

Just then we commenced giving him Vegctine, and from that time to the present

ctine, and from that time to the present be has been continuously improving. He has lately resumed studies, thrown away his crutches and cane, and walks about cheerfully and strong.

Though there is still some discharge from the opening where his limb was lanced, we have the fullest confidence that in a little time he will be perfectly cured.

He has taken about three dozen bottles
of Vegetine, but lately uses but little, as
he declares be is too well to take medicine. Yours respectfully E. S. BEST Mrs. L. C. F. BEST.

THE CHURCHES SUNDAY.

HARE MUSIC AT ST. MARY'S.

EDITOR EXPRESS :- The writer attended St. Mary's Catholic Church on Sunday morning to enjoy the sweet music which you alluded to, in Sanday's issue. To say that the music was excellent, is not doing instice to the choir. The grand massy "Mcrcadantes," was chanted with the fullest feeling and force, Miss Aunie McAllister, the organist, and who possesses a soprano unexcelled by any in the city. schieved the highest praise upon the occasion. Large assemblages greeted the speaker both morning and evening.

PRESBYTERIAN Sunday was Communion day at the Presbyterian Church. Rev. J. W. Neil, Pastor, delivered a most excellent sermon in the morning upon the Sacrament, declaring it to be the means of defining the difference between man and man. Upon no other occasion in life was so decided a distinction drawn as at the Communion table. It was the occasion upon which the Church could point to the true votarice of religion with an unerring finger. A larger number than ever before partook of the Lord's Supper.

A CONFIRMATION. - We wrote an editorial yesterday morning upon the recent raiders, and later in the day met a gentown; and the warehouses packed with tleman recently from Mexico, to whom we submitted our remarks, asking him whether or not they were correct. Our statements were fully corroborated. The gentleman stated that he was personally acquainted with Juan Galan, a Kickapoo leader, and Cayote, the Chief. He said that Galan spoke both the English and Spanish languages, and was one of the boldest thieves in Mexico. In a conversation with Galan at Saragosa, a few months ago, the Indian stated that he was a friend of the white man, but liked to steal his horses, and spoke of differenthorse ranges in Western Texas, with which he seemed to be perfectly well acquainted. At one time the andian placed bluseif under the influence of mescal. when he talked very freely, begging the gentleman of whom we speak to accompany him and his men on a raid. Our informant stated that he entertained no doubt but that white men led the Indians, raided through Frie.

Thursday afternoon, last, while between a couple of Mexican ranches beyond Furkey Creek, he observed a great cloud of dust, stretching a long distance. This he watched with considerable emotion, on account of the Indian excitement, but drove on several miles further, when he became convinced that the dust was occasioned by the Indian raiders driving their booty to the dens of Mexico, and making for the Rio Grande as fast as possible. Upon arriving at Kline's store on Turkey Creek, he learned that the Indians had passed about a haif hour before, at a full galop, with one hundred head of herses. THE TOURNAMENT AT FLORESVILLE

FLORESVILLE, Oct. 6, 1876. EDITOR EXPRESS :- I send you a few articulars of a grand tournament which ame off here to-day. About one thousand rsons were present to witness the sport, nd a real good time was had. The number of Knights engaged in the contest was ne, and as gallant and chivalrous a body as could be. They were conducted by A L. Yelvington, Sheriff of Wilson county, who was Marshal of the Day, assisted by

two aides. The Knights were not unmindful of the fact that Kings and Princes great had laid by their royal robes to engage in like ontests of chivalry, and that great Na poleos, to whose sceptre Kings did bow, when an exile on the isle of St. Helena said that the proudest moment of his life was when he placed a crown upon the brow of his lovely Josephine. As it has been the proudest achievement in all ages of civilized life to win the sweet smiles of approving woman, a spirit of which the Fair, commencing October 24th, will be chivalcons Knights upon this occasion were not bereft, they entered upon the ontest with great vigor encouraged by P. M. the bright smiles of lovely woman.

The occasion was a grand one for the rings won the highest honors. Shall more fully inform you by next mail. J. F. F.
