Turkey Shoot Here Next Sunday Afternoon

Sponsored by 4-H Club

The local 4-H Club is sponsoring a turkey shoot here next Sunday afternoon, beginning at 2 p.m. The affair will be held at the Joe Emery caliche pit two miles up the highway 87, said Fred Campbell, county agent.

Frozen turkeys will be given as prizes. Shooters from surrounding towns and cities have intimated that there would be some out of town shooters here for the event.

The way the shoot operates is this, according to Campbell—Ten shooters will shoot each time at their target, and the one with the best mark on his target gets the bird. Targets will cost \$1 each, he said.

There will be classes for shot guns, rifles and pistols and perhaps a free-for-all or open class for large and unusual guns.

The affair is under the direction of Ewing F. McEntire and Billy Roland Conger, said Campbell.

Everybody, regardless of age or sex, is invited to participate.

ONE SENTENCED IN DISTRICT COURT HERE

Criminal week in 51st District Court here opened and closed Monday with Judge Joe L. Mays sentencing one defendant and forfeiting the bonds of two others.

Johnnie Elroy Robinson, 21, of Sweetwater, was assessed a four-year adult probated sentence after he pleaded guilty to a charge of burglary.

Robinson was charged with the burglary of the Ralph Hines home near here last May 9 and making off with a portable radio and a pair of cowboy boots.

The \$1,500 bond of Otis, William Hooper and the \$1,000 bond of Charles Cathey McLaurin of Lamasa were forfeited after the two failed to appear for trial. Both men were charged with second offense driving while intoxicated.

Hooper's bond had been signed by J. L. Hooper and L. R. Hooper, both of Lubbock. Sureties on McLaurin's bond are Bill Burkett and Ed Tinsley.

The cases of Louis Burns, charged on two accounts of worthless checking, and of Mrs. Alma Jean Duffendak, charged with second offense DWI, were continued. Mrs. Duffendak is said to be in a New Mexico hospital and Burns requested a continuance because, he said, some of his witnesses were out of the state.

District Attorney Justin A. Keever was prosecutor on the Robinson (negro) case and Curt J. Steib, a court-appointed attorney, represented Robinson.

Tommie Lilly returned home Sunday from Cross Plains, where she had been visiting her father, J. H. Lilly. Mr. Lilly is seriously ill at his home there.

Fort Worth—The cattle business ran into trouble again this week. For better than two years about everything seems to have hit the cow business that could have hurt. In the wake of the year's biggest run of cattle to market just a couple of weeks ago, it was felt that certainly the excessive runs were now behind. But look at what happened!

Twelve major markets reported over 160,000 cattle and over 32,000 calves last Monday, the second biggest run of the year.

Following the frost that nipped a lot of Johnson grass and other pasture a week earlier, Fort Worth had its largest run of the year on Monday.

The reports from all markets were the same. Weak to 50 cents lower, some spots 50 cents to \$1 lower.

Cattle and calf prices were saved a worse break by the fact that demand for stockers and feeders was broad on the better kinds. Some 997-pound feeder steers at Fort Worth cashed at \$17. Numerous sales of high grade yearlings and calves were reported in the \$15 to \$17.50 bracket to stocker and feeder outlets.

There was a steady demand for replacement cows. Heifers and heifer calves have a hard time finding a home, except in a packing house.

Good and choice fed steers and yearlings drew \$17 to \$23, in the bracket were a load of 975-lb. steers from Joyce Coffee, Love County, Okla., at \$23; and a load of 975-lb. steers from Lillie Sullivan, Carter County, Okla., at \$23 and 88 fed heifers from V. O. Hildreth of Parker County at \$21.50. Common and medium steers and yearlings sold from \$10 to \$16, and in this field were a load of 856-lb. steers from Geo. W. Higgins, Baylor County at \$15; a load of common steers at 627-lbs. from Dudley Taylor of Harrison County; a load of steers at 744-lbs. from Boggs Cattle Co. of King County at \$13; Dan-nie Portwood Fancher of Baylor County had a load of 690 pounders at \$16. B. Allen, Uvalde County, had a load of 879-lb. steers at \$13.50. J. L. Dugan, Taylor County, had three loads of 997-lb. feeder steers at \$17. Ralph Witty, Tarrant County

Lovern Talks to Lions Club Wednesday

Dr. J. Chess Lovern of San Antonio, spoke to the Lions Club members and guests Wednesday at the regular luncheon meeting. Dr. Lovern, who is preaching for the Methodist meeting here this week, spoke on keeping America great as a democracy and the place that the founding fathers had in mind when they established this country with its freedoms, etc.

Guests included Lovern, Wayne Zuck, and E. J. Revetta. The club voted to hold the meeting during the week of Christmas, which would be December 23 and to skip the 30th meeting.

Acting Lion president R. T. Caperton appointed a committee to raise the money for the Christmas lights for this season. He appointed Billy Roland Conger, Robert Ritchie and Bob Brannon.

Lion Fred Campbell told of the turkey shoot that the 4-H Club is sponsoring Sunday afternoon.

Methodist Meeting Closes Tonight

The revival meeting at the First Methodist Church here, will close with the evening service tonight at 7 o'clock. Dr. J. Chess Lovern, the pastor of the Laurel Heights Methodist Church in San Antonio, is doing the preaching. The local pastor, Bruce Medford, is leading the singing.

Good crowds have been attending the services of the five-day meeting. Around 50 have been present for the early morning service that was held each morning at 7 in the basement. Coffee and rolls were served each morning before the song service and talk by Dr. Lovern. Evening services have filled the church, with local people and visitors from Water Valley, Carlsbad and San Angelo. Lovern had at one time in the late thirties been associate pastor of the First Methodist Church in San Angelo.

On 41st Deer Hunt Together

R. P. Brown of Sterling, D. L. Slaton of San Angelo and Dr. Carl Slaton of Marfa, left Wednesday on a deer hunt near Presidio. This is the 41st year that Brown and Lowe Slaton have gone deer hunting together, and they have their usual good luck each time.

Following visits here with Mr. and Mrs. Leon Wallace, Mrs. Ethel Lackey of Cedarville, N. M. and Mrs. Ben Stapleton and children of Apple Valley, Calif., left for their homes Thursday morning. Mrs. Lackey is a sister of Mrs. Wallaces and Mrs. Stapleton is the Wallaces daughter.

had about four loads of 672-lb. steer yearlings at \$20. Some shelly kinds of steers and yearlings sold from \$7 to \$9.

Fat cows cleared at \$9 to \$11.50, and a load of heiferettes topped at \$13 and averaged 887 pounds from G. R. Davis, Taylor County. Cannerns and cutters drew \$6 to \$9, with some shelly, low yielding cannerns below \$6. Bulls cashed at \$7 to \$12.

Good and choice slaughter calves bulked at \$12.50 to \$16 and common and medium sorts sold from \$9 to \$12, with culls from \$7 to \$9.

Good and choice stocker and feeder calves and yearlings drew \$13 to \$17.50. In this bracket were a load from Wayne Adams, Comanche County, at 518-lbs. at \$17.50; a load weighing 356-lbs. came from (Continued on Back Page)

THE AMERICAN WAY

A Good Hunter Can't Be Fooled

**Cake + Pie—
Ummm!**

By Betty Barclay

THAT'S exactly what this favorite Pennsylvania Dutch recipe is—a cake served in a pie shell! It's "wonderful good" served warm for breakfast, lunch or supper.

**Spiced Orange
Funny Cake
For Pastry**

1½ cups sifted flour; 1 teaspoon salt; ½ cup blended lard shortening; 2 to 3 tablespoons water.

Combine flour and salt. Cut in shortening until mixture is consistency of corn meal. Sprinkle with cold water. Put dough on waxed paper. Press and knead gently into a ball and let stand for 15 to 20 minutes at room temperature while sauce is being made.

For Sauce:

¼ cup orange juice; ¼ cup sugar; 2 tablespoons butter or margarine; 1 teaspoon grated orange rind; ¼ teaspoon cinnamon; ¼ teaspoon nutmeg; ¼ teaspoon cloves.

Combine ¼ cup of the orange juice with sugar in saucepan. Place over low heat. Cook and stir until mixture comes to a boil. Boil 1 minute, stirring occasionally. Then add remaining ¼ cup orange juice, butter, and grated rind; mix well. Then stir in spices. Set sauce aside to cool.

Roll pastry on lightly floured board to fit into a 9- to 10-inch glass pie plate. Line plate with pastry, letting it extend 1 inch beyond the edge of the pie plate. Turn edge of pastry under and make a high fluted rim.

For Cake:

1½ cups sifted cake flour; 1 teaspoon double-acting baking powder; ½ teaspoon salt; ¼ cup sugar; ¼ cup blended lard shortening; ½ cup milk; 1 teaspoon vanilla; 1 egg, unbeaten; 3 tablespoons chopped nuts or cut coconut (for topping).

Mixing. Measure into sifter; flour, baking powder, salt, and sugar. Place shortening in mixing bowl. Sift in dry ingredients. Add milk and vanilla and mix until all flour is dampened. Then beat 2 minutes. Add egg and beat 1 minute longer.

Baking. Pour batter into pastry-lined pie plate. Pour lukewarm sauce gently over cake batter. (When cake is baked, sauce will form a layer between cake and pie shell.) Sprinkle with chopped nuts or coconut. Bake in moderate oven (350° F.) 50 to 55 minutes, or until done.

Man At Work

By Betty Barclay

WHEN the man of the house tries his hand in the kitchen, chances are something pretty special will be turned out. For there are moments when every man sees himself as a chef without equal and he plays the role with enthusiasm. Next time your "chef" decides to whip up the dessert for dinner, introduce him to this quick and easy recipe for 'Scotch Apple Pudding. By using prepared pudding and pie filling mix, he'll have dessert ready in minutes—and there won't be a stack of bowls and utensils for Mom to clean when the "chef" abdicates from the kitchen!

'Scotch Apple Pudding'
1 package butterscotch pudding and pie filling mix; 2 cups milk; 1 cup diced apples.

Combine pudding mix and milk in saucepan. Add apples. Cook and stir over medium heat until mixture comes to a full boil. Remove from heat. Pour into sherbet glasses. Chill. Serve plain or with cream. Makes 5 or 6 servings.

Statistics reveal that there is a big boom in the sale of "don't-voorself" items. Men are the buyers. This would indicate that men are taking more interest in their homes and are probably becoming more domesticated.

There is a telephone for every three persons in the United States, while the rest of the world averages only one telephone for each 68 persons.

The Reporter Says...

WHAT PRICE ALLIES? Americans who feel uncomfortable about helping France comfort themselves with the thought that we are already helping Tito with military aid. But the analogy does not carry through. Yugoslavia did not join the Soviet Empire. Spain far from the U.S.S.R. and is not being invaded until all our European Allies had been smothered.

Politically, there is a vast difference between dealing with Tito and Franco. Tito has split the Soviet bloc, and holds out for the hope of further splits. Franco only splits our side.

CHILDREN'S TV—BRITISH VERSION: The British have put in to the B.P.C. children's (TV) hour the best they have in wisdom, fun, and adventure. They have left out the violent, the vulgar, and the sordid—stimulating, no doubt, for many who call themselves adult, but injurious—they unequivocally believe—to the young.

THE INDIANS' TEST: While some of the 14,000 Chinese prisoners of war who at present do not want to go home may change their minds, ultimately, a very large number of these men, after having weighed again their original decision, after having listened to the "explainers" in tear and anger, will stick to their "No." The Indian guards should be in condition to understand and respect that desperate act of disobedience, for in their country the memory of a man who made of peaceful disobedience a powerful revolutionary weapon is still cherished.

THE PLIGHT OF MUSICAL AMERICA: "Until local music making becomes a matter of pride rather than apology, until it becomes the rule rather than the exception to admit fully the status of local musicians whose talents, although considerable, are not great enough to give them a chance in the international market place, America's musical development will remain more apparent than real, and the young man who wants to make a career of serious music will continue to have a pretty tough row to hoe."

Two fine cars for the price of one

America's "Worth More" car is also one of America's lowest priced . . . two Fords cost you no more than one ordinary fine car.

You'd expect to pay costly-car prices for the many costly car advantages you get in this year's Ford. But Ford delivers these "Worth More" features for so little money, you can actually own two for the price you'd pay for one ordinary fine car.

Only Ford in the low-price field offers you a V-8. Or, choose Ford's Six, America's most modern economical six.* Ford offers power steering, too. Makes all parking and handling easier . . . safer.

*A Ford Six, with Overdrive, won over all other cars in this year's Mobitgas Economy Run.

Fordomatic, Overdrive and Master-Guide power steering optional at extra cost.

The Fordor (above) travels you "first class" . . . reduces front end road shock alone up to 80%.

Delicious Economy

By Betty Barclay
A LONG about this time of year, most of us face the problem of getting our food budget back into shape after that wonderful summer vacation spree—and Sausage and Apple Patties is the recipe to help you do it! Thanks to raisin bran, it's economical enough to fit your budget adjustments, and delicious enough to fit the family taste.

Sausage and Apple Patties
2 medium apples, pared and cored; 2 teaspoons lemon juice (about); dash of salt; 1 pound sausage meat; 2 tablespoons finely chopped onion; 1 cup crushed raisin bran.
Cut apples into six 1/4-inch slices. Season with lemon juice and salt. Combine sausage meat, onion, and bran and shape mixture into 12 small balls. Place balls between two sheets of waxed paper and flatten into patties, 1/4 inch thick. Put together in pairs with an apple slice between patties. Press edges of patties together to seal in apple slice.
Arrange in shallow baking dish. Bake, uncovered, in slow oven (325° F.) 40 minutes, or until apples are tender. Taste occasionally with drippings. Makes 6 servings.

ton, Louisiana, who on Monday at Fort Worth topped the market in several classes. His woolled lambs at 88 pounds topped at \$19. Some aged wethers drew \$10. Yearlings sold at \$14. Kelley's sheep and lambs usually top their division when they come to Fort Worth.
