

Cleanup Campaign Is Underway in Sterling

Polio Prevention

A concerted effort is being made this week-end to cleanup and spray the town with chloradane, to rid the community of disease carrying insects. This job is being done on a community basis. Everyone is expected to do his part in cleaning up around his place. There are plans to spray the town after the cleanup.

Such measures are primarily for prevention of polio and diarrhea. Below is a statement from Dr. W. J. Swann, Sterling County Health Officer. He sets forth the reasons and whyfores of the campaign.

Perpetual Cleanup Campaign

Polio and infant diarrhea has brought our attention to the urgent need of a cleanup and insect eradication campaign.

Plans for spraying the town are now underway and the cooperation of every family is very necessary for this job to be complete.

It is very obvious that one clean up and eradication will not last long, just like the little boy's nose that wouldn't stay wiped. The remedy for this is an organized plan to keep garbage and trash hauled or completely burned. Stuff that can be burned should be collected separately from that which can't be burned. Stuff that furnishes food and breeding conditions collected in flyproof containers and hauled away as often as necessary.

There is a young man here now working up a business for just this kind of work. If you have any of this work, sign up as a subscriber to this service.

There should be a campaign to encourage adequate screening of businesses that handle food except those with air conditioning and the regular doors as barriers, at all residences, regardless of color. Access of flies to people and food is a perfect setup for rapid spread of many serious diseases.

Periodic spraying of one's own premises should be encouraged as well as frequent cleaning up of all animal waste material.

Sewage disposal as it exists here in our town now is a very dangerous health hazard. Many people in a great many far and near places, who may or may not be able of transmitting some disease, stop briefly for various needs. These are changing—this is certainly a bigger problem than it was a few years back.

There is one outstanding menace that should be eliminated as soon as possible—the outdoor toilet, which is a carryover from bygone days of long ago. This kind of disposal should have never been permitted where there's so many people crowded in such a small place.

Just any kind of underground disposal system is not safe either. It must be a properly constructed concrete tank, waterproof, water-tight intake and output, adequate capacity and sufficient over-lying drainage system.

Don't think I have said anything that is not well-known to all of us, but felt that these things should be brought to our attention that we might give it some serious thought and give our wholehearted support to any organized effort to combat these menaces.

W. J. Swann, M. D.
County Health Officer.

Mrs. W. H. Stone, 61, Buried Here Tuesday

Funeral services for Mrs. W. H. Stone, 61, who lived here for 22 years, were held from the Methodist Church Tuesday afternoon at 2 o'clock. Mrs. Stone had died in a Seattle, Washington hospital on Wednesday night.

Rev. Ed. H. Lovelace, pastor of the church, officiated, and he was assisted by the Rev. B. B. Hestir, pastor of the Presbyterian Church. Burial was in the Foster Cemetery. Lowe Funeral Chapel had charge of arrangements here.

Rites by the local Order of the Eastern Star were conducted. Pallbearers were John Walraven, Rufus Foster, C. C. Ainsworth, W. W. Durham, A. W. Dearen and Henton Emery.

Survivors include two daughters, Mrs. H. L. Baker of Port Orchard, Washington and Mrs. M. M. Croft of Redwood City, Calif., and a son, Wilbur H. Stone of Sterling City, and seven grandchildren.

Mrs. Stone moved from here in 1946 and lived in Brownsville, Redwood City, Calif., and Port Orchard.

Recent Bride Honored With Tea

The N. H. Reed ranch home was the scene of the introductory tea from 4 to 6 o'clock Thursday afternoon of last week honoring Mrs. Neal J. Reed, recent bride. Mrs. N. H. Reed was the hostess.

In the receiving line were the hostess, the honoree, Miss Trina-beth Reed, Mrs. Neal Reed, and Mrs. J. A. Revell.

Mrs. John C. Reed presided at the bride's book during the first hour, and Miss Forrestine Boyd of Houston presided during the second hour. Directing the guests to the dining room were Mrs. Lee Reed, Mrs. E. F. McEntire, and Mrs. John F. Boyd of Houston. Mrs. William J. Swann, Mrs. Martin C. Reed, and Mrs. L. C. McDonald poured punch, and Mrs. William Foster, Mrs. S. L. Augustine and Mrs. W. N. Reed assisted in the dining room.

Yellow and orchid were carried out in floral combinations throughout the party rooms and table decorations. The dining table was covered with a medeira and lace table cloth draped over yellow satin. The centerpiece consisted of a profusion of orchid gladioli and asters. White napkins with "Neal and Joan" inscribed on them were used.

Miss Betty Jane Donalson played piano selections during the first hour and sang during the second hour, accompanied by Mrs. Tommie Johnson.

About 75 guests called.

Little Girl Dies in Crash

Little 5-year-old Willie B. Barefield (colored), daughter of Mr. and Mrs. Arthur Barefield, was killed when she was thrown from the rear of a pick-up truck Saturday afternoon at 6 o'clock near San Angelo on the Sterling City highway.

A butane truck, following behind the pick-up crashed into the rear of the pick-up and knocked the little girl from it. Richard Price Gann, driver of the butane truck, said the pick-up slowed down for a bridge and he was unable to stop the truck.

Going Away Party Honors Mrs. W. B. Welch

Mrs. O. T. Jones and Mrs. Marvin Churchill were hostesses at a going away party for Mrs. W. B. Welch on Thursday night of last week at the Legion Hall. The honoree was given a handkerchief shower.

A salad course was served to 16 guests and bridge and 42 was played.

Mrs. Welch moved to Arkansas this week.

Dick Bailey is working in the local post office while postmaster Anna Lee Johnson is on her vacation.

Mrs. O. T. Jones and children are visiting in Lubbock this week.

Rodeo Dates Set For June 23 and 24

Plans Progressing Rapidly

At meetings held Saturday and Monday night, plans were laid to hold the Annual Sterling City Rodeo on June 23 and 24. Chairman John Reed appointed committees to handle various phases of the rodeo and has asked that each committee man dig in and help with his part of the job. Events have not been set up at this time, but will be announced soon as possible.

A mammoth barbecue is planned for the evening of June 23. A free affair, it is scheduled to be held in the city park.

Committees appointed to handle the events are as follows:

Barbecue Committee - To plan barbecue, hire necessary help and coordinate work of other barbecue committees—Jim Butler, chairman, and Jim Hinshaw.

Committee to Secure Goats - William Foster, chairman, Bill Blair, Foster Sims Price, Bunk Lawson, and Perry Matthews.

Barbecue Finance Committee—Seth Bailey, chairman, H. A. Chapple, Jeff Davis and Roland Lowe.

Advertising Committee - Horace Donalson, chairman, Jack Douthitt, and B. W. Frierson.

General Rodeo Committee- Riley King, chairman, Pete Ainsworth, Foster Conger and John Reed.

Rodeo Grounds Committee-Bubba Foster, chairman, Bill Reed, Taylor Garrett and John Reed.

Arrangements for Announcer and Speaker System—Horace Donalson.

Dance Committee—Fred Allen, and Temp Foster.

Concession Stand Arrangements—Martin Reed.

Arrangement for Parade Flags—Bill Green, chairman and Bill Blair.

In Charge of Events:
BARRELL RACES—Taylor Garrett.
BRONC RIDING AND BRAHMA BULL RIDING—Pete Ainsworth, chairman, and Pete Hansen.
CALF AND GOAT ROPING—Foster Conger, chairman and Thurman Rich.

PARADE—Bill Green, chairman, and Bill Blair.
ENTRIES—Bill Reed, chairman, Boots Williams and B. W. Frierson.
GATES AND TICKETS—Henton Emery and Lions Club.

PREPARATION OF RODEO GROUNDS—Grounds Committee assisted by Veterans Vocational Agriculture Class.

Profits from last year's rodeo amounting to \$583.39 are being applied to the expense of the school ground and rodeo improvements which are now underway. A new well has been drilled near the athletic field and a pump is being installed. Other improvements are planned for the immediate future.

Methodist Pastor Moved To Goldthwaite

The Rev. Ed. H. Lovelace, who came to the First Methodist Church here as pastor in February, 1944, has been transferred to the First Church in Goldthwaite. The change was announced at the conference last week in San Antonio.

The Lovelaces have been active in the community life here as well as the church. Rev. Lovelace has served as president of the Lions Club, leader of the men's club, served on the inter-church committee, and other community projects. Mrs. Lovelace taught public school music and piano and organ here.

Lovelace also served as pastor of the Methodist churches at Water Valley and Moon Chapel.

New Man Is Weimer From George West, Texas

The Rev. W. J. Weimer, formerly at George West, Texas church, has been sent here. The Weimers have three children, the oldest being 16, it is learned. Rev. Weimer was the pastor at George West for five years.

Mrs. R. V. Blackman of Ames, a Former Resident Here, Was a Sterling Visitor the First Part of This Week

Miss Marvin Francis Foster of Dallas is here to be with Mrs. Ruth Allen while she is confined to a San Angelo hospital. Mrs. Allen had suffered a fractured vertebra in a fall from a pick-up last month.

The Edwin Aikens of Sweetwater are visiting relatives here.

LIONS CLUB

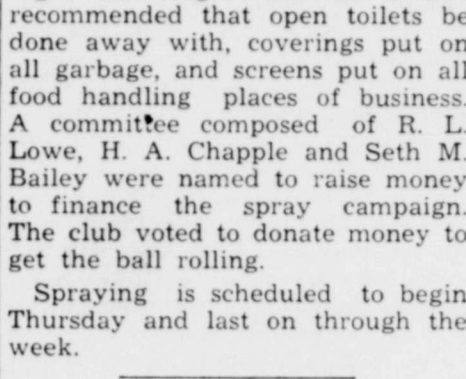

Ladies night was announced for June 28, when the Lions Club met for the regular weekly luncheon at the community center Wednesday. Plans to ask members of the Garden City Club and their wives was voted on favorably.

School superintendent O.T. Jones and a Mr. Thompson were guests.

Lion Frierson told of the rodeo dates being set for June 23 and 24. Lion Judge Murrell told of the County quitting the trash hauling, now that there is a man on the field to do weekly hauling. The club went on record as recommending that the citizens subscribe to the weekly hauling service.

As the talk got underway about garbage hauling, etc., it was agreed that the town should be cleaned up and sprayed to prevent an outbreak of polio, such as is happening in San Angelo. Lion Dr. Swann recommended that open toilets be done away with, coverings put on all garbage, and screens put on all food handling places of business. A committee composed of R. L. Lowe, H. A. Chapple and Seth M. Bailey were named to raise money to finance the spray campaign. The club voted to donate money to get the ball rolling.

Spraying is scheduled to begin Thursday and last on through the week.

Baptist Revival Starts Sunday Morning

An eight-day revival meeting begins Sunday at the Baptist Church, announced pastor C. D. McEntire this week. The Rev. C. F. Powell, pastor of the Lamar Street Baptist Church in Sweetwater, will do the preaching and Rev. McEntire will lead the singing.

Services will be held week days at 10:00 a. m. and 8:15 p. m. in the tabernacle, it was announced. The Rev. Powell will arrive for the services here Sunday evening.

Everyone is extended a cordial invitation to attend the services, said the pastor.

Mr. and Mrs. R. P. Brown attended the Memorial Day services in San Angelo Sunday at Fort Concho in memory of the war dead. They visited the chapel there.

They also went out to Mathis Field and went through the new

Russelline Cox and L. B. Hallmark Married

In a double ring ceremony at 8:30 o'clock Friday evening of last week, Miss Russelline Cox, daughter of Mr. and Mrs. J. W. Cox of Garden City, became the bride of L. Luther Hallmark of Sterling City. Luther Hallmark of Sterling City.

The Rev. A. A. Collins officiated at the ceremony in the Cumberland Presbyterian Church in Garden City.

The bride, given in marriage by her father, wore a pale blue butcher linen dress with navy and pink accessories and a headband of pink roses and a white orchid corsage.

Mrs. B. T. Houston of Garden City, the sister of the bride, served as matron of honor. She wore a brown eyelet embroidery dress with a corsage of yellow carnations.

Bridesmaids were Misses Olene Dozier and Rose Schafer, both of Garden City. They wore white chambray dresses with white and green accessories and pink carnation corsages.

Milton F. Cox of Garden City, brother of the bride, served as best man.

Miss Betty Jane Donalson, accompanied on the piano by Miss Marian Jackson, sang "I Love You Truly" and "Because."

A reception was held in the church immediately after the ceremony. Mrs. C. J. Dunn presided at the three-tiered wedding cake. Mrs. Edwin Myers presided at the punch bowl and Miss Bonnetta Cox was in charge of the bride's book.

After a wedding trip to Roswell, N. M., the couple will be at home near Garden City, where Mr. Hallmark ranches.

As a going away costume the bride wore a white and navy gabardine suit with navy accessories.

The bride is a graduate of Garden City High School and San Angelo Business College, and the bridegroom is a graduate of Sterling City High School.

No More Trash Hauling By County

L. C. Wells is starting a weekly trash and garbage hauling for the town of Sterling and the county is discontinuing the service of free trash hauling each month, said County Judge Murrell this week.

Wells plans to haul the garbage weekly in case of residences and more in case of business houses.

If you want to get on the regular route of Wells' weekly hauling, drop him a card to general delivery, Sterling City. The charge is to be \$1.50 per month.

Attend Texas Tech Graduation

Mr. and Mrs. Marvin Churchill, Mrs. O. T. Jones and Mr. and Mrs. W. H. McDonald attended the graduation exercises at Texas Tech on Monday night. They went to see Winston Churchill, son of the Marvin Churchills, get his degree in physical education.

SWING OF SOUTHWEST FARM MARKETS

By United States Department of Agriculture

(USDA)—Many weak spots continued to appear at southwest farm markets during the past week, although some grains, feeds and livestock showed strength, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Cotton declined 50 cents to \$1.50 a bale. Spot middling 15/16 inch closed Monday at 32.25 cents a pound at Dallas, and 32.65 at most other markets.

Tomatoes moved in large volume from the Lower Rio Grande Valley during the past week, and prices fell rapidly. Lug boxes of U.S. No. 1 green wrapped sold over the weekend at mostly \$3.25, or \$2 lower than a week earlier. Green corn brought firm prices with supplies declining. Strawberries sold lower in northwest Arkansas. Poor demand weakened markets for green and wax beans in southern Louisiana.

Egg markets showed little change for the week. Most Dallas and Ft. Worth dealers paid around 39 cents a dozen for current receipts, Denver 37 1/2 to 39 1/2, and New Orleans 42. Poultry sold a little lower at most markets. Fryers brought 29 to 30 cents a pound at Fort Worth, 31 at Dallas, and 25 to 28 at Denver.

Most cattle classes showed little change for the week, at Denver and Oklahoma City. Calves sold slightly higher at Houston, but most cattle and calves brought unchanged to 50 cents lower prices at Fort Worth. San Antonio showed little change. Last week's receipts differed little from the week before. Dressed beef prices about equaled those of a week ago Monday, but veal gained \$2 to \$8. Good cows sold up to -19 at Texas and Oklahoma markets and \$20.25 at Denver.

Hog receipts fell off again this week, and prices advanced 50 cents to \$1. Dressed pork brought \$3 to \$9 a hundred more than a week ago. Top butcher hogs closed Monday at \$18.75 at Fort Worth, \$19 at San Antonio, \$19.75 at Oklahoma City, and \$2 1/2 at Denver. Texas markets paid \$14 to \$15.50 for sows, and Denver to \$17.50.

Sharply increased sheep marketings brought slightly higher prices than a week ago. Choice dressed lamb brought steady to higher prices for the week, but lower grades sold weak to \$1 lower. Mutton held nominally steady. Medium spring lambs reached \$24 at San Antonio and \$27.50 at Fort Worth. Goats recorded little change.

Texas wool sales increased, with grease prices ranging by type and grade from 76 to \$1.03 1/2 cents a pound. Some adult mohair sold at 35 cents f.o.b. Texas.

Corn advanced 2 cents a bushel and sorghums 5 cents a hundred pounds, while other grains sold slightly lower. No. 1 wheat closed

PLANS FOR SUMMER PHASE OF HOMEMAKING EDUCATION PROGRAM

With the "good ole summer-time" come plans for sunny days, vacations, rodeos—and for a certain group of girls activities related to the summer phase of the homemaking education program.

To be most effective the program should be planned to function the year round. It concerns itself with assisting individuals to develop increasing ability in carrying their respective home responsibilities in relation to food, shelter, clothing, child care and guidance, health and home care of the sick, in family and group relationships.

The work done during the month (May 23-June 23) is planned to be equivalent to a semester's class work in homemaking—one half school credit.

The girls not only plan and carry out projects at home, but they will also participate in class projects which will contribute to renovating the homemaking department. These include making dish towels and cloths, pot holders, table cloths and place mats, and improving the appearance in general.

Plans are being made not only to work with school groups but also out-of-school groups as adults and various organizations. The homemaking teacher, Miss Katherine Nelson, is anxious to help in any way that she can.

Girls enrolled in summer work are Patsy Davis, Mary Davis, Charlene Drennan, Elizabeth Hildebrand, Sue Lowe, Barbara Garrett, Darlene McEntire and Norma Huff.

The R. P. Davises of Green Forest, Arkansas, have been here visiting relatives.

Mrs. C. D. McEntire went to Midland last week-end for a visit with relatives.

Monday at \$2.34 to \$2.41 at Texas common points, No. 2 white corn \$1.69 to \$1.71, and milo \$2.65 to \$2.70.

Diminishing rice supplies and fair export demand brought a firm tone to the rice market last week. Feed prices continued to strengthen, especially wheat millfeeds and high protein feeds. Increased offerings of new crop alfalfa hay caused an unsettled condition in the hay market. Rains delayed peanut planting.

WHEN A KITCHEN IS PRACTICAL and PRETTY

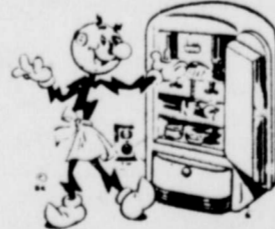

... OF COURSE—IT'S Electric!

There was a time when you had to choose between a pretty kitchen and a practical one, but not nowadays. An All-Electric Kitchen is both practical and pretty. It is practical because you base your plans on an Electric Range, Electric Refrigerator, Electric Dishwasher, and plenty of electric outlets for the convenient use of electric mixers, waffle irons, toasters and many, many other electrical appliances. Around these appliances you build "Electric Time-Saving Centers." This equipment does so much of your work for you automatically that you'll have more time for leisure. And it's pretty, because there's practically no limit to what you can do decoration-wise with an All-Electric Kitchen. If you plan to build or remodel, our Home Service Department will be glad to help with your kitchen plans. When a kitchen is both practical and pretty...

OF COURSE—IT'S Electric!

A MODERN KITCHEN INCLUDES

Refrigeration Center, built around your electric refrigerator which provides ample food storage and large freezing capacity. Adjacent work surfaces provide space for food preparation.

Dishwashing Center, featuring electric sink with automatic dishwasher and garbage disposal unit. The Electric Dishwasher handles not only dishes and silver, but pots and pans as well—washes them shining clean, and dries them without wiping.

Cooking Center, with electric range as central unit. The Electric Range provides safety, better meals—due to controlled heat—coolness, easier cleaning, durable, reliable simplicity, and beauty plus economy of operation.

ADEQUATE WIRING: This simply means: 1. Large enough electric wires. 2. Enough circuits. 3. Plenty of outlets and switches.

Odds and Ends

News was spotted on Capitol Hill last week. It was the pre Memorial Day lull. In the cloak rooms there was talk about the British turning Communist Gerhart Eisler loose the Atomic Energy Commission got some deserved panning, and the indictments against Harry Bridges came in for some airing.

Then too, there was the usual seasonal guessing of when the session will end. Normally, the end would come at the end of July. Senator Lucas, the Senate Democratic leader, has threatened to insist on continuing until the "Fair Deal" program is enacted. But Speaker Rayburn is known to frown on that idea.

The other day Lucas decided to agree with the speaker, and told the press: "The President's program is rather extensive and covers considerable territory. It all can't be passed overnight. The disposition of Congress will be to adjourn."

Despite President Truman's defense of Chairman David E. Lillienthal, of the Atomic Energy Commission, Lillienthal's prestige on Capitol Hill has gone into quite a slump in recent weeks. In the first place, he defended the Commission's practice of giving \$1600 Government scholarships to Communist students engaged in advanced atomic research. At least two Communist students are known to be using such scholarships at present, and there may be others. But Congress is prohibiting that in the future.

The indictments against pro-Communist Harry Bridges came as no surprise to many. It had been known the Department of Justice had been working on the case for the past year or more. Last week the Federal Grand Jury indicted the West Coast labor leader for perjury and conspiracy to defraud the Government.

It all grew out of the rather phony release of Bridges by a Supreme Court decision, after his deportation had been ordered by the Immigration Commissioner and the

then Attorney General Biddle. The issue was whether he was a Commie. Bridges had sworn he was not, and the Government witnesses swore otherwise. The Supreme Court majority ruled the evidence insufficient, blurted about civil rights and ordered him released. Bridges then got his citizenship papers, as American Communists applauded.

But later Mrs. Bridges divorced her husband, with whom she had lived as his common law wife for years. Then Mrs. Bridges told plenty, and other witnesses have shown up. She told of the Commie meetings held in their homes, and corroborated Harry Lundberg, a right-wing West Coast labor leader, who had testified that Harry once asked him to join the Communist Party. That took place in the Bridges home and Mrs. Bridges overheard it.

When I was in San Francisco last Fall with a committee investigating the 100-day-old shipping strike (which we found to be Communist-inspired) I was given the name of a lumberjack who had roomed with Bridges years ago in Seattle, and I was told the timber worker would swear Bridges was a devout Commie at that time. He will undoubtedly be a material witness when the trial takes place.

If Bridges is convicted, his citizenship will be revoked and he will again be subject to deportation. Now that CIO President Phil Murray is no longer playing footsy with Bridges, there may not be as much propaganda and pressure put on the courts to free Bridges as was formerly the case. The CIO led the fight to have Harry freed before.

Speaking of labor leaders, old John L. Lewis is expected to call his strike about July 1st and will probably let it run for a month or six weeks. He made a talk the other day to a group of career women at lunch and offered to answer questions. One of them brightened up and asked: "Mr. Lewis, what kind of hair tonic do you use?"

"Covering the County"

By Byron W. Frierson, Sterling County Agent

The Sterling County Game Management organization was completed last week with the election of officials following the program on Bubba Foster's ranch. Bubba was elected president, Julius Bade was elected vice-president, and Will Durham secretary-treasurer. Bubba has appointed Tom Humble, Foster Sims Price and Riley King to serve as members of the executive committee. A set of the articles of association is being prepared for each member.

John Reed was elected chairman of the Sterling City Rodeo Association at a meeting Saturday night. Taylor Garrett was elected vice-chairman. Riley King, Foster Conger and Pete Hansen were elected directors for terms of three years; Bill Reed, Will Foster and Temp Foster were elected directors for terms of two years, and Pete Ainsworth, Bill Green and Bubba Foster were elected for terms of one year. Hal Knight was re-elected treasurer, and yours truly secretary. This group is working on plans for a 1949 rodeo.

An excellent program has been planned for ranchmen of this area for June 11. Mr. W. H. Dameron has announced plans for the ranch day to start at 9 a. m. and conclude at 4:30 p. m. The morning portion of the program will be devoted to range management with Dr. V. A. Young, L. B. Merrill and W. H. Dameron leading discussions. The control of internal parasites will be discussed by Dr. W. T. Hardy. The balance of the meet will be devoted to a discussion in complete detail of "Improvement

Saved From Anti-Red Mob

DARTMOUTH, ENGLAND — Police in Dartmouth, England reported that they had rescued British Communist Harry Pollitt from a village mob angered at Chinese Communist killing of British seamen. Before police hustled Pollitt from a Communist rally where he was scheduled to speak, John Akhurst, the father of a seaman killed in China, handed Pollitt a rope and note, suggesting that he use the rope. Pollitt is British Communist party secretary.

of Sheep Through Selection of Performance-Tested and Progeny-Tested Breeding Animals."

This program will be well-worth your time. It looks as though I will miss the meeting due to a very close schedule. All ranchmen are invited to attend the meeting.

It appears that it will be worthwhile for all ranchmen who have bitterweed to watch closely the work that has been done in the county this year. I suggest that you talk to those who have applied 2 4-D and also go and have a look at some of the work. If this type of control has any value to your plan of operation, you should know about it. A lot of men have spent some good money trying. You can watch the results at Nick Reed's, Foster S. Prices, Fowler McEntires, Jackson Ranch, Roy Fosters, Ed Bynum's, Copeland Bros., Foster Conger's or Tommy Foster's.

Are You Ready for Spraying?

Your premises will be sprayed Saturday. Have everything cleaned up and ready.
HELP PREVENT POLIO!

Mr. and Mrs. Charles Churchill of Iraan visited Charles' parents, the Marvin Churchills here last week-end.

The W. B. Welches left early Wednesday morning for Green Forest, Arkansas to make their home. W. B. has bought a ranch near there.

"YOU THINK YOU ARE INSURED!" * * * * Sometimes fire, burglary and floater insurance—the easiest type to get is the hardest to collect on! Read how one company refused payment because the claimants were not man and wife. How a salesman couldn't collect because he had forgotten to mention a jail sentence. It's in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

FETED AT SUPPER

The Big Spring and Sterling City Young People of the Church of Christ were entertained with a supper this week by Mr. and Mrs. H. A. Chapple and Mr. and Mrs. Riley King.

Songs were sung by the group and the choral group from Big Spring sang a few numbers.

About 40 persons attended.

Hot Weather

It got awfully hot here the first part of the week, portending the summer ahead. Despite the large crop of vegetation due to recent rains, the weather is HOT! (The soil conservation boys say that the temperature is lower when there is more vegetation.) Now I wonder!

Any way it got hot enough to do the reverse act of freezing the ears off a brass monkey, and we'll bet set some kind of a record.
