### Reese Officers Visit Rotary Club

Muleshoe Rotary Club had as their guest Tuesday Colonel Monte D. Montgomery, who is the Commander of the 64th Flying Training Wing (Air Training Command), at Reese Air Force Base, Texas.

Col. Montgomery and Captain Mike Sherman briefed the Rotary on the Reese update. Films were shown to substantiate a talk that was presented by Capt. Sherman.

Referring to information in the brief, Sherman enlightened those present with the training methods and equipment and number of students trained at Reese. In his talk, Sherman stated that the cost of training one student is over \$212,000, which is below the average for other training bases and estimated that approximately 20,000 pilots have been graduated from Reese since 1943.

Other Rotary guests included Carlos Jordan from

Puerto Rico, Master Sergeant Troy Martin, Colonel Richard Hearne, Jack Griffin of Valley Grain, Jan Whitt and Shirley Farmer.

Dave Marr reported that

### No College Courses For Muleshoe

The Division of Continuing Education of South Plains College, Levelland, will not offer courses in Muleshoe this fall.

English 132 will be offered in the spring of 1982, and possibly Electronic Data Processing, if a teacher can be secured. Introduction to Sociology is another course that could be offered in the spring.

English 132 will be offered this fall in Morton on Tuesday evenings from 6:00-9:00 p.m. Registration will be Tuesday, September 1, from 5:16-6:00 p.m. and class will begin on this Cont. Page 8, Col. 2

### Mules-Rams Meet For Friday Combat

Well, football fans...time to grab your black and white duds and drag out the old thermos and blankets for another exciting Mule football season.

Muleshoe High School's "Angry Black" will take the field against the still smarting Portales Rams on Friday night at Greyhound Stadium at 7:30 (New Mexico time) 8:30 to you Texans.

The Rams will be looking for revenge for the re-sounding 19-0 loss they suffered last year at the hands of the Mighty Mules in the season opener.

Although Ram Coach Tommy Gruber has been faced with replacing some key players this year, he has been fortunate enough to snare some outstanding transfer players this year which to bolster the Rams. According to reports, Gruber stands hard on a good defense and

feels that it can carry the Rams.

Not to be outdone, Mules coach Windy Williams will be counting on a strong team defense, as well as offense. "We will play our game on what we do best. The Rams have a lot of size which will be a definite advantage for them; however, we plan to counteract that with our quickness and agility. We have great team unity which is working well for us."

Williams feels that the Rams have a good offense which is a problem to anyone trying to defend against them, however, he does feel that our boys measure up accordingly. "We have a good many young men with great leadership ability, and I don't feel that I can single out any one boy--we just stay one for all and all for one," said Williams. "The approach that the Rams present will determine our game plan," he said, "if they are going to throw, we will certainly be going after the passer, rushing, pressuring and putting a lot of heat on him. Our own plan is a good solid defense."

The Rams, according to various sources, will im-Cont. Page 8, Col. 1

### Longhorns Meet Hornets Friday

Coach Terry Campbell, head football coach at Lazbuddie, in an interview Tuesday told the Journal that he was "well pleased with the Longhorn's performance in the scrimmage with Hart last week. Hart scored three times on us, but they had to earn every one of the scores."

Campbell will be looking to Terry Steinbock, senior quarterback for a lot of load-carrying this year. Steinbock will be joined in the starting line-up with Bart Elliott at fullback position, Jimmy Garcia at half back and Daniel Schacher at wingback.

Starting at split end will be Ralph Gonzales, left tackle, Lee Scott, left guard, Ricky Dale, center, Joe Dan Tarter, right guard, Jeff Jesko, tight end, Mark Lust and finally, Joe Gonzales at tackle.

Campbell indicated that he would especially be looking for leadership from Joe Gonzales. "Joe is a good, conscientious player and a strong personality. He will be a good leader for the team."

When questioned as to whether there were any

### Former Resident Holds Revival

The Progress Baptist Church has announced revival services to be held on September 4, 5 and 6 with visiting evangelist to be Reverend Danny Curry. Rev. Curry is a former pastor and presently pastoring the First Baptist Church at Dawson, Texas. He attended school at Lazbuddie when his father pastor-Cont. Page 8, Col. 2

## Triangle CB'ers Will Head Local Dystrophy Drive

Donald Prather has been named Muleshoe/Bailey County Chairman of the Jerry Lewis Labor Day Telethon to benefit the Muscular Dystrophy Association (MDA), it was announced today.

The television spectacular will again be hosted by Jerry Lewis, MDA National Chairman, and broadcast live from Del Webb's Hotel Sahara in Las Vegas. The Jerry Lewis Telethon is a

2 1/2-hour entertainment marathon--the first major television special of the fall season. It will be carried coast to coast, and in Puerto Rico, by some 200 "Love Network" stations. Locally, KLBK-TV, Channel 13 will broadcast the Telethon beginning Sunday, September 6, at 8 p.m., and continuing until 5:30 p.m., on Monday, September 7. Muleshoe area residents contributed to last year's record-breaking national pledge total of over \$31 million.

The local Muscular Dystrophy drive will again be sponsored by the Triangle CB Club of Muleshoe. Plans have been made for entertainment on Saturday and Sunday nights, with country and western performers to be featured on Saturday and gospel groups after church hours Sunday evening.

Frather stressed that

### W.I.F.E. To Give Away Hawaiian Vacation

Like to take a trip to Hawaii? Now's your chance. The local W.I.F.E. Chapter is selling chances on a weeks vacation for two to Hawaii. Price of the tickets is \$20 each and only five hundred tickets in Texas will be sold. This is the current fund-raiser for the Texas W.I.F.E. Tickets may be purchased by contacting Shug Killough at 946-3467, Debra Redwine at 965-2845, Elsie Williams at 925-6741 or any other W.I.F.E. member. Tickets are also available at the Federal Land Bank office from Carelean Hamilton.

Drawing for the vacation will be held on September 12.

W.I.F.E. is also sponsoring a White House Call-In Week, against the MX to be held August 31 through September 4. For more information regarding this session, contact local W.I.F.E. members named above. This is to pro-

stand at all times. Plan to come and spend some time, get to know your neighbors and help a good cause." Prather emphasized.

Cont. Page 8, Col.3

There will be no charge for the entertainment; however, a big wheel barrow will be in a conspicuous place for those who wish to donate to the MD fund. Several groups from Olton, Lubbock, Abernathy, and Levelland are expected to arrive to help with the entertainment.

The CB Club is asking that all items persons might donate be brought in to the Civic Center. "If you have watermelons, fruit, vegetables or just anything that might bring in some money for this cause, we would appreciate it," said Prather.

The M.D. drive phone number this year will be 272-5559.

"This will be our second year to have this event in our city, and telephones will be manned from 8 p.m. Sunday until 6 p.m. Monday for donors calls. There will be a concession

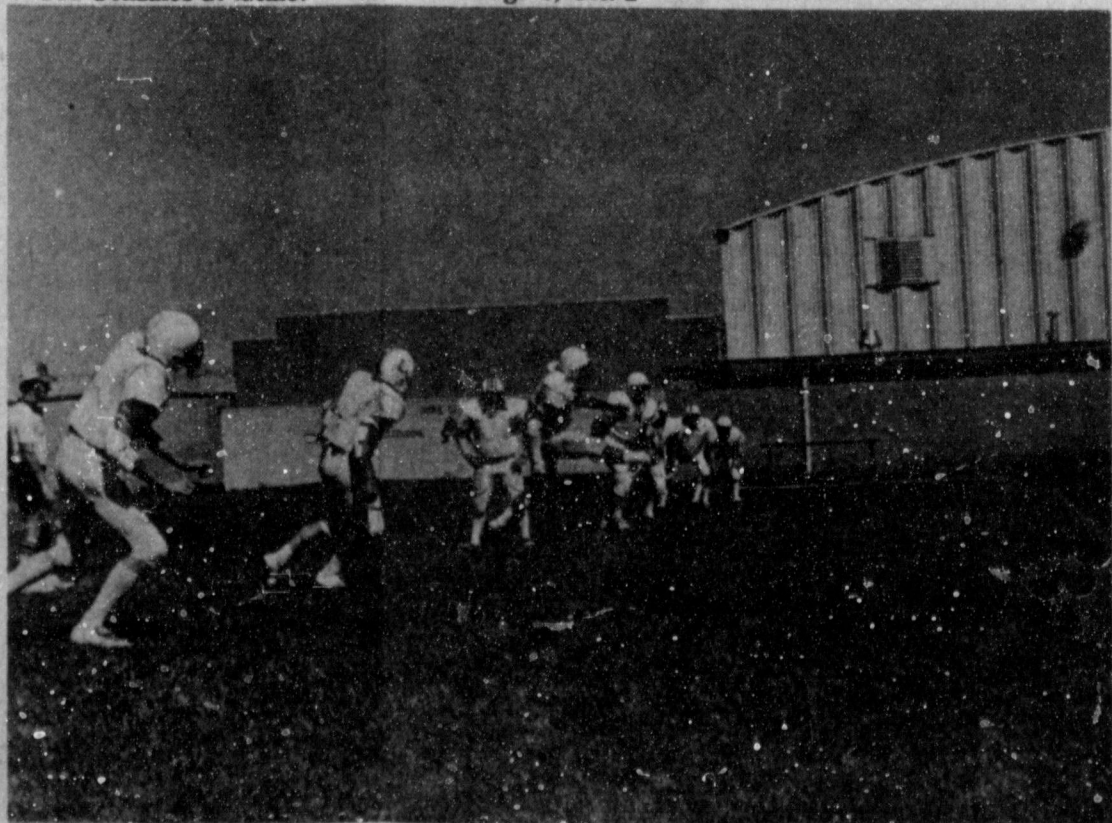

note action against the MX missile and the call in number to the White House is 202/456-1414.

In other WIFE news, the Texas WIFE Convention is scheduled for September 12 and 13 and keynote speakers include Chris Mosher, administrative assistant to the secretary of agriculture, John Block and also Nita Gibson, National WIFE President.

### Homemakers Pecan Sale

The Lazbuddie Young Homemakers will be selling pecans again this year. These will be ordered in time for holiday baking.

They are selling the popular Del Cerro pecans from New Mexico again. The price of the pecans will be \$48.00 per case; \$24.00 for a half case or \$4.00 per pound.

"HANG TIME".....The Lazbuddie Longhorns hope to establish a precedent this Friday by taking the Sudan Hornets out of their nest with a big win. Longhorn coach, Terry Campbell has reason to be proud of his team's hard work.

Mule fans are reminded of Portales vs Muleshoe starting game this Friday. The game will be played in Portales at 7:30 New Mexico time, 8:30 Texas time.

There will be a regular Board of Directors' meeting in the Bailey County Farm Bureau office on September 3, 1981, Thursday at 8:00 p.m. The 1981 Nominating Committee will also be meeting at the Bailey County Farm Bureau office on September 3, 1981 at 8:00 p.m.

Any members of Bailey County Farm Bureau are welcome to attend.

Mrs. Pearl Cox and Mrs. Ray Carter received word Sunday night of the death of their sister-in-law, Mrs. Homer Williams in Comanche, Texas. Mrs. Williams and her husband lived in the Muleshoe area several years ago. She was the aunt of Jessie Ray Carter and Holly Millsap of Muleshoe.

A memorial fund for Billie Bayless has been established at Muleshoe State Bank and First National Bank. The family has requested that remembrances be made in this manner.

## Season Openers Promise To Be "Squeakers"

In order to answer numerous questions, we have to start the 1981 season with a postscript from 1980. In our final Highlights column last December, we said that if Florida State, our number-one ranked team, should falter against Oklahoma in the Orange Bowl, Pittsburgh could take over the top spot. However, we also said the Panthers had to stop South Carolina convincingly in the Gator Bowl. Well, Florida State faltered and Pitt was convincing...our 1980 national champion, Pittsburgh. Undeclared Georgia was a close second with Oklahoma and Florida State finishing third and fourth. End of Postscript.

Alabama whipped L.S.U. last year 28-7 in Tuscaloosa. In 1979, the Tide just slipped by the Tigers 3-0 in Baton Rouge. This year's site is Baton Rouge again. Another squeaker? Well, an upset is possible as Alabama is favored by 18 points in the Bear's quest for life-time victory number 307. The Crimson Tide has beaten L.S.U. in 30 of their 44 meetings...four games ended in ties. For national attention, this has to be Saturday's top attraction.

National champion Pittsburgh hosts Illinois in the opener for both teams. The Illini have had their troubles, not only losing seven games last year, but also losing their very talented quarterback. Pitt, 10 and 1 in 1980, lost only to Florida State during the regular season, then bombed South Carolina 37-9 in the Gator Bowl. The Panthers should win it big...by 28.

'Fraid Louisville won't be much of a challenge for the Seminoles of Florida State. The Cardinals were zapped 52-0 by the Seminoles in '80 and are unhappy 29-point underdogs on Saturday.

Finally, Vince Dooley's undefeated Georgia Bulldogs open at home against Tennessee. Georgia squeaked by the Vols last year 16-15 on its way to the wire services' national championship...#2 in our ratings. The Bulldogs are favored by four points.

## The Sandhills Philosopher

Editor's note: The Sandhill Philosopher on his Johnson grass farm on Sandy Creek reflects on strikes this week.

Dear editor:

While nobody has ever been able to get Congress to go out on strike, it's about the only organization that hasn't given it a whirl.

Baseball players, movie actors, air traffic controllers, coal miner, TV writers, steel workers, school teachers, postal employees...they've all struck at one time or another or threatened to.

Eventually the strikes are settled, although negotiators have never caught on to what time of day to do it. They always try it in the morning or afternoon, when they ought to know the time to settle a strike is 4 a.m. when everybody is worn out, sleepy and eager to get it over with.

I got to thinking, there's one group, other than Congress, that has never struck. Newspaper columnists. And I think I know the reason why.

Sure, columnists are able to print a sign, ON STRIKE, and nail it to a stick and most of them are able to walk up and down. Take me for example, I could hoist a sign and march up and down in front of my 9x12 office out here, but where's the TV camera crew interested in televising one man walking back and forth in front of a ramshackle office out in the country?

And, unless you can get on television, what's the fun of striking?

If we could get television

## Doubling Ceremony Unites Doris Priest, Carpenter

Doris Copley Priest of San Antonio became the bride of Clarence Wayne Carpenter of Belton, on Friday, August 14 at 5 p.m. in the home of Mrs. Ward McClure. The Rev. Robert Poteet, nephew of the groom, officiated at the double ring ceremony.

Mr. and Mrs. Alexander Wilson Copley (formerly of

Muleshoe) of San Antonio are the parents of the bride. Carpenter is the son of the late Mr. and Mrs. Joe Emerson Carpenter of Belton.

Guests were registered by Mrs. Henry Verbick. Wedding music was provided by Glen Poteet, nephew of the groom. Mrs. Carol Poteet sang special

nuptial songs "Perfect Love" and "The Lord's Prayer".

The bride escorted and presented in marriage by her father wore a street length dress of ivory crepe, featuring bell sleeves and a hemline of mushroom pleating. She carried a white Bible (a gift from her sister in law, Mrs. Don Wilson Copley in 1961). It was topped with spring flowers accented with baby's breath and white ribbon.

Mrs. Johnny Greer served as matron of honor. She wore an orange ice colored dress with a matching jacket. Her bou-

quet was of white daisies accented with baby's breath and white ribbon.

Don Wayne Carpenter of Belton, son of the groom, served as best man.

For her daughters wedding Mrs. Copley wore a street length silk dress with rose, mauve and white floral print on a gray background. Her corsage was of white daisies.

Immediately following the ceremony a reception was held in the dining room. Mrs. Patrick Adcock served punch and Mrs. H.H. Hanna served cake from crystal and silver appointments. Other members of the houseparty were Mrs. Vera Mc Lemore, Mrs. Pat Driskill and Mrs. Doris Clark.

After a wedding trip to Oklahoma and New Mexico the couple will be at home in Belton.

## Extension Homemakers To Gather In Austin

"Century III -- A Decade for Development" will be the theme for the Texas Extension Homemakers Association (TEHA) statewide annual convention September 7-10 at the Marriott Hotel in Austin.

Special speakers will include Texas' First Lady, Mrs. Rita Clements; Mrs. Charline Warren of Longview, Washington, president of the National Extension Homemakers Council and Chancellor Frank Hubert of Texas A&M University.

In addition, other guests will be Robinson Risner with the DARE Foundation, Inc. of Universal City, Texas, who is presently serving on the governor's "Fight Against Drug Abuse" committee, and Jack Yianitsis, Success Dynamics, of Houston.

Mrs. Alicia de Valdes of Torreón, Coahuila, Mexico, founder and director of the "Alicia Project," a program designed to help poor people in Mexico through self help, will address the Cultural Arts and International Understanding workshop during the state meet, according to Mrs. Billie McCraw of Raymondville, Texas, TEHA president.

Delegates to the meeting will attend workshops concerning citizenship and legislation, cultural arts and international understanding, family life and family resources, membership and leadership, safety and health. Due to large-number turnout to workshops, two learning sessions have been added to the agenda for non-delegates: one on community programs and one on communications and public relations, McCraw said.

Convention delegates serve as research persons in their respective hometown communities for the year following the statewide meet. Throughout the year in their home communities, they will share information secured at the

convention to benefit more than 20,000 additional Extension Homemakers in Texas, McCraw explained.

In addition, they will promote countywide activities for the public that will reach thousands more homemakers and their families, she added.

Other activities during the convention will include a program presented by a group of foreign students dressed in their native costumes, along with a fashion showing and luncheon.

Special guest for the TEHA convention banquet will be Jack Yianitsis with Success Dynamics of Houston. Yianitsis will address the group on "The Power Within You."

## WOTS

Weekly Meeting

The XIT Restaurant was the site of the August 27 WOTS luncheon. Further plans were made for the upcoming picnic, which is scheduled for September 26.

Members present were Kay Madry, Lois Martinec, Zellma Toler, Doris Williams, Faye Wellborn, Doris Fightmaster, Millie Mitchell, Ruth Simpson, and Mildred Williams.

New members were Marv Smith, Darena Cook, Janice Anderson and Brett, Judy Foskey and Johathon. The next WOTS luncheon will be on September 3 at Tri County Savings and Loan. It will be a covered dish luncheon with Ruth Simpson and Zellma Toler as hostesses.

PRODUCT NAME PRINCETON, N.J. -- Unbranded, "generic" substitutions are being reached for on the shelves of all stores, says the study by Opinion Research Corp, because of substantial savings achieved in many cases. Marketers are finding that promoting a superior product in a name brand is often insufficient in convincing shoppers to stick with them.

## Mrs. L. D. Lewis Honored With Bridal Shower

Mrs. L.D. Lewis, nee Doris Bartholf was honored with a bridal shower Saturday, August 29 from 3-4:30 p.m. in the fellowship hall of the First Christian Church.

Mrs. Lewis colors of light blue and green were carried out with blue linen table cloth and centerpiece. The lime slush punch and white cake decorated with blue flowers and green leaves, were served from crystal appointments.

Special guests included the honoree's husband, L.D.; the bride's mother, Mrs. Walter Bartholf, Sr.; Mrs. Earl Lewis of Earth, mother of the groom; and a host of aunts and cousins from Earth, Amarillo, Spade and Anton.

The hostesses gift was a vacuum cleaner. Hostesses for the occasion included

Mrs. Wes Glover, Mrs. Lewis Dale, Mrs. Sylvan Robinson, Mrs. Kenny White, Mrs. Margie Hawkins, Mrs. S.E. Goucher, Mrs. W.E. Goforth, Mrs. Bobby McGee, Mrs. T.R. White and Mrs. Joe Costen.

## RECIPE

By Sarah Anne Sheridan

Whether you gather round the picnic basket, the outdoor grill or have an informal snack on the back porch, be sure to keep the menu simple and easy on the cook.

### Ham Skewbobs

- 1 1/4 lb. can ham
- 1 No. 2 can syrup packed sweet potatoes
- 1 16-oz. can pineapple chunks
- 1/2 c margarine
- 1/4 t brown sugar firmly packed
- 1/2 t dry mustard

Cut ham in chunks. Put a piece of ham, piece of pineapple, and piece of potato on a skewer. Repeat until skewer is filled. Melt butter, stir in sugar and mustard. Brush sauce on skewered foods. Cook in broiler or on an outdoor grill, until lightly browned. Turn occasionally while cooking.

### Skewbob Combinations

- Lamb cubes, mushrooms, cooked potatoes and small onions.
- Hamburger balls, tiny onions and small tomatoes.
- Calves' liver, bacon and onions.
- Lamb, egg plant, tomatoes, and onions.
- Pork tenderloin, apples and onions.

In Framingham, Mass., an epidemic of green hair occurred, amongst light-haired people, owing to the large quantities of copper in the water supply.

## Mr And Mrs Cliff Odom Celebrate 50th Anniversary

Mr. and Mrs. Cliff Odom observed their 50th wedding anniversary Saturday, August 29 by driving over to Clovis for lunch. They were married in Clovis August 29, 1931 (which also fell on Saturday).

No formal celebration was planned but several friends of the couple went by their home to congratulate them.

On Sunday, August 30 some of their relatives prepared lunch and carried it to their home. Those attending were Mrs. Mary Johnson, sister of Mrs. Odom; their nephew and family, Mr. and Mrs. Jim Johnson, Jimmy and Jennifer of Lazbuddie; also another nephew and family, Mr. and Mrs. Don Johnson and Misti.

After lunch Jimmy and Jennifer Johnson served cake and punch to the

group and others who went by.

The table was covered with a hand crocheted cloth, given to the couple many years ago. This same cloth was used for their silver anniversary.

After church Sunday night Mr. and Mrs. Burl Jones went by for a visit.

**NOTICE**  
Energy Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for domestic and commercial type, small industrial and large air conditioning/electric generating customer classes residing in the unincorporated areas (environs) of its West Texas System. It is anticipated that the new rates will result in a 1.6% increase in Energy's gross revenues, which increase is not a "major change" as defined in Section 43(b) of Article 1448c, V.A.T.C.S. A Statement of Intent to change said rates was filed with the Railroad Commission of Texas on or about August 7, 1981, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street. The proposed increase will not become effective until or except to the extent that the same rates are approved for service within the municipalities on the West Texas System.

## Medicare Calms Agent Playing Catchup Now

Texas Blue Cross/Blue Shield, the Medicare claims-paying agent, has made substantial progress in reducing its backlog of unpaid Medicare physician and supplier (Part B) claims, according to J.D. Sconce, Dallas, regional administrator, Health Care Financing Administration (HCFA), the federal agency responsible for overseeing the Medicare program.

Sconce said the number of physician and supplier claims awaiting payment had built up to a high of 1.3 million in late June during implementation of a new Medicare claims processing system at Texas BlueCross/Blue shield, but that number has been

sharply reduced to a present level of about 596,000.

"We anticipate the pending claims load will be back to its normal level of about 400,000, with average receipts of 35,000 claims daily, by the end of September," Sconce said.

He pointed out, however, that claims are currently taking longer than usual to process while the new system is starting up.

Blue Cross/Blue Shield officials are making major

efforts to reduce the number of old claims (over 30 days old), Sconce said, adding that a special task force is working on these claims, so physicians and beneficiaries should in the next few weeks begin to see processing time of 30 days.

Since start-up of the new system, over 2.7 million Part B Medicare claims have been processed and over \$145 million in Medicare benefits paid out. Sconce

once said the new system will be far superior and faster than the old, after this initial period of conversion difficulty. Texas Blue Cross/Blue Shield processes about 10.1 million Medicare claims each year for 1.4 million Texas citizens, with an annual payout of \$1.7 billion. Of these totals, about 8.7 million are physician and supplier claims totaling \$514 million; most of the rest go to hospitals.

## Selective Service List In Courthouse

A list of Selective Service registrants born in 1962 and the first part of 1963 has been posted in the Bailey County Courthouse.

According to Colonel Paul Dean Aikin, the State Director of Selective Service for Texas, the Military Selective Service Act requires that the names of

Selective Service registrants be posted in a public place within each local board area.

Local Board tentative assignments have been made based upon the Zip Code of the registrants permanent home address.

Colonel Aikin says the law (the Military Selective

Service Act) still requires all young men to register with Selective Service at age eighteen.

Currently, men born in 1963 are required to register within 30 days before or 30 days after their eighteenth birthday. Registration forms may be completed at any United States Post Office.

If any young man failed to register on time, he may clear his record by registering as soon as possible.

# Marketing Key To Crop Profits

Although most Texas farmers are looking at a good crop year, the financial rewards they reap will depend heavily on their ability as astute farm marketers.

"Developing pricing strategies and evaluating marketing options are activities that distinguish 'farm marketers' from 'farm producers,'" says Dr. Ashley Lovell of Step-

henville, area economist in management with the Texas Agricultural Extension Service, Texas A&M University System.

"Traditionally, many farm producers have sought to sell at the highest price during the marketing year, to sell everything at one time, and to market at about the same time each year. Selling based upon habit is unlikely to consist-

ently result in maximum returns," warns Lovell.

Instead, farmers should take a look at these marketing options:

- Selling at harvest.
- Storing and selling at a later date.
- Forward contracting for delivery at harvest or at a later date.
- Hedging in the futures market.
- Using the Commodity

Credit Corp. loan program or the extended grain reserve program.

To shift to the farm marketing orientation, current production cost estimates are needed for individual enterprises. Cost estimates should include variable expenses incurred to date plus projections of any remaining costs necessary to move the crop from the field, says the economist.

By combining actual

preharvest variable costs with projected harvest costs and share rent, a farmer can estimate the breakeven price necessary to cover variable cost and land rent. Although this estimated breakeven value may not be adequate for developing all pricing strategies and evaluating all marketing options, it is an essential step, believes Lovell.

"When combined with the per unit fixed cost, the

marketer has the production cost estimate which is required in making valid marketing decisions," says the economist.

Complete and accurate production cost estimates are essential for the consistent success of the farm marketer. Although the estimates may be less difficult to establish than achieving accurate price expectations, they alone cannot ensure successful marketing decisions. "H-

owever, a sound approach for developing expectations of future commodity prices, when combined with accurate production cost estimates, will have a positive impact upon this year's financial return to farm resources," says Lovell.

History offers the best training for those who are to take part in public affairs.

"United We Stand" might seem to be the watch word for the mighty Mules this season, since their symbol is a black dot indicating unity.

Fans may be favored with an excellent running and throwing game as well, when the Angry Black from Muleshoe zero in on the Portales Rams for the season opener of both teams.

As always, Coach Williams asked that the fans be true and proud of the teams' effort, not just the wins they are able to compile.

The CB'ers also ask that any children's group wishing to make door to door collections, check with the CB Club first. These children need to be accompanied by an adult and proper identification. The identification and money containers will be provided by the CB Club.

Anyone wishing to volunteer services to this cause will be warmly welcomed.

"Last year was a big success for the MD cause in Bailey County" said Prather, "and, we hope to make this year even better. We are expecting one group of entertainers called the "Friday Nighters" and there is a musician in this group who has fought the battle of MD and can share his experiences with others."

Viewers of Telethon '81 will see performances by some of the most popular personalities in show business -- all of whom contribute their talents to help the fight against muscular dystrophy and related diseases. Jerry Lewis expects strong support from the country's labor and business leaders, as well as from citizens' groups, to put the 16th annual Telethon "over the top."

MDA currently funds over 750 individual neuromuscular research projects in laboratories throughout the U.S. and abroad. In addition, the Association has established 10 major university-based research/clinical centers, where teams of scientists seek cures or effective treatments for 40 neuromuscular diseases covered by MDA's programs. The health agency also maintains more than 230 free diagnostic and treatment clinics, located across the U.S., including Puerto Rico. In the South Plains area, MDA supports clinics at Methodist Hospital in Lubbock, a summer camp, and two research grants at Texas Tech University School of Medicine.

Prather said he will be calling upon community leaders to enroll volunteers to help at the Telethon pledge center, which will be located at Bailey County Civic Center and Coliseum.

# Safety Stressed During Labor Day Weekend

The director of the Texas Department of Public Safety has warned that as many as 48 persons may die in traffic accidents this Labor Day weekend on the state's streets and highways unless drivers are

especially cautious. "Otherwise," said Colonel Jim Adams, "the 78-hour period could be a repeat of the most recent holiday. Traffic accidents during the last July 4th weekend took a total of 60 lives, 16 more than had

been estimated," he said. Drunk driving and excessive speed were the major contributing factors in the fatal accidents recorded over the July 4th holiday, according to data furnished by the DPS Statistical Services Division.

None of the drivers or passengers killed during the July 4th holiday were wearing seatbelts. In addition, 35 percent of these fatalities resulted from the person being ejected from the vehicle.

Adams urged motorists to wear their seatbelts to minimize the hazard posed by careless drivers. He said safety belts should be used during city driving as well as long distance trips. "Last year in Texas, about 1200 lives would have been saved if all occupants of passenger vehicles had used safety belts," Adams said.

The DPS director said he is deeply concerned that 1981 may be another record year for motor vehicle deaths in the state.

"Unless more Texas motorists recognize the risks they face and take steps to protect themselves and others, this trend will

surely continue," Adams pointed out.

Adams has instructed DPS Regional Commanders to utilize additional Troopers during the three-day holiday and he said "Operation Motorcade" would be placed into effect.

"DPS patrol officers will be enforcing the law and assisting motorists by watching for drivers who exceed the speed limit and those impaired by alcohol or drugs," Adams said. They will also be on the lookout for vehicle defects.

Adams said Operation Motorcade would be in effect from 6:00 p.m. Friday, September 4 through mid-

night Monday, September 7, 1981.

During the Fourth of July holiday, 73 percent of the fatal accidents occurred between 8:00 p.m. and 4:00 a.m.

### CHARGES OF FRAUD

The Food and Drug Administration is expected to complete within 60 days an investigation of charges that some products sold as orange juice really are made from orange pulp, a spokesman said recently.

### CONRAIL & PROFIT

Conrail, the 17,000-mile, 17-state, federally subsidized railroad, achieved an operating profit of nearly \$10 million in May following a loss of \$13 million the previous month, Congress was told recently.

## Wedding Shower Honors Miss Linda Black

Miss Linda Black, bride elect of Royce Don Clay, was honored with a wedding shower Saturday, August 29 from 9:30-11:30 a.m. in the home of Mrs. Ronnie Shafer. Mrs. Bill Harmon registered the guests.

Various hostesses served sweet breads, fruit salad, fruit juice and coffee from antique crystal appointments.

The serving table was covered with a lace over burgandy tablecloth. A

burgandy and dusty rose silk arrangement made by Mrs. Bill Harmon enhanced the table. The honoree's corsage was made of burgandy and dusty rose silk flowers.

Special guests included Mrs. Royce Clay, mother of the prospective groom; Mrs. Lonnie Black, grandmother of the bride; and Mrs. Bill Darnell, grandmother of the prospective groom.

The hostesses gave individual gifts and the silk

centerpiece. Hostesses for the occasion included Mrs. Ronnie Shafer, Mrs. Bill Harmon, Mrs. Gordon Wilson, Mrs. Edwin Al-

thof, Mrs. John Jones, Mrs. James Brown, Mrs. Bob Blackwood, Mrs. D.O. Burelsmith and Mrs. Kerry Moore.

LINDA BLACK and ROYCE DON CLAY

## Bridal Shower Honors Miss Cynthia Embry

A bridal shower honoring Cynthia Embry, bride-elect of Brad Pierce, was held Saturday, July 18 in the home of Hazel May.

The table was covered with an ecru linen cloth applied in beige flowers, and centered with a multi-colored silk floral arrangement, in a crystal vase.

Yellow lemon-lime punch and cookies were served from crystal appointments. Hostess gift included a bedspread and pillow shams to match.

Hostesses included Madge Beauchamp, LaFern Doty, Evelyn Fisher, Mae Fisher, Shirley Fisher, Bar-

bara Flowers, Mutt Hanns, Bethlene Harper, Nell Ingle, Nell Kessler, Nell Lane, Opal McCaghren, Zanelle Martin, Arta B. May, Doris May, Hazel May, Gail Messamore, Quinelle Pickrell, Peggy Ray, Elsie Seymore, Rosemary Seymore, Mickey Stephens, Wanda Swart, Elsie Wilson and Kay Wiseman.

Special guests included the honoree's mother, Mrs. Joe Embry and grandmother Embry, both of Littlefield and Mrs. Yvonne Pierce and Mrs. Lucille Fox, mother and grandmother of the prospective groom.

## SENIOR CITIZENS

The Senior Citizens met in the fellowship hall of the First United Methodist Church with 40 present, for a covered dish luncheon.

Four visitors were present. They were Bro. Brock Sanders and wife from Richland Baptist Church, Mrs. Alma Henley from the nursing home and Gayle Moring director of South Plains Area Agency on aging from Lubbock.

On the program was Bro. Brock Sanders, accompanied at the piano by his wife, singing "I Believe In a Hill Called Mt. Calvary."

Gayle Moring gave a talk and showed slides on the Senior Olympics taken at the fun carnival in Plainview.

Minutes of the previous meeting were read and approved.

Four birthdays were celebrated this month. Celebrating birthdays were Lena Hawkins, Lela Gunter, Bill Moore and Sadie Howard. Zeb Robinson played the piano and led the birthday song.

A card was signed by everyone for Add Beaty, one of the members who has recently moved to the nursing home.

J.C. and Odessa Shanks and Mr. and Mrs. Conard Burford will be the hostesses for next month.

The group was dismissed with a prayer by Bill Moore.

"Eating right" has become more important for many Americans. In fact, one study indicates that the perceived healthfulness of food may be more important in making food choices than cost, taste or convenience.

"Eating right" has different meanings for different people. Some want natural foods, and granola cereals, like Nature Valley Granola which is 100% natural, are preferred by many. Already popular as a breakfast cereal and snack food, granola can be used in many other exciting ways, too.

For a free, 16-page booklet from Betty Crocker with granola recipes for brunch breads, coffee cake, main dishes, snacks and much more send your name, address and zip code to: Nature Valley Granola Goodness, Box 6, Dept. 815, Minneapolis, MN 55460.

This is one of the delicious recipes from the booklet.

### Granola-Brandy Pie

Granola Pastry (below)	1	teaspoon vanilla
1/2 cup sugar	1/4	teaspoon salt
1/4 cup brandy	2	cups Nature Valley granola (toasted oat mixture)
1/4 cup margarine or butter, melted		Sweetened whipped cream
3 eggs		

Heat oven to 375°. Prepare Granola Pastry. Beat corn syrup, sugar, brandy, margarine, eggs, vanilla and salt with hand beater. Stir in granola. Pour into pastry-lined pie plate. Cover edge with 2- to 3-inch strip of aluminum foil to prevent excessive browning; remove foil during last 10 minutes of baking. Bake until set, 40 to 45 minutes. Serve with sweetened whipped cream.

Granola Pastry: Prepare pastry for 9-inch One-Crust Pie as directed on 1 package (11 ounces) pie crust mix or sticks except - stir in 1/2 cup Nature Valley granola (toasted oat mixture), crushed, before mixing in water.

Persons over age 65 frequently must buy auto insurance through assigned risk pool, which is a costlier alternative than regular rates, a Texas State Board of Insurance study has found.

However, studies have shown better driving performance by drivers over age 65 than by those between the ages of 25 and 64, according to Nancy Granovsky, a family resource management specialist.

Mrs. Granovsky is on the home economics staff of the Texas Agricultural Extension Service, Texas A&M University System.

**Corporation Tax Installment Due Soon**

Corporations operating on a calendar year basis and having an expected Federal tax liability of at least \$40 for 1981 are required to make a payment of 1981 estimated tax by September 15, 1981 the Internal Revenue Service says.

The amount due can be computed on Form 1120-W a worksheet for computing corporation estimated tax. The form should not be filed with the IRS, but should be kept in the corporation's records.

When the payments are deposited in authorized commercial banks or Federal Reserve Banks, they must be accompanied by the Federal Tax Deposit Form 503, the IRS adds.

Supplies of Form 1120W and IRS publication 542, "Tax Information on Corporations," are available free by calling the IRS forms/tax information number in the local telephone directory.

It's all right to work by a schedule if you can keep up with the schedule.

By Lyndell Williams  
TEXAS PRESS ASSOCIATION

AUSTIN—During the regular and special sessions, the Legislature approved seven proposed constitutional amendments which will appear on the Nov. 3, 1981 general election ballot.

Most of them are related to tax relief and development of natural resources. The amendments, in the order they will appear on the ballot, are:

**Proposition One**  
SJR 8—Authorizes local governments to improve, develop, or redevelop certain areas through property tax relief and the issuance of bonds and notes.

**Proposition Two**  
HJR 117—Authorizes the Land Commissioner to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years as of Nov. 15, 1981.

In effect, the General Land Office could issue a patent to clear up the title problems of a Leon County rancher who believed he had bought his land 50 years ago. However, errors going back to the Republic of Texas clouded the title.

**Proposition Three**  
HJR 38—Allows the Legislature to grant to a state finance management committee the power to manage the expenditure of certain appropriated funds.

The amendment, by Rep. Bob Simpson of Amarillo, would create a "state finance management committee" composed of the governor, lieutenant governor, speaker of the House and chairman and vice chairmen of the House Appropriations and Senate Finance committees.

**Proposition Four**  
HJR 6—Authorizes the use of part of the state surplus revenues to develop water related projects; authorizes state credit to guarantee bonds of local governments for water-related projects; increases the interest rate

that may be paid on previously approved but unissued state bonds; and authorizes a program to retire state bonds.

This is the "water trust fund" amendment sponsored by House Speaker Bill Clayton, intended to put surplus money to use solving future water needs.

**Proposition Five**  
HJR 49—Include livestock and poultry with the types of farm products which are exempt from taxation.

This amendment will clarify confusion in existing law which already exempts "farm products" from property taxes.

Argument has occurred over whether livestock and poultry are to be included as "farm products" and a 1976 Attorney General's opinion concluded the issue is questionable.

Highly sought by the agriculture sector, this amendment would mean an estimated \$6 million to \$10 million tax break in local property taxes for farmers.

**Proposition Six**  
HJR 81—Authorizes local governments to provide

property tax relief for owners of residence homesteads and changes certain property tax administrative procedures. It would allow a minimum \$5,000 exemption, unless the Legislature votes otherwise, with an exemption of up to 40 percent between 1982 and 1984, 30 percent for 1985 through 1987, and 20 percent in 1988 and thereafter.

"It's a chance for farmers to see and hear about latest production research results and gain a better insight as to how some of their hard-earned money is being used."

That's how Gary Ivey of Ralls, current President of Plains Cotton Growers, Inc., Lubbock, describes the 72nd annual field day to be held at the Texas Agricultural Experiment Station (TAES) on Tuesday, September 8, beginning at 1:00 p.m. The Station is located three miles north of Lubbock International Airport on FM 1294.

Producers have money invested in TAES research from at least five sources, Ivey reminds, including State taxes, Federal taxes, research grants from PCG, the High Plains Boll Weevil Control Program fund and from Cotton Incorporated.

Cooperating with TAES in the field day demonstration is USDA's Agricultural Research Service, Texas Forest Service and the High Plains Research Foundation.

"Highlights and topics to be featured will include weed control, cotton bollworm research, drought tolerance in cotton and grain sorghum, cotton breeding and grape research," states Dr. Tom Archer, TAES entomologist who is chairman of 1981 field day activities.

In addition, Archer says, specialists will be centrally located and available for discussion of any specific producer problems in the production of area crops.

Some of the dues money paid by cotton producers to PCG, Ivey points out, is used for grants to support what the PCG Research Committee considers five top priority research projects.

**Cotton Council Calls For Realistic Policy**

The National Cotton Council has called for a "realistic" trade policy that provides for expanded international trade under conditions mutually acceptable and beneficial to both exporting and importing countries.

In testimony filed with Senate committees con-

ducting joint oversight hearings on U.S. trade policy, the Council cited the Multifiber Arrangement and its bilaterals as examples of realistic policy.

"They provide for expanded trade, yet at the same time, they give some order to international textile and apparel trade so

that it will not unduly damage the importing country's textile and apparel industries," the Council stated.

The industrywide cotton organization said this system could possibly be used to resolve some of the nation's other significant and delicate trade issues.

"Free trade is a myth in today's world," the Council said. "It is based on the premise that government regulations, monetary conditions, labor, capital, transportation, etc., are relatively similar in all countries. This is not the case now, nor is it likely to be in the future."

The Council said the U.S. should work toward more liberalized international trade on a fair and reciprocal basis without undermining or weakening its own economy.

Appropriate federal action, for example, should be taken to provide reasonable restraints against

imports that are disrupting or threatening to disrupt important sectors of the national economy. Import restraint is especially needed, the Council added, when the domestic industry is required by government to install expensive safety and health equipment not required of its foreign competition.

Attention also was called

to the proposal by the United Nations Conference on Trade and Development for an international cotton agreement which would include production controls, export quotas, floor and ceiling prices, and an international buffer stock.

A sudden thought strikes me, -let us swear an eternal friendship. -Frere.
