## War Films Here Next Week

War films that were shown only for service personnel during the war but now are released for civilians will be shown at the high school auditorium next Monday, Tuesday and Wednesday nights—March 18, 19, and 20 at 7:30 p. m. Goodfellow Field recruiting personnel will show the films and will be in charge. Anyone may come and it's all free. Starting at 7:30 p. m. next Monday at the school.

## Hinshaw Visitors

Winston Hinshaw, brother of Jim Hinshaw, left for Dallas after a visit here with the Jim Hinshaw family. Winston, a S.F. 1c in the 101st Airborne, reported back to Dallas. At Sunday the Jim Hinshaws dined with an outdoor steak at their home. Guests were Mrs. Dee Williams and D. G., Mrs. George Farmer, of San Angelo and Winston Hinshaw of Salesville.

Last week's sandstorm reminded the old days, when a sandstorm was a sandstorm.

**Stay Home:** Live in the country has its perils. The parade of sappy billboards and to affect your nervous system. And there is always a lunk on the road, who will send you to the nearest hospital babbling that he is the right of way.

**King can top a home-cooked:** The cuisine in swanky spots is really tangy, but a glance at the fees for food is bound to give you not on the columnist "cuff" position.

**King paws with a cutie-pie or:** Her knees under a cafe table is a popular form of recreation. The privacy of the home provides the coziest atmosphere for couples. Besides, you can be arrested for playing Post Office in public.

**There is plenty of danger in night:** The air is usually foul, the streets are brassy and the emcees' cavorting is invariably pitiably faking goo-goo eyes at the doll in the room is more perilous than smoking hop. She might have a friend who packs a wallop like a sultan. Or what is worse—she might know a good lawyer.

**Traveling has many advantages:** The scenery is never as comical as it appears in travelogues. You are certain to acquire while traveling around the globe is an antidote to homesickness.

**Traveling in the street isn't all it's:** Made up to be. Mendicants clutter every block, and you risk run-ins with bums you're trying to duck. There are the sadistic motorists who have declared war on pedestrians.

**Politicians have tipped their:** Hats for 1946. . . . It's going to be a year of racism—pitting the Poles against the Russians—the Irish versus the British, etcetera. . . . Cut Europe's quarrels to fan up the fire. What too many office boys try to peddle as "Americanism." As the lady in "State of Mind" observes: "I thought I had voted in Poland!"

**In the Dimout:** Judge Ferrell, Pecora, Bernard Gimbel, and other reporters trying to get the Mayor's closing session to Sherman Billingsworth's Stork Club. "All I know,"

## School Trustee Election April 6

There will be a school board trustee election here April 6. Members whose terms are expiring are Joe Emery, Robert Foster and Claude Collins.

Other members of the seven man board are John Reed, Lee Augustine, Hal Knight and Riley King.

Claude Collins, trustee for the past 20 years and president of the group, is retiring from the board. Mr. Collins said the following in regard to his retiring—

"I do appreciate the confidence shown in me, letting me serve for the past 20 years, but now the pressure of other business compels me to retire. Please be thinking about someone else competent for the place".

## School Census

Supt. O. T. Jones announced this week the school census enumerating had started. He urges all parents and newcomers who have school age children to be sure and see that they are enumerated. Each child means more in state aid money.

said the famed host, "is that this is the first time I ever got hit by an atomic bomb!" . . . Keenan Wynn, just in from Movietown, getting caught in a 59th St. spot's free-for-all. . . . Jane Wyman and her groom, Ronald Reagan, impressing local yokals with their pleasantries. . . . John Steinbeck, the book-writer, trying out his Spanish on the Havana-Madrid crowd. . . . Lovely Alexis Smith elbowing her way through the Radio City signatourists. . . . The Joe Cottens at the Carnival, a gay spot. . . . Augustin Duncan, who attracted sugary notices for his performance as the blind parent in "Lute Song." He is blind.

**Sallies in Our Alley:** Peter Donald (he was among the recent White House entertainers) told it at the Singapore last night. Margaret O'Brien, the moppet, asked the President: "Was the White House like this when America was born?" . . . "No," said the President. "In those days they didn't have rich young ladies such as you to pay taxes." . . . At Sardi's, Mrs. John Wildberg remarked: "Money is worthless today." . . . "Unless," said her producer groom, "you have none." . . . Buddy Lester says that with the shirt shortage—it is amazing how many people are still willing to risk losing theirs in Wall St.

**Manhattan Murals:** The swan in Central Park, which accepts food only from males—refuses to come near the gals. . . . The lingerie shop on 5th, which calls its very daring negligees: "indiscretions." . . . The Lincoln, the only hotel in town that plays Negro orchestras. . . . The Embassy's powder room attendant who owns a 24-room mansion uptown.

**The Funnies:** Lincoln was resting in a hotel lobby after a campaign speech when some of the villagers gathered there. One remarked: "Mr. Lincoln, your speech was good, but there were some points quite beyond my reach." . . . Abe chuckled: "I'm sorry for you; I once had a dog that had the same trouble with fleas!"

**Quotation Marksmanship:** E. Howe: Make a woman mad and she is no more polite than a man. . . . Vincent Sheean: Churchill's personality is like an army with banners; your first impulse is to get out of its way. . . . M. B. Greebie: Beautiful young people are accidents of nature. But beautiful old people are works of art. . . . N. Coward: It's surprising how many are hocked by honesty and so few by deceit. . . . Alf D. Runyon: The nearest thing to perpetual motion is a mother with a child.

## Track Meet And Ball Tournament

On March 22 there will be dual track meet and volleyball tournament here between the Water Valley and Sterling City schools.

Beginning at 1:30 p. m. there will be junior and senior track contests, softball games (junior and senior boys) and volleyball games between the junior and senior girls.

Coach Chesley McDonald, in announcing the meet, said prices would be 9c for school children and 25c for adults.

## Mrs. Nelson's Mother Dead

Mrs. Mary Catherine Pitchford, 90, mother of Mrs. W. S. Nelson, died suddenly at her home in Weatherford last Saturday. Mrs. Nelson attended the funeral in Weatherford Sunday.

## Story-Strom Wedding

The First Methodist Church in Sterling City was the scene for the wedding of Miss Marylene Story of Otis Chalk, daughter of Mr. and Mrs. H. H. Story, and Robert Glenn Strom, son of Mrs. Hannah Strom of San Angelo.

The wedding took place at 7:30 o'clock Saturday, March 9, with the Rev. E. H. Lovelace, pastor, reading the double ring ceremony.

Given in marriage by her father, the bride wore an aqua crepe dress with brown accessories. For something old, she wore a ring which was a gift of her grandmother. She carried a white Bible topped with an orchid.

Miss Paula Sue Wyckoff, maid of honor, wore a gold crepe dress with brown accessories and a corsage of iris. Frank Strom, brother of the bridegroom, was best man and ushers were Darrel Brazelton of San Angelo and Charles Story of Miles.

The church was decorated with baskets of pink gladioli and the white cathedral candles were lighted by the ushers.

Mrs. Tommy Johnson, organist, played "Indian Love Call," "I Love You Truly" and "Always." She also played the traditional wedding marches.

A reception was held at the home of Mrs. Leah Wyckoff and the couple was assisted in receiving by their parents and members of the wedding party. The dining table was laid with a Mexican draw-work cloth and centered with a tiered wedding cake. Miss Jerrie Snead presided at the cake and Mrs. William Foster was at the punch bowl. Mrs. C. W. West, cousin of the bride, was at the register.

The bride is a 1943 graduate of Sterling City High School and attended San Angelo College where she was a member of Sigma Alpha Chi. The bridegroom attended Lake View High School and served two years in the ETO as a staff sergeant.

The couple will live in San Angelo.

Mrs. Lee Hunt returned home from Brownwood last Saturday.

## Club Boys Get Prizes At Fort Worth Show

## Legion Post Organized

Twenty-two members were initiated at an organizational meeting creating an American Legion unit at Sterling City Friday night, while Joe V. Mims was nominated and installed as commander and Bill Durham as senior vice-commander.

Other officers elected included A. G. Garrett, junior vice-commander; Ed. Lovelace, chaplain, and Benny Green sergeant-at-arms.

The post will be named after the first two men from Sterling County to die in World Wars I and II. It is not yet known for certain who these two are.

## Class Party

The T. E. L. Class of the First Baptist Church met in the home of Mrs. Lee Augustine Thursday afternoon, March 7, with members of Group I as hostesses to members of Group II.

Following an enjoyable social hour of games and entertainment directed by Mrs. Herman Everitt, a salad course was served to Mmes. W. B. Allen, C. N. Crawford, Clyde Davis, O. F. Carper, John Purvis, Herman Everitt, Minta Phillips, G. Williams, Will Durham, Alfred Thieme, R. A. Garrett, Boots Williams, J. A. Revell, D. C. Durham, Lee Augustine, H. W. Hart, Henton Emery, Miss Lometa Woods and Mrs. Ray Lane, a guest.

## Baptist Church Supper

Rev. Dick O'Brien of Big Spring gave the ordination sermon Tuesday night at the Baptist Church when Lee Hunt and Jack Douthitt ordained as deacons. Others having a part in the ceremony were Rev. Roy Shahan, Rev. N. E. McGuire and Rev. J. A. Talley, all of San Angelo.

The ordination was followed by a church supper and business meeting in the basement of the church. Mrs. Claude Collins and Mrs. C. N. Crawford were hostesses for the supper.

CIGARETTES

From the day that sweeter, brighter tobacco, adaptable to cigarettes, was discovered in Caswell County in 1852 and Washington Duke installed a Bonsack machine in his Winston-Salem, N. C., plant for making them, the cigarette business has expanded tremendously. A half billion dollar industry when World War II opened, it will continue to enrich the Nation and add resources to guarantee Savings Bonds.

Bobby King took first place in the fine wool lamb class at the Fort Worth Fat Stock Show with his fine wool lamb. Norvin Brown took second in the same class, and Joe Snead 5th.

In the group of 15 fine wool lambs Sterling FFA took third place—also in the group of 15 mutton lambs. Sterling took third in the carload of 50 fine wool lambs and second in the carload of 50 crossbred lambs.

Reagan County beat the boys in the group lots. Reagan boys feed such groups all under one barn, and have better facilities for feeding and caring for group lots, said Herman Carter local FFA instructor.

Jackie Tweedle took first in the open class with his crossbred lamb. Jackie Tweedle placed fourth in the boys crossbred class.

Jimmie Findt placed third in the fine wool wether lamb class in singles and pen of 3.

Sterling took first in crossbred wethers single and pen of 3. The Sterling contingent did mighty well, placing many in the various classes up through 20th place.

## Carter Tells Lions Of Stock Show

Herman Carter, V. A. instructor of Sterling high school, gave a report on the Ft. Worth Fat Stock Show at the Lions Club luncheon Wednesday. He reported that the boys had received \$672 in prizes this year, and had done better in every way than past years. He announced that Bobby King, Norvin Brown, Joe Snead placed 1st, 2nd and 5th in the fine wool class at Fort Worth, and Jackie Tweedle took 1st in crossbred class.

Mrs. Tommie Johnson, roll call chairman of the Red Cross, announced that \$1700.90 had been raised so far—and the quota was \$1600.

The clean-up campaign was reported by Joe Emery. He reported that the county would remove cans, trash, etc. on a day soon designated as "Sterling Clean-up Day". Also that in the future that the county would collect trash one day each month and haul it to the dump grounds.

The club voted to sponsor such a clean-up day, and designated the last Tuesday in each month as pick up day for trash.

Lion Worth Durham reported that the library tea was a success—and that money and books (enough for \$5) was donated.

The prize went to G. C. Murrell and Harvey Hennigan was a guest.

## Car Licenses

As the deadline of March 31 approaches, Tax Collector V. E. Davis has visions of long lines of impatient motor vehicle owners waiting to register their vehicles during the last few days of March.

Under the laws of Texas, a certificate of title in proper order and the current year's registration receipt must both be presented at the tax collector's office before new license plates can be issued.

**Berryman-Cody  
Marriage**

The wedding of Miss Mildred Faye Berryman, daughter of Bro. and Mrs. A. A. Berryman, to John W. Cody, son of William (Bill) Cody of Hamilton, took place at 6 o'clock Friday evening in the Eighth Street Church of Christ in Ballinger.

Richard Robbins, pastor, officiated for the single ring vows in the presence of relatives of the couple.

The bride wore a suit of black faille with white blouse and other accessories of black and white. Her corsage was of gardenias.

Miss Betty Stuart, maid of honor, wore a black crepe dress with matching accessories and a corsage of pink gladioli. Harold Benefield attended the bridegroom as best man.

Mrs. Cody is a graduate of Hemphill High School and for the past few months has been employed by the FSA Office in Ballinger. The bridegroom graduated from Hamilton High School. He received a discharge in September, 1945, after almost five years with the First Cavalry. He spent two years in the South Pacific.

After a short wedding trip, Mr. and Mrs. Cody are at home at 801 Murrell Avenue in Ballinger. He is employed by the Benefield Service Station.

**"His Honor the Barber"**  
says —

WHEN the snow falls on my town I always feel as though it's nature's way of covering up the mistakes of humanity a little. Thus the pettiness and unhappiness of human beings are hidden away purposely for the winter holiday season.

I have always had a great affection for women, mainly because I believe I understand them. Women can keep a secret just as well as men, only it takes more of them to do it.

Of course, good fortune and pretty girls are alike. When either of them smiles upon you, don't wait for a formal introduction.

Married or unmarried, a woman has the same rights to life, liberty and the pursuit of happiness that a man does, but the perfect girl is a blonde with a piece of chocolate cake in her hand.

My old Uncle Joe was a man with the wisdom of the ages on the tip of his tongue. Uncle Joe used to say, "I love old things—old memories, old books, old shoes. And I have been tolerable fond of an old wife."

**"Flying Farm Machines" Prove Valuable**

A plane requires shelter but it need not be exclusive as one Oklahoman demonstrated by combining hangar and machinery storage.

AIR-MINDED farmers already are putting planes to work and consider them part of their farm equipment, an article in nationally-circulated Capper's Farmer points

Light aircraft are no longer considered as exclusive playthings of "ch pilots," the magazine declares. Farmers from the wide open spaces build T-hangars or park the planes in the barns and use level pasture, alfalfa or wheat fields for landing strips.

These farmers hop nonchalantly to their planes and put them to dozens of uses, including seeding crops, spreading insecticides, counting cattle, checking fence, carrying farm produce, getting implement repairs in a hurry and doing many other jobs. The cost of operation varies between 2 and 6 dollars an hour.

Active in helping air-minded farmers organize into state associations, the magazine read by 1,250,000 farm families points out that the flying farmers of Oklahoma already have formed the National Flying Farmers Association to promote the greater use of aircraft in agricultural production. Capper's Farmer is urging farmers using airplanes in other states to organize and affiliate with the national organization, whose headquarters are at Oklahoma Agricultural and Mechanical College, Stillwater, Oklahoma.

Proof of growing interest in flying among farmers is indicated by the fact that while only 12 planes were flown to the first Flying Farmers Meet at Stillwater, Oklahoma, in 1944, a total of 130 farm-owned aircraft were there for the 1945 gathering. Some 222 farm men and women pilots attended.

**Peanut Pie Has High Taste Appeal**

For a sweet, crunchy dessert that is delightfully different, try Peanut Pie, advises Marjorie Griffin, Rural Home editor of Capper's Farmer. The nutty flavor from chopped peanuts has high taste appeal, she writes in the nationally circulated farm magazine.

Just before serving the pie, top it lavishly with whipped cream. Arrange it around the edge of the dark filling in a ring of snowy peaks.

PEANUT PIE

2 tbsp. flour 3 eggs  
1/4 C. sugar 2 tbsp. shortening  
1/2 tsp. salt 1 C. peanuts  
1/4 C. cold water 1 unbaked pie shell  
1 C. dark corn sirup

Combine flour, sugar and salt; add water and corn sirup and blend well. Boil gently for 3 to 5 minutes. Then slowly pour mixture into slightly beaten eggs, stirring continuously. Add shortening. Spread chopped peanuts over bottom of 9-inch pie shell. Pour filling into crust. Bake in hot oven (425° F.) for 10 minutes; reduce heat to 350° F. and continue baking 35 minutes. When silver knife inserted in center of filling comes out clean, pie is done. Before serving, top with whipped cream. Serves 6.

**LOUISVILLE'S INDUSTRY**

Three-fifths of the output of Kentucky's 1,700 industries by dollar value comes from plants in Louisville. About 75,000 wage earners in the state are paid some \$70,000,000 annually to turn out items valued at over \$600 millions. It's a fit showing for an essentially agricultural state and will go far to guarantee Savings Bonds for years to come.

U. S. Treasury Department

**"Easy does it"**

Yes, "easy does it" when loading, unloading or handling livestock.

Bruises, crippling and death losses cost American stockmen 12 million dollars each year—equivalent to the value of a single file of market hogs stretching all the way from St. Louis to Chicago.

And the producers do pay those losses; directly through deaths and excessive shrink caused by bad loading and shipping practices... indirectly through bruises (we find them in over 20% of all livestock slaughtered!) which reduce the value of otherwise good carcasses. Yet a great part of those losses can be prevented with a little extra care when loading, unloading and handling.

So, that's why we suggest "easy does it"—and that you keep these six "loss-stoppers" in mind: (1) Never beat animals with whips or clubs. Use canvas slappers or electric prods... (2) Inspect chutes, trucks and cars for nails, splinters, etc... (3) Furnish good footing; bed properly. For hogs, cover dry sand with straw for winter shipping; use wet sand in summer... (4) Cover floors of loading or unloading chutes with straw... (5) Do not overload. Partition mixed loads... (6) Easy does it when trucking. Avoid sudden starts and stops. Check your load frequently for crowding.

We'll be glad to mail you instructive Agricultural Research Bulletin No. 20, "Preventing Losses in Handling Livestock." Address request to Department BB, Swift & Company, Chicago 9, Ill.

**REMEMBER PRIZE LETTER CONTEST**

closes May 1. \$400 in cash prizes for best letters on "Methods Employed by Meat Packers in Marketing Meats, Poultry, Eggs, Butter, and Cheese." See our January and February advertisements in this paper for details. For full information, write Department 128, Swift & Company, Union Stock Yards, Chicago 9, Illinois.

**Soda Bill sez:** ... that too many folks never let thinking interfere with their talking.

... that it seems like many hands want light work.

**THE EDITOR'S COLUMN**

From time to time, it will be our policy to have various members of the Swift & Company organization write this column. So, let me introduce to you this month's "guest editor," T. G. Chase, one of my associates in the Agricultural Research Department.

T. G. Chase

F. M. Simpson, Editor

There's an old story about a downstate cattle feeder who brought a load of steers to Chicago to be sold. He turned them over to his commission man, then wandered around the Yards, for it was his first trip to Chicago. Soon he was back, all excited—"Sell those steers right away for whatever you can get. There's not enough people in the world to eat all the cattle I've seen here!" The salesman managed to calm him down and sent him downtown to see the city. He landed in the heart of Chicago, took one look at the crowd of people, and dashed into a drugstore to phone his salesman "Hold those steers of mine for the highest price. There's not enough meat in the world to feed all these people!"

This old story makes a good point. All of you know the price we can pay for your livestock is governed by what we can get for the meat and by-products. Also you know that what we can get for the meat and the by-products is greatly affected by the supply of livestock and the demand for meats. The ever-present problem among producers and meat packers is the matching of the supply with the demand, wherever the supply and demand may be. The job of nation-wide meat packers is to balance the supply of meat with the demand by efficient distribution of the meat to the places where people want to buy it.

**Native Range Grasses** may be supplemented by seeding abandoned land to adapted range grasses. Intermediate wheatgrass, crested wheatgrass, Russian wild rye, smooth brome grass, and western wheatgrass have done well in Colorado dry-land pastures. They may be seeded in early spring or late fall.

**KEEP EWES WITH GOOD FLEECES**

by Dean J. A. Hill, University of Wyoming

Before shearing time, range flock ewes should be carefully examined and the ones with poor fleeces marked for culling later. Experience in western states during 25 years has shown that 20 to 30% more wool per sheep can be obtained by the systematic selection of range ewes.

One livestock man reported that the average weight of fleeces from his flocks, of about 40,000 head, had increased nearly 3 pounds during a period of ten years of systematic culling in cooperation with the University of Wyoming. He got better lambs, too. Others report similar results obtained by searching out and discarding the ewes which are below standard in wool production.

With today's high costs, any range ewe which does not shear a big fleece of first-class wool is a money-loser. By a systematic examination, any flock master can find the ewes with fleeces which are one or more pounds less than the average of his flock. The agricultural colleges of practically all the western states are glad to help flock masters get started in a program of wool improvement.

Dean J. A. Hill

**YOU RAISE 'EM—HE SELLS 'EM**

O. E. Jones

It is a far cry—an average of over 1,000 miles—from livestock on the Western range to meat on the kitchen range. Ollie E. Jones is the man who, perhaps more than any other, helps bridge that gap.

Ollie Jones, born on a farm in central Illinois, has never lost his interest in agriculture. He now produces and feeds livestock on his 500-acre farm in Illinois.

Taking a beginner's job with Swift & Company, he learned the business literally "from the ground up." He advanced steadily through many divisions of the Company, to become vice president in charge of sales, advertising and merchandising.

The nationwide sales departments which he heads market more of the products of American farms and ranches than any other organization in the country. That's why we say at the start of this story, "You raise 'em—he sells 'em."

COULDN'T TELL RAM FROM LAMB—BAM!

**INTERESTING NEW MOVIES**

We have a new and interesting movie named "BY-PRODUCTS" telling of the by-products of cattle, hogs and lambs. We will gladly send it to you for group meetings. All you pay is the postage one way. This film is in great demand, so there may be a two-week delay, or longer, in getting it to you. Other films available to you on the same basis are: "Livestock and Meat," "A Nation's Meat," "Cows and Chickens... U.S.A." Write to Dept. 10A.

**75 Attend Library Tea**

The public was entertained with a tea and book shower in the Conty Library last Saturday afternoon March 9. Punch and cookies were served to about 75 guests.

The library will be open each Saturday afternoon from 3:00 to 4:30 o'clock.

Big John Lancaster has received his discharge from the U. S. Navy, and will go to California next week to work for a railroad company.

Typewriter Paper—News Record.

**COURT HOUSE**

JUSTICE COURT—M. D. Reed paid a \$1 and costs fine on March 6, 1946 affray. Docket No. 1208.

James D. Farmer and Dorothy DeMotive were married by Justice of the Peace A. W. Dearen last week.

PLENTY—of sweet milk. Delivered right to your door twice daily. Phone 104. Ellis Lee Dairy.

Help wanted—man or woman or both. Ellis Lee Dairy.

Mrs. M. Z. Brown is visiting relatives in Eagleside. Last week we inadvertently printed that it was Mrs. M. Z. House. Our mistake.

LOW FIRST COST. Greater capacity per horsepower at average pressures—more water per dollar of investment cost.

QUIET OPERATION. Smooth performance, no motor hum.

LESS SERVICING. Only ONE moving part. No gears to wear. No oiling. No stuffing box to leak or repack.

POSITIVE AIR CONTROL. Correct amount of air is assured. No water-logging.

NO REPRISING. Pump can't lose prime even if it sucks air or if water contains gas.

Ask us about these and many other advantages of this new Myers Water System.

## Rupture Shield Expert Here

H. M. Shevnan, widely known expert of Chicago, will personally be at the St. Angelus Hotel, San Angelo, Tuesday only, March 19, from 9 a. m. to 4 p. m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge. 6509 N Artesian Ave., Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

Mrs. Ralph Bynum underwent a minor operation in a San Angelo hospital this week.

Joe Christie of Decatur, Georgia, brother of Mrs. Ed. Lovelace, died Wednesday morning there after several week's illness.
