STERLING JOURNEYS TO RANKIN TONIGHT

By Harry Blaneck
The Sterling Warbirds will journey to Rankin today to play the Rankin Red Devils in a bout that will determine the championship of District 7 six-man football. The Eagles, undefeated in conference play, will meet the Red Devils at Rankin. The Red Devils have been defeated one time—by Mertzson.

If Sterling can defeat Rankin, this will again give first place to the Eagles with a three way tie for second place, shared by Rankin, Forsan and Mertzson. On the other hand, if Sterling loses to Rankin, the two teams will share top honors. As co-champions, a flip of a coin will determine the team to play Ackerly in a bi-district title game.

All businesses will close at 5:30 p.m. so that a large group of fans will be able to support the Eagles at Rankin.

The Sterling Eagles have one more game to play in regular district play. That is with Garden City.

STERLING LASHES PAINT ROCK INDIANS 24-14

Last Friday night, November 3 Leroy Butler sparked the Sterling City Eagles to a 27-14 victory over the Paint Rock Indians in a district 7 six-man football game that was played here.

Elroy Butler, Leroy's twin, missed the game because he was laid up in a San Angelo hospital but helped to call some of the signals via long distance telephone. Elroy was incapacitated with a back injury.

Leroy scored one of Sterling's punters. A 60 yard dash by Leroy set the game for another. Don Gann lugged the ball across. In fact Gann lugged twice and Charlie Davis registered the other Eagle score.

Elvay Brown recorded both of the Paint Rock TD's on passes from Marvin Massey. Both of the Indian's scores came in the fourth quarter.

P.T.A. Program Presented

The November meeting of the local Parent-Teacher Association was high-lighted by a special Thanksgiving program presented by the members of the second grade under the direction of Mrs. Ray Lane. Special costumes added greatly to the entertainment. On the program were Jeannette Gaston, Wayne Daves and Elizabeth Cole.

Special music led by Miss Pamela Sanderson, accompanied by Mrs. Reynolds Foster, was given. Mrs. W. J. Weimer gave the devotional. Miss Bryant talked on "Are Habits the Stuff of Which Behavior Consists?"

Mrs. L. C. McDonald presided over the business session in the absence of the president, Mrs. David Glass.

VETERANS VOCATIONAL CLASS WILL REBUILD BROKEN TOYS FOR CHRISTMAS

The veteran's vocational class of Sterling City has decided to repair or repaint or otherwise fix up toys for the Christmas baskets this year. So said Marvin Worsham, instructor, this week.

Worsham said the veterans would do such work in their spare time. All the veterans will do is fix the toys up and then turn them over to the Lions Club or some other distributing agency for distribution at the proper time.

If there are any broken toys at your house that could be rebuilt or repainted or repaired, the veterans would like for you to leave them their workshop at the rear of R.P. Brown's office building. Such toys may be made like new for some child to enjoy this Christmas.

At the workshop the veterans have welding equipment, painting, and woodworking machinery.

Mr. and Mrs. Claude Collins returned home this week after spending a week at their New Mexico ranch.

LIONS ENTERTAIN FOOTBALL BOYS

The Sterling City football boys were guests of the Lions club at the regular weekly luncheon Wednesday noon in the community center. Other guests included Robert Russ, superintendent of Boys Ranch near Tankersley, O. T. Jones, local school superintendent, Melrose Murtishaw and a Mr. Hasleton of Robert Lee.

The football boys are facing the final conference game with Rankin there Friday night. If Sterling wins the game, the Eagles will be the undisputed champions of the district. If the Eagles lose, they will most likely have to flip for the title.

Hears About Boys Ranch

Russ, superintendent of Boys Ranch, near Tankersley, told of the organization of which he is the superintendent. He told of the three phases of the work—educational, ranch work, and religious. Russ, a former football coach and superintendent of schools, is doing a good job as head of the Ranch.

Benefit Football Game Matched

Russ will bring his 6-man football team here on Tuesday night, November 21, to play Coach Johnny Ozee's junior team. Admission will be by donation. The proceeds will go to the Boy's Ranch.

The ranch is supported entirely by donations of public spirited citizens from the thirty-two county area.

A group of children from the grade school presented a program. Wayne Daves, Jeannette Gaston and Elizabeth Cole were on the program. It was a patriotic act, and the characters represented a soldier, a Red Cross Nurse and Uncle Sam. Elizabeth Cole sang three songs, accompanied by Mrs. Anna Lee Johnson at the piano.

COUPLE MARRIED BY REMOTE CONTROL HERE

Mrs. Daisy Smith and John F. Greene were married Wednesday evening following prayer meeting at the Baptist Church. The ceremony was read by C. D. McEntire, pastor, who was in Fort Worth at the Baptist State Convention. Dr. W. B. Everitt, former pastor, stood with the couple—just in case.

Following the ceremony a gift tea was held in the basement of the church. Hostesses for the affair were Mrs. Clyde Everitt, Mrs. H.C. Dunn and Mrs. W.W. Durham.

Mrs. Greene is a long-time resident here and Mr. Greene is an oil field worker in the Snyder oil field.

McEntire arranged the long-distance set-up before he left for the convention Tuesday.

POPPY SALE—NOVEMBER 10th

Honor the dead and cheer the living heroes of two world wars today by wearing an American Legion Auxiliary poppy. These bright red poppies are tribute to brotherhood—a memorial to courage—AND a practical way to help our disabled to help themselves.

Mrs. Martin C. Reed Is Club Hostess

The Noratadata Club met Wednesday evening with Mrs. Martin C. Reed as hostess. Mrs. Worth Durham presided. The club decided on a project for an orphan's home in Greece.

A program on "Traffic" was presented by Mrs. Martin C. Reed and Mrs. Ross Foster.

A chicken dinner was served to five tables, including the following:

Mrs. Melburn Smith, Mrs. R. T. Foster, Jr., Mrs. Fred Allen, Mrs. Finis Westbrook, Mrs. Garlyn O. Hoffman, Mrs. Anna Lee Johnson, Mrs. William Foster, Mrs. Leah Wyckoff, Mrs. Sterling Foster, Mrs. F. S. Price, Miss Sue Nelson, Mrs. Alvie Cole, Mrs. Worth Durham, Mrs. Trinton Revell, Mrs. Nan Davis, Mrs. J. Q. Foster, Mrs. Bill J. Cole, Mrs. Forrest Foster, Mrs. Hubert Williams, Mrs. Neal J. Reed, and Mrs. Ross Foster.

Delbert Hopper and his sister, Mrs. J. W. Daves, visited their brother, Pfc. Joe Hopper in an Army hospital in San Antonio last Sunday. Joe was injured in Korea and flown back to the States for treatment in the hospital in San Antonio.

THE AMERICAN WAY

The Ingrate

STOCKHOLM

In traveling over Europe—which from the standpoint of area is like traveling over a part of the States one is impressed with the scarcity of soil to support the 300,000,000 people who live here.

Every inch of tillable soil is put to use. More women and children than men are seen in the fields, usually with a one-horse wagon being loaded with potatoes, beets, vegetables, hay, etc. In Germany more wagons are drawn by oxen or milk cows than by horses. It's not unusual to see a horse and cow teamed up to pull a farm wagon or plow.

In the Eastern zone of Berlin, where reconstruction is bogged down, a number of the largest and best buildings inside the Brandenburg Gate—where the Russian zone begins—are occupied by the Russian occupation forces and the puppet Democratic Government of Eastern Germany. Huge signs—some 100 feet long—adorn the fronts and communist slogans are plastered on many buildings.

I saw one bomb-demolished building, being reconstructed, with this sign in German: "This Public School was destroyed by Anglo-American Terror Bombers in Being Rebuilt by the German Democratic Government". Many other comparable Anti-American signs can be seen in the area.

In Vienna I met Col. and Mrs. John F. Guillet. The Colonel was once stationed at Goodfellow Field, and they both refer to San Angelo as their home. They will be with our occupation forces in Vienna a couple of years.

Also in Vienna I met Lt. and Mrs. B. P. Seale. Lt. Seale calls Fort Worth his home and his wife is the former Harriet Soule of Knickerbocker.

In Oslo, I met Robert Candlin and his wife. Mr. Candlin was born in Kerrville, son of the late Henry Candlin, an early settler in Kerr County. Candlin is with the ECA in Norway.

Another Texan in Oslo is Major Walter Phelps, Special Assistant to the American Ambassador there. Major and Mrs. Phelps were at Camp Bowie for awhile during the

war and look forward to going back to Brownwood some day. In Brownwood they lived at 1101 Coggin Ave. They speak of Brownwood as the most hospitable place they have ever lived.

Pope Pius, whom we saw in Rome, has received several million visitors, either en masse or individually, this year. While seven of us were waiting to see him, he was having a private audience with Clare Boothe Luce, who is visiting in Italy during October.

"Courage and Confidence", he said, "are needed today more than ever to meet the stress of world conditions."

Of the American Ambassadors whom we have seen and talked with, Mr. Dunn in Italy, Mr. Bruce in France, and Mr. Douglas in London were, of course, the busiest.

Lewis Douglas will leave his post as Ambassador to the Court of St. James on November 15, having served four years in London. A native of Arizona, he still suffers from the eye injury to one of his eyes caused by a fish hook while fishing in England some months ago.

Douglas is a practical man and is just the opposite of the theorists and star gazers. He thinks we have made enough dollars available to England and that it is time to make some changes. Such action, he indicates, would be to the best interests of both the U. S. and Britain.

The Army's military attache in Stockholm is Col. Nelson Dingley. He came to Sweden from Warsaw, Poland, where he served for two years. He says conditions under the Communist regime there are indescribable. People are forced to work for slave labor wages and the government is corrupt to the core. Vicious newspaper attacks are made upon the United States, involving the most fantastic lies.

Col. Dingley told of the constant intimidation and compulsion practiced upon the Poles who, he says are 90% anti-communist but can't do anything about it. A Pole is afraid to be friendly with an American.

Not long ago the Colonel's house in Warsaw, was being taken over by the Russians contrary to the rental contract. He telephoned a Polish friend, a Mr. Kastov, in charge of the American affairs in the Polish State Department and asked his help. "You are the only friend I have in Warsaw", he told Kastov. The latter promptly disappeared and was never seen by Dingley again. Evidently the line was tapped.

Rufus Foster Test Plugged

The Carter-Gragg oil test on Rufus W. Foster's ranch was plugged and abandoned on Monday of this week.

112 VOTES CAST IN TUESDAY'S ELECTION

Sterling County turned out about a fourth or less of its registered voters Tuesday and all but three of them voted the Democratic ticket. The Republican group got 3 of the 112 votes cast. Two of them were at the courthouse box and one at the box at Roy Foster's, south of town, where Robert Foster presides as election judge.

A heavy vote was not expected, as the races are always decided at the Democratic primary elections in the summer. Nomination on the Democratic ticket is tantamount to election. Thus, very little interest is shown in a general election in an off-presidential year.

All the votes were counted and complete right after seven o'clock. The poll workers kept up with the counting easily.

STORES TO OBSERVE THE 11th—ARMISTICE DAY

The stores of the town are to close here Saturday, November 11th in observance of Armistice Day.

The stores, offices, bank, post office, etc, plan to take the double holiday. Grocery shoppers should remember this and buy for the two-day holiday Friday.

The stores are planning to close early today so that all who want to may go to the Rankin-Sterling football game there tonight.

It was announced this week by O. T. Jones, superintendent of the schools, that November 23 would be observed as the school Thanksgiving holiday this year. It is assumed that the businesses of the town will observe that day for the Thanksgiving holiday.

F. H. A. News

By Marian O'Dell

The F. H. A. girls went to a district meeting in Colorado City on November 4. The girls went in cars furnished by Sue Lowe and Charlene Drennan. They left at eight o'clock Saturday morning and all carried lunches.

Darlene McEntire was elected to act as representative from Sterling. At the meeting, she nominated Patsy Davis for president of the district. Patsy was elected. The district meetings are held in the home town of the president so the meeting for the year 1951-52 will be held in Sterling City. The meeting will be either in October or November of 1951.

The rest of the girls toured Colorado City and saw the sights while the meeting took place.

The girls who went to Colorado City were: Elizabeth Hildebrand, Mary Davis, Patsy Davis, Charlotte Berry, Sue Lowe, Darlene McEntire, Charlene Drennan and Bobbie McEntire. Miss Jorene Shinn, the F.H.A. sponsor, went along with the girls.

Birthday Party for Daughter

Mrs. Nan Davis entertained with a party Sunday afternoon, honoring her daughter, Edna Mae, on her sixth birthday. The party was held in the Community Center.

The center was decorated in pink and white. Balloons and blow toys were given as favors. Ice cream, cake and candy was served.

Guests present were Joe Jaros, Temple Ann Foster, Claudia Collins, Lois Ethel, Shirley, and Elaine Price, Lee Douthit, Richard Davis, Joanna Murrell, Rodney Batten, Charlotte Batten, LeRuth Reed, Freddie and Ronnie Allen, Betty Jo Barrett, Janie Copeland, Billy and Jimmy Bauer, Janet Westbrook, James Morgan, Joe Dick Tillerson, David and Bitsey Durham, Ollena and Edna Mae Davis. Grownups included Mrs. W. L. Emery, Mrs. R. H. Emery, Mrs. Foster S. Price, Mrs. Finis Westbrook, Mrs. Garlyn Hoffman, Mrs. John Copeland, Mrs. Roy Morgan, Mrs. Chappel Murrell, Dayton Barrett, and Mrs. Henry Bauer.

Mr. and Mrs. Lee Hunt spent last week-end in McCamey visiting the Homer Hagertys. They attended the McCamey-Crane football game there Friday night.

Mr. and Mrs. Trinton Revell and daughter, Trina Marie and Mrs. J. A. Revell, visited relatives in Seminole over the week-end.

Navy Skyshark Attack Bomber

A new addition to the air arm of the Navy is the turbo-prop driven XA2D Skyshark attack bomber built by the Douglas Aircraft Company, Inc., of Santa Monica, Calif. It is the first post war tactical airplane to use turbine driven propellers. Sides of the cockpit are glazed with Pittsburgh Flexseal. The forward area of the cockpit is glazed with PPG Multiplate, the bullet resistant laminated glass. It is said that the new plane combines the speed of modern jet propulsion with the payload and economy of conventionally powered aircraft. It can operate from carriers as well as from advanced military airstrips.

Shingle Shape Part Of House Design

A home-owner who is interested in achieving a distinctive appearance for his house can choose from several different shapes of roof shingles, each of which gives a different pattern when applied. Both individual and strip asphalt shingles are available with square butts or with tabs shaped to form a hexagonal pattern. All types of asphalt shingles are made in a full range of solid and blended colors.

Hammering English Into Students' Heads

Good construction is good construction whether it's in building or in grammar, says American Builder magazine. According to the publication, the Carnegie Institute of Technology, Pittsburgh, is going to emphasize the similarity in teaching English to architecture students.

WANDA FAY COOK MARRIES BUBBA HUGHES

Wanda Cook the daughter of Mr. and Mrs. Fay Cook, formerly of Sterling City, was married to Studley Emery (Bubba) Hughes on last Sunday afternoon in the First Methodist Church in San Angelo.

Following a wedding trip, the couple will be at home on one of the

Mrs. Marvin Churchill is visiting the Charles Churchills in Iraan this week.

Home for a 50-Foot Lot

A one-story dwelling that can be built on a 50-foot lot is the kind of house desired today by many potential home-owners, says American Builder magazine. This house, Plan No. 44, was selected to meet those specifications. The main part of the house is only 25 feet, 5 inches wide. At the rear, the width is 39 feet, 1 inch including the garage. Overall length is 54 feet, 7 inches. A feature of the interior is a

Are Our Texas Highways Being Destroyed by 1% of Highway Users?

This question is presented squarely for the first time by the Texas Tax Journal in its booklet, "The Case of the One Per Centers."

Every Texan who wants good highways, adequate for 99 of every 100 users, should write for a free copy of this revealing booklet.

Approximately 99% of all Texas motor vehicles are registered for a gross weight of 20,000 pounds or less.**

All Texas taxpayers, including your Texas Railroads, have reason to be concerned about the high cost of constructing and repairing our highways and the prospect of building more costly roads made necessary by the operation of highway "box cars."

No one has any desire to bar vehicles of reasonable size from our highways, so long

as each pays its fair share of construction and repair costs.

Other Texas taxpayers should not be required to shoulder the burden of a roadway system for highway "box cars", representing only 1% of highway users.

Every Texan interested in good highways without increasing the growing tax burden should fill out the coupon below and get a copy of this valuable booklet.

The 4-H Club will have its annual Achievement Banquet in the Community Center at 7:30 p.m. on November 14. The banquet is for the presentation of awards for demonstrations completed. There will be eighteen boys receiving awards and five boys will receive special awards. The special awards are: Leadership Achievement, Gold Star, Meat Animal and Sheep and Goat Raiser.

A barbecue plate will be served. Each 4H club member is encouraged to attend, and bring his mother and dad. A colored film will also be shown. *****

The Sonora Station Range Field Day was good. Leo Merrill really had something to show about range management. He had small ranges of 80 acres each stocked with cattle, sheep and goats ranging from 48 animals down to 16 animal units per section. The ranges stocked the lightest made the greatest improvement under the year long grazing. The lightly stocked ranges produced the most gain per animal, and did not have to be fed during the winter, while on the heavily stocked ranges the stock had to be fed and actually lost weight.

The system of deferred grazing was the most impressive. Four ranges were used having a stocking rate of 32 animal units per section. One range is rested for a four month period, say July, August, September and October. The other three are grazed for twelve months without rest. The ranges are never deferred the same period during the year. The summer-fall deferment appeared to be the most desirable time for grass growth and seed production.

A barbecue dinner was served by the Sutton County 4-H Club. *****

The freeze last Friday really caught everyone short. Everyone stated that it would not freeze but that was one time when the whole bunch was mistaken. It was coldest at my house, as the thermometer registered 12 degrees. Later I heard the temperature was about 22 degrees, which was just about right. *****

tomologist, states that there is likely to be a shortage of insecticides because of the limited storing space at the factories. Mr. Gunter does not believe that the price will drop as insecticides are used for the national defense. Both types—dust and spray—can be stored without any deterioration to the insecticide. The dust should be stored in a dry place and the spray in a place where it will not get broken. The spray will not freeze because of the emulsion they contain. Cotton farmers and ranchmen alike should be ready to begin early insect control.
