STERLING EAGLES BEAT DIVIDE 31-7; TO CHRISTOVAL TONIGHT

The Sterling City Eagles scored consistently in all four quarters last Friday night for a 31-7 victory over the Divide Trojans in a District 7 six-man football game.

Marshall Blair, Sterling City full-back, scored all five touchdowns for the Eagles. Earl Blair made one extra point.

Carl Aston scored Divide's touchdown on a 35-yard run after picking up a fumble.

Rainy weather prevailed throughout the game.

Play Christoval Tonight There

The Eagles journey to Christoval tonight for the next to the last game on the schedule. Christoval has not shown much in district play this year, and it is expected that the local boys will wrap up another win.

Friday, the 13th, the final game with Blackwell, will take place on the Eagle field here.

Lovern to Preach For Methodist Revival Here November 15-20

Dr. J. Chess Lovern, pastor of the Laurel Heights Methodist Church in San Antonio, will be the preacher for a revival meeting at the First Methodist Church beginning Sunday evening, November 15 and continuing through Friday, November 20. Services will be held each evening at 7:00 p.m.

There will also be an early morning meeting each day, Monday through Friday from 7:00 to 8:00 a.m. These meetings will begin with a fellowship hour at which time coffee and sweet rolls or doughnuts will be served; they will conclude with a devotional service with Dr. Lovern speaking.

Though he has spent most of his ministry in South Texas, Dr. Lovern is no stranger to West Texans. His first appointment upon graduation from the School of Theology of Southern Methodist University in 1935 was as associate pastor of the First Methodist Church in San Angelo; while there, he had occasion to speak in Sterling City on a number of occasions. More recently, he has for the past three years, been the Methodist preacher at the Bloys Camp Meeting at Ft. Davis, and has an invitation to return again.

John Prude of Alpine will lead the singing for the opening service on Sunday evening, November 15. He has participated in former revivals at this church and is known by many Sterling City people. The pastor, Bruce Medford, will lead the singing during the remaining services.

The members of the Methodist Church extend an invitation to everyone to attend all these services. A nursery will be provided for small children at the evening services.

Mrs. Stockton died Thursday night of last week at the home of her son, W. E. Stockton of Forsan. The funeral arrangements were under the direction of Lowe Funeral Home of Sterling City.

Mrs. Stockton was born in Mississippi, November 19, 1868, and had lived in Sterling City since 1910.

Survivors are two daughters, Mrs. A. H. Fulcher of Midland and Mrs. H. H. Story of Forsan; three sons, W. E. Stockton of Forsan, G. B. Stockton of Sterling City and Ector Stockton of Colorado City; one brother, J. E. Cannon of Beeville; one sister, Mrs. M. B. Gannaway of Austin; 13 grandchildren; 10 great grandchildren; 15 nieces and eight nephews.

Pallbearers were L. B. McElrath of Forsan, H. H. Allard of Colorado City, and Perry Matthews, W. W. Durham, Henry Merrell, W. N. Reed, Taylor Garrett and S. M. Bailey, all of Sterling City.

The truck made a run and caught the blaze at its highest peak.

The club authorized Dr. Swann to proceed with the procuring of glasses for school children that needed them.

Fort Worth—The movement of cattle and calves to market in the United States reached a new high-water mark as the first market day of November became history last Monday.

Most observers had felt that probably the peak of the Fall runs had been reached a couple of weeks ago, and that numbers would moderate in the weeks ahead.

However, the Nation's 12 major livestock centers reported 162,600 cattle, nearly 35,000 more than a week ago on the same day. Monday's cattle runs more than 49,000 head above the same date a year ago.

The 12 major markets reported 33,000 calves, about 1,000 above a week ago, but 6,500 ahead of the same date last year.

The tops of the cattle market at Fort Worth was bearish from the outset and bids and sales of 50c to \$1 lower were the rule at Fort Worth with many sales fully \$1 below last week's close. Exception was choice stocker calves, which ruled steady.

Good and choice drylot fed steers and yearlings, cashed at \$17 to \$23, and common to medium grassers sold largely from \$9 to \$15.50. Some rannian kinds of yearlings and steers cashed at \$7 to \$9.

Fat cows sold mostly from \$9 to \$11 at Fort Worth, a few higher. Canners and cutters drew \$6 to \$9. Bulls sold from \$7 to \$11, with best heavies around \$12.

Good and choice slaughter calves sold largely at \$13 to \$16.50, and common to medium offerings drew \$9 to \$12, and cull sorts sold from \$7 to \$8.

Good and choice stocker steer calves sold from \$13 to \$17, a few at \$18.50. Stocker and feeder steers and yearlings sold from \$9 to \$15.50. Stocker cows drew \$8 to \$11.50.

Hog prices staged a mild rally, and top hogs sold at \$20.75 to \$21 at Fort Worth Monday on weights of 190 to 250 pounds. This was 25 to 50c above last week's close. Sows cashed at \$17.50 to \$19, or steady.

Sheep and lamb prices were stronger at Fort Worth Monday. The supply of desirable stocker and feeder lambs continues to be small and prices on them were 50 cents or more higher at Fort Worth Monday with some feeders sold in the \$14 to \$16.25 bracket. Good and choice fat lambs topped at \$17 to \$19, some lambs with Fall Shorn pelts at \$19. Low grade slaughter lambs drew \$10 to \$14.

Slaughter ewes sold from \$5 to \$6.50, and shorn slaughter yearlings drew \$12 to \$13. Old wethers sold from \$6 to \$8. Old bucks cashed at \$2.50 to \$3.

Since pelt credits will be used more and more in the market reports here is how they are listed: Fresh shorn, or No. 3 pelt—less than 1/4 inch of wool. No. 2 pelt—1/4 1/2 inch of wool. No. 1 pelt—1/2 to one inch of wool. Fall shorn or Summer shorn pelt—one inch to one and one-half inches of wool. Full wool, or Woolskin—over one and one-half inches of wool.

SEVEN INDICTMENTS BY GRAND JURY AS DISTRICT COURT OPEN

The grand jury returned seven indictments here Monday as district court convened.

Indicted were Alma Jean Bull Duffendak on a charge of second offense of DWI. Charles Lestine Moss also drew an indictment of DWI on a second offense.

Louis Burns was indicted twice on charges of worthless checking. One of the charges was on worthless checks passed to John Hamilton and another to B. J. Crossno, working for John Hamilton.

Johnnie Elroy Robinson was indicted on a charge of burglary on charges that he broke in and burgled the house occupied by Ralph Hines. The other two indictments concerned people not yet apprehended.

Serving on the grand jury were H. A. Chapple, foreman, R. T. Caperton, W. D. Farnsworth, Jim Hinchshaw, Taylor Garrett, Tommy Foster, Taylor Garrett, Charles Speck, Riley King, David Glass, Henry Bauer, L. C. McDonald and Pat Boatler. These three were dismissed when it developed that they were not needed: Harry Bradstreet, Bill J. Cole and Neal J. Reed. A. W. Dearen and R. M. Martin acted as bailiffs for the grand jury.

Judge Joe Mays is the judge of the 51st district court and Justin Kever is district attorney.

Petit Jury Summoned for Nov. 16

Judge Mays set for trial the cases on the criminal docket at 100 a.m. Monday, November 16.

Mays passed the civil case of O. N. Harris vs. Texas Employers Insurance Company to a later date, because Harris is serving in the U. S. Army overseas. He settled one case in a trespass to try title suit. There were no divorce or other civil suits on the docket.

School Holidays

The Sterling City school will observe next Wednesday, November 11, as a holiday, said superintendent O.T. Jones, this week. For Thanksgiving the school will let out Thursday and Friday, November 26 and 27.

For the Christmas holidays the school will turn out Friday afternoon of December 18 and resume work on Monday, January 4.

Mrs. Barrett served the children and the decorations were Halloween. Coffee and cookies were served to the grownups.

Drizzly Rains This Week

Slight rains, sprinkles and fogs and drizzles have marked most of this week. No appreciable amount of rain has fallen in Sterling City or the county at the time this paper was printed (Thursday afternoon). Parts of Texas have gotten good rains.

Senior Bake Sale Saturday

The senior class of Sterling City High School will have a bake sale this Saturday morning, November 7, it was announced this week.

The sale will be held in the lobby of the Palace Theater and will begin at 10 a.m. Cakes, pies and candy will be sold, said a spokesman for the class.

SATURDAY IS POPPY DAY

Remember, next Saturday, November 7, is Poppy Day. The local American Legion Auxiliary is to sponsor the sale of poppies all day here, reminds Mrs. Harold Emery.

KENT JONES' WINNING ESSAY ON "WHAT AMERICA MEANS TO ME"

(Note—This essay of Kent's won first place in the high school contest on "What America Means to Me.")

When our forefathers came to America, there was very little intention of actually breaking with England. During that time the colonies could not have survived the hardships and many privations that were thrust upon them without the aid of the Mother Country.

But as time went on, the young colonies grew restless and tired of the chains which held them to England. They were like a child growing up. As a small young group, they did not resent the small taxes and orders that were sent to them from England. But later on they became like a child reaching adulthood. They felt that they no longer needed the guidance and restrictions of their Mother Country. They wanted to be free to make their own choices, for better or for worse. Thus were sown the first seeds of the beginning of the American Revolution.

I think that the laws forced upon them were the main things that the colonies objected to. When the colonies would object to one of the Navigation Acts, for instance, England would only add another and more strict tax instead of taking away the first. It finally got to the stage that nearly everything the colonies used for trade had a tax upon it. England chose to reject the possibility that there were men in the colonies who were far seeing enough to conceive a nation in which there would be liberty and

justice for all. England chose to reject the possibility that there were men and women who would die, if necessary, to make these great things possible. England thought that the colonies should consider it a privilege to belong to her domain and never dreamed that such a small group would dare think of breaking away from her.

On July 4, 1776, thirteen small colonies in a new land broke away from the then most powerful country on the face of the earth. This was done by the writing of the immortal Declaration of Independence in Philadelphia at Independence Hall. One John Hancock was the first signer. The Declaration states of the desire for freedom of speech, trial by jury, freedom of religion, freedom of the press, and countless other inalienable rights. It states the desire for liberty and justice for all.

Soon after the Declaration of Independence came war with England. For four long years the colonies fought for freedom. In 1781, and with the help of France, General Cornwallis surrendered his British troops in Yorktown to our forces. Names like George Washington, Patrick Henry, Nathan Hale, and countless others will remain immortal to Americans as long as the world goes on. We owe to them what no one can repay. We owe to them our freedom.

After the war was won, the Articles of Federation was the ruling document which was used until 1787. The Articles did not prove to satisfactory and the Constitution was drawn up to take its place. Different amendments have been added at various times, but the main idea of the Constitution was for as many personal liberties as possible.

As a result of the Constitution two parties came into power. These

were the Federalists, which is now our Republican party and the Democratic-Republican, which is now our Democratic party. The Federalists favored a centralized government, and the Democratic-Republicans states rights to the maximum degree.

A few of the things that America means to me are freedom to express

yourself, freedom or religion, and mainly the freedom to live in this greatest of countries. I think that it is up to the young people of today to help keep the precious freedoms that our forefathers gave to us. For me this is the greatest thing that America has to offer. It is a challenge, an honor, and a privilege.

THE COW

The cow is a female quadruped with an alto voice and a countenance in which there is no guile. She collaborates with the pump in the production of a liquid called milk, provides the filler for hash, and at last is skinned by those she has benefitted, as mortals commonly are.

The young cow is called a calf, and is used in the manufacture of chicken salad.

The cow's tail is mounted aft and has a universal joint. It is used to disturb marauding flies, and the tassel on the end has a unique educational value. Persons who milk cows and come into contact with the tassel have vocabularies of peculiar and impressive force.

The cow has two stomachs. The one on the ground floor is used as a warehouse and has no other function. When this one is filled, the cow retires to a quiet place where her ill manners will occasion no comment and devotes herself to belching. The raw material thus conveyed for the second time to the interior of the face is pulverized and delivered to the auxiliary stomach. Then it is converted into cow.

The cow has no upper plate. All of her teeth are parked in the lower part of her face. This arrangement was perfected by an efficiency expert to keep her from gumming things up. As a result, she bites up and gums down.

The male cow is called bull and is lassoed in Texas, fought in Mexico and shot in Washington.

A slice of cow is worth 8 cents in the cow, 14 cents in the hands of the packers and \$2.40 at the nearest restaurant.

STERLING CITY WOMAN STRUCK BY CAR IN ANGELO

Mrs. Mary Belle Bengé, 71, of Sterling City is in serious condition at the Shannon Hospital in San Angelo late Wednesday, suffering from five broken ribs, fractured right pelvis and head lacerations.

She was struck by an automobile driven by Henry E. Alderman, 17, of San Angelo, at the Pulliam and Baze Sts. intersection at about 6:15 p.m.

The car was going east on Pulliam at a slow rate of speed when Mrs. Bengé apparently walked into its path, investigating officers reported.

I want to thank the Sterling Fire Department and everyone who helped in any way at the fire at my place Monday afternoon.

CHOCOLATE Cream Pie can take its place in the deluxe class of desserts any time, but what a bit of tender, moist shredded coconut can do in adding a "plus" in flavor and appearance will make you raise your eyebrows in pleased surprise!

Chocolate Coconut Cream Pie

3 squares unsweetened chocolate; 2½ cups milk; 1 cup sugar; 6 tablespoons flour; ½ teaspoon salt; 2 egg yolks, slightly beaten; 2 tablespoons butter or other shortening; 1 teaspoon vanilla; 1 baked 9-inch pie shell.

2 egg whites; 4 tablespoons sugar; ½ cup shredded coconut.

Add chocolate to milk and heat in double boiler. When chocolate is melted, beat with rotary egg beater until blended. Combine sugar, flour, and salt; add gradually to chocolate mixture and cook until thickened, stirring constantly; then continue cooking 10 minutes, stirring occasionally. Pour small amount of mixture over egg yolks, stirring vigorously; return to double boiler and cook 2 minutes longer. Add butter and vanilla and cool. Turn into pie shell. Beat egg whites until foamy throughout; add sugar, 2 tablespoons at a time, beating after each addition until sugar is blended. Then continue beating until mixture will stand in peaks. Pipe lightly on filling. Bake in hot oven (425° F.) 5 minutes. Sprinkle coconut on top. Then bake 3 minutes longer.

PROBABLY you do take syrup, often, on those mornings, when there are waffles or pancakes for breakfast.

But if you have a tendency to place syrup in the breakfast pigeonhole and leave it there, you miss many a fine bet in good eating. So, take your bottle of maple-blended syrup down from the shelf frequently to use with other good foods in such luscious combinations as this Maple Coconut Sundae. It's made in minutes and sure to please your family—and your budget!

Maple Coconut Sundae

¼ cup maraschino cherry syrup; ½ cup shredded coconut; 1 pint vanilla ice cream; ½ cup maple-blended syrup (about).

Combine maraschino syrup and coconut. Let stand an hour, or until coconut has absorbed maraschino flavor and color.

Place ice cream in sherbet glasses. Sprinkle with the coconut. Pour maple-blended syrup over top. Makes 4 servings.
