Roosevelt is Reelected; Carries Sterling 12 to 1

F. D. R.—Gets Fourth Term

With the nation returning Franklin D. Roosevelt to the presidency for a fourth term with a large electoral margin, Sterling County followed suit with almost 100% Democratic vote. The Demos polled 330, the Republicans 18 and the Regulars 10. Governor Stevenson, Demo gubernatorial candidate, received 342 votes to GOP Peasley's 10 here in Sterling County. The Sterling voters voted to give the cities and towns the authority to provide pensions for their officers and employees, but not the state such authority, the first part passed 74 to 62, and the second was 68 against to 66 for. The amendment to let the commissioners Courts re-allocate tax levies passed 94 to 32.

Harry Truman--To Be Vice-President

What's Doing in the Churches

Presbyterian Revival

We are beginning next Monday, November 13, a special season of worship and evangelistic effort at the Presbyterian Church. Rev. John Carriker who has recently moved from Marion, Ohio to El-dorado, Texas, will do the preaching. From long years of friendship with him, I can heartily commend him to the people of Sterling City.

A bountiful harvest season is closing, hopeful and encouraging reports come from all battle fronts, but the time of supreme sacrifice and effort is upon us. These things, both hopeful and trying, call us to thanksgiving and humble dedication. We urge everyone to join us every evening at 7:30 o'clock throughout next week.

B. B. Hestir, Pastor

Preaching at the Baptist Church Sunday

W. J. McCawley of Henderson, Texas will preach next Sunday at the First Baptist Church, announced Claude Collins, chairman of the pulpit committee, this week.

It is urged that a good crowd turn out to hear the visiting preacher.

University of Life

UNION PROGRAM FOR YOUNG PEOPLE

The new Union Program for young people got off to a good start last Sunday evening when the first session of the Fall Term was held. The following officers were elected: President, Billy Hudson; Vice-president, Paula Sue Wyckoff; Registrar, Betty Jane Donalson; Asst.-Registrar, Carolyn Foster.

Rev. B. B. Hestir brought the sermon for the combined Chapel Service and the evening worship. Billy Hudson presided; Carolyn Foster read the scripture; Paula Sue Wyckoff gave the prayer; and Betty Jane Donalson sang a solo accompanied by Mrs. Tommie Johnson at the organ.

Following the church service the recreation program was held in the basement of the church. Refreshments were served by Mrs. Ed. Lovelace. The young people have selected for the subject for term "Men and Women of the Old Testament". The leaders will be Mrs. Tommie Johnson and Mrs. Jack Douthit.

The program for this coming Sunday evening will be Discussion Group from 7:15 to 8:00; Worship Service 8:00 to 8:45. Rev. Ed. Lovelace will bring the message; Norvin Brown will preside; Ruby Langford will read the scripture; Billy Vern Davis will lead the prayer; and Jacqueline Everett will play a piano offertory.

Recreation will follow the church service. All young people of high school age and above are extended a cordial invitation to become members of this University of Life program.

Rev. Ed. Lovelace is the Dean and A. T. Bratton is the Associate

Most Stores to Close on Saturday, November 11

The Lions Club

Visitors at the Lions Club luncheon Wednesday were Rev. W. J. McCawley, Rev. B. B. Hestir, Mrs. G. C. Murrell, WAC Sgt. Thelma Hammonds, and Harry Crews.

The prize went to Mrs. Murrell. Dr. Swann and A. T. Bratton gave a preliminary post-war planning report. Mrs. Tommie Johnson played a piano solo. Rev. Ed. Lovelace led the group in a sing song.

Stock Shipped

Last week 42 cars of sheep and cattle were shipped from Sterling City over the Santa Fe. Last Sunday 23 cars moved out and 18 more cars moved Tuesday. The stock went to points in every direction, said D. Hall, Santa Fe agent, here.

T. J. Price, Pampa, has completed shipping the W. L. Foster, J. T. Davis, and J. S. Cole interests calves at Sterling City. In all there were 1,897 mixed calves with the steers averaging 432 pounds and the heifers 410 pounds.

Around 680 heifer calves were cut back for breeding purposes.

The steers brought 12 $\frac{1}{2}$ c and the heifers 11 $\frac{1}{2}$ c.

Price, who buys thousands of Texas calves each year, was well pleased with the string and said that this was one of the best bunches he has purchased during recent years. The calves were uniform and made a nice group.

Mrs. Garlington's Father Dead

Pleasant Westly Howe, 81, retired stock farmer who lived for a number of years in the Rocksprings section, died at his home in San Angelo last Saturday. He was the father of Mrs. Herman Garlington of Sterling.

Funeral services were conducted from the Robert Massie Chapel in San Angelo Monday afternoon with the Rev. Ed. H. Lovelace officiating. Interment was in the Belvedere Cemetery, San Angelo.

Survivors include two sons, Earl of San Angelo and Bert of Tuscon, Arizona; three daughters, Mrs. Herman Garlington of Sterling City, Mrs. Pearl Rowland of San Angelo, and Mrs. Myrtle Cherry of Pecos; and one sister.

Pallbearers were D. R. Spears, L. A. Williamson, John Yancy, Earl Lomax, Guy Williams, and John Randolph.

John Green quit his job at the Martin Reed Wool Warehouse on November 1 and has started carpentering. Robert Brown has taken Green's place in the warehouse.

Dean of this new organization.

During this month all the activities will be held at the Methodist Church. Next month the entire program each evening will be held at one of the other churches.

Most of the business houses in Sterling City are planning to observe Saturday, November 11, as a holiday, a poll of the places this week indicated.

The places planning the Armistice Day holiday are Bailey Bros., First National Bank, post office, News-Record, Lowe Hardware Co., Davis Drug Co., City Cafe, Garret and Bailey Dry Goods, West Texas Utilities Co., Courthouse offices, South Texas Lumber Co., Meyer's Grocery, Benges' Grocery, Cole Brothers' Grocery, and Hornbuckle's Grocery.

Daughter to the Joe Davises

A daughter, Edna Mae, was born to Cpl. and Mrs. Joe Davis Monday night at the Shannon Hospital in San Angelo. The baby weighed nine pounds and six ounces.

Mrs. Davis is the former Nan Emery, daughter of Mrs. W. L. Emery. Cpl. Davis is in France serving with the Medical Corps as laboratory technician.

Son Born to The Harold McCabes

A son, named Jerry Floyd, was born to Mr. and Mrs. Harold McCabe last Sunday at 1:30 a. m. in the Shannon Hospital. The baby weighed six pounds and three ounces.

Grandparents are the Jim McCabes and the R. T. Lees. Judge B. F. Brown is a great-grandfather.

Mrs. Garlington's New Pharmacist

Virgil Ford is the new pharmacist at the Davis Drug Co. Mr. Ford used to travel for the Behring Drug Co. and is known here as he used to call on Butler Drug Co. in the past.

Mr. Ford moved here from Big Spring and began work on Tuesday.

Miss Foster to Conference

Miss Ethel Foster, president of the Texas Federation of Women's Clubs, will leave Sunday to attend a Board of Directors' Meeting and Postwar Planning Conference to be held at the Hotel Texas in Fort Worth, November 14-15.

Sgt. and Mrs. Wylie Hearn and baby daughter spent last weekend here visiting Mrs. Hearn's parents, Mr. and Mrs. Clyde Everett. Sgt. Hearn is stationed at Goodfellow Field in San Angelo.

Mr. and Mrs. John Walraven are taking Mrs. Alvin Walraven and daughter back to Hobbs, New Mexico Saturday. Sgt. Alvin is stationed at H. A. A. F. Mrs. J. A. Revell plans to accompany them to Seminole, where she will visit relatives.

A car of CCC cake was delivered here this week, said County Agent J. M. Starr.

Your BABY

By Lillian B. Storms

Vitamin D is not present in the foods we eat in sufficient amounts to meet the extra demands made by pregnancy nor for the rapidly growing baby after birth. Ever milk does not have this vitamin unless it has been added to the milk, as in irradiated evaporated milk. It may be possible to obtain vitamin D from sunbaths in the summer time, but most of the year and in most places it is not enough to depend on the sun.

During pregnancy and throughout the years of rapid growth of children, fish liver oil or some form of concentrate prescribed by your doctor, should be included every day. Babies are usually given cod liver oil after the first two weeks of life and this should be continued all during the years of most rapid growth, while bones and teeth are forming and developing.

Be sure it smells and tastes fresh and has no evidence of rancidity. It is best to keep the bottle in the refrigerator. It's in a dark bottle to prevent the action of light. Cold and absence of light retard the development of rancidity.

Recent surveys made by the National Research Council have shown that even now far too many babies have rickets. In fact, rickets from a deficiency of calcium phosphorus and vitamin D, and scurvy from a lack of enough vitamin C are still common diseases of infancy. Both of these are unnecessary in the normal baby.

After the first few weeks, baby cereals fortified with B vitamins and iron, then strained vegetables and fruits furnish vitamins and minerals in natural forms without resort to concentrates other than cod liver oil.

"WE JUST DON'T WANT ANYTHING TO HAPPEN TO YOU WHILE YOU'RE HOME ON FURLOUGH!"

Will P. Meyer, local butcher, bought twelve butcher calves from Herbert Cope last week.

Earl Bailey has been elected chairman of the Sterling County Rationing Board. Jack Douthit had been serving as chairman for the past four months.

BUTTONHOLES Made. Phone 81. Mrs. W.H. McDonald.

Mr. and Mrs. E. D. Jordan closed the Jordan Confectionery and moved back to Monahans this week. The Jordans bought the confectionery from Mrs. Spencer Jackson the first of September.

Our nation may be compared to a train—with 48 cars in it. The president is the conductor who starts and stops and runs the train, philosophizes George McEntire.

There's an unpaid balance due . . .

THE minute never comes when any of us can say, "I've done enough." Until the end of the war—and for years thereafter—there'll be an unpaid balance due the men who are winning Victory for us today.

But War Bonds do pay installments on that balance!

Right now, the only protection we can give our boys is guns that fire quicker, planes that fly faster, and tanks that maneuver better than the enemy's. Your War Bonds help to buy them.

And when the war's over, War Bonds will go on making "payments"—because they'll help the country—including your farm—get back to peacetime prosperity. Let your returning boy find the farm backed with a strong financial reserve in Bonds . . . for new buildings, new stock, new machinery, and extra living comforts for the home he's been fighting for.

Today, and every day you can, buy another Bond toward that unpaid balance!

5 REASONS FOR INCREASING YOUR WAR BOND PURCHASES

1. The tempo of this war is hitting its highest point. Government expenditures for war are at the peak. MORE MONEY IS NEEDED . . . NOW!
2. In proportion to WHO HAS THE MOST MONEY, individuals are not buying their share of War Bonds. America must correct this situation.
3. War Bonds provide the farmer and rancher with the financial reserve he *must* have to survive the ordinary ups and downs of farming as a business.
4. Money will be needed urgently at a future date to replace and repair farm equipment, machinery, and buildings. War Bonds will provide it.
5. War Bonds are the safest investment in the world, return a good rate of interest, are easy and convenient to buy . . . from bank, post office, rural mail carrier or Production Credit Association.

For America's Future, for your Future, for your children's Future

Thanksgiving Holidays

This week Superintendent Jones announced that the annual Thanksgiving holidays will come Thursday and Friday, November 23 and 24. The school holidays will correspond with the days observed by the post office and bank, and likewise the days set aside for the meeting of the Texas State Teachers Association.

The Christmas holidays have not been definitely decided upon by the school board.

We Wonder

Where Venera was Monday. We could find a better excuse than yours, Venera.

Who received a letter every day last week. How do like your popularity, Jean?

Where the party was Friday night and who attended.

Where Beth got her senior ring.

Who was dodging a certain freshman girl Saturday night.

Whom Peggy invited to the party Wednesday night.

Why Billy H. was so late to work Monday afternoon.

Why so many high school students occupied the front seats at the show Monday, instead of the usual back pews.

What new romance was started by the queen's race.

If Joe would make a good radio announcer. How about it, Joe?

School Has New Ping Pong Table

All students now have access to a new ping pong table. The table has been placed in the back of the study hall, and students may play before school, during the noon hour, and after school. The table was built by Mr. Davis, Mr. Jones and Mr. Reed.

Another ping pong table will soon be erected in the other end of the study hall so that more students may be accommodated.

Grade School News

The third grade regrets to lose as a pupil, Eddie Jordan, who has moved to Monahans.

The Study Club of the fourth and fifth grades had a museum collection at their meeting last Friday. Their collection consisted mainly of pieces of flint rock and money and stamps from foreign countries. Carolyn Ann Bengel, Wynell Stovall, and Fern Garrett have been absent this week from the seventh grade because of illness.

Margaret Ritter and Billie Sue Hallmark have been absent from the eighth grade this week. The eighth grade is glad to have physical education once again.

The first grade has lost a pupil recently. She is Elizabeth Jordan, who has returned to Monahans to live. Several first grade pupils were sick last week, but most of them are back in school now.

Paper towels at the News-Record.

Just Patter

Seen at the show Monday night was practically everybody from miles around. We can truthfully say the show was crowded.

We certainly enjoyed the Junior Play Wednesday night and the party afterwards at Betty Jane's.

Visiting in Sterling last week-end were Wesley McCleery from Balingier, Marylene Story from Chalk, Jerrie Snead from San Angelo Business College, and Tommie Augustine.

Sophomore News

Gordon Bufford, who was a new sophomore student here this year, has moved away. He left last Friday for Ozona. Before coming to Sterling he attended the Palestine high school. He was secretary of the sophomore class.

Marine half-tracks, paid for by your War Bonds, move up to the firing line on Saipan. Keep up your Bond purchases so that the World War may end more speedily and thus save lives of your loved ones. Buy an extra Bond today.

By Lillian B. Storms

How much should your baby weigh? A newborn baby may weigh anywhere from 5½ to 11 pounds and still be a normal, healthy baby. For the first few weeks it will be important to know whether or not he is gaining every week. After the first ten days he should gain at least four ounces a week, perhaps as much as eight ounces. The important thing is for him to make regular gains, rather than that he should weigh any given number of pounds and ounces.

Usually a baby doubles his weight by five months of age, but some babies achieve that gain at four months. The modern well-fed and well-cared-for baby triples his birth weight before one year. Babies vary considerably in their rate of growth. A small baby may gain more rapidly than a baby above average weight at birth.

Do not be concerned about what some other baby of the same age may weigh. Your baby is normal if he gains regularly, about 4 to 6 or even 8 ounces a week for the first six months, and from 3 to 6 ounces a week after six months.

Sometime in the second or third year, he may slow down the growing process and not gain weight as rapidly. The amount of food he eats will vary with his rate of growth and bodily needs.

Modern babies are given foods other than milk much earlier than were their mothers. Orange juice, or other source of vitamin C, and cod liver oil, or another form of vitamin D, are both added to baby's menu in the first two weeks. Cereals are usually started sometime between three and four months. There are special baby cereals, thoroughly cooked and strained and dried, so that when milk is added, they have a fine creamy consistency suitable for the sensitive digestive tract of a young baby. The baby cereals are made of wheat or oats and are fortified with vitamins and minerals for extra values.

6th War Loan Quota \$170,000

Sterling met the October War Bond quota of \$5,900.00 by buying that many bonds in October, said J. S. Cole Wednesday.

The 6th War Loan is now on and the Sterling quota is \$170,000 said Chairman Cole. Although the official dates of the drive are November 20 to December 16, all bonds sold these next two weeks will count on the drive. The "E" bond part of the quota is \$30,000.

This quota is \$20,000 less than the 5th War Loan Drive quota, and the national quota is down 2 billion dollars from the 5th drive quota.

Shorthorn Champion Aids Boy's Town

KANSAS CITY, MO.—A record price of \$6.25 a pound resulted from a breath-taking surge of bidding at the American Royal show here when "Skeeter," a red Shorthorn steer that had been named Grand Champion over all breeds, was auctioned off. The champion, owned by Ray Gene Cinnamon, Garber, Okla., agricultural student, netted a total of \$8,847.50 with added prize money, and is said to be the greatest aggregate reward any individual has ever received from the exhibition and sale of a single steer.

"Skeeter" was bought by Allen Eatherton of the American Meat Co., here and was immediately donated to Father Flannigan's Boy's Town. Before Father Flannigan received the animal, it was auctioned and reaucted and finally the prized Shorthorn went to Boys' Town along with an additional \$1,600. The champ is shown above with Clinton K. Tomson, secretary of the American Shorthorn Breeders, handing young Cinnamon one of his prize checks. The man in the center is Alex Edgar, University of Illinois herd manager, who judged the show.

Your War Bond Investment Is Your Investment In America . . .

U. S. WAR BONDS
MEAN **The AMERICAN WAY OF LIFE**
BUY THEM — HOLD THEM

DO IT WITH WAR BONDS!

DID you ever get ready to blast a stump and wish you had Hitler and Tojo tied on top of one?

Well, you are giving this pair of varmints approximately the same treatment when you buy a War Bond. Because the money from that Bond is what enables our boys to work their way ever nearer and nearer to Berlin and Tokyo, smashing up a lot of Nazis and Japs on the way.

And here's a thing to think of: those Bonds will enable you to buy new equipment and machinery, repair and rebuild buildings, refurbish your home. For you get back all that you put in, plus substantial interest at maturity.

So let's obey that impulse to blast Tojo and Adolph to the skies . . . where we've already sent the Duce. Let's buy the Bonds that will help do it!

5 REASONS FOR INCREASING YOUR WAR BOND PURCHASES

1. The tempo of this war is hitting its highest point. Government expenditures for war are at the peak. MORE MONEY IS NEEDED . . . NOW!
2. In proportion to WHO HAS THE MOST MONEY, individuals are not buying their share of War Bonds. America must correct this situation.
3. War Bonds provide the farmer and rancher with the financial reserve he must have to survive the ordinary ups and downs of farming as a business.
4. Money will be needed urgently at a future date to replace and repair farm equipment, machinery, and buildings. War Bonds will provide it.
5. War Bonds are the safest investment in the world, return a good rate of interest, are easy and convenient to buy . . . from bank, post office, rural mail carrier or Production Credit Association.

Your Home
 By Frances Ainsworth SC

GRAND RAPIDS, MICH.—I receive letters every day from women who are bewildered to know just how to be sure of selecting "good quality" when choosing upholstered furniture — so much depends on "what's inside" that cannot be seen. As a guide to my readers I would suggest four simple rules.

One. Look long and carefully for the style and design that really fit in with the other things in your room, giving attention to size and scale best suited for members of your family who will most frequently use the chair or sofa you are buying.

Two. Choose the fabric just as thoughtfully as you would for a suit or coat, considering color, pattern, and material, considering, too, problems of wear and keeping clean. And look carefully to those details of tailoring and visible workmanship. They are "tip offs" of inside quality.

Three. Just as in anything else, don't expect something for nothing. Beware of "bargain prices." Rely on a store with a reputation for selling nice things.

Four. Above all else, look for the label or trade mark of a reliable maker. Among all furniture, upholstered pieces are among the most difficult for even an expert to tell good quality from poor. So much depends on the inside, unseen construction. And yet it is almost entirely on "what's inside" that your comfort, your wearability, satisfaction, and value depend. It is best to place your confidence in an expert, just as you must do when buying a diamond. Such experts are makers who back their reputation by trade marking their product.

Workers Tuesday afternoon were Mmes. Henry Malloy, G. C. Murrell, W. S. Nelson, Lura McClellan, Foster S. Price, T. F. Foster, D. Hall, Lester Foster, J. A. Revell, R. A. Garrett, Mary Belle Bengé, Joe Emery, R. P. Brown, and S. M. Bailey.

North Concho River Soil Conservation District News

Board of Supervisors:
Zach Jones, Chairman
L. R. Reed, Vice Chairman
Foster S. Price, Secretary
J. R. Mims, Supervisor
J. W. Cox, Supervisor

Claude Collins, Jr. and Ralph Collins are building a ranch road this week. The road is being run on the contour where possible and on the slope. Diversions are being constructed in the borrow ditches to divert run-off water to adjoining range land.

J.H. McCabe and R. C. Bynum harvested their crops of grain last week. The stubble mulch method of land preparation was followed on the fields where the feed was produced preparatory to planting of the crops last spring.

Roy Foster marketed the calves from his home ranch and from Eighteen last week. From the home ranch, his steers weighed 475 and the heifers 447 pounds. From Eighteen the steers weighed 523 and the heifers 497 pounds.

Lester Foster has marketed the calves from the Glasscock County ranch. The steers weighed 496 and the heifers 451 pounds.

Foster S. Price's steers from the Bob's Creek ranch weighed 463 pounds. From the Santa Fe ranch

Mailing Precautions

Because of the many advantages that will result mailers are urged to send their holiday greetings at the first class rate, for when so sent the greeting may be sealed and contain written messages not otherwise permitted, therefore having a personal appeal which is, of course, more highly appreciated by the recipients; also such greetings are dispatched and delivered first, given directory service, and, if necessary, forwarded without additional charge. If undeliverable, they are returned without charge provided the senders' return card is shown on the envelope.

Girl Scouts Have Overnight Camp

The Intermediate Girl Scouts spent last Friday night in the Girl Scout Cabin. The scouts cooked their supper and breakfast.

Spending the night were Dorothy Sue Lowe, Elizabeth Hildebrand, Courtenay Skeete, Sandra Kautz, Winona Ware, TrinaBeth Reed, Margaret Ritter, LaVerne King, Fern Garrett, Carolyn Bengé, and Mrs. Jack Douthit, leader.

the steers weighed 440 and the steers from the River ranch weighed 447 pounds. The cows on the Santa Fe ranch are in very good flesh. The range grasses are in good condition and a good grass reserve is on the ground.

J. S. Cole's steer calves weighed 448 pounds. His range grasses are in good condition.

Range surveys were completed this week on W. W. Durham's ranches.

The county equipment is being used to build diversion terraces to add extra water to the trees in the City Park. The District Supervisor made technical assistance available to a Lions Club committee and the park committee to work out a diversion terrace system for the park.
