City League Softball Results

The local Lions Club softball team beat the American Legion 16 to 12 here last Saturday night.

Getting runs for the Lions were Chapple 3, Stockton 2, Pete 2, H. Lawson 2, Stuckwith 1, Hopper 3, B. Blair 3, B. Bair got 5 hits, Hopper 4, Chapple 3 and Stockton 3.

Getting runs for the Legion were Loven 2, Dawson 1, Emery 3, Jake Martin 3, Barrett 2, D. Martin 1 and Fincher 1. T. Martin got 3 hits as did Emery and Barrett.

HEALTH TALKS

Prepared by the State Medical Association of Texas

"I think there must be something wrong with the old ticker!"

It ain't necessarily so. People who consult a doctor because they fear they have heart disease often find their symptoms are of little or no importance. Of course, their alertness is worthwhile because if heart disease is present, it is discovered in time for treatment to do the most good. Also, disease in other parts of the body may be disclosed.

A number of symptoms may point to or be confused with heart disease. The following is a partial list: rapid beating of the heart (palpitation), tiredness which is brought on easily, shortness of breath, pain in the heart and stomach region, fainting, dizziness, trembling, loss of feeling of swelling (edema) of parts of the body, or cold, clammy hands and feet.

Medical examination can reassure the patient he's all right if no disease is found or lead to early treatment if it is. Prompt, correct treatment of heart ailments in most cases adds years to the life span and permits the patient to lead a happier, more useful life.

Several procedures are indispensable to the doctor in examination of the patient with suspected heart disease. First, as in other diseases, the medical history and physical examination are of utmost importance; the patient's complaints contribute much to a correct diagnosis. Several machines give precise information about the heart. The electrocardiograph traces a pattern of the heart's action. With the x-ray machine may be seen the size and shape of the heart, appearance of the heart's chambers and valves, and perhaps defects of the heart and nearby blood vessels. Dyes or opaque substances that will cast an x-ray shadow can be injected into the veins; when they reach the heart, its parts can be seen clearly and in great detail. Interpreting the results of the many varieties of tests made with these machines requires much skill. Some diagnostic methods can be carried out only with the use of special equipment and medical teams that include heart specialists (cardiologists).

The two chief causes of heart disease are rheumatic fever and high blood pressure (hypertension.) The former attacks chiefly children and young adults; the latter more mature persons, usually 30 years and older.

In the South, rheumatic fever is less common and usually strikes in a milder form. In fact, its mildness may cause its early symptoms to be overlooked completely, with the first evidence lying in a damaged heart. All victims do not have this complication, however. Doctors have noticed that rheumatic fever almost always follows a "strep" infection, such as "strep throat", tonsillitis, erysipelas, scarlet fever, or middle ear infection. If the attack is mild, the usual symptoms of hot swollen joints may easily be taken for "growing pains."

Children who have one attack of rheumatic fever are highly susceptible to subsequent attacks when exposed again to the "strep" germ. Therefore, medical advice is to guard them in every way possible by isolating them from those who may have "strep" infections.

High blood pressure usually yields to conservative medical measures, such as diet, rest and drugs. Many new safe and effective drugs have been perfected. Several operations performed on carefully selected patients have given good results. One is the removal of a diseased or deformed kidney which is known definitely to be responsible for the hypertension. Another, cal-

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week include—

Mrs. Malinda Mitchell
D. P. Glass.
Dismissals since Thursday of last week include—
Mrs. Caroline Estrada and infant son, Enrique, born June 25.
Mrs. Claude Collins
Mrs. T. Garcia.

GOVERNMENT LIST OF FEEDS AVAILABLE AT COUNTY AGENT'S OFFICE

A list of surplus hay and grain commodities for sale in Texas has been posted on the bulletin board in the County Agent's office.

The list contains such commodities as cottonseed meal (stored in Texas by CCC—must order minimum of 20 tons), alfalfa, Johnson grass and prairie hay, grain sorghums, oats, barley, corn and other feeds. The list includes the approximate amounts available, the cost and the county in which it is available.

Anyone interested in the above is invited to inspect this list.

Houston Guests

Mr. and Mrs. R. P. Brown had as their guests last week Mrs. Milton Peery and children, Jennie, Mark, Mary and Marjorie of Houston. Mrs. Peery is Mrs. Brown's niece. While here they made a trip to Del Rio and into Old Mexico. Mr. and Mrs. Brown left Tuesday to take them to Kossee to visit with the children's grandparents, Mr. and Mrs. E. E. Young The Browns returned Wednesday.

Visits in Houston

Mrs. T. S. Foster visited the T. A. Revells in Houston over the week-end, returning home Monday. On Saturday, Mrs. Revell and Mrs. Foster met Mrs. George Hughes and daughter, Geraldine at the Sky Terrace at Sakonitz for lunch and saw a style show. Mrs. Hughes was Mrs. Noble Ballou when she lived in Sterling.

On Sunday, Mrs. Foster, Mr. Revell and little daughter, Trinamarie drove over to Galveston to see the sights.

J. I. Murtishaw, father of Mrs. Lee Augustine, has been critically ill. He is now at the home of his daughter here.

J. S. Cole, vice-president of the bank, is taking his vacation.

QUITS GROCERY BUSINESS

F. W. Cole of the Cole Bros. Grocery here sold out and quit business this week. He plans to retire and stay here where he owns his home.

Mr. Cole, who has been running the business here for 23 years, sold his stock out to customers and that part that was left was taken by H. A. Chapple.

Mrs. J. P. Lester returned home Tuesday following a month spent in Vernon and Dallas. She visited her mother, Mrs. V. H. Weekley, in Vernon and while there, one of her uncle's died, Oscar Dorsey. After-her Vernon visit, she spent a few days in Dallas on business. Son Bobby Lester stayed in Vernon to stay for the summer.

Mrs. Mildred Emery and son, Jodie, have been visiting Mrs. Emery's parents, Mr. and Mrs. H. S. Simpson, in Evant.

Barn Burns Tuesday

The barn at the home place of Mrs. Homer Pearce burned to the ground Tuesday afternoon of this week. Contents, consisting of stored items from the house and former Pearce Electric Co. burned.

led "sympathecomy" is removal of part of the nervous system, two chains of nerves running along each side of the spinal column. Not entirely essential to life, these nerves supply the heart, glands, smooth muscles, and small blood vessels of the body.

Early detection of heart disease and correct treatment means that most patients with heart ailments can look forward to a longer, more satisfying life.

Attend State Highway Commission Session

County Judge G. C. Murrell and three county commissioners attended a session of the State Highway Commission in Austin Tuesday of this week. Commissioners attending were Roy Foster, Ralph Davis and Dayton Barrett.

The commission told the group that the bridge on the Concho for the road to Barnhart would be put up for construction bids in about two and one-half months. An aerial survey of the proposed road from here to Barnhart is to be made right away.

Any hopes of a speedy start on the proposed paving was dimmed by the commission.

Phillips-Carleton Wedding in Ozona

In a candlelight ceremony at 8 o'clock Saturday evening in the 1st Baptist Church of Ozona, Miss Corine Phillips, daughter of Mr. and Mrs. Arthur Byrd Phillips of Ozona, became the bride of Alfred Townes Carleton, Jr. of Midland, son of Mr. and Mrs. Alfred Townes Carleton of Houston.

The Rev. Blake Woolbright, pastor, read the double-ring vows before a background of white gladioli, asters and tall candelabras holding white tapers. The altar rail was banked with smilax and white asters.

Mrs. Dorbandt J. Barton sang vocal selections, accompanied by Mrs. R. A. Harrell, who also played traditional wedding music.

Candles were lighted by Misses Jane Adams of Ozona and Ginger Lane of Sterling City, cousins of the bride.

Mr. Phillips gave his daughter in marriage. She wore a white nylon tulle and imported Chantilly lace gown. It fitted bodice featured a wide portrait neckline, long fitted sleeves, and small covered buttons extending to the waistline. Layers of tulle formed the very buoyant skirt which extended into a wide fan-shaped train. Her chapel-length veil of two-tiered illusion was caught to a small cap of Chantilly lace embroidered with seed pearls. Her Colonial bouquet was a white orchid encircled with lilies of the valley and stephanotis.

Mrs. John R. Hunnicutt of Brownfield, cousin of the bride, was matron of honor. Bridesmaids were Misses Mary Ann Butz of Fort Stockton, Elizabeth Ann Cowden of Midland, Mrs. Roy H. Reynolds Jr of Austin, sister of the bridegroom, and Mrs. J. Thomas Frye of Dallas. Diane Phillips, sister of the bride, was junior bridesmaid.

The attendants were gowned in pale lime green nylon net fashioned with draped strapless bodices and small bandeaux were of matching net, and their Colonial nosegays were of shasta daisies, yellow net, and streamers.

Grayson W. Anderson of Houston was best man. Ushers and groomsmen were W. James McAnelly, James B. Beale, and Walter Poole Jr., all of Houston, W. B. Newberry and J. Cecil Rhodes of Midland and Arthur Byrd Phillips Jr., of Pumpville, brother of the bride.

At the reception following in the Phillips home Mrs. D. K. Durham of San Angelo and Mrs. D. T. Barton of Fort Stockton served cake. Mrs. F. J. Barrett of Del Rio and Mrs. Ray Lane of Sterling City presided at the punch service. Guests were registered by Mrs. Edwin Simon of Tyler and Miss Martha Woolverton of Houston. Miss Mary Jo Ward played background music.

The couple left for a two-week trip to Mexico following the reception.

Mrs. Carleton was graduated from Ozona High School, Gulf Park College at Gulfport, Miss and the University of Texas. Mr. Carleton is a graduate of the University of Texas where he received his master's degree in geology. He is a geologist with the Ohio Oil Co. in Midland where the couple will reside.

Attending the wedding from here were Mrs. C. N. Crawford, Glen Crawford, Mr. and Mrs. Ray Lane and Ginger, Mrs. James McEntire, Mr. and Mrs. Bill Cole, Mr. and Mrs. Neal J. Reed and Mr. and Mrs. Dean Johnson.

The Hal Knights returned home last week-end from a vacation trip in which they toured the southern states.

July 4th Holiday

Saturday of next week, the fourth of July, will be observed here as a holiday. It is one of the holidays designated by the committee as one of the holidays. Merchants, the offices in the courthouse, the bank and post office, will be closed.

The remaining holidays for this year include Armistice Day, Thanksgiving and Christmas.

Wyckoff-Watts Wedding In California

Miss Paula Wyckoff, daughter of Mrs. J. Edward Wyckoff and the late J. Edward Wyckoff, was married to Mr. Billy Gene Watts, son of Mr. and Mrs. Ernest Watts of Oklahoma City, Okla. in a candlelight ceremony solemnized in the First Baptist Church, Novato, Calif. at 7:00 p.m., June 17. The Rev. Fulfer, pastor, performed the double ring ceremony.

The bride was given in marriage by Capt. Harvey Gipple, close friend of the couple.

The bride wore an antique ivory gown of Chantilly lace and nylon illusion. The dress was waltz length, and her finger tip veil was of ivory illusion, with a halo of natural stephanotis blooms. She wore matching lace mits. Her bouquet was a shower of off-white roses and stephanotis.

Rosemary Kreuger of San Angelo, Texas, was maid of honor. She wore a moss green net, ballner-length gown, and her halo was of orchid and white sweet peas. Her bouquet was an old fashioned nosegay of orchid sweet peas and carnations.

Sgt. John Bailey of Hamilton Air Force Base was best man.

Mrs. Irene Hook, organist, played pre-nuptial music and accompanied Miss Gladys Farrell, vocalist, in "Because" and the "Lord's Prayer."

The church was decorated with green, white and yellow, the bride's chosen colors, green ivy forming a solid background for the candelabra of yellow candles. Tall baskets of gladioli, stock and asters, were placed on each side.

The mother of the bride, Mrs. J. E. Wyckoff, wore green lace gown with an orchid corsage. Mrs. Ernest Watts, mother of the groom was dressed in an orchid lace gown with a cream colored rose corsage.

Following the ceremony, a reception was held in the home of the bride at 1950 Center Lane, Novato, Calif. The wedding cake was the open book type. Mrs. Eunice Hornsby served punch, and Mrs. N. R. Gibson, sister of the groom, presided at the cake.

For going away, the bride wore a rose-orchid suit, trimmed in white, with black accessories. She wore a white gardenia corsage. Her hat was covered in flowers to match her suit.

The couple left on a wedding trip to Los Angeles, Hollywood and Palm Springs. The groom is stationed at Hamilton Field, and it is there that the couple will make their home.

Mrs. Eunice Hornsby and Mrs. Angie Bryan of San Rafael, Calif. entertained Miss Paula Wyckoff bride-elect of Sgt. Billy Gene Watts, with a bridal shower on Thursday, June 11 at the Bryant home in San Rafael. About 25 guests were present.

A rehearsal dinner was held on the evening of June 15 at the bride's home, 1650 Center Lane, Novato.

STATE SOIL CONSERVATION MAN HERE FRIDAY

V. C. Marshall, Executive Director of the State Soil Conservation Board has announced a meeting to be held in the Sterling County Courthouse Friday, June 26, at 2:00 p.m.

State Board Field Representative Heizer will conduct the meeting, which is being held to explain House Bill 163 to District Supervisors.

This is the law under which supervisors will administer state appropriated funds for the next biennium.

All persons interested in attending this meeting are invited by the North Concho River Soil Conservation District Board of Supervisors.

The O. D. Emerys of Weslaco are here visiting Mrs. W. L. Emery and other relatives. They along with Jimmy Ray of Abernathy and Jodie Emery, went to the Carlsbad Caverns this week, returning Thursday.

ALUMNI BANQUET--DANCE HERE TONIGHT

The annual Sterling Alumni Banquet and Dance will be held here in Sterling City tonight. The banquet is to be held in the community center and the dance will be held outdoors on the tennis courts at the school.

At the banquet Chapple Murrell will give the invocation. Mrs. David Glass, this year's president, will give the welcome address. A welcome to the class of 1953 will be given by Mrs. Charlie Davis and Charlie Davis will respond for the class of '53. Henry Bliznak is scheduled to give some vocal numbers. The history of the association is to be given by Sue Lowe. Following the school song, business and such matters, the group will adjourn by singing Auld Lang Syne.

The menu for the banquet is V8 cocktail, cold sliced turkey, macaroni and cheese, asparagus salad, hot rolls, strawberries and Angel cake, and iced tea.

Officers for 1953 are as follows: Pres.—Mrs. David Glass
V.-Pres.—Mrs. Tommy Foster
Secretary—Worth Durham
Treasurer—Miss Sue Nelson
Historian—Miss Sue Lowe

The dance committee for this year is composed of Forrest Foster and Henry Bliznak. The band for the dance tonight is the one called Four Jacks and A Queen from San Angelo with George Eason at the piano.

The nominating committee to select the officers for next year is composed of Ross Foster, Mrs. Bill Cole and Ewing McEntire.

Still Time for Reservations

Mrs. David Glass, president of the association said that last minute reservations to the banquet would be welcome and urged that all alumni to come, even at the last minute. The dance is open for couples to the last minute, too. Anyone may attend the dance, even though not an alumni.

The banquet will be served by Sterling High School homemaking girls: Barba Dunn, Wanda Williams, Jennie Ruth Davis, Celia Hanson, Esther Bird, Jane and Nettie Gartman, Glenda Sparks, Betty Dunn and Barbara Simmons.

REUNION HELD SUNDAY ANNUAL MARTIN FAMILY

The annual family reunion for the R. E. Martin family was held Sunday at Water Valley in the park on the river. All the children were present except W. L. Martin and wife, four grandsons, 3 great grandsons and 2 grand daughters. Three generations were represented.

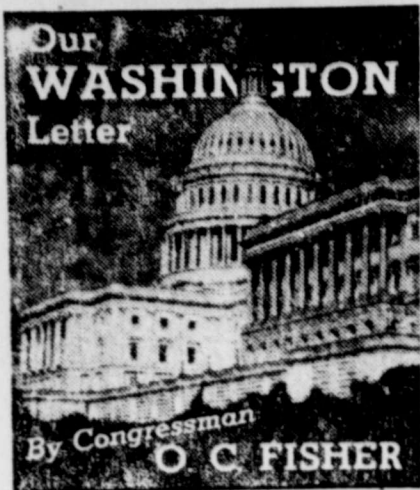

Present were Mrs. Ruby Martin, Mrs. Bobby Martin and Denise, Mr. and Mrs. James Tidwell and son, Steven, all of Big Spring; Mrs. Opal Griffin of Corpus Christi; W. E. Wilson of Gorman; F. W. Fletcher of Comanche, Mr. and Mrs. George Keessee of Bakersfield, Texas; Inez Gartmann of Robert Lee; Mr. and Mrs. Glyn Thomason, Dewain, Pat and Bobby of Colorado City; Jake Martin and daughter, Patsy of Sterling City; Don and Thomas Earl Martin of Sterling City; Mr. and Mrs. T. A. Gartman, Louie, Jane, Nettie, Robert and Bonnie, all of Sterling City; Mr. and Mrs. B. D. Gartman and Annice of Robert Lee; Mrs. Earl Hodges of Sterling City; Mr. and Mrs. Clinton Hodges of Sterling City; Mr. and Mrs. Roy Martin of Sterling City; Lynda Nation of Robert Lee, Clara Tindall of Sterling City and Mr. and Mrs. R. E. Martin of Sterling City.

M. W. SMITH HONORED

Father's Day was observed in the home of Mrs. Daisy Smith, honoring her father, M. W. Smith. Mr. Smith is 73 years old, and was born in Davis, Iowa, December 3, 1879.

Four of nine children were present. They were Mrs. John Blair of Tankersley, Mrs. Sam Simmons, C. W. Smith and Mrs. Daisy Smith, all of Sterling City.

Others present were Mr. and Mrs. M. W. Smith, Mr. and Mrs. Bruce Crain and Zenolia of Ackerly, Mr. and Mrs. John Blair and Billie of Tankersley, Mr. and Mrs. Durwood Crain and Carrol of Big Spring, Mr. and Mrs. R. T. Smith, Jr., Larry and Linda of Big Spring, Mr. and Mrs. Sam Simmons, Barbara and Wanda, Mr. and Mrs. C. W. Smith and Gene Smith, all of Sterling.

MUCH OF SOUTHWEST TEJAS is suffering from the drouth to an extent never before experienced in history. After four continuous years of low rainfall there is little left for a good many except parched lands, accumulated debts, over-due feed bills and high taxes. I know of ranchmen who have been feeding every head of their livestock continuously for more than three years. Few people outside of those who are in the midst of it can realize how serious the problem has become.

In an attempt to provide some aid to alleviate the conditions, a number of us from stricken areas have met with the House Agriculture Committee and government officials in an attempt to paint the true picture of what so many of our people are actually faced with. For immediate relief we have urged:

1. Sale of cottonseed feed prod-

ucts from government stocks at reduced prices in the disaster area.

2. A study of a more realistic credit program by lending agencies and additional legislation from the Agriculture committee if present laws on the subject should be inadequate.

As this is being written the Budget Bureau (which is really an agency of the White House) is studying procedure and policy. That was worked out last year when the government hay program was put into effect. But the administrations have changed and more green lights are required by the government policy makers in order to get a protein feed project put into operation. We should know within a day or so just what to expect from that approach.

Cattle growers in the Uvalde area have suggested that the Government buy two million head of cows, slaughter them and can the meat for the school lunch program. There seems to me to be merit in this suggestion, although I doubt that the slaughter of two million would help very much. Perhaps twice that number would be more likely to stabilize numbers with market demand. The meat could be canned and stored and the best possible use made of it in the future. The Administration attitude on this suggestion is being sought. Legislation would probably be necessary. On the projects of this nature there is always considerable opposition. There are now more than 94 million cattle in this country, according to the department of Agriculture. The

number is in excess of normal needs of consumers and has resulted in a nose dive in cattle prices during the past 12 or 18 months.

AMONG RECENT VISITORS to our office have been Capt. A. W. Saunders of Sonora; Mr. and Mrs. George R. Hopson and daughter, Daphne of San Angelo; Mrs. Robert M. Nance of San Angelo; Mrs. Jim Daniel, Misses Sue and Patsy Daniel, Jim Daniel, Jr., Mrs. Houston Callan and Mrs. Nellie Miller, all of Eden; Lt. Donald Shield of Coleman; Major George Northington of Lampasas; Lt. Jack Stevens of Kerrville; and Charles South of Dallas and Coleman.

Capt. Saunders, who is making a career in the Air Force, is now stationed at Carswell Field in Ft. Worth. Jim Daniel is in Uncle Sam's army, stationed near Washington. Lt. Shield, an Annapolis graduate, just completed a tour of sea duty and was en route to Oregon for an assignment; Lt. Stevens also an Annapolis graduate, is stationed in Dallas; Maj. Northington is with the Air Research and Development branch, stationed near Baltimore; Mr. South is head of RFC in Dallas.

WANTED—Telephone operators. Experienced ones preferred. See D. J. Norton, San Angelo Telephone Company, Sterling City, Texas.

Mr. and Mrs. Charles Harris and little daughter, Jill, of Amarillo, were guests at the home of Mrs. D. C. Durham and the Roy Morgans last week.

FOR SALE—Little storage house, well built and priced right.

This advertisement is the third in a special series which began over a year ago, and which is designed to give you, as a prospective buyer, detailed and helpful information. We'd be happy to have your comments about this type of advertisement.

This is the 1933 Chevrolet 4-Door Sedan. It's one of 16 Chevrolet models in 3 series, which add up to the widest choice in the low-price field.

Some Chevrolet advantages worth considering when you're ready to choose a car...

Next to a new house, a car is probably your most important purchase. Here are some facts to help you make up your mind about which make to buy.

Don't you agree that it's well worthwhile to weigh all the factors carefully before you buy any new car? Let's consider the major reasons why people choose one make over another and see how the 1933 Chevrolet stands in those respects.

Styling You Can Stay Proud Of

Styling, of course, is a matter of personal taste. Because we think Chevrolet is the best-looking car in its field, doesn't necessarily mean you'll think so, too. But we can tell you that the majority of our showroom visitors prefer Chevrolet styling and compare its appearance most favorably with cars costing a great deal more.

And you might consider this: Chevrolet styling is the newest in its field. It's the kind of styling that stays new, too. For it is based, not on fads or extremes, but on the fundamentals of good, modern design.

The One Automobile Body Almost Everybody Knows

It's not really surprising that so many people prefer Chevrolet's appearance. For Chevrolet is the only low-priced car with Body by Fisher. And Fisher, as you know, is the only automobile

body manufacturer with a world-wide reputation for styling, craftsmanship and quality.

The Many Benefits of High-Compression Power

When you drive a new Chevrolet (and we hope you'll do that soon), you'll notice these things: faster acceleration from a standing start; greater passing ability in traffic and on the highway; the new ease with which you climb steep hills.

These are just some of the benefits of Chevrolet's new high-compression power. In gearshift models, there is an advanced 108-h.p. "Thrift-King" engine with a 7.1 to 1 compression ratio. Teamed with the new Powerglide automatic transmission* is an entirely new 115-h.p. "Blue-Flame" engine with 7.5 to 1 compression ratio. It is the most powerful engine in Chevrolet's field.

A Great Gain in Gasoline Economy

Along with remarkable new performance, Chevrolet's advanced engines give you far greater gasoline mileage. In fact, this year marks the most important gain in economy in Chevrolet history. And that includes sub-

stantial savings on over-all upkeep, as well as on gasoline.

New Getaway in the New Powerglide*

The new Powerglide automatically drops into "Low" range for starting and for passing in city traffic. Then, as you glide along, it slips smoothly and almost imperceptibly into cruising range. The results are much faster and more positive acceleration, and much lower fuel consumption.

The First Power Steering in a Low-Priced Car

This year's Chevrolet is the only car in its field to offer you the extra ease and convenience of Power Steering, optional at extra cost. With it, you can spin the wheel with the strength of one finger. You can seesaw in and out of tight parking places without the slightest strain. You get an additional cushion against road shocks and jars. Driving is easier, safer.

A Smoother and a Safer Ride

Chevrolet is the heaviest low-priced car. Model for model, a Chevrolet will weigh as much as 200 pounds more than the other makes. You often hear people say they buy high-priced cars because they're heavier, hold the road better and ride better. Well, isn't it logical, then, that Chevrolet's extra weight (which comes from extra strength of body and frame) would result in a better ride?

Chevrolet is the Lowest-Priced Line

Certainly, price is one of the most important factors of all. We're glad to be able to tell you that Chevrolet is the lowest-priced line in its field.

Now, you might well ask, "How can Chevrolet offer me more and still cost less?" There is a simple, logical answer to that.

Remember that Chevrolet builds more cars than any other manufacturer. Chevrolet, along with General Motors, has greater facilities for research, for engineering and production. So, isn't it reasonable that these greater facilities bring manufacturing advantages and economies which Chevrolet can pass on to you in terms of higher quality at lower price?

An Endorsement Given No Other Car

Again this year, more people are buying Chevrolets than any other car. Obviously that wouldn't be true unless people liked Chevrolet better. Unless Chevrolet offered more things people want—more value.

So, when you're ready to choose your new car, wouldn't you agree that Chevrolet merits your careful consideration? We welcome your visit at any time, so that you can look the car over yourself and try it out on the road.

*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission optional on "Two-Ten" and Bel Air models at extra cost.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Fort Worth—Some improvement in the activity on cattle and calves, and considerably better prices on sheep and lambs were the rule at Fort Worth Monday. Stronger demand from buyers from outside the state as well as the local buyers made the difference. Lighter supplies of livestock around the market circle also were a favorable factor.

Good and choice fed steers and yearlings cashed at \$17 to \$23, some choice fed steers averaging about 950 lbs. from McClung Land and Cattle Company, Johnson County at \$23, and some 596 lb. yearlings from W. W. Gilbreath of Dublin (Erath Co.) at \$23. B. T. Hill, Martin County, had a load of well-fitted 813 lb. yearlings at \$22.50 and I. S. Scott, Castro County, had a similar load averaging 676 lbs. at \$22.50. Common and medium slaughter steers and yearlings sold from \$9 to \$16, a load of fleshy feeders at 1,030 lbs. from Herman Mitchell of Wichita County at \$15. About three loads of 725 lb. brahmans sold for \$10.50. D. L. Powers, Jack County, had a load at 758 lbs. at \$13.50. Rannie yearlings ranged at \$5 to \$8.

Fat cows sold for \$3.50 to \$11.50, a few heiferettes to \$12 and above, Silas Byrd, Blanket, Texas, had some odd cows including a fancy fat one at 1,245 lbs. at \$12.50. Geo. M. Rucker, Montague Co., had a load of \$17.50 yearlings at 437 lbs. and some odd cows including odds at \$10, \$11 and \$12. Canerns and cutters drew \$5 to \$8.50. Bulls sold from \$7 to \$12.50, a few to \$13, like the top bulls sent in by Don Mitchell of Bryson, O. L. Matlock of Antelope, and Chas. Blackman of Clay County.

Good and fat choice fat calves drew \$14 to \$18, a few baby beef kinds over 500 lbs. to \$20 and above. Common and medium kinds \$8 to \$13, with culls \$5 to \$8. Stocker steer calves drew \$10 to \$17, three loads at \$19 from Naud Burnett of Greenville averaging 467 lbs. the day's top. Heifers off these averag-

ed 457 drew \$17.50 for slaughter. Yearlings sold around \$15 down. Fat Spring lambs, good and choice, drew \$17 to \$23, with common to medium from \$10 to \$15, and culls from \$5 to \$10. Yearlings sold from \$15 down, feeder yearlings at \$13.50 down. Feeder Spring lambs drew \$10 to \$16. Old ewes cashed at \$3 to \$4.50. Old wethers sold at \$8 down. Old bucks sold around \$2 to \$2.50. Top hogs sold at \$23.75 to \$24, and sows cashed at \$18 to \$21.

When you need paper drinking cups or dispensers, see and buy them at the News-Record.

THANKS TO PATRONS

I wish to express my deep appreciation to all who have given me their business throughout my twenty-eight years in the grocery business. I am grateful to the many who helped me to dispose of my stock very rapidly and to Mr. Chaple who relieved me of the remainder.

Sincerely,
COLE BROS.
By F. W. Cole.

"THE PERFECT HUSBAND" **
James Hilton tells the true love story of one of England's greatest Prime Ministers. It's the moving story of Benjamin Disraeli, the brilliant statesman and close friend of Queen Victoria—a man who married for money and then fell in love with his wife! Look for it in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

SEPTIC TANKS & CESSPOOLS CHEMICALLY CLEANED

- GOODBYE TO PUMPING
- DISSOLVES TREE ROOTS
- ELIMINATES DIGGING
- DISSOLVES GREASE
- NO MORE ODORS

IT'S MODERN... REVOLUTIONARY!

No more expensive unhealthy pumping and digging up of cesspools, septic tanks, seepage pools, grease traps and clogged lines.

Here's the most reliable and latest method to liquefy, dissolve and saponify grease, sludge, hair, cloth and other organic matter.

This modern chemical guarantees quick and efficient results in 12 to 18 hours. NO SHUTDOWN of pool or tank necessary while chemical is working.

Goodfellow Field Group To Be Here July 2

A group of military personnel from Goodfellow Air Force Base, San Angelo, will pay a friendly call to Sterling City on Thursday, July 2, to advertise a gala three day carnival to be held at the Base on July 3, 4, and 5.

Funds raised by the carnival have been earmarked to build a swimming pool for military and civilian personnel at the Base.

Highlight of the three day affair will be the awarding of 104 valuable gifts, headed by two 1953 model automobiles—a Buick Roadmaster Riviera and a British-made Jowett Javelin sports car. The two cars will be on exhibit here during the visit by the Goodfellow contingent.

The carnival will open Friday July 3, with a beauty contest—the contestants including representatives of various civic organizations in San Angelo and vicinity.

Saturday's program, July 4, will feature a gigantic fireworks display and an address by Texas Representative Martin Dies.

Gifts will be awarded the final day, July 5, and winners need not be present to be eligible for the prizes.

Other attractions include a Bingo game to be held in the air-conditioned Cadet Dining Room where 200 players can be accommodated. The prize list includes television sets, bicycles, radios, radio-phonographs, and a host of other valuable gifts.

A stages show, "The Follies", will be presented three times daily during the carnival in addition to an open air dance each night on the tennis courts.

Admission to the carnival is free, and plenty of parking space has been set aside for all participants.

The carnival will open at 10 a.m. and close at midnight each day.

By JANE ASHLEY

Families rate fruit shortcakes "tops" for dessert! And since we are coming into the peak strawberry season, every homemaker should save this recipe for a rich, easy-to-make shortcake.

- Strawberry Shortcakes**
- 2 cups sifted all-purpose flour
 - 2 teaspoons baking powder
 - 2 tablespoons sugar
 - 1 teaspoon salt
 - 1 egg
 - 1/2 cup Mazola Salad Oil
 - Milk
 - Strawberries, sweetened to taste
 - Whipped cream

Mix and sift dry ingredients together. Add egg to salad oil in measuring cup. Pour in milk to make 1 cup total liquid. Then pour at once over entire surface of flour mixture. Mix with fork to make a soft dough. Shape lightly with hands to make a round ball. Place on wax paper and knead lightly ten times or until smooth. Roll out to 1/2-inch thickness or roll between 2 squares wax paper (about 12 inches square). Remove top sheet of paper; cut shortcakes with unfloured 2 1/2-inch cutter. Place on ungreased baking sheet. Bake in hot oven (450° F.) 12 to 15 minutes. Split shortcakes with a fork, while still warm. Spread fruit between layers and on top. (Use any fresh, frozen or canned fruit, as desired.) Serve with sweetened whipped cream. Makes 8 shortcakes.

FOR ATHLETE'S FOOT USE A KERATOLYTIC BECAUSE—

It SLOUGHS OFF the tainted outer skin to expose buried fungi and kills it on contact. Get this STRONG keratolytic fungicide, T-4-L, at any drug store. It not pleased in ONE HOUR, your 40c back Now at — LONG DRUG COMPANY

A Unique Collection of RARE BIRDS

... Of the genus *Commonosa Eroneous*, often observed breaking the rules of telephone courtesy. Watch for them ... Their calls are easily recognized.

The Swivel-Headed Tern

The call of this rare bird is a faint, inaudible whisper delivered in all directions except into the telephone receiver.

The Night-Calling Wrongbird

His call—generally in the dead of night—often goes astray, for he never consults a directory.

The Long-Winded Chitchat

Roosts on party lines for hours at a time—often attempts to call while other party is using line.

The Three-Ringed Rush

When calling, lets phone ring only briefly before hanging up ... when called, lets phone ring indefinitely before answering.

The Deep-Throated Word Garbler

His call is either a shout or a mumble, but never in normal conversational tone. ... always impossible to understand.
