Second Spraberry Producer for Sterling County

Sterling County Monday gained its second Spraberry producer, west offset to Honolulu Oil Corp. No. 1-A A.A. Sugg, the first which was assigned to the Wedell Spraberry field 6 3/4 miles to the west. Location was staked for an Ellenburger wildcat in the northeastern corner of the county.

Honolulu No. 1 Herbert Cope and others in the southwest corner of the county, C SW NW 28-A-GC&SF, showed gas in 10 minutes, oil in 45 minutes and flowed 30 barrels of clean oil hourly for an unreported period. Production developed on a drillstem test from 5,070 to 5,100 feet in the top of the Spraberry. A core was being pulled from 5,100-07 feet.

Honolulu N. 1-A Sugg, 24 miles southwest of Sterling City, was completed December 21 for a natural flow of 122 barrels of 42 gravity, pipeline oil in 8 1/2 hours, a daily rate of 344 barrels.

Slick-Moorman Oil Co. staked location for a scheduled 8,000 Ellenburger wildcat in extreme northeastern Sterling County, 16 miles northeast of Sterling City. The test will be No. 1-B Jessie Ellwood Chappell and others, 660 feet from the north and east lines of the east half of section 68, block 18, Southern Pacific Ry. Co. survey, on a 334.95-acre lease.

The drillsite is five-eighths mile southwest of W. Hamm, Jr., No. 1 Chappell and others, a 7,599-foot dry hole, which, with elevation 2,075, topped the Ellenburger at 7,315 feet. Slick-Moorman's wildcat will be three-quarters of a mile east of the Coke County line and three miles south of the Mitchell County line. It will be 9 1/2 miles east and slightly south of Humble No. 1-B Ellwood, C NE NW 56-18-SPRR, lone producer in the Spade Ellenburger field. The Humble discovery, with elevation 2,356 feet, topped the Ellenburger at 7,970 feet, and drilled to 8,000 and was completed in May, 1948, for 112 barrels daily.

Union of California No. 3-B W.L. Foster, Jr., on the south side of the Parochial Bude (Queen san) field 10 miles west and slightly south of Sterling City, was drilling at 205 feet in line. It is 330 from the north, 2,310 feet from the east line of section 27-22-H&TC.

Dorothy Sue Lowe, freshman in S.M.U. and daughter of the Roland Lowes, spent this week home here in the between semester holidays.

Hector Long, son of the Cecil A. Longs, and student in Arlington State College, spent this week here with his parents.

Open House and Showing of 1952 Fords Friday and Saturday at Sterling Motor

The Sterling Motor Company, authorized Ford dealer here, will hold open house this Friday and Saturday, and show the new '52 model Fords at the same time. All are invited and urged to attend the affair.

There will be drawings for door prizes each day, said M. K. Smith, manager of the company. Other surprises are in store for the visitors, especially the completely new '52 Ford styles.

Lowe Hardware and Furniture Company Open House Saturday, Feb. 9

Roland Lowe announced this week that he was holding open house on Saturday, February 9, at the Lowe Hardware and Furniture and Funeral Chapel here. He has had the upstairs of the building remodelled and has a showing of all lines of new furniture there. The Lowe Funeral Chapel is also located upstairs.

Guests will be given a dime as they register, and then it is to be dropped into one of the little iron lungs as a donation to the Sterling March of Dimes drive.

Coffee and do-nuts will be served and souvenirs will be given to the people attending. Mr. Lowe and his entire staff hope for a good crowd and invitations are being mailed to each boxholder in the county. An ad in this issue is inviting all Sterling County to attend the open house, and showing of the new lines.

CHANGE IN DATE OF NEXT P.T.A. MEETING

The Sterling City P.T.A. will meet Wednesday, February 13, at 3:00 p.m. in the school auditorium, instead of the regular meeting day.

The 6th and 7th grades under the direction of Mrs. T. C. Davis and Mr. Harry Bradstreet will render the Founders' Day program.

District president, Mrs. Edwin Jackson of Eldorado, will speak to the association.

Following the meeting the home-making department will be hostess at the Founders' Day Tea.

Mexican to Big Spring Hospital

Secilio R. Contreras was taken to the Big Spring Mental Hospital Sunday by the local sheriff's department, following his being held in the jail here overnight. Contreras had been caught trying to get in cars and drive them off and he got some cigarettes out of a pickup at the stock show here Saturday morning.

Making the trip Sunday were W. O. Green, Bill Brooks, Jake Martin and Charlie Pate.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Wednesday of this week included Joe Emery, Frances Blanck and Mitzi Clark, little daughter of Mr. and Mrs. Buddy Clark.

Dismissals since last Wednesday include Mrs. L. R. Reed, David Reese, Pat Dearen, Mrs. Boots Franklin, and Mrs. Harold Emery and infant son, Terry Lynn.

Mrs. Valentine Melvin, who resigned as administrator of the hospital earlier this month, has gone to the hospital in Bertram, where she is to do laboratory technician work and X-rays. Mrs. Mildred Emery is acting administrator.

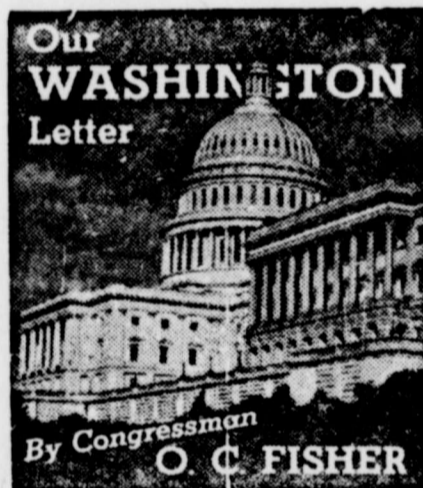

SAMSON AND DELILAH Top Ranking Film Here February 3, 4 and 5

On of the very top-most ranked films, *Samson and Delilah*, will be shown at the Palace Theater here next Sunday, Monday and Tuesday, announced Horace Donalson, last week. The film carries the highest possible rating by the film industry, that of 14 plus. The film is two hours and eight minutes in length, and Donalson plans to show it at the Sunday afternoon matinee, again at 8:15 Sunday night and on Monday and Tuesday nights at the regular time.

Starring Victor Mature, Hedy Lamarr and George Sanders, the film is a drama of the Bible story of Samson and Delilah. As tops in entertainment, Mr. Donalson urges all his patrons to make plans to see the film. He promises them a real value in the entertainment line.

New Parts Man

R. T. Powell is the new parts and service man at the Sterling Motor Company. Powell is from San Angelo and formerly worked for the Charles Motor Company.

Big news on Capitol Hill last week was the President's budget. In a nutshell, the budget request is for \$85.4 billion in the next fiscal year beginning next July—by far the greatest outlay of any year since the Second World War.

Over three-fourths of this amount—\$65.1 billion—has been earmarked for our armed forces, foreign economic and military aid, atomic energy and other items related to defense. The balance of \$20.3 billion has been set aside in the budget proposal for running the Government, paying interest on the public debt and carrying out normal projects not directly connected with preparedness. In the latter category the figure is \$1 billion below the amount being spent during this current year.

Of the amount proposed for the military, the Air Force will be provided with a 143-wing organization, but at a later date than General Vandenberg originally sought; The Army will be built up from 18 to 21 divisions; The Navy will get additional air power and perhaps more ships.

As against this proposed spending of \$85 billion there is an estimated income from taxes of \$71 billion—indicating a deficit of more than \$14 billion.

This is alarming. There will and should be some cuts made by Congress. Now—of all times—when the preparedness cost is becoming so burdensome, non-essential spending should be cut to the bone. At the same time the defense spending will be closely scrutinized with the view of trimming the waste and extravagance that keeps cropping up.

The big job at this session will be to use the pruning knife where it can be done without damage to our preparedness program. Many of us believe several billions can be cut by reducing personnel, duplications, waste and other non-essentials.

Annual Stock Show Held Last Saturday

The Annual Sterling County 4-H Boys Fat Stock Show was held here last Saturday with 33 boys showing a total number of 121 animals. The show was judged by Herman Carter of San Angelo, formerly of Sterling City.

Of the stock exhibited, nine head was hogs, two calves and the rest lambs.

Best all-around showing of the day was made by Clinton Hodges who exhibited his third consecutive finewool grand champion lamb, and the first place pen of three finewool lambs. He also placed within the top five out of six of the classes.

Running him a close second was Billy Blair who showed the grand champion crossbred lamb, the first place pen of three crossbred lambs and placed near the top in three of the classes.

In the fat hog judging W. F. Fincher showed the grand champion, a Duroc Jersey, and the number two hog. Billy Humble showed the grand champion fat calf that had only two entries. The only girl competitor of the day, Esther Bird, showed the reserve champion calf.

For his grand championship, Hodges got permanent possession of the J. T. Davis Award plaque, given annually by the local banker J. T. Davis for the grand champion finewool lamb.

Blair won the Nathan's Award, donated by Nathan's Jewelers, San Angelo. Holland's Jewelers, of San Angelo, presented production awards in the form of belt buckles to Eugene Gibson, hogs; Esther Bird, calves; and Billy Davis, sheep.

A spur clip showmanship award went to Lynn Glass, judged the best all-around showman of the day. The award is sponsored by the local post of the American Legion. Lynn Glass also won a Stetson hat for keeping the best record book on the raising of his sheep. Second and third medals were given to Larry Glass and Jodie Emery.

An auction of 10 sheep netted the boys 45c and 50c per pound. The buyers paid the boys that price for the lambs and when they were sold in the Angelo ring Monday, the receipts were given to the bidders.

A cake auction by members of the Noratadata Club netted \$130 for the March of Dimes. Seven cakes and a sack of cake (cattle) were auctioned off.

Ayers Feed Company of Slaton bought two lambs (Billy Humble and Clinton Hodges) and paid 50c per pound for them. Their representative told Campbell to keep the difference when the lambs were sold at the ring and put it into the 4-H treasury.

Collins and Drennan paid 45c a pound for one of Charlie Davis's lambs. Don Martin's lamb went to the West Teas Utilities Co. at 45c a pound. Roy Foster paid 45c for Bobby Dunn's lamb. Ross & Reynolds Foster paid 45c for one from Jim Davis, and Riley King paid 55c for Bill Davis's lamb. R. T. Caper-ton took Marshall Blair's for 45c, and Forrest Foster paid 45c for one from Gene Smith.

Rufus Foster paid \$30 for the sack of cake put up by the Noratadata Club for the March of Dimes Club.

Ewing McEntire was superintendent of the show, assisted by Ross Foster and Neal Reed. County Agent Fred Campbell was in charge of the exhibitors. Advisory committee of the show was composed of Clinton Hodges, Ralph Davis, Forrest Foster, Fred Hodges and McEntire.

Premium money was given to the first five places in the lam divisions and ribbons were given all through to the last placing in each class.

The placings were as follows by classes:

Light Weight Finewool Lambs

1. Jodie Emery
2. Bobby Dunn
3. Marshall Blair
4. Gene Smith
5. Bill Davis
6. Jodie Emery
7. Marvin Foster
8. Delmar Radde
9. Melvin Foster
10. Larry Glass

AND—Gene Smith, Don Martin, Alfred Chapple, Don Martin, Bill Davis, Clinton Hodges, Clinton

ditto, Drennan, L. Glass, G. Smith, Melvin Foster, Melvin Foster, Jim Davis (three in row), Drennan, C. Davis (three), Tony Allen (four), Wilbur Stone (two), L. Glass, Marvin Foster, and L. Glass.

Heavy Weight Finewool Lambs

1. Clinton Hodges
2. Larry Glass
3. Clinton Hodges
4. Gene Smith
5. Billy Blair
6. Bob Dunn
7. Bob Dunn
8. Bill Davis
9. Delmar Radde
10. Bill Humble

AND—Bill Humble, Lynn Glass, D. Radde, Bill Humble, D. Radde, L. Glass, Tony Allen, Marvin Foster, Marshall Blair, Bill Humble, Marshall Blair, Don Martin, Gene Smith, Clinton Hodges, Bob Dunn, D. Radde, David Boatwright, D. Radde, D. Boatwright, and Lynn Glass.

Pen of Three Finewool Lambs

1. Clinton Hodges

Champion and Reserve Champion Crossbred Lamb

Champion—Bill Blair

Reserve Champion—Larry Glass.

Pfc. J. D. Fowler Returns to Korea

Pfc. J. D. Fowler, son of Mr. and Mrs. J. H. Fowler, left here Monday night, following a sixty day emergency leave that enabled him to visit his sick mother here. J. D. had spent six months in the front lines in Korea before he got the leave and will have to spend three more at the front before he gets rotated homeward.

Pfc. Fowler is in the Field Artillery with the 17th Division. He estimates that he will have to stay in Korea or Japan six or seven more months, but only the three at the front.

Visiting the Henry Merrells last week-end were Mrs. Merrell's sister, Mrs. C.T. Roberts, Sr. of Woodsboro, and her son and family, Mr. and Mrs. Marvin Teague, also of Woodsboro.

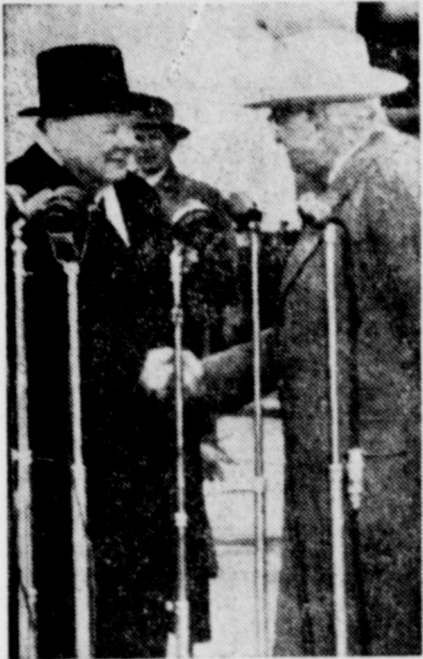

There were 430 poll taxes paid in Sterling County for this year. 59 exemptions were issued, said Bill Brooks, deputy in the tax-assessor's office.

THE GREATEST CAR EVER BUILT
IN THE LOW-PRICE FIELD

The big
1952 FORD

Out-performs them all!

Ford's completely new 101-h.p. high-compression, low-friction Six, with free-turning overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

Out-rides them all!

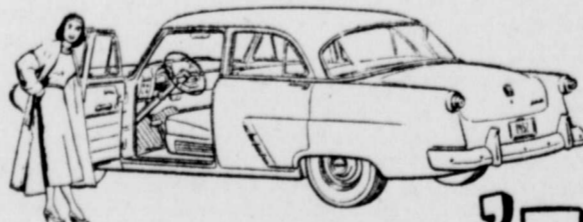

The '52 Ford gives you riding comfort such as you have never before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Ride Control gives you the smoothest, easiest ride of them all—a level ride on straightaways, an even keel on curves.

Out-sizes them all!

The '52 Ford has longer wheelbase, wider front tread and greater length. It's big outside and big inside, with spacious seating for six and the largest luggage locker of them all.

Full-Circle Visibility!

With narrower corner pillars, picture windows all around and a rear window that's 48% larger you have "all-direction" vision that adds to your enjoyment and your safety.

Exclusive Power Pilot Economy!

Both the new Ford Mileage Maker Six and the Strato-Star V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetion-ignition-combustion system gives you high-compression "go" on "regular" gas.

New Coachcraft Bodies!

Ford's new Coachcraft Bodies are longer, stronger . . . distinctive in their modern beauty. They offer new hull-tight construction which seals out dust, weather and noise. And Ford has more color and upholstery combinations than any other car in its field!

Out-values them all!

With such modern design and engineering features as new Flight-Style Control Panel, new Power-Pivot Clutch and Brake Pedals, new Center-Fill Fueling, and new counterbalanced hood and deck lid, Ford adds up to more dollars and cents value than any car in its price class!

Fordomatic Drive, Overdrive, whitewall tires (if available) and two-tone colors on Customline Sedan optional at extra cost. Equipment, accessories and trim subject to change without notice.

You can pay more but you can't buy newer or better!

SELF-EMPLOYED MUST PAY SOCIAL SECURITY TAXES WHEN PAYING INCOME TAXES

Many self-employed persons do not know that the 1950 Amendments to the Social Security Act extend coverage to them, according to George Clark, manager of the San Angelo Social Security office.

This change became effective on January 1, 1951. Self-employed persons now have the same rights to benefits on behalf of themselves and their families as employees.

Self-employment includes individual stores owners, partners, owners of shoe shine stands and numerous other business activities. There are 14 specific exceptions for professional people, among them doctors, lawyers, ministers and, of course, ranchers.

Self-employment coverage is not voluntary. The individual is either covered or not covered. The self-employed person's income is not reported until the end of the year and will be reported with his annual income tax return. The first report is due before March 15, 1952. The tax rate is 2 1/4% of the first \$3600 of net business profit.

Political Announcement Column

The following have authorized the News-Record to place their names as candidates for the offices shown, subject to the action of the Democratic Primaries in July and August:

FOR COUNTY TREASURER:
Mrs. Sallie Wallace (Reelection)

FOR SHERIFF, TAX ASSESSOR-COLLECTOR:
W.O. (Bill) GREEN (Reelection)

FOR COUNTY JUDGE:
G. C. MURRELL (Reelection)

WASHING and ironing done or housework of any kind.
Mrs. Lupe Rodriguez.

Mrs. Pete Easley, now of Port Arthur, is in the St. Mary's hospital there. She has been ill for the past several weeks, and entered the hospital last week-end for some tests. She has been pretty sick, it is reported.

NAME ADDRESS CITY STATE

TO LIONS CLUB

Former District Attorney Talks on Good Citizenship

Former district attorney and now a law partner of George T. Wilson's in San Angelo, Ralph Logan, made an address on good citizenship to the Lions Club members at the luncheon Wednesday. He went on to the school house afterwards for a talk that was sponsored by the Wimodauis Club here.

Mr. Logan, a lawyer-speaker of the state bar association corps of speakers for good citizenship month, talked at length on trends in our government. He forcefully pointed out that the trend was toward a centralized government, with the powers being slowly delegated to Washington. The executive branch of the federal government was overshadowing that of the legislative and judicial, and running rampant over the other two, which were set up as checks and balances by the Constitutional framers. Mr. Logan effectively told of the cause and now the effects. The cause was the average person's fault. We have let the situation develop, he pointed out. Now we have government by decree and bureaucracy. Our liberties suffer a little each time as the federal government gets the say-so.

As an organization, the state bar of Texas, along with the bar associations of other states, would like a return to a government by law instead of government by men. The bar members aren't sure of what to plead any more, since the laws are being interpreted differently all the time, in direct contradiction to the accepted interpretations.

Logan spoke of government being as good as the sum total of the people that constitute it, and as bad as the sum total of badness in the people. So, the stinks that have been emanating from Washington merely reflect the badness in the people as a whole. He pleaded or spoke for a return to the principles

of honesty, integrity, and no compromise with wrong, on the part of each any every citizen of the whole nation.

Although holding no brief for the scandals of mink coats, deep freezes, and income tax scandals, he nevertheless put the blame on each person as individuals and citizens. If the the sum total of the people is mostly goodness, honesty and thrift and virtue, it will be reflected in the government, he right-fully pleaded.

He deplored the horseplay of the president pretending to clean house by appointing Attorney General McGrath to do the housecleaning, when he (McGrath) is now being subjected to investigation by the Congress.

Logan did a masterful job of laying it on the line—and pointing out the way for a return to the good old American way of honesty, thrift, and self-reliance. He deplored the conditions that make for a centralized government.

Logan's talk was well-received by the Lions club, and vigorous applause was given him at the conclusion. The members as a whole were completely in accord with the danger which confronts the nation unless the trend is halted.

"DON'T TAKE FREEDOM FOR GRANTED" * * * * A Russian Air Force officer who fled from the Iron Curtain to freedom issues a somber warning to all Americans. Through his eyes you'll learn what life is really like in Russia and what could happen here if we shirk our duty as citizens. Read this dramatic article, in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

\$150 was raised in the Mother's March of the polio drive here on Thursday night, said Mrs. Sterling Foster, County chairman. About \$500 had been raised so far in the drive, she said.

Cherry Charmer PIE OF THE MONTH

Here's a Cherry Pie
—for the apple of your eye—

and 'twill brighten any dreary winter day. Creamy smooth vanilla filling topped with a cherry glaze makes an interesting color and flavor combination. Packaged pudding and fruit-flavored gelatin are the secrets that make it a pleasure to produce this "Cherry Charmer."

- Cherry Cream Pie Glacé**
- 1 package prepared vanilla pudding and pie filling mix
 - 2 cups milk
 - 1 baked 8-inch pie shell
 - 1/2 package (3 1/2 tablespoons) cherry-flavored gelatin
 - 1/2 cup hot water
 - 1/2 cup cherry juice
 - 1 teaspoon lemon juice
 - 1 1/4 cups drained canned pitted red sour cherries, syrup-packed
- Place pie filling mix in saucepan. Add milk gradually, blending well.

Cook and stir over medium heat until mixture comes to a full boil. Cool about 5 minutes, stirring once or twice. Pour into baked pie shell. Place waxed paper directly on surface of filling. Chill thoroughly.

Meanwhile, dissolve gelatin in hot water. Add cherry juice, lemon juice, and cherries. Chill until slightly thickened.

Remove waxed paper from top of chilled pie. Spread gelatin mixture over filling. Chill until firm. Serve with sweetened whipped cream, if desired.

He will become familiar with the latest service procedure and operation of new model parts and assemblies. The class will be conducted by a specially-trained service instructor of the Pontiac Motor Division, working out of the

Dallas Zone office. All told, Pontiac employs 33 full time instructors who, in the next few weeks, will cover 1952 new models in nearly 800 separate schools.

Henton Emery, now secretary of the San Angelo Farm Loan Association, gave us a rain gauge last Saturday. We put the thing up but all the rain we could muster was almost a tenth that night (or early Sunday morning).

From where I sit... by Joe Marsh

Ed Got Red In His Own "Hot Water"

Big Ed started a "Pay-Your-Bill" campaign last week and ended up with a slightly red face. Ed's been our Water Commissioner for ten years, and for ten years now he's been getting riled up over slow payments of bills.

So, he finally decided to do something drastic about it. Last week he sent notices that if the slackers didn't pay up by Friday, he'd shut off their water.

Naturally, some still didn't square accounts. Ed ordered their water turned off, and 14 homes

went without all week end—the Commissioner's among them. Seems Ed forgot to pay his bill.

From where I sit, Ed's mistake is one we all make at times. We are too quick to accuse others while forgetting our own faults. Lots of us do it, for instance, over a difference in taste for a soft drink or a friendly glass of beer. Let's respect each other's preferences and we'll all stay out of "hot water."

Joe Marsh

Our Relations Are Fine

Friendly relations certainly go a long way toward making this a happier world. We feel particularly fortunate in having such friendly relations—with you!

When service is good, you are quick to tell us. When occasionally you do have trouble with service, you report it in a friendly, reasonable manner. Your understanding of our problems is much appreciated too. With such friendly relations, is it any wonder we're doing everything possible to give you the best service money can buy.

Another Valentine Day

By BETTY BARCLAY

Here are a few tested recipes that will fit into your culinary plans for the holiday—or later. Try one, and I'll wager you'll place them all in your permanent recipe file:

Valentine Milk Drink
 1½ cups milk (not canned)
 1 package raspberry rennet powder
 1½ cups cold milk

Warm 1½ cups milk slowly until lukewarm, stirring constantly. Test a drop on the inside of your wrist frequently. When it feels comfortably warm (110° F.) not hot, remove at once from heat. Stir in entire contents of package at one time. Mix until powder is dissolved—not over one minute. Let stand undisturbed in saucepan for about 10 minutes, while milk sets. Then chill in refrigerator. Just before serving add remaining cold milk and beat with rotary beater until smooth.

Sunny Cherry Tarts
 1 package fruit-flavored gelatin (any red flavor)
 1 cup hot water
 ½ cup canned cherry juice
 ¼ teaspoon cinnamon, if desired
 ½ cup light cream
 10 baked 3¼-inch tart shells
 1 cup drained canned red cherries

Dissolve gelatin in hot water; add cherry juice and cinnamon. Measure ½ cup and chill until slightly thickened. Place in bowl of ice and water and whip with rotary egg beater until

fluffy and thick like whipped cream. Fold in cream. Pile lightly into baked tart shells.

Chill remaining gelatin until slightly thickened; fold in cherries. Spoon over whipped gelatin in tart shells. Chill until firm. Makes 10 cherry tarts.

Coconut Puffs
 1 cup shredded coconut, plain or toasted
 ½ pound marshmallows
 30 (¼ cup) salted almonds

Chop coconut very fine. Melt marshmallows over boiling water, stirring frequently. Dip each almond in melted marshmallow, using 2 forks, roll in coconut, and place on waxed paper. Cool. This candy is best eaten the day it is made. Makes about 30 small puffs.

Peanut Crunch Candy
 ½ cup light corn syrup
 ¼ cup molasses
 ¼ cup sugar
 2 tablespoons butter or margarine
 2½ cups salted peanuts
 ½ teaspoon baking soda

Combine first four ingredients in saucepan; add peanuts. Cook over medium heat, stirring almost constantly to soft crack stage (280° F.) or until a small amount of mixture separates into threads which are hard but not brittle when tested in very cold water. Stir in baking soda. Pile on buttered dish; cool. Remove candy from dish; break into irregular-shaped pieces. Makes about 1½ pounds.

Wimodausis Club Is Sponsoring Library Now

The Wimodausis Club is sponsoring the reopening of the County Library. Mrs. Leon Wallace will keep it open from 3 to 5 each Thursday afternoon, beginning February 7th.

A membership fee of \$1 will be charged or 10c for each book drawn out.

A number of new books have been placed in the library as memorials the past few years.

If you have a library book, please turn it in.

Mrs. Agnes Cole's two grandchildren, Russell and Stevie Vinson, are here at the Cole's. Their mother, Mrs. Raymond Vinson is in a Waco hospital where she underwent an operation Tuesday morning.

METHODIST CHURCH

We will observe the Lord's Supper at the Methodist Church Sunday morning from 9:55 to 10:30 o'clock.

There will be evening church at 7:00 o'clock. The sermon subject will be "The Sadness of Sin in the Life of Man." This sermon should be heard as a prelude of the Bible story at the theater, "Samson and Delilah." Our service will be over in plenty of time for those who wish to see this story.

W. J. Weimer

PUBLIC NOTICE

Closing of San Angelo Dam and Flooding of Reservoir

On or about 1 February 1952, the Fort Worth District, Corps of Engineers, Fort Worth, Texas, will close the conduit gates and initiate impoundment of water in San Angelo Reservoir on the North Concho

River in Tom Green County.

The area expected to be flooded consists of Government-owned or Government-controlled land along the North Concho River extending from San Angelo Dam upstream to a point approximately 5 miles above the outlet works of the dam. Initial impoundment will be limited to elevation 1900, which will be approximately up to the mouth of Dry Creek. The Reservoir will be permitted to rise to normal pool level of 1908 on or about 1 April 1952, or as soon thereafter as real estate acquisition permits.

Notice is hereby issued to the public to vacate this area to be flooded and to remove all livestock and other private property.

(Signed) DELBERT B. FREEMAN
 Colonel, CE, District Engineer.

J. T. Davis has been attending the Fort Worth Fat Stock Show over the week-end.
