Mother's March in March of Dimes Drive Tonight

Sponsored by Noratadata Club

The members of the local Noratadata Club are sponsoring the annual Mother's March of the March of Dimes Drive. The members of the club will go from house to house tonight from 6 to 7 p.m. taking donations from residents for the polio drive.

The club members will also auction off cakes at the boys livestock show here Saturday afternoon. Not only will cakes be auctioned off but one or two sack of (cattle) cake will be auctioned, said Mrs. William Foster, club member and chairman of the drive.

PICTURE SHOW TODAY AT THE SCHOOL FOR MARCH OF DIMES BENEFIT

There is to be a comedy picture shown at the school auditorium today (Friday) at 2:15 for benefit of the local March of Dimes drive.

The picture will be one titled "Oliver the 8th" starring Stanley Laurel and Oliver Hardy, said O.T. Jones, school superintendent.

Students, parents, and in fact, any one is welcome to attend the show and the price of admission is to be a donation to the March of Dimes.

PTA NETS \$64 FOR DIMES DRIVE AT BAKE SALE

The local P.T.A. netted \$64 at the bake sale held last Saturday benefitting the March of Dimes drive. This figure may be added to, said Mrs. Forrest Foster. She said some who did not get to participate, still planned to donate.

Donations to the drive will be welcomed up until the completion sometimes during February, it was pointed out.

Son to G.C. Murrells

A son was born Sunday afternoon to the G. C. Murrells in the Sterling County Hospital. Named Graden Neal, the baby weighed seven pounds and one ounce.

This is the third child of the Murrells. They have two little girls, Joanna and Lynette.

"Papa" Chapple is Sterling County judge. Grandparents are Mr. and Mrs. T. H. Murrell and Mrs. J. H. Brizendine.

CARD OF THANKS

We want to express our thanks to our friends here for the cards, flowers and other kindnesses shown at the recent death of our loved one.

Hospital Film To Be Shown Next Thursday Community Center

Being Sponsored by the Hospital Auxiliary; It's Free

A film on hospitals, their beginning and operation, will be shown at 3 p.m. next Thursday afternoon in the Community Center, it was announced this week by Mrs. Horace Donalson of the auxiliary.

The public is invited and urged to attend this showing and no admission charge will be made. The film was procured by the joint efforts of Dr. Wm. J. Swann and John M. Stuckwish, hospital administrator, said Mrs. Donalson.

The film is entitled "Another Light." It tells the story of a small town and its new hospital. The hospital is seen through the eyes of three people; an elderly farmer, a housewife and a business man. The people of the community play the roles themselves. We see how their fear and ignorance of the hospital is replaced by understanding and confidence.

The picture shows how all the people of the community pitched in to help raise construction funds; how the hospital serves them in times of crisis and helps prevent illness; how the people are continuing to support the hospital they have built.

Next Week's School Lunchroom Menus

The menus at the Sterling City school lunchroom next week will be as follows:

MONDAY, February 2—Turkey salad, creamed potatoes, English peas, light bread, milk, margarine, and banana pudding.

TUESDAY, February 3—Pinto beans, cooked cabbage-beets-canned tomatoes, corn bread, milk, margarine and honey balls.

WEDNESDAY, February 4—Pressed ham, potato salad, green beans, light rolls, hilk, margarine and preserves.

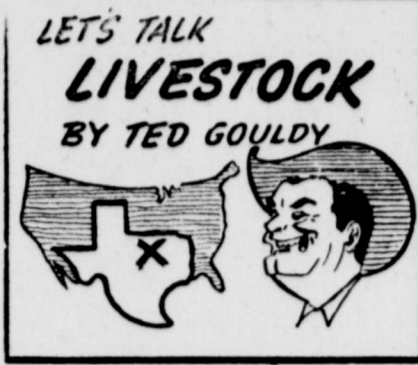

THURSDAY, February 5—Hamburgers, pork and beans, milk, margarine, and breaded fruit pudding.

FRIDAY, February 6—Tuna salad, cheese wedges, blackeyed peas, light bread, milk, margarine and chocolate cake.

CARD OF THANKS

We want to thank everyone for the visits, flowers, cards, gifts and especially want to thank those who came and helped take care of Alvin while he was in the hospital.

Mr. and Mrs. Bunk Lawson and Helen
Mr. and Mrs. R. H. Long.

FORT WORTH—Large supplies of fed steers, yearlings and calves were again reported at Fort Worth and around the 12 major live-stock centers of the nation Monday. Prices at Fort Worth and at most other markets were reported 50 cents to \$1 per hundred lower on the fed steers.

Cows and bulls ruled steady to stronger at Fort Worth, and stocker cow demand continued to broaden, some sales of she-stock to go back to country being unevenly higher, the quality considered. High quality calves and yearlings ruled steady, but the plainer kinds skidded along with the slaughter kinds.

Lambs opened lower at Ft. Worth this week, and weak to 10 cents lower prices were chalked up, with instances off \$1. Liberal offerings of fed lambs at midwestern and River markets resulted in a lower market at those points Monday.

Hog trade was halted at Fort Worth due to the discovery of two lots of hogs last Friday suspected of having vesicular exanthema, though these hogs were discovered last Friday it was not until Monday that lab tests were started by federal inspectors. It was expected to be the latter part of the week before the yards could again receive hogs. One of these lots of hogs reportedly came from East Texas.

Good and choice fed steers drew \$18.00—24.00 and common, plain and medium butcher cattle drew \$12.00—18.00, some rannies for less. Fat cows drew \$13.00—16.50, and canners and cutters drew \$9.00—13.00. Bulls sold for \$10.00—19.00. Good and choice fat calves got \$18.00—23.00, common and medium sorts \$13.00—18.00, and culls sold for \$10.00—13.00.

Good and choice stocker steers calves drew \$18.00—24.00, and stocker steer yearlings sold for \$22.50 down. Stocker cows sold for \$13.00—20.00. Stocker heifers and heifer calves sold around \$2 under similar steers.

Good and choice fat lambs drew \$18.00—21.00, woolskins at the higher price and clipped lambs around \$19.00—20.00 down. Stocker and feeder lambs sold for \$14.00—18.00. Fat yearlings drew \$15.00—18.00. Slaughter ewes sold from \$6.50—8.50 and some lightweight, choice fat woolled ewes sold to \$10. Old bucks sell around \$6.50 to \$7. some outside that range.

Mrs. William Foster Is Noratadata Hostess

The Noratadata Club members met Thursday evening of last week in the home of Mrs. Lester Foster with Mrs. William Foster as hostess.

The club voted to have another auction of cakes for the March of Dimes. The auction will be held the day of the Fat Stock Show. Also they will auction off some cattle feed.

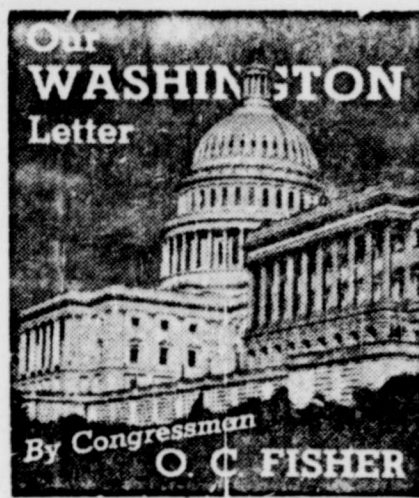

A salad plate was served to members and guests.

Present were Mrs. Finis Westbrook, Mrs. Martin Reed, Mrs. Anna Lee Johnson, Mrs. Foster Sims Price, Mrs. Fred Campbell, Mrs. Dean Johnson, Mrs. Fred Allen, Mrs. Alvie Cole, Mrs. Nan Davis, Mrs. Trinton Revell, Mrs. Joe Emery, Mrs. Reynolds Foster, Mrs. Chesley McDonald, Mrs. Worth B. Durham, Mrs. Bill Hood, Mrs. Hubert Williams, Mrs. Ross Foster, Mrs. Delbert Haralson, Mrs. Ewing McEntire, Mrs. Dayton Barrett, Mrs. Bubba Foster, Miss Sue Nelson, and Mrs. L. W. Terry and Mrs. Bit Terry of Colorado City; and Mrs. Blackie Hines, Mrs. James Underwood of Forsan and Mrs. Lester Foster.

Bridge was played and Mrs. Joe Emery was high club, Mrs. Delbert Haralson, high guest and Mrs. Fred Allen, bingo.

Mr. and Mrs. C. A. Deucker and daughter, Joan, of San Antonio, visited the Harry Lawsons here the past week-end. Mrs. Lawson is the daughter of the Deuckers.

Sterling Boys Stock Show Here Saturday

THE WEATHERMAN upset the forecasters to give Washington the most perfect, cloudless day you could imagine for the inaugural. Then that night the rain began and continued for twenty-four hours.

Texas was in evidence for the gala affair. Several exhibits from the Lone Star State figured prominently in a four and one-half hour parade. The Cavaliers from San Antonio, the Kilgore College Rangerettes, a float sponsored by Denison—the Eisenhower birth place, all combined to grab off a lot of attention from the spectators who came from everywhere. The float featured a replica of the house at Denison in which the General was born.

AMONG TEXANS who made the trip were 53 students and teachers—sponsors, principals from Uvalde. The group included students from Del Rio, Goldthwaite, Stockdale, San Angelo and Holland. Mrs. Louise Black and Mrs. Rueben Loeffler were on one of the Texas special trains. Mr. and Mrs. John Matney of San Angelo happened to be here visiting and took in the big show. So did Mrs. Maurine Burroughs, a teacher, of Coleman. Mrs. Burroughs is here on a Ford Foundation project, she having been selected from among thousands of teachers for a year of special research and study.

Also up for the inaugural festivities were Adolph Steiler of Comfort and Mrs. W. Gillespie Stacy of Austin. The latter operates Camp Mystic at Kerrville.

BUT DESPITE ALL THE HOOP-LA attendant on it, Inaugural Day was essentially a solemn and majestic one because of what it symbolizes. An inaugural reaffirms the continuing constitutional life of our Republic. It symbolizes the reality of the fact that we are a nation of free men and free women whose free vote determines who shall head and direct our democratic Government. It reaffirms again the self-evident truth that governments can derive their just powers only from the consent of the governed.

This particular inauguration marks the fifteenth time since 1789 that control of the Federal Government has passed from one political party to another. The spirit and the orderliness of the tremendous shift involved, along with the calm and patriotism of the ceremony that in a moment brought a new Chief Executive into power, have been well summed up by Mr. Truman in his farewell address. He described the event as "a great demonstration of our democratic process. I am glad," he continued, "to be a part of it—glad to wish General Eisenhower all possible success, as he begins his term—glad the whole world will have a chance to see how simply and how peacefully our American system transfers the vast power of the presidency from my hands to his. It is a good object lesson in democracy."

FROM SENATOR LYNDON B. JOHNSON, Texas Senior Senator

The bands are gone and the parading is over and we've got the new President inaugurated. Everybody in Washington has got either sore feet from marching or a sore throat from cheering but it was fun while it lasted.

The invitation said "white tie and tails" so Mrs. Johnson and I passed up the inaugural ball. That's not quite the style for a Johnson City boy who hasn't learned yet how to put together one of those little bow ties when standing in front of a mirror. Instead, we poured coffee and passed out doughnuts to the Texas folks who came up in the

The annual 4-H Club Boys Livestock Show gets underway here on Saturday morning at 11:00 a.m. Herman Carter of San Angelo is to judge the show. First on the order of judging will be hogs.

Superintendent of the show is Ewing F. McEntire. His assistants are Ross Foster and Clinton Hodges. The show committee members are McEntire, Foster S. Price, Chesley McDonald, Delmar Radde, Ralph Davis, H. A. Chapple, Riley King, L. F. Hodges and Fred Campbell.

Following the judging of the fat hogs at 11 a.m. calves and heavy weight breeding sheep will also be judged before lunch.

Methodist Women to Serve Lunch in Community Center.

The W.S.C.S. of the Methodist Church will serve lunch in the community center at 12 o'clock. It has been announced that the cost will be \$1 per plate. Everyone is invited to dine in the center.

At one o'clock the judging resumes with the classes as follows: Southdown lambs pen of three Southdown lambs, lightweight finewool lambs, heavyweight finewool lambs, champion and reserve champion finewool lambs, pen of three finewool lambs, lightweight crossbreds, heavyweight crossbreds, champion and reserve champion crossbred lambs, and pen of three crossbred lambs.

Total prize money comes to \$130. Following the judging an auction will be held. Some lambs will be auctioned and then some cakes and feed will be auctioned off for the March of Dimes benefit.

Group to Leave for Houston Show Sunday Morning

Seven boys and six committeemen will leave early Sunday morning with 29 lambs for the Houston Fat Stock Show. Fred Campbell, county agent, said Alfred Chapple, Bobby Dunn, Tony Allen, Billy Humble, Delmar Radde, and O. F. Carper are taking the lambs.

Committeemen going along with the boys are Campbell, C. J. Dunn, Riley King, H. A. Chapple, Worth Allen, and Ralph Davis.

Lions Club Luncheon

Some films were shown by Lion Oscar Dorsey for the program at the Lions Club Wednesday noon. Bob Ritchie was a guest.

H. L. Hildebrand reported that funds for the livestock show had been completely raised.

The prize went to G. C. Murrell.

D. J. Norton told of the need of the keeping up the road to the new Cope oil field south of here. He said that the Honolulu Oil Co. requested that the road be kept up or some improving done. The company has several people living here and wanting to trade here, but that Big Lake was building the road up to the field in an effort to get the business. He quoted the company man as saying that the payroll ran around \$5,000 a month, and that the men preferred to live in Sterling City. Some of the employees have already moved to Big Lake.

Lion Swann suggested that a committee be appointed by the president to meet with the commissioners Court to see what could be done about remedying the situation. The club voted to take such action.

special train from Dallas.

About 500 Texans, headed by Governor Shiver's personal representative—General K. L. Berry, came up through my office and it was certainly good to see so many friends. Senator and Mrs. Price Daniel joined us in greeting them and it was like old home week. It was a fine way to start off the new session and I hope all my visitors enjoyed themselves as thoroughly as I did.

The best news for Texans was the Senate confirmation of Mrs. Oveta Culp Hobby of Houston as the new Federal Security Administrator. It's a big job but those of us who have known Governor and Mrs. Hobby know that they are the kind of people who can tackle the big jobs and do them well.

Mrs. Hobby will be in charge of all the Social Security and Welfare (Continued on Back Page)

FREEDOM MEASURED IN MINUTES

Out of her iron lung for a few minutes, two-year-old Regina Edwards, stricken with polio in 1952, listens intently to the advice of Lois Christianson, a nurse at the Southwestern Polio-myelitis Respiratory Center in Houston. Regina is very young to learn how serious polio can be but the disease that claimed more than 55,000 cases in 1952 seems to prefer young victims. Help is urgently needed to care for polio patients and further research to conquer this disease. Join the 1953 March of Dimes before the fund-raising campaign closes on January 31.

A Perfect Ending

By Betty Barclay

FESTIVE Chocolate Pudding is indeed a fitting climax for your "special" dinner. A luscious combination of dark, rich, chocolate and candied fruits, your family and guests are sure to be glad they "left room for dessert!"

Festive Chocolate Pudding

1 cup coarsely chopped candied cherries; 1 cup coarsely chopped candied pineapple; 1/2 cup coarsely chopped candied orange peel; 1 cup finely cut seedless raisins; 2 1/2 tablespoons rum extract.

2 cups sifted flour; 2 teaspoons double-acting baking powder; 1/2 teaspoon soda; 1/4 teaspoon salt; 1/2 cup butter or other shortening; 1/2 cup light brown sugar, firmly packed; 1 egg, well beaten; 3 squares unsweetened chocolate, melted; 1 cup milk.

Combine cherries, pineapple, orange peel, raisins, and flavoring. Let stand in tightly covered jar 24 hours, stirring fruit occasionally to distribute flavoring.

Sift flour once, measure, add baking powder, soda, and salt, and sift together three times. Cream butter, add sugar gradually, and cream together well. Add egg and chocolate, beating until smooth. Add flour, alternately with milk, a small amount at a time, beating well after each addition. Fold in fruit mixture. Turn into 2-quart or two 1-quart molds. Cover tightly and steam 2 1/2 to 3 1/2 hours, depending on size of mold. Or turn into greased 2-quart casserole or 9-inch tube pan. Cover with greased brown or heavy waxed paper and tie securely. Place in pan of hot water and bake in moderate oven (375° F.) 2 1/2 hours, or until done. Serve hot.

A Salad At Night

By Betty Barclay

YES, these luscious winter salads will delight both children and adults alike. They are fun to make and delicious to eat—a colorful and tasty combination of juicy canned pear halves, cream cheese, shredded coconut and maraschino cherries. Wonderful to serve at night when, in spite of a hearty dinner, everybody inevitably wants "a bite to eat" before calling it a day.

Winter Special Salad

1 package (3 ounces) cream cheese; 2 tablespoons cream; 6 canned pear halves, drained and chilled; 6 red-maraschino cherries; 1 green maraschino cherry; 1/2 cup coconut (about).

Mash cream cheese with a fork until softened. Add cream gradually; then beat until cheese is light and fluffy.

Place each pear half, cut-side down, on crisp lettuce. Use large end of pear for face and tapered end for cap. Cut round pieces from red cherries for eyes and half a ring of red cherry for mouth. Arrange eyes and mouth on face.

Spread cream cheese on tapered end of pear half for cap and at base of large end for whiskers. Cut green cherries in half and place one half at tip of each cap for tassels. Sprinkle cap and whiskers with coconut. Serve with mayonnaise, if desired. Makes 6 appetizers.

SAN ANGELO TELEPHONE COMPANY

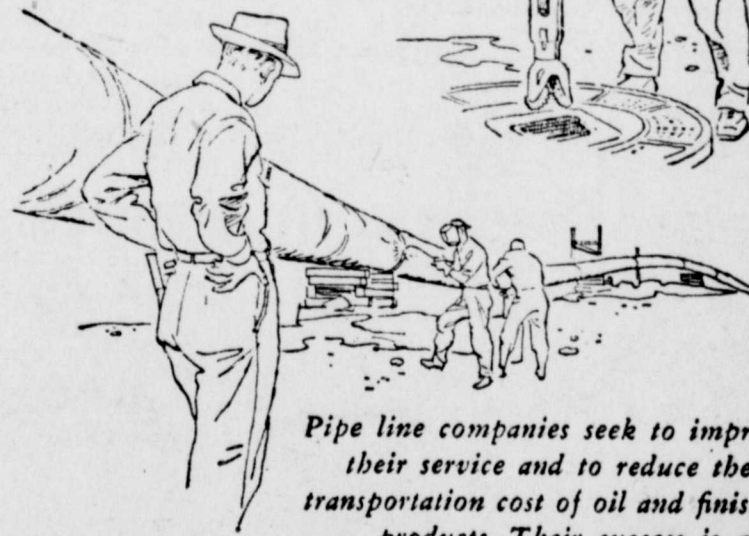

Competition begins with the search for oil.

Competition

gives you the best petroleum products in the world at the lowest prices

Improved drilling and producing methods increase supplies of oil at reasonable prices.

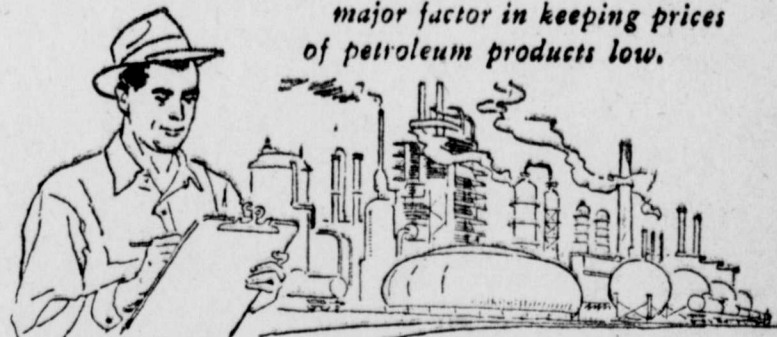

Pipe line companies seek to improve their service and to reduce the transportation cost of oil and finished products. Their success is a major factor in keeping prices of petroleum products low.

The U. S. oil business is one of the most highly competitive industries in this country and, for that matter, in the world. Every time you buy a gallon of gasoline or a quart of motor oil, there are at least 100 companies that would like you to buy from them.

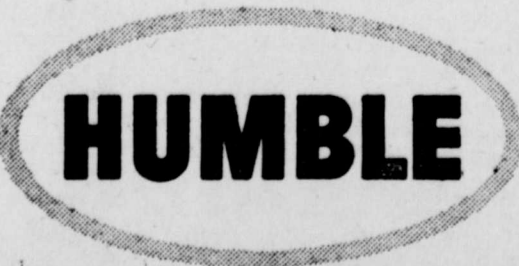

Your purchase stimulates competition far beyond the service station driveway where you make it. It stirs scientists to find more oil for your use. It urges production men to produce oil more efficiently and economically and with less waste. It extends through low-cost transportation pipe lines to refineries that seek better ways to make more and better petroleum products to compete for your business.

Is this competition a good thing?

It certainly is. It's a good thing for you because you get the best petroleum products in the world at the lowest prices. It's a good thing for the country because it stimulates the continuous development and conservation of a vital natural resource. And it's a good thing for the oil business: competition keeps the industry strong, vigorous, progressive.

Competitive refineries never let a day pass without trying to find a better way to make more and better petroleum products for your use.

From where I sit ... by Joe Marsh

Surprise Ending!

That raffle for our Volunteer Fire Department went over fine. We're going to have money to get a new engine—and then some.

Our local merchants really donated some wonderful prizes. Like Buzz Ellis, the radio-TV dealer, giving that big television set ... and the Superior Motors putting up a brand-new car.

There was a humorous note, too. The prize of a year's supply of coal—donated by Baker Coal Yard—was won by Mrs. Thayer, whose husband is the biggest fuel-oil dealer in the county! What did

Mrs. Thayer do with the coal? She gave it to a church she's not even a member of. (Her Church uses her husband's fuel oil.)

From where I sit, that's real generosity. But then, Mrs. Thayer never did believe in dividing people into groups. She's "for" everybody—whatever church they go to, whether they like TV or radio, people who enjoy temperate beer, people who don't. A really warm-hearted person.

Trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twin-Action" in rear.

more economy!

New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.

FROM SENATOR LYNDON B. JOHNSON

(Continued from Front Page)
 programs of the new Administration. A lot of people in Washington have told me that it's a real honor for Texas. But most of us Texans think it's the other way around—it's a real break for the United States.

Before the Senate considered the nomination, Mrs. Hobby was invited to appear personally before the Senate Finance Committee. Figuring that some of the members might not know her, I personally presented her after paving the way with the following letter to the Committee Chairman:

My dear Mr. Chairman:

I believe Mrs. Oveta Culp Hobby to be one of the most competent and efficient public servants that I have ever known. Therefore, I am hopeful that your committee will act favorably upon her confirmation as Federal Security Administrator.

Texas is a State in which we frequently have our differences and are not overly shy in expressing them. But I think there is one subject upon which every Texan—from Texarkana to El Paso and from Brownsville to the Panhandle—will agree.

It is that you would have to search far and wide to find anyone better qualified for a position of high responsibility.

Mrs. Hobby's record as Director of the Women's Army Corps during World War II is too well known to need recounting here. She has proven over and over again that she can bring to any position a degree of charm, tact, and ability that insures the highest possible performance.

You will, of course, avail yourself of the opportunity to hear Mrs. Hobby at your committee meeting. I am confident that after her appearance, you will agree with me that her prompt confirmation would not be just a matter of honoring Texas, but of serving the Nation.

With assurance of high esteem and respect, I am

Sincerely,

(Signed) Lyndon B. Johnson

To:
 Honorable Eugene D. Millikin
 Chairman, Senate Finance Com.
 Senate Office Building

After the Committee members had talked to her, they approved the nomination without any question.
