## State Water Trust Fund Amendment Fails

### Around Muleshoe

There will be skating Saturday, Nov. 7 from 7 to 10 p.m. at the Civic Center. Admission is \$1.00. It is sponsored by the Richland Hills Baptist Youth.

The West Camp Community Night will be held Saturday, Nov. 7 at 7:30 p.m. at the West Camp Community building. Host couples are Mr. and Mrs. Joe Rhodes and Mr. and Mrs. C.E. Grant. Those coming are asked to bring a casserole dish and a salad or dessert.

School tour...Harold Horne, Superintendent of Muleshoe schools conducted a tour of the High school for the Muleshoe Rotary Club Tuesday. Horne explained many of the proposed renovations as well as showing the group some of the classrooms most in need of repair.

The Jennyslippers will meet Monday, November 9 from 12 noon to 1 p.m. at the Civic Center. A salad luncheon will be available at the price of \$2.00. All ladies are urged to attend.

### District 2-3a Picks Up Two Schools

Harold Horne, Muleshoe Schools Superintendent has announced the change of districts for schools for the 1982 scholastic year.

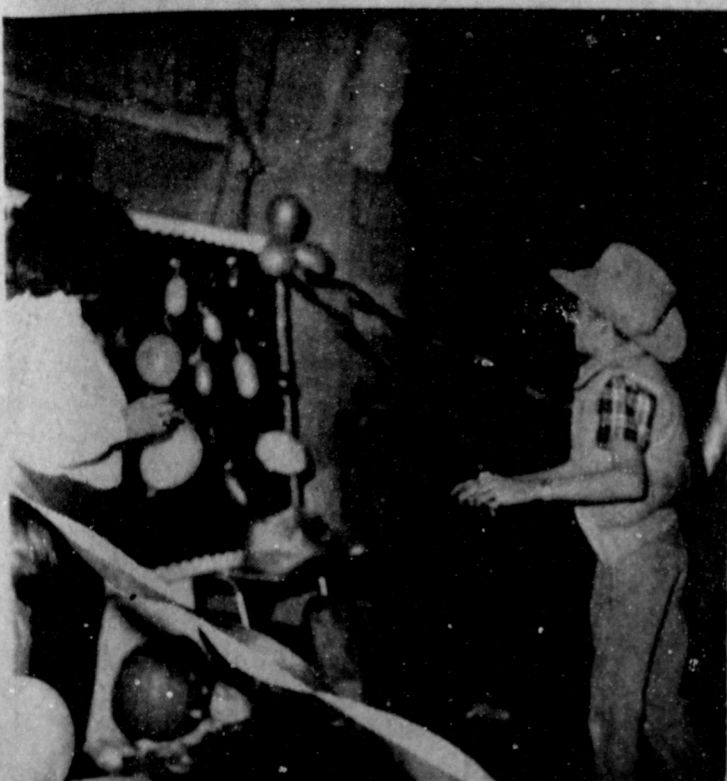

Muleshoe Schools will be affected by this change in all sports and literary events. Instead of a four school district, Muleshoe will be in a six school district.

Those schools named to District 2, 3A will be Abernathy, Dimmitt, Friona, Littlefield, Muleshoe, and Tulia.

Olton has been moved to another district, while District 2, 3A has picked up Abernathy and Tulia.

In District 3-2A, Bovina, Springlake-Earth, Farwell, Hart, Kress, and Olton will compete. Olton was formerly in District 2-3A.

A completed schedule of schools will be made available in the near future.

PTA HALLOWEEN CARNIVAL...Youngsters flocked to the annual PTA carnival held in the Civic Center Saturday night. Pictured here are those enjoying the dart throw.

### Chamber Schedules Breakfast Meeting

There will be a General Membership Meeting of the Muleshoe Chamber of Commerce and Agriculture on Thursday, November 12, 1981, at 5:30 a.m. at the Corral Restaurant. Breakfast will be served at the meeting. The meal is being provided through the courtesy of the Muleshoe State Bank. Several items of business will be included on the agenda.

### Tie Breakers Decide Contest Winner

Add another name to the list of winners. This week the football contest first place winner was James Hanson. He missed the tiebreaker games by 24 points, and only missed one game overall.

This week, all three winners only missed one game each, but were separated by the tiebreaker scores. Second place winner was Barbara McCamish. She missed the tiebreakers by 26 points.

Richard Engelking missed the tiebreakers by 33 points, giving him third place win this time.

Fans are reminded that the games are to be entered by individuals only. We received one entry this week that was ineligible due to having a company name rather than an individual.

After totals were made, we find that David McVicker is still maintaining his lead with 16 points. Those having ten points are: Margrethe Taylor, Marilyn Engelking, Raymond Villalobos, Joe Ellis, Dewayne Dale, Earl Richards, James Hanson and Weldon Dennis. Barbara McCamish has 8 points. There are several with six points each that could come from behind with a win. They are Todd Allison, Jerry Roddam, Mrs. John Hayes, Mrs. J.K. Adams, Ina Dennis, Judy Brockman, and Hazel Gilbreath.

We are getting down to the nitty gritty now, fans, so be extra sharp and get those entries in and try for a big win next week.

The membership will vote on a proposed amendment to the Chamber's constitution which would make the President of the Women's Division of the Chamber the fourteenth member of the Board of Directors. While other directors are elected to three year, overlapping terms of office, this special slot on the Board will be filled by whoever is President of the Women's Division, with all the rights and responsibilities of any other member of the Board.

Also scheduled for the breakfast meeting will be a presentation by Harold Horne, Superintendent of the Muleshoe Independent School District, concerning the proposed improvement program for the school system. There will also be door prizes given away. If you are planning on attending the breakfast, you are encouraged to phone the Chamber office at 272-4248 no later than Wednesday, November 11, so that they might have an idea of how many people to expect.

### Mules Play Chiefs In Friona Friday

Suffering defeat at the hands of the Dimmitt Bobcats last Friday night was a tough thing to take for the Muleshoe Mules and coaching staff. According to Windy Williams, Head Coach, the Mules "played poorly, they did not get prepared mentally for this game. We made some tremendous and costly mistakes." Williams added, "We still are the best; we were not the best Friday night, but we didn't play football like we should have or could have. Dimmitt came to the game, fired up and mentally and physically ready to play." Penalties were severe and many for the Mules last Friday.

Not one to cry over spilt milk, Williams is working his angry Black this week to prepare for the Friday night scuffle with the Friona Chieftans. "I think we will be prepared for Friona and I want everyone, fans and all to know that the Muleshoe Mules are for

### Bingo Act Clarified

A new state law concerning the operation of bingo game programs will take effect this coming November 10th. The law restricts organizations who sponsor such games and requires that local governments at their discretion conduct elections to determine if bingo games will be permitted or not.

If the local citizens approve bingo games then the sponsor of the games must secure a license from the State Comptroller's

COUNTY TURNOUT LOW...While several hundred citizens of Bailey County cast their votes Tuesday, only 676 out of 3,517 registered voters made their way to the polling places to vote on the seven proposed constitutional amendments.

### Soil Moisture Monitoring Study Underway Here

The best source of information about next spring's pre-plant soil moisture conditions may be obtained from a cooperative soil moisture monitoring study already in progress

on the High Plains. Soil Conservation Service and High Plains Water District staff are now preparing over 140 soil moisture sampling sites for the 1981-82 monitoring program. They hope the study will provide data for accurate pre-plant soil moisture maps on the High Plains.

The SCS has used a statistically sound random sample developed by Dr. Bob Davis, with the Agricultural Economics Department at Texas Tech University, to locate sites for up to 300 neutron probe

access tubes on farms over the 15 county area. Site selection is based on the complexity of local soils and variations in saturated thickness of the Ogallala Formation.

Jim Lutz, District Conservationist for Bailey County, is currently contracting landowners and operators asking for their cooperation and permission to drill the probe holes and place the tubes. A minimum of disturbance to cropland is necessary to install these two-inch diameter tubes.

### Area Resident Named To Association Research

The Board of Directors of the American Biographical Institute Research Association takes great pleasure in announcing the selection of Donald J. Cox of Enochs, Texas to Annual Associate Membership in the Association.

The American Biographical Association is opened only to long-standing and exceptional associates of the Institute. Members of the Association have ap-

peared in one of more of the Institute's biographical reference publications, which include COMMUNITY LEADERS AND NOTEWORTHY AMERICANS, PERSONALITIES OF THE SOUTH, PERSONALITIES OF THE WEST AND MIDWEST, NOTABLE AMERICANS, PERSONALITIES OF AMERICA, and BOOK OF HONOR. Some of the aforementioned titles date back over a decade and contain biographies of thousands of outstanding individuals who have made considerable contributions in various fields of endeavor-the arts, science, education, religion, industry, government, promotion, publishing, writing, sports, and many others.

### Play Features Muleshoe Natives

Tickets for the musical-comedy, "Fiddler on the Roof" are slated to go on sale Thursday, November 5. The production will be performed at the Muleshoe High School Auditorium at 8:00 p.m. on Saturday, November 21, as a pre-Thanksgiving treat for the entire community. The play will be performed by a cast and orchestra from the Department of Speech and

### Texas Hopes Go Down The Drain

Texas' hopes for a Water Trust Fund, went down the drain in Tuesday's balloting. State results, with 233 off 254 counties reporting, showed 234, 946 for; 316,279 against late Tuesday night, according to reports available at press time. Only two counties in the area went against number 4. Most counties reported 85 to 90% and higher vote for number 4.

In local balloting, Amendment #4, the Water Trust Amendment drew 609 votes for and 66 votes against. This was the story in most West Texas Counties, with the water amendment carrying a heavy positive vote; however, Houston voted heavily against the #4 amendment thus, knocking out most of the West Texas votes.

In other local balloting, Amendment #1 lost by 3 votes, showing 312 for; 315 against. Amendment #2, the constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith, passed with an easy margin of 503 votes to 135 countywide.

This amendment carried state wide with a 78% margin.

Proposition 3, which would have given the legislature the power to grant to a state finance committee the power to manage the expenditure of certain appropriated funds, failed county wide by a vote of 240 for and 368 against. This amendment also failed statewide with a 63% margin voting against.

Proposition 5, providing the inclusion of livestock and poultry with farm products as exempt from tax-

Cont. Page 6, Col. 3

### Baptist To Hold Special Services

Elder Sonny Pyles of Graham, Texas will be guest speaker at the Muleshoe Primitive Baptist Church beginning Monday, November 9 thru Friday, November 13 at 7:30 p.m. each night.

Pyle is noted as one of the most traveled ministers in the United States.

All citizens are urged to attend these special services and hear Pyles speak.

### Workshop, Contest Held November 14

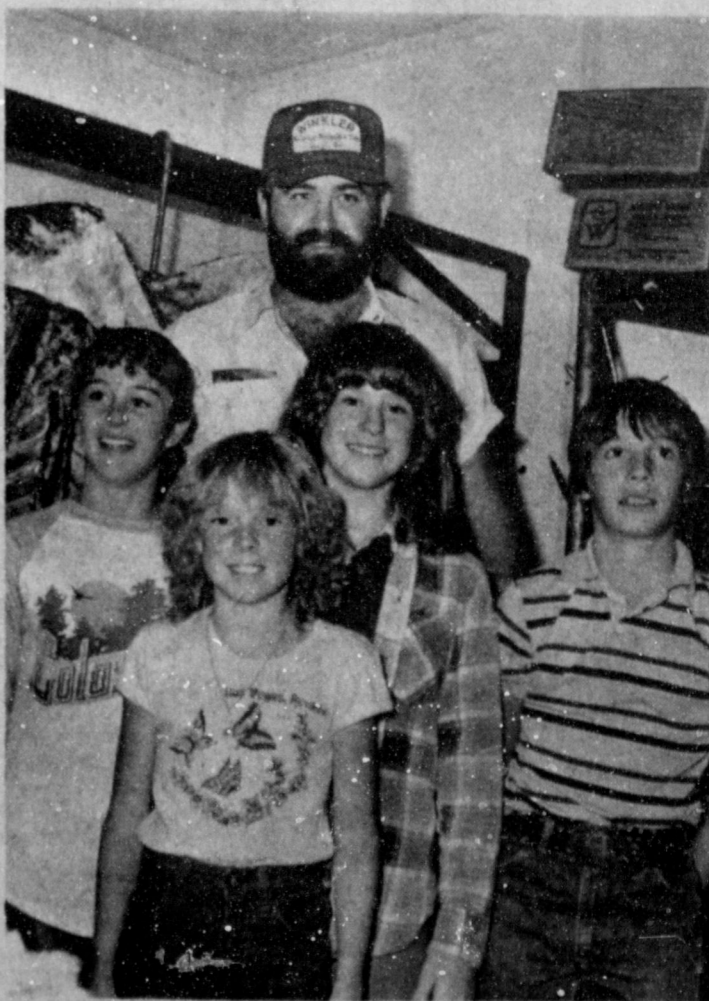

The Texas Press Women District 15 will sponsor a writing workshop and contest on Saturday, November 15 from 8 a.m. till 12 noon in the Ordway Auditorium of Amarillo College. The contest and workshop is open to junior high and high school students in the Muleshoe area.

Registration will begin at 8 a.m. till 8:30 a.m. followed by the welcome and opening session till 9:15 p.m. At 9:15 till 10:15 individual sessions will be held on photography, feature writing, page make-up

and journalism careers. Some exceptionally brilliant people in these fields will be available for instruction.

At 10:15 the contests will begin in newswriting, headline writing, and feature writing, to be followed by advertising and presentation of awards at 11:45 a.m.

Certificates will be awarded for first and second place in each event. Students may enter one contest each. Registration fee is \$3.00 per participant, Cont. Page 6, Col. 1

BEEF GIVE AWAY...The Muleshoe Twister Booster Club is giving away a half a beef on KMUL Coffee Time Wednesday, Nov. 22. For each \$2 donation to the Twisters you will be given a ticket for the drawing. Donations will be used for traveling expenses. You may make your donations to any team member. Pictured with Larry Winkler who will provide the beef are L to R Lisa Black, Cynthia Lane, Casey King, and Michael Angely.

# Big Spotlight Focused On Clemson, North Carolina

Ok, Atlantic Coast Conference, one of the big spotlights is focused on you...well, at least on Clemson and North Carolina. The two powers, unless either or both stumbled on Maryland or Wake Forest last Saturday, could be meeting for all the marbles. Last year, North Carolina was the winner 24-19, propelling the Tar Heels into the Bluebonnet Bowl versus Texas. The Tigers, on the road, will be ready

to return the favor of losing last year..Clemson by just three points. Another of those big lights shines on the Southeast Conference where the Georgia-Florida game in Jacksonville is one of the top attractions of the day. The Gators were beaten in September by Mississippi State. The Bulldogs are undefeated in the conference. Last year's 26-21 win by Georgia is a good indication of what this game

promises for exciting offensive football. The Bulldogs should pull it out by four points.

Just a quick note about a neighborhood squabble that will really divide foot-

## Veterans Q & A

Q-- What is the current interest rate on a Veterans Administration guaranteed home loan?

A-- Effective Sept. 14, 1981, the interest rate was increased to 17 1/2 percent for home loans.

Q-- My father is a World War I veteran and he recently had a stroke that left him totally helpless and unable to care for himself. Will the Veterans Administration place him in a nursing home and pay for it?

A-- The VA cannot bear the expense of private nursing home care for veterans with non-service connected disabilities unless the veteran is transferred directly from a VA hospital to the nursing home. When such a transfer is made, the VA authorized care normally may not exceed six months.

Q-- How does a veteran initiate a claim for Veterans Administration compensation and/or pension?

A-- A veteran may contact any accredited service organization to initiate a claim for compensation and/or pension, or contact the nearest VA regional office and request the necessary VA form to initiate a claim.

**BEST DRESSED.....** Willie Mae Walker was selected as the "Best Dressed Employee" of the Muleshoe Nursing Home Halloween party recently. The party was hosted by the ladies of the Muleshoe Nursing Home.

# Muleshoe Co-op Gins

ball fans in the state of Mississippi. Two national powers, Mississippi State and Southern Mississippi (they tied Alabama a month ago) go at it in Jackson. The Golden Eagles of Southern Mississippi are in the favorites' role, but only by a single point.

Iowa and Purdue will provide part of the fireworks in the Midwest as the Big Ten Title continues to be up for grabs. The Hawkeyes have two big advantages going into this all-important contest. They're playing at home, and the Boilermakers had a clutch game with Ohio State last week. So-everything considered, we expect Iowa to slip by Purdue by four points.

Finally, this could be called elimination day in the Pac-10 Conference with only two weeks left after Saturday, Washington State will beat Oregon by thirteen. Southern Cal should whip the California Bears by 21..and U.C.L.A. is favored to nip Washington by three points.

## NOTES-- --COMMENTS

No product is a success until it is sold.

A new idea is the poison to some minds that refuse to be educated.

Definition: Self-control --something we tell our children they should have.

During a lifetime, the average human heart beats two and a half billion times.

# Miss Harper, Mills United In Candlelight Ceremony

Lisa Harper became the bride of Thomas Matthew Mills Saturday evening, October 24 in the First Baptist Church of Sudan. Rev. Truman Johnson officiated at the double ring candlelight ceremony.

The bride is the daughter of Mr. and Mrs. Raymond Harper of Sudan. Parents of the groom are Mr. and Mrs. Terry Mills of San Antonio.

Grandparents are Mr. and Mrs. L.A. Harper of Sudan, Lee Holtkamp of Littlefield, Mrs. E.N. Schaefer of San Antonio and Mrs. Mary Mills of San Antonio.

Vows were exchanged before an embankment of spiraling candelabras, a brass candle tree, decorated with emerald and gold gladiolas, fall colored chrysanthemums, laced with baby's breath and flanked by urns of fall colored gladiolas and chrysanthemums. Gold, rust, brown and apricot flowers and ribbons marked the pews.

Nuptial music was presented by organist, Mrs. Elroy Rasco, Mrs. Floyd Felder of Amarillo and Kevin Sinclair of Perryton, cousins of the bride, sang, "The Wedding Song", "The Twelfth of Never" and "The Wedding Prayer".

Given in marriage by her father, the bride wore a formal length gown of white organza and Chantilly lace designed with an empire waistline. The queen Ann neckline featured a row of ruffled lace and a stand up collar, embossed with seed pearls, extending from the sides of the neck.

The bodice of the dress was designed with a low circle effect, featuring a row of lace appliques enhanced with seed pearls. The fitted sleeves were of organza and featured rows

of Chantilly lace running the entire length of the sleeves, ending in ruffled organza cuffs.

The full skirt featured two rows of lace and three rows of organza ruffles. Lace and ruffles swept up the sides and ended at the waistline, forming a bustle effect.

The skirt swept into a full chapel train. She also wore a small brim Chantilly lace covered hat turned up on the left side with white silk stephanotis and overlaid with silk illusion trimmed in lace.

The bride carried an orchid bouquet of gold daisies, fall chrysanthemums and baby's fern.

In keeping with tradition the bride wore a ring from her paternal grandmother as something old; a gold chain bracelet borrowed from her sister; her dress was something new; a blue garter; and pennies in her shoes, minted in the year of their birth.

Serving as maid of honor was the bride's sister, Lori Harper, of Lubbock. Bridesmaids were Mrs. Steve Neal of Amherst and Sharalyn Patterson of Midland.

The attendants wore formal gowns of maize pongee, that featured mandarin collars, cap sleeves, tucked bodice accented with gold belts. They carried cascades of daisies, baby's breath and plomosa fern and wore headpieces of silk flowers and baby's breath.

Tom Suhler of Austin served as best man. Groomsman were Tim and Mark Mills, brothers of the groom, of San Antonio. The groom wore a brown Barclay tuxedo and his attendants wore tuxedos of tan.

Ushers and candlelighters for the ceremony were Dale Harper, brother of the bride, of Sudan and Dan

Roberts of San Antonio.

Guest were registered by Gloria Amador of Austin.

The bride's mother chose a formal gown of rust organza and antique satin accented with a bronze belt. She wore a corsage of apricot silk lilies. The mother of the groom wore a brocade teal blue long sleeved gown accented with

a silver belt. Her corsage was gold silk lilies.

Following the ceremony a reception was held in the fellowship hall of the church. The bride's table was covered with a white lace cloth. A five branch silver candelabra holding fall flowers sat amidst the three tiered wedding cake with fall daisies, chrysan-

themums and baby's breath. Silver appointments were used.

Presiding at the table were Kala Sinclair of Amarillo, Mrs. Tim Nix of Sudan and Mrs. Nathan Ray of Lubbock, all cousins of the bride.

Gold appointments were used at the groom's table. His cake was chocolate

decorated with chocolate grapes and gold doves. Coffee was served from a copper samovar by Nancy Dunahoo and Melissa Mahs of San Antonio.

Members of the house-party included Mrs. Waymon Bellar, Sara Woods, Billy Chester, Bob Markham, Glen Cardwell, Wayne Doty and George Ritchie.

For a wedding trip to Puidoso the bride selected a grey fitted jacket and

navy plaid flared skirt with navy blue accessories.

The couple will make their home in Lubbock, where the groom attends Texas Tech University and the bride is a teacher with the Lubbock Independent School District.

**CAN YOU IDENTIFY....** Third, fourth and fifth grade teachers at Mary DeShazo Elementary School arrived at school Friday morning dressed in Halloween costumes. Can you identify these teachers? Toni Eagle, Julie Boyles, Tawya Stewart, Cynthia Noble, Betty Chamberlin, and Josephine Mitchell.

**TEACHERS IN COSTUME....** Some of the teachers at Mary De Shazo Elementary School went to school all decked out in Halloween costumes. Teachers pictured are Mrs. Martha Stroud, Mrs. Ethel Allison, Mrs. Jane Foster, Charles Brewer, Mrs. Wilma Smith, and Mrs. Barbara Neal.

### Mules...

Cont. From Page 1  
not they would be able to start Friday. Also, Elroy Cabellaro and Tony Lafuente were injured in an auto accident on Saturday night and are in serious condition at this time.

Even with these losses, Moss still has a pretty apt team with some good athletes to fill these positions. Now to be discounted is the fact that sometimes these kinds of hardships

### Press...

Cont. From Page 1  
which will be added to the Texas Press Women Scholarship Fund which is awarded in the spring. Scholarship applications will be available. High school and junior high school students from forty parochial schools are expected to attend.

### Bingo...

Cont. From Page 1  
Office and a Bond. Local governments can also establish a 2% tax on the games.

Who may conduct games under the new? Churches: Only those that have been in existence for at least ten years. Civic Clubs: Only those that have been in existence for at least three years. Veteran's: No restriction. Volunteer Fire Department: No restrictions.

Other provisions are: Prizes cannot amount to over \$500 in any single game, and games cannot be conducted more than three times a week. The net proceeds must be exclusively devoted to charitable purposes, no administration fee may be charged for the operator's services, and a monthly report must be submitted to the Comptroller's office. If you have any questions concerning the law please call your Comptroller's Office or the Better Business Bureau.

have a way of unifying a team. According to Moss, his biggest problem in the upcoming Friday clash is "beating the Mules."

However disarming that may sound, Moss and his Chiefs are most certainly a force to be reckoned with and will come on strong despite the injuries.

Moss gave a possible offensive lineup for the Chiefs. Starting at center, Roddy Berend, strong guard, Dwayne Cole, strong tackle, Mark Osborn, tight end, Rocky Nichols, Weak guard, Martin Lopez, weak tackle, Mark Chaney, split end, Anthony Brady, quarterback, Bruce Patterson, wing back, Ritch Malouf, fullback, Robert Osborn and tailback Nelson Jackson.

Jackson ranks fifth in the area in yards gained rushing and is the Chiefs leading scorer, which ranks him in fourth place among class AAA players in the region. His ankle injury may be well enough for him to play Friday night. The Chiefs run about the same offense as the Mules and playing them will be a little like looking in a mirror for the Mules.

Moss describes his team as having "good workouts and a good attitude", and, the Mules can count on them being there to play ball, since a win could put them up in second place and squeeze out the Mules. At present, their record stands 1-1 in district play, as does the Muleshoe Mules.

So, fans, get out and support your hometown team and stay behind them as they travel to Friona this Friday night. Game time is 7:30 p.m. Wear your black and white.

\*\*\*\*  
You can go a long way if you are interested in other human beings.

\*\*\*\*  
If you think well of those who think well of you, the score is even.

### Voters...

Cont. From Page 1  
tion, passed in Bailey County with 445 for and 206 against. The farm product tax exemption passed statewide with a 68% show for and 32% against.

Amendment #6, which concerned the homeowners tax exemption, passed with 70% statewide voting for and 30% against. In Bailey County, amendment #6 passed with 456 for and 182 against.

### Moisture...

Cont. From Page 1  
meter, thin wall aluminum tubes which will be set to a depth of seven feet below the land surface. Crews will use a soil auger mounted on a small two-wheel trailer to prepare the sites. Readings of the soil moisture profiles will be taken with a hand carried instrument in late January and early February. There will be 9 soil testing sites in Bailey County.

Lutz says, "this study will give us an accurate picture of our soil moisture reserves over the entire area. This information will help farmers make more accurate pre-plant irrigation decisions to avoid both over and under irrigation this spring, and give an indication of potential dryland production."

Overapplications of water above that needed to fill the soil to field capacity costs the irrigator about \$2.00 per acre inch, in fuel cost alone. Each "extra" inch can cost a farmer over \$320 on a 160 acre field. Under-irrigating, on the other hand, can cost producers millions of dollars in reduced yields.

For the dryland producer the soil moisture monitoring program can provide data to help him select crop varieties most suitable for his existing soil moisture conditions.

The survey will also have a tremendous irrigation water saving potential, especially in years when the soil moisture deficit is small, such as is expected for this season if current weather patterns continue.

The High Plain's first soil moisture monitoring program was developed and maintained for many years under the guidance of Oliver Newton, who worked for the National Weather Service at Lubbock. Technical guidance was provided by Texas Agricultural Experiment Station at Lubbock with funding support from the Plains Cotton Growers Association.

With Oliver Newton's recent retirement and the closing of the local Weather Service offices, a new sponsor was needed to continue to program. The High Plains Water District accepted prime responsibility for the program, and developed a cooperative agreement with the SCS to expand the program. The Texas Agricultural Experiment Station will continue to provide technical assistance as needed.

The Veteran Land Program, Amendment #7, showed statewide, 64% for; 36 percent against. In Bailey County voters cast 398 ballots for and 230 against.

Out of 3517 registered voters in Bailey County as of October 1, 1981, only 676 turned out to vote on the proposed constitutional amendments.

Eleven absentee votes were counted, with 565 votes being cast Tuesday at the Court House voting box; 44 at the Bula location and 56 at the Three Way location.

GINNING OPERATIONS UNDERWAY.... Many area gins will soon, or have already begun ginning cotton. Pictured here are the "gin stands" filled with the fluffy white stuff on its way to making a bale.

Theatre of West Texas State University, and is being sponsored by the Muleshoe Chamber of Commerce and Agriculture.

The cast for the play will include two Muleshoe natives, Lauri Burgess and Frantonya Berryhill. Tickets for the one night only performance will be only \$2.00, general admission. The tickets are available, beginning November 5, from any member of the Chamber's Board of Directors, at the Chamber office in City Hall at 215 South First, or from the Women's Division of the Chamber.

## Farmers Stock, Crop Reports Needed

The Texas Crop and Livestock Reporting Service will begin interviewing Texas farmers and ranchers in mid-November on 1981 final acreage, yield, and crop production and end-of-the-year poultry and livestock inventories for Texas and individual counties.

The confidential interviews will be conducted

through the mail or phone or in person by field enumerators. Data collection will end in early January.

Doug Murfield, State Statistician, has urged farmers and ranchers to return questionnaires promptly. He said all information for state and county estimates. These estimates give Texas farmers and ranchers information on which to plan their production and marketing activity in a way that will be most beneficial to their individual operations.

The reports help in transporting, storing, market-

ing, and processing farm products to maintain an orderly flow from producer to consumer. They also assure competitive markets, Murfield said. Without them, most producers would have to depend on trade sources for information on crop and livestock prospects.

The cooperative effort between the Texas Department of Agriculture and the U.S. Department of Agriculture eliminates duplication of effort and saves tax dollars.

County estimates are available for livestock, dairy, poultry, field crops including cotton, small grains, vegetables, fruits and pecans, and cash receipts from the sale of Texas farm commodities.

They can be obtained by

writing the Texas Crop and Livestock Reporting Service, P.O. Box 70, Austin, Texas 78767 or Agriculture Commissioner Reagan V. Brown, the Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

The windiest city in the U.S. is Great Falls, Montana, where the average wind speed is 13.1 m.p.h. Chicago, the notorious "Windy City," actually ranks only 16th among the windiest U.S. cities.

## You Should Not Rely On Dress To Assure Success

Wearing a pin-stripped suit is not absolutely necessary for a woman who wants to project a professional image, says an adult education co-ordinator at Texas Christian University.

"I think it is unfortunate to reinforce a stereotype that says a successful wo-

man must look, act and think like a man," says Linda Allen Hughes, who conducts seminars on the subject around the country.

"It is saying that to be a woman is not as good as being a man. And I think women can dress professionally, smartly and conservatively and still be feminine if that's what they choose to do," she continued.

"I always teach that image is an entire impression and the most important part about it is the self image you have," she said. "It has to do with appearance-your hair, your make-up and your clothes. But more than that, it has to do with your attitude, your confidence and how you feel about yourself."

In the seminars she conducts, Hughes feels that videotaping is an effective training tool. She has students walk toward and away from the camera and then share positive feedback among the members of the group about the first impressions they have of one another.

"It's amazing how much you can tell about a person with that initial glance-confidence, attitude, the amount of stress, the comfort level of a person, even her religion and values.

"All of these things come through the way people look at you, the way they shake your hand or don't shake your hand."

In another exercise, her students participate in working on a positive attitude. She has the women make lists of all the positive things about themselves and then talk in front of the group three minutes.

"If I were to ask them to talk about negative things they could go for days and never stop, but it's very difficult for people to talk positively about themselves-even for three minutes.

"There's so much that can be projected about a person that to talk about dressing or any one thing doesn't make sense," said Hughes.

**HALLOWEEN PARTY....**Residents of the Muleshoe Nursing Home were treated to a Halloween party recently, hosted by the Muleshoe Church of Christ. Bertie Hendricks was named "Best Dressed Resident" and received a ceramic wind chime. Halloween treats were served to the residents.

**SPOOKS AND GOBLINS....**David Cox, minister of the Muleshoe Church of Christ, was all decked out in his Halloween costume at the nursing home Halloween party recently. Ladies of the church served refreshments. Pictured is Cox and one of the residents.

# Time Clock For Big Brother

*[Guest Editorial from Lubbock Avalanche-Journal]*

Though it has become a symbol of the past in a few places, millions of U.S. production line workers, supermarket checkers, sales people, secretaries, and others punch in at the time clock each morning.

This is how companies keep track of their hours, and calculate their earnings. It's all on the up-and-up.

Except for one thing. When it's time for the weekly paycheck, all those hours worked at the agreed upon salary don't show up on the pay stub. Something is missing—and that something is Big Brother's share. Right off the top.

That is the basis of the modest semi-serious proposal Heritage Foundation President Ed Feulner Jr.

would like to make for instituting a new national twice-a-day punch-in program.

The system would be simple. Instead of having one time card, each employee would be assigned two. Instead of there being just one time clock, every place of business would have two.

When employees arrive on the job, they would walk to the government time clock with a government time card in hand. For the next two hours and 52 minutes, according to figures compiled by the Tax Foundation, they would officially be working for Wa-

shington and lesser bureaucrats in their state capitols and city halls. Then they would punch the time clock again, and start working for themselves. The Tax Foundation study is full of eye-openers. While the average wage-earner works nearly three hours to pay his federal, state and local taxes, he works only one hour and 29 minutes earning the money for food and beverages.

He works 29 minutes for medical care; 22 minutes for clothing; and 19 minutes for recreation.

Tax Foundation economists say that most of the nearly three hours that were spent working to pay taxes went to the feds; the federal government got an hour and 55 minutes, while state and local governments took only 57 minutes.

A half-century ago, by their calculations, a worker could earn the money to pay his tax bills in only 42 days. Today he must work more than three times as long, 131 days, an awful

long time to wait to punch the personal time clock.

"The problem," says Feulner, "is that withholding makes taxes almost painless. Maybe the two time clock system would remind us how big government has grown and how expensive it is for all of us."

## Bobcats Scratch Mules

The 7th grade Mules met the Dimmitt Bobcats in a hard fought game Thursday, the 29th of October. Despite this hard hitting game, the Mules lost 0-6. Todd Bessire, Joel Soto, and Ramon Martinez received injuries during the game.

There were a few good plays on offense, but the Mules couldn't take advantage. The defensive unit played very well, but the Bobcats were able to get one touchdown.

The Mules lost their district chance but hope to come back to beat Friona this week, there, at 5:00 p.m.

Stars were given to Ramon Martinez for pass reception and to Greg Young and Michael Angeley for a pass completion.

## Mules Declaw The Bobcats

The 8th grade Mules continued their winning ways Thursday, October 27, when they defeated the Dimmitt Bobcats for their second district win.

Following a Dimmitt fumble, the Mules carried it in for six. The two-point conversion failed and the Mules led 6-0. The Bobcats took the ball on the following kickoff and drive it in for six. The two-point conversion failed and the score was tied 6-6. On the kickoff the Muleshoe runner was downed on the 3rd yard line. On the following play David Vela took the ball and romped 97 yards for a touchdown. The conversion was good, and the Mules had a 14-6 lead at the half.

The second half was a defensive battle. Both teams came close but failed to score. Late in the fourth quarter the Bobcats were driving, but on a big fourth down play, the Mules held on and had the ball.

The Mules fell on the ball three times, and on fourth down, David Vela took an intentional safety to run out the clock. With this win, the Mule advanced their record to 5-2.

Stars were given to Michael Precure and Mike

Holt, no fumbles on snaps; David Vela, 2 for touch-down and running hard; Sergio Leal, player of the week; Jarrod Embry, fumble recovery; Lester Burks,

a blocked punt, and Troy Gibson, fumble recovery. Stars were also given to everyone on offense and defense.

## NOTES-- --COMMENTS

Some people are very cautious about paying bills.

In case you haven't realized it, 1981 is moving along.

## MJHS Coaches Comments

Our 7th grade team played better Thursday night despite the fact they again failed to score. The final score in the game was 6-0 in Dimmitt's favor. It was unfortunate that both our scores were called back. Ramon Martinez scored twice for the 7th graders but yellow official flags wiped out both efforts to light up the scoreboard. The 7th graders seem to be snakebit. I feel better, though about the overall effort they displayed. Dimmitt was big and had a good running back in number 39. So right now, the 7th grade needs to hang in there and keep working on improving. Good things are bound to happen sooner or later.

Our 8th grade won their fourth straight game by beating a fine Dimmitt team, 14-8. For the second week in a row our players were emotionally high. Right now they stand 5-2 on the year and 2-0 in district play. Dimmitt had two fine backs in Glass and Smotherman and we had all kinds of trouble stopping them. But we did and I'm real pleased about that. I just hope the attitude stays as good as it has been. If so, our chances aren't too bad for the rest of the year. This has been one of these years that you're glad that you have scoreboard.

## Sherri's Spots by Sherri Stovall

We have had a spirited week around M.J.H.S. Thursday, the first MJH pep rally was held and everyone showed a lot of spirit. I would like to congratulate the eighth grade on winning the spirit stick. Friday, we were invited to high school's pep rally.

Mrs. Milburn-Is it true that you're practicing rocking a doll? Congratulations on your future grandchild.

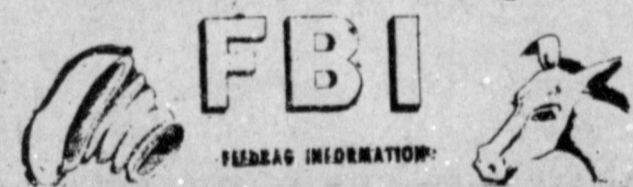

Congratulations to the winners for Outstanding Students and the people who won the various eighth grade awards.

We all need to remember to keep the trash picked up on the campus. Remember: it is up to us to keep the campus looking nice.

Welcome back Mrs. Page after your brief stay in the hospital.

Success follows good work, not good luck! See you next week.

## At Muleshoe Junior High

## Teacher of The Week

Mrs. Barbra Milburn was chosen as teacher of the week by the Student Council.

Mrs. Milburn has two children, Jenny Oliver of Muleshoe and Bill Milburn of Amarillo. She attends the Baptist Church.

Mrs. Milburn went to Hardin-Simmons University and Panhandle State in Goodwell, Oklahoma, where she graduated. She taught in Levelland, Wash, Colorado and here in Muleshoe fourteen years.

When asked how she liked teaching, Mrs. Milburn replied, "I love it! She enjoys teaching because the kids are fun!"

## Spirits Rise At M.J.H.S.

Thursday the 29th, M.J.H.S. had their first pep rally. The band played the Mule's fight song as they football boys entered.

They also performed the school song and "I Saw the Light."

The cheerleaders really roused the school with the spirit stick. Congratulations to the 8th grade for winning the spirit stick.

Mike Holt gave the 8th grade pep talk and Michael Angeley gave the 7th grade pep talk. Coach Jones inspired the athletes and student body with a speech.

Come out and support the Mules!

### Sudan News

By Evelyn Ritchie

Mrs. Roy Day was released from the Littlefield Medical Center Monday. It was reported that he is doing better.

Travis Rich, a student at Texas Tech visited during the weekend with his grandparents, Mr. and Mrs. Jack Engram.

Monte Rogers of Houston visited last week with his parents, Mr. and Mrs. Wayne Rogers. The Rogers visited during the weekend in Midland and in Wheeler with friends and relatives.

Mike Summers, son of Rev. and Mrs. M.V. Summers of Logan, N.M. and former Sudan residents, is a student at Wayland College where he is attending classes. He was a Sudan visitor during the weekend and attended the 60th celebration at the First Baptist Church.

Mr. and Mrs. Jerry Berryhill have purchased a lot formerly belonging to Patty Pausman at 600 Furneaux and are planning to move their mobile home there this week from Hobbs, N.M. Jerry will be an operator at Tolk Station.

Mr. and Mrs. Ricky Popejoy of Amarillo are parents of their first child, a girl who was born Friday, October 9, 1981 at 8:05 a.m. in the High Plains Hospital in Amarillo.

The little miss has been named Lisa Suzanne and weighed seven pounds and one ounce and was twenty inches long.  
Grandparents are Mr.

and Mrs. Dawson Popejoy of Amarillo and great grandparents are Mr. and Mrs. Jack Engram of Sudan.

Visiting this week with Mr. and Mrs. Don Lewis have been his sister, Eileen Werth and her friends Mrs. Vera Nelson, both of Rochester, Minn.

Mr. and Mrs. Clyde McAdams of Mantica, Calif. accompanied his sister, Mrs. Estelle Lowe to her home here in Sudan following Mrs. Lowe's visit there. She also visited in Oregon and Nevada for the past few months. Welcome home Mrs. Lowe.

Mr. and Mrs. M.B. Simms of Arlington has visited recently with Mrs. Delma Gann and was also here to attend the wedding Saturday of his niece, Vicki Doty and Mike Robinson.

Weekend visitors with Mr. and Mrs. John Williams were Mr. and Mrs. Clyde McAdams of Manteca, Calif., Floy Mae Rhody and George Lowe of Snyder and Mrs. Estelle Lowe.

Visiting with Mr. and Mrs. A.J. Roberts has been their daughter-in-law and grandson, Mrs. Alan Roberts and Monte of Artesia, New Mexico.

Mr. and Mrs. Sam Bingham and Alyson of Lubbock visited during the weekend in the home of their parents, Mr. and Mrs. Louis Fields and Gary.

Gary Fields attended the District II 4-H Council at the Garden and Art Center in Lubbock on Oct. 10. They made plans for the years activities for 1981-82.

**Card of Thanks**

Following the meeting they all had lunch at Pinocchio's.

Recently visiting with Mr. and Mrs. Roy Day have been all but one of her sisters, including Mrs. Joh Morris of Mt. Vernon, Washington; Ida James of Medford, Oregon; Lena B. Waltrip of Van Horn, Texas and Jaunita Seals and Era Mae Anderson both of Lubbock. Also visiting the Days have been their daughter, Mr. and Mrs. Jack Noblett of Lubbock and a nephew Mr. and Mrs. R.C. Day of Muleshoe. They also visited with Mrs. Joy Logan.

Staci Lynn Masten, daughter of Mr. and Mrs. Dale Masten, was honored on her first birthday with a party held in her home.

A Donald Duck cake and ice cream were served to her grandparents, Mr. and Mrs. W.C. Masten and Mr. and Mrs. Billy Chester great grandmother, Mrs. Gladys Glenn and great aunt, Pearl Opsall. Also present were the honorees two brothers, Brad and Ryan.

The Sudan Booster Club met with some 19 members present. Coach Lowe showed the film of the Sudan-Amherst football game in which the Hornets defeated the Bulldogs 32-15.

Justin Bellar, son of Mr. and Mrs. Jerry Bellar was honored on his fourth birthday with a party held at the Main Place.

Guests were served grilled cheese sandwiches, chips and cokes, followed with the birthday cake in the shape of Tonto and ice cream.

Attending were Doug, Laci and Lisa Boyles, Mary Ann Harper and Heath, Tanya Masten, Brad and Ryan and the honoree brother, Jason, his grandparents, Mr. and Mrs. Waymon Bellar, his great grandmother, Mrs. R.P. Markham and his great aunt, Sara Wood.

The Cub Scouts met Tuesday afternoon at 5:00 in the Scout room at the Community Center with leader Terry Narramore.

Those attending were Trent Humphreys, Len Kuykendall, Charles Williams, Doug Provence, Charlie Smith, Kris Kelp, Prospero Macia and Shannon Fisher.

Mrs. Narramore served refreshments to the group. She also announces that beginning on Oct. 20, the cubs will begin their meetings at 4:30 on Tuesdays in the Scout Room at the Community Center.

They invite boys to come to these meetings and study Indian Folk Lore with them.

Guests spending Sunday night with Mr. and Mrs. Edward Crumc was her sister, Mr. and Mrs. Maurice Hazzard from Eastland.

Ramona Engram and Mrs. Delma Gann were in Canyon last week to attend the area TOPS meeting.

Recently visiting with Mr. and Mrs. Bill Kuykendall, Missy and Len were their parents and grandparents, Mr. and Mrs. A.R. Kuykendall of Dilley, Texas.

**Nursing Home News**

By Joy Stancell

We would like to welcome our new resident. He is Luther Caraway, from Littlefield. He was born August 24, 1905 in Blanket, Texas. He was a farmer and is a member of the Church of Christ.

The Lazbuddie Young Homemakers brought a beautiful ivy plant to Clara Weaver.

Luther Caraway was visited by his granddaughter and her family Tues.

Alma Henley was visited by Lena Hawkins, Mrs. Shipp, Erlene Burton, Mrs. Taylor, Mrs. Lloyd, Mrs. Henley and Celso went shopping Saturday.

Wed. morning Rhonda Little, Lynne Box, Donna **Sudan Jr High Still On Top**

The Sudan Junior High football team raised their record to 6-0 last Thursday with a hard fought 12-8 victory over Whiteface Junior High. Whiteface scored first in the game on a reverse from the Sudan 25 yard line. The extras were made on a pass to their left end to make the score 8-0.

Later in the second quarter James Harmon scored on a 40 yard run. The try for extras was no good as Harmon was stopped just short of the goal line. That was all the scoring in the first half making the score 8-6.

In the third quarter after an exchange of fumbles, the Hornets put together their winning drive. With Jeff Kinnie and James Harmon picking up good yardage the Hornets drove the ball down the field.

James Harmon got the TD on a 4 yard run over the right side behind the blocking of Manuel Limon, Blake Lacewell, Mike May and Jeff Kinnie. The try for extras again failed, but now the score stood at 12 for Sudan and 8 for Whiteface.

The rest of the game was dominated by both defenses. Jeff Kinnie did an excellent job punting, keeping Whiteface in a hole much of the 2nd half.

Sudan is now 6-0 with a 3-0 District record. They did play Sundown there Thursday October 29. Details next week.
