Lions Club Minstrel Is Big Success

The Lions Club Minstrel Show here last Friday night was a big success, from entertainment to net profits for the community center.

Almost \$400 in ticket sales was grossed and the collection for the American Heart Drive netted \$56.

All but three seats of the auditorium were sold. The front row of the center section had been given to some Garden City performers. The full house seemed to enjoy the performance from start to the finish. Rosanne Foster and Vicki June Johnson opened the show with dance numbers. Harry Bradstreet gave "It's in the Book" and drew many laughs with his rendition. To get the crowd in the mood for a good minstrel, Harry and the ushers kept time by clapping of hands and the audience joined in to whip up enthusiasm.

With the minstrel proper opening with a musical number by the entire chorus, Bruce Medford, the interlocutor, and the end men carried the minstrel on to the finale.

End men were Harry Bradstreet, Bill Barbee, J. P. Lester, R. T. Caperton, Oscar Dorsey and Cullen King. Their parts had required many nights of practice and they did a good job. Their costumes had been borrowed from the Sweetwater Lions Club and were snazzy indeed.

Miles Man Gives Three Numbers

Jerry Williamson of Miles put on a blackface of three musical numbers that went over big from the applause recorded. He sang his songs in such a way as to have the crowd with him all the way.

Esther Bird gave a uke number. M. K. (musical kid) Smith sang two numbers, Chloe and Old Man River and he and his wife sang Bye, Bye, Blackbird. Harry Bradstreet sang Blue Skies and Mrs. Bill Barbee gave Rockabye Your Baby with a Dixie Melody. Ronald Smith sang Lazy Bones and he and Evelynne Ann Smith sang Carolina in the Morning.

Specials from Garden City

Mrs. Rube Ricker, music teacher of Garden City brought a number of her pupils from Garden City and accounted for several numbers. A trio played an accordian number; a group sang Den Bones; Mary Jo Cox sang Guitar Blues

Zoot Suit Man

Acting as master of ceremonies for the above numbers was Bill Hood, the zoot suit man. He drew many laughs in his role. Horace Donalson, the negro preacher, gave his annual sermon, which always goes over big. The collection that was taken following his sermon, was given to the American Heart Association drive. Kent Jones and

Blood Typing Still Going On

The blood typing program has catalogued 583 persons so far, said administrator John M. Stuchwisch. This number includes 250 school children. Stuchwisch reminded the people that the program is still going on and for all who have not yet been typed to come by for the test soon as possible. The aim is to get everyone in the county typed before quitting.

Now that Basketball season is over, the boys are taking up track and the girls are coming out for volleyball, said Coach Oscar Dorsey this week.

Mrs. Marian Moore, homemaking teacher in the local high school, attended an in-service training meeting in Del Rio, Feb. 28th. Miss Ruth Huey and Mrs. Josephine Pazdral, state homemaking officials, and about 20 other homemaking teachers in this district were present.

Anna Lee Johnson played Nola as a piano double while the collection was being taken.

Chorus Listed

Comprising the chorus were E.L. Bailey, John Stuchwisch, M. E. Churchill, O. E. Neal, M. K. Smith, Kent Jones, Ronald Smith, Mrs. Bill Barbee, Mrs. M. K. Smith, Mrs. David Glass, Mrs. Pat Boatler, Esther Bird, Evelynne Ann Smith, Mrs. J. E. Wyckoff and Mrs. Worth B. Durham.

Directed by Mrs. Anna Lee Johnson

The production was under the direction of Mrs. Anna Lee Johnson. She expressed her thanks and the thanks of the club for all who helped in any way to make the minstrel a success. Mrs. Johnson requests that all who have not yet turned in their costumes to do so. The suits that were borrowed from the Sweetwater club are to be cleaned before returning them.

Lions Club Luncheon

The Lions Club members met at the community center Wednesday for the regular luncheon. Mrs. Levi Martin served an excellent meal, as usual.

It was reported that \$385 was grossed at the negro minstrel and a net of about \$360 was expected. The club voted to pay the school janitors \$8 for their extra work following the show.

The club voted to draft letters of appreciation to Jerry Williamson of Miles and Mrs. Rube Ricker of Garden City for helping out in the show.

Heart Drive Report

Dr. Wm. J. Swann reported that \$206 had been sent in for our quota in the American Heart Association drive. He commended the Legion and auxiliary, the Lions minstrel and several special donors for their part in making the drive a success.

Bill Green reported on the marking off of the highway through the main part of town. He said that the state highway department wanted to mark off the courthouse side of the main block to have parallel parking, and that for the time being that part of the program was to be held up.

R. B. Brown, fire chief, had a letter from the State Fire Insurance Commission, reporting another 15 per cent credit for Sterling on fire insurance premiums. Last year we also earned a 15 percent credit.

Bill Green reported on the park improvement. He said there was a lot of work needed, such as pruning of trees, cutting down dead trees, and in fact the whole thought of keeping up a neat park complete with swimming pool hinged on having a caretaker. Discussion centered around this topic for a few minutes, with no action being taken.

The prize went to R. P. Brown.

FIELD TRIP TO MIDLAND HOMEMAKING GIRLS MAKE

The junior girls in Homemaking III made a field trip to Midland Monday, and made a tour of homes just constructed and of several furniture stores in connection with a unit of family living.

Those going on the tour were Misses Jacque Foster, Jean Boatler, Betty Dunn, June Boatler, Mrs. Marian Moore, Mrs. Pat Boatler, Mrs. Robert Foster, Mrs. Leroy Butler and Mr. and Mrs. Buddy Sutherland.

F.H.A. girls, sponsor and several mothers will attend the area F.H.A. meeting in Midland, March 7.

SUNDAY SCHOOL CLASS PARTY

Members of the Lena Foster Friendship Class of the Methodist Church gathered Wednesday evening at the church basement for a class party. Games were played under the direction of Mrs. Bruce Medford, and Mrs. Martin Reed took films of the games to be shown at the next party. Pecan pie and coffee was served to the class group and the stewards of the church.

"Easy As Pie"

By Betty Barclay

AS a matter of fact, this Coconut Tutti-Frutti Pie is even easier than the ordinary pie, because it uses that wonderful time-saver, prepared pudding and pie filling mix as a base. This pie is made with "delightfully different" coconut cream pudding and has chopped maraschino cherries, dates and almonds folded in. Garnish with some whipped cream and you have a pie that's not only delicious to eat, but extra-special in looks, too.

Coconut Tutti-Frutti Pie

1 package coconut cream pudding and pie filling mix; 2 cups milk; 2 tablespoons chopped maraschino cherries; 2 tablespoons chopped dates; 2 tablespoons chopped almonds; ½ teaspoon rum flavoring; 1 baked 8-inch pie shell; ½ cup cream, whipped and sweetened.

Combine pie filling mix and milk in a saucepan. Cook and stir over medium heat until the mixture comes to a full boil. Remove from heat. Cool only about 5 minutes, stirring once or twice. Fold in fruit, almonds, and flavoring. Pour into pie shell. Chill. Spread whipped cream on top.

P.T.A. Next Thursday Afternoon

The Sterling City Parent Teacher Association will hold the regular monthly meeting next Thursday afternoon at the school auditorium at the regular time.

Rev. R. B. Brannon will bring the devotional and a special feature is to be presented by the eighth grade. They will bring a program on the understanding of parents, said Mrs. Henry Bauer, president.

Following the musical selection, Mrs. L. C. McDonald will discuss "We Believe in Our Community."

Founders' Day Program Held at Last P.T.A. Meeting

Mrs. Edwin Jackson of San Angelo was guest speaker when the Sterling City P.T.A. held a Founders' Day program last meeting. Mrs. Sidney Bolding of San Angelo was also a guest.

Mrs. Worth Durham presided in the absence of Mrs. Henry Bauer, president.

All past presidents of the local organization were honored and each gave outstanding achievements for their term of office.

Mrs. Worth Allen reported that \$64.35 was realized for the March of Dimes from the bake sale held by the association. A nominating committee was named—Mrs. Finis Westbrook, Mrs. Chesley McDonald and Mr. George Blackburn.

Bro. Quentin Fannin gave the devotional. Mrs. David Glass gave two films on lunch room etiquette. The third grade gave a Founders' Day play. They sang the P.T.A. "Tree Song."

After the program a Founders' Day tea was held in the homemaking department by the department and the hospitality committee.

Forty-seven members were present for the occasion.

Two Are Hostesses To Noratadata Club

Mrs. T. A. Revell and Mrs. Delbert Haralson were hostesses to the Noratadata Club members and guests at the community center Tuesday evening.

A salad plate was served to the following: Mrs. Finis Westbrook, Mrs. Ewing McEntire, Mrs. Hubert Williams, Mrs. Foster S. Price, Mrs. Martin Reed, Mrs. William Foster, Mrs. Anna Lee Johnson, Mrs. Alvie Cole, Mrs. T. S. Foster, Mrs. Worth Durham, Mrs. R. T. Foster, Jr., Mrs. Forrest Foster, Mrs. G. C. Murrell, Mrs. Bill Cole, Mrs. Dayton Barrett, Mrs. Reynolds Foster, Mrs. J. Q. Foster, Mrs. Chesley McDonald, Mrs. Joe Emery, Mrs. Fred Allen, Miss Sue Nelson, Mrs. Robert Foster, Mrs. Dean Johnson, Mrs. Pat Boatler, Mrs. Leah Wyckoff, Mrs. Bill Hood, Mrs. Wm. J. Swann, Mrs. Lee Augustine, Mrs. Lester Foster, Mrs. Roland Lowe, and Mrs. O. T. Jones.

Following the business meeting and refreshments, bridge was played. Prizes were awarded to Mrs. O. T. Jones for bingo, Mrs. Thomas Foster for high club and Mrs. Lee Augustine for high guest.

Gift Tea Honors Miss Pam Sanderson

A gift tea honoring Miss Pam Sanderson was held in the home of Mrs. Lee Reed last Saturday afternoon from 3 to 5.

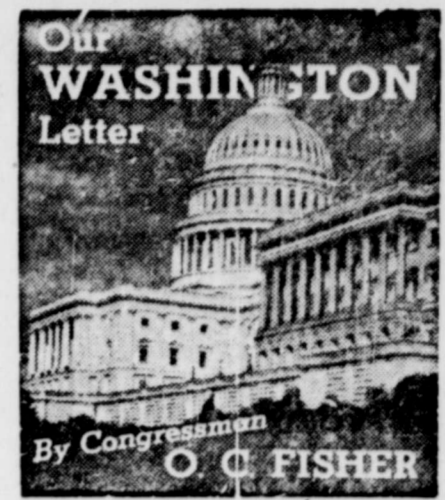

Hostesses for the affair were Mrs. Reed, Mrs. G. W. Tillerson, Mrs. George Blackburn, Mrs. Roland Lowe and Mrs. Minta Phillips.

Miss Sanderson, former teacher in the school here is to be married to Mr. Jack Blanchard of Snyder on April 3 in Blackwell.

Mrs. Reed greeted guests at the door. In the receiving line were the honoree, her sister, Betty Sanderson, her mother, Mrs. Roy Sanderson and the bridegroom-to-be's mother, Mrs. Ross Blanchard.

Mrs. Harvey Glass poured the first hour and Mrs. Tillerson the second hour. Mrs. Reynolds Foster and Mrs. Bill Barbee played music through the tea hours. Mrs. Lowe and Mrs. Lura McClellan were in the gift room and Mrs. Blackburn and Mrs. Phillips assisted in the dining room.

The centerpiece was of the honoree's chosen colors—yellow glads, bells of Ireland and orchid stock. About 80 persons took part in the gift shower.

WHILE LEGISLATIVE ACTIVITIES were confined, in the main, to committee hearings last week, the spotlight turned for a moment to flood prevention works when a group of soil conservationists from over the nation came to the Capitol to urge more attention to the long-neglected subject of flood prevention. They were not asking for higher appropriations, but rather for more emphasis being placed on conserving the water near where it falls and thereby preventing the big floods that result from upstream overflows.

The group called on President Eisenhower, the Secretary of Agriculture, and then met with some 20 Congressmen in the House Agriculture Committee's hearing room.

There has been some pioneering in this field in recent years. Our West Texas area has been in the forefront in this regard. The Congress has authorized comprehensive flood-prevention programs in 11 areas over the nation, including two in Texas. One of these, known as the Middle Colorado River Watershed, authorized in 1945, covers an area in West Texas of 7,189 square miles. It includes watersheds of Pecan Bayou, Brady Creek, San Saba River and the area draining into the Colorado River between its confluence with the Concho River and the mouth of Pecan Creek.

Although handicapped by shortage of funds, this watershed program has much to show for its activities. Through local assistance, many dams have already been built, and many more are planned. In Coleman County hundreds of such retention dams have been constructed. Deep Creek, an unruly stream with wide valleys, which flows into the Colorado from McCullough and San Saba counties, will soon be practically free of flood damage by the dams that are being erected at strategic points in its watershed. It is already being looked upon as sort of model for other similar projects. The idea is to hold back the flood waters, then permit the water to escape gradually rather than all at one time.

An even more ambitious project is planned to harness the turbulent floods that periodically haunt the valleys and towns on Brady Creek. This project, mapped by Soil Conservation Engineers, is sponsored by landowners and public-spirited citizens. It calls for 42 retention dams, costing a total of around \$4,000,000. It would prevent floods, soil erosion and cause an increase in the underground water supply. This would add much to the economic value of the area.

To encourage and make such projects possible generally over the country, rather than in the 11 districts already authorized, Rep. Bob Poage of Waco is sponsoring a bill on the subject. The Poage bill has been introduced in the Senate by Senator Lyndon Johnson.

It looks like more emphasis on prevention, and less need for flood control, as the future battles against floods unfold.

GOOD CROWD ATTENDS BOOK REVIEW SUNDAY

A crowd of approximately seventy-five attend the review of the book "The Galilean" last Sunday afternoon. The review was sponsored by the W.S.C.S. of the Methodist Church, and they served following the book review.

The book by author Frank G. Slaughter, was about Mary. Mrs. Hefley did a splendid job of the review was the consensus of opinion.

Lee Roy Randolph of Snyder, who was seriously hurt in a car accident east of here last month, has been removed to the Veterans Hospital in Big Spring. Randolph is a brother of Mrs. Taylor Garrett. He was improving as well as was expected, when he was moved last Saturday. Lowe's ambulance took him to the Big Spring V.A. hospital.

FORT WORTH—Fat lambs advanced at Fort Worth in the opening session this week, reflecting the strength of the dressed meat trade for that item in the Eastern States. Feeders were steady to weak, and yearlings and older sheep were in small supply and drew firm prices.

Hog runs all around the market circle were again far below a year ago, and pork product prices were stronger, and this was responsible for a 25 to 50-cent advance Monday on top hogs and sows drew strong prices. Top hogs sold for \$21.25 to \$21.75. Sows drew \$16.50 to \$19.50. Pigs were quotable around \$12 to \$17.

Most classes of cattle and calves ruled steady, except fed steers and yearlings, which sold weak to 50 cents lower. Heavier weight steers were under the most pressure. Stocker trade was extremely narrow again.

Numerous shipments of cattle afflicted with hyperkeratosis (X-disease) were again in the run and sold for immediate slaughter.

Good and choice fed steers and yearlings cashed at \$19 to \$22.50, a load of 1,230-lb. steers from Jim Hubbard of Lancaster at \$21, and some 811-lb. cattle from M. E. Harrison of Buyers at \$19.25. A load of 1,029-lb. steers from Throckmorton sold for \$20.25. Two loads of Oklahoma steers drew \$22.25. Common and medium offerings sold for \$12 to \$19, some shells for less.

Fat cows sold from \$14 to \$16, with cutters and canners mostly from \$10 to \$13.50, some old shells for less. Bulls drew \$10 to \$18. Good and choice fat calves bulked at \$19 to \$22.50 and plain and

medium kinds sold from \$13 to \$19, with culls around \$10 to \$13. Stocker calves were quotable around \$23 down, and yearlings around \$22 down. Stocker cows sold from \$12 to \$18.

Good and choice fat lambs bulked at \$19 to \$22, a load of woolled lambs at 104-lbs. from the L. R. Allison Farms, Tornillo (El Paso County) at \$22. Clipped lambs with No. 1 and No. 2 pelts bulked at \$19 to \$20, some 105-lb. lambs from L. A. Bryson, Rochelle, at \$19.50. John H. Thaxton, San Saba, had 200 clipped lambs at 89-lbs. at \$20. Stocker and feeder lambs drew \$17 to \$20. Yearlings and two's sold from \$13 to \$17.50 and a few old ewes cashed at \$7 to \$10. Aged wethers drew \$12 down. Old bucks drew \$6.50 to \$8.
