

Democratic Run-off Election Saturday

Tomorrow, Saturday, August 24, is the day for the second Democratic Primary. Only a few races are undecided, and of course, the governor's race is the one commanding most attention. Beauford Jester, leader of the first primary, and Homer P. Rainey are the gubernatorial candidates with Jester a favorite.

The only district race is that of Cecil Barnes, 91st representative, faces Ralph E. Blount in a close contest.

A sample ballot is reproduced elsewhere in this issue.

Voting boxes 6 and 7—at W. N. Reed's and Bade Bros. ranches, have been abolished and such residents will henceforth vote at Nick Reed's ranch-known as Kellis Precinct No. 5.

Tuesday Is Trash Day

Don't forget that next Tuesday, August 27, is trash hauling day. Have your cans and rubbish in sacks or boxes ready for the County trucks to haul away.

Mrs. Clyde Davis has been in the Medical Arts Hospital in Dallas the past two weeks receiving treatment for kidney trouble.

Stage Door:

George Arliss made \$640,000 in the U. S. That was his net estate, at any rate. Compare him with Wm. S. Hart. . . . Arliss didn't bequeath a peso to any American charity—not even to the Episcopal Actors' Guild, of which he once was president. Phooey. . . . Fred Hillebrand at 52 enters a local school of music. Five years ago, not knowing a note, he composed a Negro Spiritual which was a smash hit. So he decided to write an opera. That explains why he is going to a music school in a class with kids. . . . The reason author Michael Strange (pen name of an ex-Mrs. John Barrymore) isn't listed in the Social Register as Barrymore is this: Stage names are not listed. Barrymore's real name is Blythe.

Two Little Girls in Blue: The lovely, blonde, middle-aged lady dispensing sodas at Nicholas' in Grand Central terminal was once one of Ziegfeld's most celebrated beauties. Her name is Doris Carlson. . . . Another beauty in the same Ziegfeld show gal department recently purchased 114 E. 40th street (near GCTerminal) for \$200,000. Her name: Polly Lux.

The Washington - wagers: Washington still has 8,000 dollar-a-year-men. . . . Income tax chief Numan is not happy over the pay raise for all his men. Because he has to fire half of them. The senators who agreed to the pay tilt demanded that that many be discharged to make up the new expense! . . . New York realtors are planning to whip the N. Y. State rent control by using NRA as a precedent. . . . According to Daniel Delano Jr., the Delano family has given 11 presidents to the nation. He'll tell all about it in a tome. . . . Repub leader J. Martin, house minority chief, will get his political opposition from Mrs. Martha Sharp, wife of a minister. . . . John S. Davis has prepared a new ciggie which will be marketed by one of the leading cigaret firms. This cigaret, they say, dilates the blood vessels and will raise the skin temperature one degree, whereas popular brands are said to lower it by several. . . . The iodides in this new cig counteract effect of nicotine and it is reported to have been tested successfully on over 400 medical students. . . . It also is supposed to have lowered their high blood pressure. . . . Its name (six letters) starts with "D."

She is also understood to the star ballerina, Maria Karnilova. . . . Last week Kate's invalid father was wheel-chaired into the National theater to witness the hit. . . . Karnilova (learning of the visit) realized this would be one of the old man's rare opportunities to see his daughter dance. . . . She insisted that Kate go on in her place. . . . All of which made an old man and a young girl very happy.

Uncle Sam Says

You are still at war one year after V-J Day. That's putting it bluntly, but I know from experience that you like straight-from-the-shoulder talk. Inflation at home has yet to surrender. United States Savings Bonds are still "War Bonds" in the battle for America's economic stability. You can combat rising prices by taking surplus dollars out of the market place. Your government has provided a safe, profitable vehicle for saving these extra dollars—United States Savings Bonds. By investing in Savings Bonds regularly you are building a better America and a better life for you personally. U. S. Treasury Department.

HOUSE JOINT RESOLUTION
 proposing an Amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 49-b which shall read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the issuance by said Board of not to exceed Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in such form, denominations, and upon such terms as shall be prescribed by law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum.

"In the sale of any such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds, and shall be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.

"The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.

"The lands of the Veteran's Land Fund shall be sold by the State to Texas Veterans of World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold at the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.

"All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Veteran's Land Board from the sale of lands in which interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period of eight (8) years from the effective date of this Amendment; provided, however, that so much of such moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment, all moneys received by the Veteran's Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the redemption of said bonds and to pay interest thereon, and any of such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Thursday in November, 1946, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

Allan Shivers Runs For Lt. Governor on Qualifications

Senator Allan Shivers, leading candidate for lieutenant governor, is seeking election to that office solely on the basis of his qualifica-

tions of wide training and experience.

In every way, Allan Shivers, the legislator, lawyer, farmer and World War II combat veteran, is exceptionally qualified for the No. 2 state office. As a state senator for a number of years, he established an excellent record of public service. A loyal democrat and native Texan, he is a man of highest character and splendid personality. The majority of Texans believe he will reflect credit and honor on the State of Texas.

Shivers, a war veteran of two years overseas, during which time he earned 5 battle stars, did his best to make this a free country for a free people. He will continue that course as lieutenant governor.

He has conducted a dignified campaign, free of mud-slinging and personalities. His platform appeals to every Texan: Better farm-to-market roads, better salaries for school teachers, enlarged public safety facilities, a thorough public health program, redistricting of the state for legislative purposes, greater aid to the aged, real assistance to war veterans, reorganization of the pardon and parole system, a first class university for the colored and equal responsibility from both labor and management. He is against a sales, state income or any other form of new taxes.

Allan Shivers will be the lieutenant governor of all the people. In addition to integrity, sincerity and ability, he has a background of training and a record of public service already performed which gives him the right to ask for promotion.

Notice

Acting by virtue of order of the Commissioners' Court of Sterling County, Texas, made on the 12th day of August, 1946, notice is hereby given that a public hearing will be had on the budget of Sterling County, Texas, as prepared for the year 1947, at 10:00 o'clock A. M. on September 9, 1946, at the Courthouse, Sterling City, Texas, at which time any taxpayer of Sterling County, Texas shall have the right to be present and participate in said hearing.

Given under my hand and seal of office, this 12th day of August, A. D. 1946.

Crown Fruit Salad Is 'Fit for a King'

"Fit for a king" is what home makers say about crown shaped fruit salad, according to the Country Cooking editor of Capper's Farmer, nationally-circulated farm magazine.

"Studded with jewel-colored pieces of fruit, it makes a lovely picture on your prettiest glass plate," she writes in the magazine read by 1,250,000 farm families. "Cool and tartly sweet it offers flavor contrast to the meat-and-potato

part of a meal. It's a delightful afternoon snack with a cup of hot coffee."

Crown Fruit Salad
 1 tbsp. unflavored gelatin 1/2 c. light cream
 2 tbsp. cold water 1/2 c. mayonnaise
 1 c. fruit juice 2 canned peaches or
 (peach, cherry, orange or pineapple) 1 orange, sliced
 Lettuce 1/2 c. maraschino cherries

Soak gelatin in cold water. Heat fruit juice or juices to boiling; remove from heat and dissolve gelatin in hot juice. Cool. Add the light cream and mayonnaise and stir until mixture is smooth. Cool until mixture is slightly thickened; then add sliced fruit and halved cherries. Pour into a mold rinsed in cold water. Chill until firm. Unmold on glass plate or platter. Arrange lettuce leaves around the edge of the salad. Garnish with clusters of grapes, halves of bananas or slices of canned fruit. Serves six. This molded fruit salad is lovely to serve at a buffet supper.

Play Safe

According to the best authorities, the minimum daily A, D and B Complex Vitamin requirements of the average person are:
 A 4,000 USP Units, D 400 USP Units, B1 333 USP Units, B2 2,000 Micrograms, and approximately 10,000 Micrograms Nicotinamide. The required amounts for other B Complex Vitamins have not yet been established.

Many people do not get enough of these essential Vitamins. DO YOU? Why not play safe by taking

ONE-A-DAY BRAND VITAMIN TABLETS
 Each ONE-A-DAY Vitamin A and D Tablet contains 25% more of the cod liver oil vitamins than the minimum daily recommended quantity.

Each ONE-A-DAY Vitamin B Complex Tablet contains full minimum daily requirements of Vitamins B1 and B2 and 10,000 Micrograms of Nicotinamide together with a substantial amount of other B Vitamins. When you buy Vitamins, compare potencies and prices. Note how ONE-A-DAY Tablets conform to the average human requirements. See how reasonable the cost. Get them at your drug store.

HOUSE JOINT RESOLUTION
proposing an Amendment to Article 16 of the Constitution of the State of Texas, by adding thereto Section 62 providing a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the State; limiting the amount contributed by the State to such Fund; providing for investment of Fund with certain exceptions; prohibiting recipients of benefits hereunder from receiving other direct aid from the State; authorizing counties to provide and administer such a Fund for appointive county officers and employees after favorable vote in a county election for such purpose; limiting the amount contributed by the county to such Fund; providing for investment of Fund with certain exceptions; prohibiting recipients of benefits from said Fund from receiving other direct aid from the State; and providing for an election, necessary form of ballot, and publication on the question of adoption of this Amendment.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 16 of the Constitution of the State of Texas be amended by adding thereto Section 62, which shall read as follows:

"Sec. 62 (a). The Legislature shall have the right to levy taxes to provide a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the State; provided that the amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State, and shall in no one year exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

"All funds provided from the compensation of such person, or by the State of Texas, for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this State, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the Fund, the creation of which is provided for herein, contributed by the State, is released to the State of Texas as a condition to receiving such other pension aid.

"(b). Each county shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the county; provided same is authorized by a ma-

majority vote of the qualified voters of such county and after such election has been advertised by being published in at least one newspaper of general circulation in said county once each week for four consecutive weeks; provided that the amount contributed by the county to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the county, and shall in no one year exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

"All funds provided from the compensation of each such person, or by the county, for such Retirement, Disability and Death Compensation Fund, as are received by the county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this State, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the Fund, the creation of which is provided for herein, contributed by the county, is released to the State of Texas as a condition to receiving such other pension aid."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held throughout the State in November 1946, (being the 5th day thereof*) at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas," and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas."

Each voter shall scratch one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

Your BABY

By Edna Mae McIntosh

If you're having trouble with baby's interest in food, you'll be glad to hear about the two-cereal idea. It's just about the smartest way I've heard of getting a baby to eat better—for babies like variety too! It's quite simple — use ready-to-serve strained oatmeal at one feeding, and cereal food at the next. Many doctors think this two-cereal idea is so good they're telling Mothers about it!

Strained oatmeal is a wheat-free cereal made from finely ground oatmeal. It is enriched for extra nourishment with both Iron, and Vitamins of the "B" Complex. It mixes to a creamy, smooth consistency when you add hot or cold milk or baby's formula and serve.

Then at the next feeding I suggest you try giving your baby a specially prepared Cereal Food made of whole wheat, farina, and corn meal. It, too, can be obtained with Iron and Vitamins of the "B" Complex added.

The Iron needs to be supplied to baby in greater quantities than present in any form of milk, and the Vitamins may make the difference between just "getting along" and having baby just full of pep and vitality!

**Management's-eye-view of the
Santa Fe**

View from fireman's seat inside cab of one of Santa Fe's great fleet of Diesel locomotives. Engineer sits at right.

Many of the fine things you are enjoying and are about to enjoy on the Santa Fe are the direct result of riding the line rather than riding an office chair.

You can see more railroad from the cab of a locomotive than you can from a typewritten report. It all goes to prove that foresight is better than hindsight.

That's why you so often find the top executives of Santa Fe at the "head-end" of Santa Fe trains. They ride in front by desire and design to see what lies ahead.

The modern railroad executive, who has grown up with tracks and trains and who has spent a large part of his life in railroading, looks at a section of track not in terms of ties and rails

but in terms of the possible improvements for better service to shippers and passengers.

Coupling long experience with mature vision, he translates new ideas into action with immediate decision which is both practical and timely.

This practical "Management's-eye-view" has led to the straightening of curves, improved roadbeds, new bridges and many other things which pay off in terms of better service for both passengers and shippers. It has led also to improvements of design and handling in the locomotives themselves.

During the next few months, Santa Fe will announce a number of new features improving its service and equipment. Watch for them.

Elect
Cecil H. BARNES
FOR A 2nd TERM AS
State Representative

Qualified by over 15 years of professional and business experience to represent the whole people in the State's biggest and most important business.

His young opponent is only 21, a voter for the first time, and is not half finished with his education. As a sophomore in Texas University he announces that he plans to continue his football career and his studies, under veteran's aid. Is it wise to replace Cecil H. Barnes after only one term in office with so inexperienced a young man? Experience is as important to the Legislature as it is to Congress. So young a student is in error to ask for a place of top responsibility in the State's affairs, before having finished his education.

Cecil H. Barnes is already qualified by education, experience and community service to continue as Representative. He is unbiased, unprejudiced and uncontrolled.
