## Station Wagon Thief Confesses

Jose DeLeon, who stole the station wagon belonging to the seismograph crew here, and then abandoned it in Bill and Lee Reed's pasture, has been apprehended and is awaiting trial. Sheriff Vern Davis secured a signed confession from DeLeon Monday of this week. He had stolen the car on November 28, and was caught December 3.

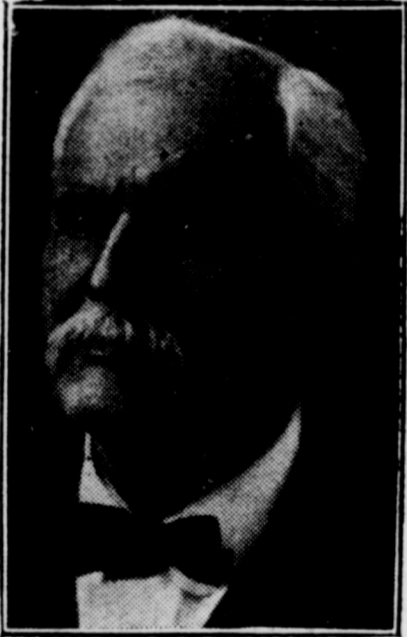

SGT. D. L. HUNT

## Wounded In Action Again

Sgt. D.L. Hunt, son of the Lee Hunts, was wounded in action in Germany on Nov. 28, so his parents were informed last Friday. D.L. was wounded in action by shrapnel back in the summer and had gone back to front line fighting after hospitalization in England. He was only slightly wounded, according to the telegram from the War Department.

Sgt. Hunt recently sent Mickey McGuire some German, French and Netherlands money.

JUDGE B. F. BROWN...

## Attends Grand Lodge for 50th Year

Judge B.F. Brown, who has not missed a Masonic Grand Lodge meeting in 50 years, is keeping up his record. He and Homer Pearce attended the Grand Lodge in Waco this week. Homer was delegate from the Sterling City chapter.

Judge Brown, 91, has been a Mason since 1877, and a Master Mason since 1889. He has held many offices in the Grand Lodge and received the first 50-year pin that was put out by the Grand Lodge.

Mr. and Mrs. W. F. Kellis (Uncle Bill) have gone to Riverside, California to spend the winter with their daughters and their families. The Kellis moved to Mayer, Arizona last spring.

## North Concho River Soil Conservation District News

Board of Supervisors:  
Zach Jones, Chairman  
L. R. Reed, Vice Chairman  
Foster S. Price, Secretary  
J. R. Mims, Supervisor  
J. W. Cox, Supervisor

Alfred Thieme completed his new irrigation system with the assistance of Soil Conservation Service Technicians last week.

J.S. Augustine stated that short period deferments of pastures had increased the grass cover thus reducing the bitterweed on his father's ranch.

The Bade Bros. have built two diversions to divert excess water around their water trough immediately north of the alfalfa field.

Supervisors of the North Concho River Soil Conservation District attended the fourth annual meeting of the Texas Soil Conservation District Supervisors at College Station, December 6 and 7.

J. R. Mims reported to the meeting the progress of soil conservation in the North Concho District. Dr. Gibb Gilchrist, president of Texas A. & M. College, welcomed the supervisors at the opening meeting. Dr. Thomas H. Taylor, president of Howard Payne College, talked to the supervisors about "Soil Conservation and Its Relationship to Human Welfare" on December 6.

Chief of the Department of Agriculture Soil Conservation Service and international authority on the cause and control of Soil erosion, Dr. H. H. Bennett of Washington, D. C., was the first speaker of the December 7 meeting. Doctor Bennett has just returned from a trip to South Africa where his help was requested in an examination of soil erosion problems and suggestions for their solution.

Other problems of widespread interest which were discussed at the two day session were mesquite eradication, range conservation, and post war possibilities of Soil Conservation Districts.

There are 116 soil conservation and wind erosion districts organized under the state law in Texas, covering 103,460,000 acres. Of this number, 84 districts with 77,170,000 are receiving assistance from Soil Conservation Service Technicians. Seven additional districts are in the process of organization by land owners.

Rainfall report for the week are as follows:

Bade Bros.	0.81
Lee Reed	0.75
J. T. Davis	no report
Tommy Humble	0.72
J. I. Cope	0.81
George Case	0.32
H. G. Garlington	0.65

A slow rain, amounting to one inch fell in Sterling City Monday--with a rather high temperature prevailing. On Tuesday the temperature fell and the rest of the week has been cold.

The temperature has been low enough for light freezes several mornings.

DR. WM. J. SWANN

## Swann Elected President of Medical Society

Dr. Wm. J. Swann, who serves this area between San Angelo and Big Spring as M. D., was honored Monday night by the Tom Green-Eight County Medical Society. The Society elected him president.

The Society, composed of M. D.'s from this area (9 counties) met for their regular meeting and banquet at Goodfellow Field, with Lt. Col. Gilbert as host. He is commanding medical officer at Goodfellow Field.

## Lions Told of Netherlands

Peggy Hinshaw gave a reading, "20 Years Ago" and Rev. Gary Huffkis of Ballinger spoke on life in the Netherlands at the Lions Club luncheon Wednesday. Peggy's reading was to the background of soft piano music by Mrs. Tommie Johnson. Rev. Huffkis is a Presbyterian minister, now in a revival with Rev. B. B. Hestir at Carlsbad.

Horace Donalson was also a guest. Dr. Swann got the prize.

## Enumerator for Census Needed

Otis Reed of San Angelo, District Supervisor of the Federal Farm and Ranch Census needs an enumerator for Sterling County. Included in the census will be the farm and ranch acreage, value of farm land, value of implements, value of animals, total crops harvested, etc.

Reed said either a man or woman could qualify for the job. A 3-day school to train enumerators will be held this month.

If you are interested call or write Reed at the courthouse in San Angelo.

## Girl Scouts Give Away Fruit Cake

The Girl Scouts, in order to raise money to pay current expenses (utilities, etc.) at the cabin, are putting up a fruit cake for some lucky person—who holds the winning ticket on December 23. Tickets sell for 10c each or 3 for 25c. The cake is on display at Garrett & Bailey's store window. The beautiful ten-pound cake was made by Mrs. H. L. Hildebrand and Elizabeth Hildebrand.

## 6 War Loan Over The Top By \$67,500.00

### University of Life

There were twenty-five members present last Sunday night at the University of Life. The meeting was called to order by the president, Billy Hudson. A discussion of Moses was led by Mrs. Tommie Johnson.

During the recreation hour games were played, led by Dixie and Anna Lou Knight. Christmas carols were sung by the group. Mrs. Hunt and Mrs. Ainsworth served cokes and sandwiches.

The following people are on the church program for next Sunday night:

Jackie Durham-presiding  
Billie Sue Hallmark-scripture  
Eugenia Daves-prayer

All young people are urged to come and join the University of Life at 7:00 o'clock next Sunday night.

All of the evening program will be held at the Baptist Church. Rev. W. J. McCawley will do the preaching.

Horace Donalson, owner of the Palace Theatre, gave a free show "The Youngest Profession" Tuesday night, and Mrs. Tommie Johnson, postmaster, sold War Bonds to the audience. A total of \$1425.00 (maturity value) was sold, said Donalson.

## "E" Series Quota Lagging

Sterling County went way over the top in the 6th War Loan Drive last Saturday. Our quota was \$170,000. So far the bank has sold \$229,757.50 total and of this \$11,812.50 was in E Bonds. The post office has sold \$7800.00 of E Bonds. We are over our quota by better than \$67,000.00 reported Chairman J. S. Cole this week.

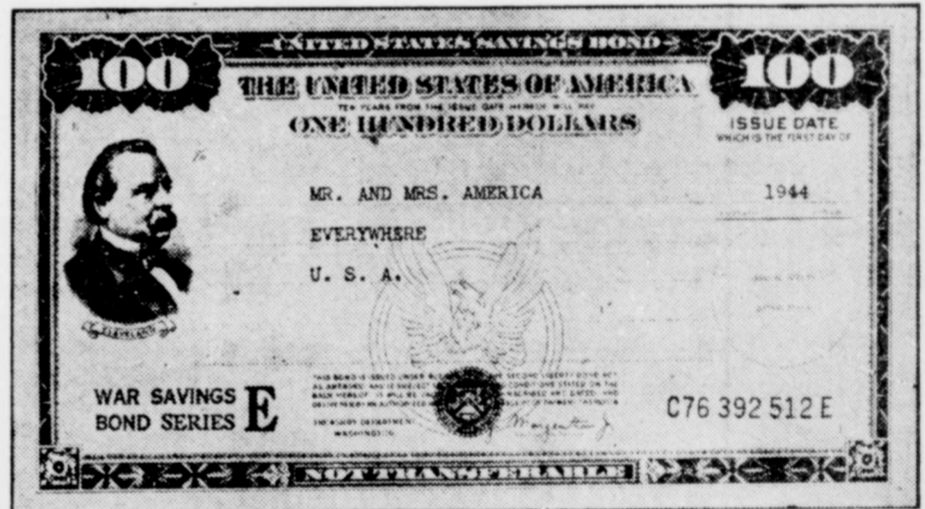

BUT we are lagging on the E Bond quota said Cole, urging everyone to buy that \$100 bond for himself or as a Christmas gift.

## Herbert Mills Is Missing in Action

Lt. Col. Herbert Mills of Sterling City has been reported as missing in action since November 17. Col. Mills had been leading an armored column through Belgium and into Germany through the Siegfried Line. He had only recently been promoted from Major to Lt. Col.

Col. Mills is the son of Mr. and Mrs. H.M. Mills of Alpine, and has a wife and son out in El Paso.

### This Is Your Extra 6th War Loan Quota

### LET HIM HAVE IT

Paul F. Berdanier—United Feature Syndicate, Inc.

**Mrs. Williams's  
Father Dies**

Funeral services for George Washington Kennedy, 102, were held last Sunday at Elmore City, Oklahoma. He was the father of Mrs. F.M. Williams, owner of the State Hotel.

Mr. Kennedy died Thursday of last week at Garfield, N.M. He suffered a slight stroke two weeks ago. He would have celebrated his 103rd birthday in January.

June Augustine, Texas Tech freshman, spent last week-end here with her parents, the Lee Augustines.

The Worth Allens went to Dallas last Sunday. Mrs. Allen had to go back to the hospital for a check-up. Mrs. Ruth Allen and Mrs. Fowler McEntire are keeping the Worth Allen's babies-at Mrs. Ruth Allens.

**A story that hasn't been told**

**AN AMERICAN WAR PRODUCTION RECORD  
THAT DESERVES TELLING . . .**

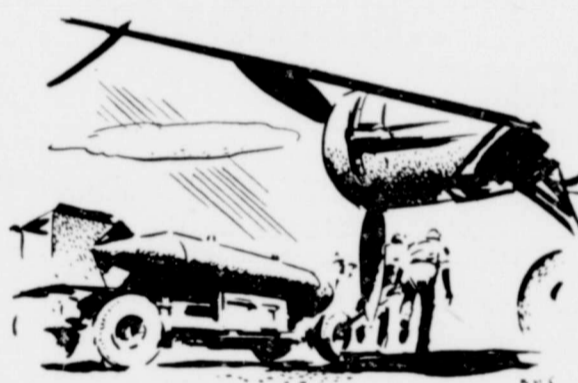

On December 14, at 3:00 o'clock in the afternoon, the men and women of Humble Oil & Refining Company will pause in their work to commemorate, in appropriate ceremony, a feat unparalleled in the petroleum industry: The production of ONE BILLION GALLONS of finished 100-octane aviation gasoline at the Baytown refinery.

This accomplishment merits special commendation, because it climaxes 25 years of development, planning, and teamwork of a great organization. The cooperative effort of Humble employees has brought about a uniform progress in all phases of the Company's operations which has enabled them to establish remarkable records in finding, producing, transporting and refining petroleum during a critical period in the history of our nation.

Humble research and development, in progress for many years before Pearl Harbor, made possible these accomplishments and contributed greatly to the total production of toluene, and the tremendous quantities of finished 100-octane aviation gasoline required by our Armed Forces.

Baytown Ordnance Works, first synthetic toluene plant in the world, has supplied toluene for at least one out of every two bombs used by the United Nations since Pearl Harbor. For this production feat, Baytown Ordnance Works has five times been awarded the Army-Navy "E".

Baytown Refinery has made one billion gallons of finished 100-octane aviation gasoline—more than has been produced by any other plant in the world. The world's first commercial alkylation plant was built at Baytown in 1938. The alkylation process is the very backbone of 100-octane aviation gasoline production by the entire petroleum industry.

Humble Oil & Refining Company is the nation's largest producer of crude oil, and is currently supplying about one-fourth of the increased production required for war, as measured by the gain since 1941.

Through the facilities of Humble Pipe Line Company there is being transported more oil than is being carried by any other system in the country. Nearly 700,000 barrels move daily through Humble pipe lines—one-seventh of all the oil production in the United States.

United in a great singleness of purpose, 14,000 Humble men and women are devoting themselves to the task of providing vital petroleum products for war, looking to the day when their 3,000 fellow employees and all their comrades in arms will return.

**OPEN HOUSE AT BAYTOWN REFINERY—DECEMBER 14-17**

So that one of America's great war plants may be seen in action, Baytown Refinery is holding open house from Thursday, December 14, through Sunday, December 17. The story of the refinery at war will be told by dramatic

exhibits of petroleum war products and a great Army and Navy show of war machines and materials. Specially conducted tours will take Humble's friends and neighbors into the heart of the refinery itself.

## Christmas Holidays

Tuesday Superintendent O. T. Jones announced that the Christmas holidays had been officially set to begin with the close of the school on Wednesday December 20. School activities will be resumed on Tuesday January 2. The school board decided upon these dates at its regular December meeting last Monday.

## We Wonder

Where La Vone, Norvin, Betty Jane, and Joe went Tuesday night and if they had a good time.

What was so interesting at Paula Sue's house Tuesday night.

If everyone was satisfied with his report card.

Why Ruby is so downcast lately.

Who Dixie was flirting with Sunday night.

Who Enestine's company was Friday afternoon. Say, the car was O. K.

Why Carol England wouldn't answer Beth's question Saturday night.

Whom Joe got a letter from.

Why Frances was going to get her ring from Willie, and if Peggy had anything to do with it.

Why Mary Ann is so interested in who Peggy is taking to the Christmas banquet.

Why Beth doesn't like "Good-by Little Darling".

What La Vone is angry about.

If "Millie" had a car full Saturday night.

## Freshman News

Plans for a freshman Christmas party are in progress. The date has been set for Monday night, December 18. As yet the place for the party is indefinite. If the gym is not available at that time, the party will be given in the home of Carolyn Foster.

The freshman class sent some flowers to Mr. W. A. Reed, ill in a San Angelo hospital.

## Senior News

Last week the seniors met for the purpose of being measured for their caps and gowns. The girls' gowns will be white; the boys' will be blue. The caps will have purple and gold tassels.

Recently the senior class sent some flowers to Mr. W. A. Reed, who is in a San Angelo hospital.

Prof. Davis: Is that your cigarette stub?

Student: Go ahead—you saw it first.

## Grade School News

The third grade has a new pupil. He is Charlie Holster from Garden City. Gene Smith is absent because of illness. Billy Humble went to Lubbock last week-end.

Mrs. Bena Davis's sister, Mrs. Herman Dean, and her son Charles visited Mrs. Davis last week.

Mrs. Nick Reed served ice cream and cake to the eighth grade last Thursday afternoon.

Billy Sue Hallmark was absent the first part of this week.

Trinabeth Reed was absent three days last week.

## Book on Cotton Donated

The Sterling school has received an authoritative illustrated book on cotton, presented by Mr. Fred Hodges. The book, "Round the World with Cotton", by Duggan and Chapman, was turned over to Mr. O. T. Jones by Clinton Hodges. The various classes will have access to the book for obtaining information on cotton.

## New Books in Library

Sixteen new books have recently been added to the high school library. Among the books are several that deal with World War II.

The authors and titles are as follows:

Arnold, "The Commandos"; Barclay, "The Rosary"; Benson, "Junior Miss"; Burns, "Saga of Billy the Kid"; Fox, "Heart of the Hills"; Haliburton, "Royal Road to Romance" and "Seven League Boots"; Hertzler, "Horse and Buggy Doctor"; Heyliger, "Dark Conquest"; Rawlings, "South Moon Under"; Rickenbacker, "Seven Came Through"; Spence, "One Foot in Heaven"; Terhune, "Loot"; Trumbull, "The Raft".

## Just Patter

Hi, folks. Back again with more "ole" gossip.

Say, that reminds me. Where were you Sun. night, Joe? Now don't say you were at home.

At the show Saturday night and running around afterward were Jackie, Norman, Neal J., Eugenia Watkins, Glenn West, Joe Alice Evans, Fred, Paula Sue. And at the party were all the juniors and their guests. I heard they all "percolated" again, and does "Truth and Consequences" always pay?

We hear rumors to the effect that there will be some good old fights to get guests for the banquet. So hurry and get those reservations in.

That's all for now. So I'll be seeing you.

## Sports

Superintendent O. T. Jones, basketball chairman for this district, called a meeting at Big Spring Wednesday night, December 6. At this meeting plans were made for this year's basketball program. Coach A. L. Davis also attended this meeting.

Teams in this district include Sterling City, Garner, Forsan, Garden City, and Coahoma.

The results of the meeting will be published next week.

Jackie T.: I bought me a typewriter yesterday.

Norman: How much was it?

Jackie: I pay three dollars a month.

Norman: For how long?

Jackie: I forgot to ask.

**Our War With Japan**

The Sixth War Loan marks a new turn in the war both on the fighting and the home fronts. It points our tremendous war effort definitely in the direction of the Pacific. During the first five war loans Americans were primarily thinking in terms of beating Hitler.

Now our government asks us for a loan of 14 billion more dollars of which five billion dollars must come from individuals. Why? Haven't we nearly finished off our so-called Number 1 Enemy? Can Japan hold up our powerful war machine very long? Your son, brother and friend in his Pacific foxhole wouldn't raise such questions because they are up against realities, not day dreams. They kill or are killed. They pray every waking moment for a sky-darkening cover of friendly planes. They thank America for giving them the finest medical care in the world when their rendezvous with destiny in a Pacific jungle is at hand. They know the war with the Japs is just beginning.

Here are some other Pacific realities so that you will understand why there must be a Sixth War Loan and why it is absolutely necessary that it be a success:

The Allied Military Command has estimated that it will take years, not months, to lick Japan.

Japan's present army numbers about 4,000,000 with 2,000,000 more men available and fit for military service who haven't been called up to date. Another 1,500,000, between the ages of 17 and 20, are not yet subject to the draft.

The Jap Air Force is growing.

In addition to millions of native workers, Japan has a potential slave force of 400,000,000 conquered people. 50% of Japan's labor force is made up of women. Another 25% boys and girls under 20, the balance men. The Jap workday is twelve to sixteen hours with two days off a month. The Jap cannot leave his job, change it, or strike. The highest daily wage equals about three American dollars—30% to 75% of which goes to taxes and compulsory savings.

The Jap, as our men in the Pacific know, will fight to the death. As far as the Jap is concerned, the outer Empire—and the men who defend it—are the expendables. The Jap will fight the Battle from inside the inner Empire.

The Jap believes that we shall weary of war too easily and too early.

In the invasion of France, supply ships had an overnight run to make. In the coming Battle of Japan, ships in the Pacific will have long-reached round trips that often take five months to make.

These realities are worth thinking about before you keep your home front rendezvous with a Victory Volunteer. Perhaps you will feel that the national personal Sixth War Loan objective—purchase of at least one extra \$100 War Bond—is entirely too small for you. The better we face the realities confronting our forces in the Pacific the quicker the whole bloody business will be over and the sooner we will welcome home our fighting men. That's an American reality to work for with all our dollars and our sweat.

**Hypnotist Show Next Monday At School**

William I. Fayssoux and Company are presenting a program on hypnotism, magic and telepathy on Monday, December 11 at 11:00 a. m. in the high school auditorium.

Admission prices, including tax, are grade school 12c, high school 18c, and adults 30c.

Hypnotism, once considered a sort of carnival side-show act, has come of age and enjoys both medical and scientific approval. Time Magazine has had two articles in recent months on the subject, stressing the important uses to which it is put today.

For many years William I. Fayssoux (pronounced Fay-soo) has been presenting programs of hypnosis, telepathy and magic. While he explains the scientific facts of hypnosis and telepathy, the program is primarily entertainment—and hilarious entertainment at that.

The performance will be given by volunteers from the audience while under the hypnotic spell—those who are timid will become aggressive, and those unable to sing will burst into song—these are two of the many hilariously comic events in the program.

In addition to the hypnosis there will be uncanny performances in telepathy and magic. The magic features the famous Harry Houdini mail escape and the Alexander Heerman Trunk illusion.

**Local Items**

Mrs. W. P. Meyer, now in Marlin taking the health baths, will return home next week.

O. D. Worthy of Abilene, former postmaster here, came after his wife last Friday. She had been visiting at the Lee Augustines.

Lena Findt recently visited her grandparents, Mr. and Mrs. Otto Thiers at Camp Allison.

Jim Copeland died in McKinney, Texas on his 90th birthday—August 3, according to word received here this week by Jeff Copeland. Jim's brother, Will Copeland, 91, formerly of Sterling City, now lives in California.

Here's a curious critter

If you met this longhorn out on the plains, you'd yell for Mr. Ripley! When one horn curves up, you just naturally expect the other to turn up, too.

Same way, when war sent prices sweeping up, people expected all prices to follow suit. But at least one price didn't—the price of electricity.

In fact, like this longhorn, the price of electricity actually curved down the other way. The same government statistics which measure the increased cost-of-living also show that the average price of electricity has declined 3.2% since war began!

That's news—even more than a steer with two-way horns! . . . You can be sure that the far-sighted planning and sound business management which kept electricity dependable and cheap in wartime, will supply even better service to your electric post-war home.

### LOCAL NEWS

Mrs. Rose Mary Seymour of Ballinger is now AAA secretary in Sterling County. She reported for duty on December 1, filling the place vacated by Mrs. Ina Sproul, who moved to San Angelo. Mrs. Seymour worked for the A A A a year in Ballinger before coming to Sterling City.

Mrs. J. M. Starr and children of Cisco moved here last week joining Mr. Starr, Sterling County Agent.

The Noratadata Club is raising money by the fruit cake method. The cake is on display in Bailey Bros. window, and will be given away December 23, and tickets are being sold at 10c.

### OUR MEN IN SERVICE

Pvt. William T. Mills has written his wife here that he had been wounded in action. His left hand had been torn up badly, and he is now in a hospital. Pvt. Mills was wounded on the German front.

★ ★ ★  
"Big" John Lancaster called from San Francisco Saturday and said he was heading home on leave. Seaman L-c Lancaster has been serving with the U. S. Navy in the Pacific.

★ ★ ★  
Sgt. J. C. Lee, son of the R. T. Lees of Winters, was here with his father last week. Sgt. Lee is on furlough, having been overseas for many months.

★ ★ ★  
Sgt. Alvin Walraven and family of Hobbs, New Mexico, spent last week-end here with Alvin's parents, Mr. and Mrs. John Walraven. Sgt. Walraven is stationed at the Hobbs Army Air Field.

★ ★ ★  
John Howard Brock, C M 2-c, of the Sea Bees, son of the Will Meyers, is now stationed on Guam.
