New 1954-55 Texas Almanacs at the News-Record for \$1.25.

A SPECIAL TRAIN of Texas school administrators stopped over in Washington last Saturday en route to Atlantic City for an annual convention. Among Superintendents and Principals from our area who came along were: El Wildman of Kerrville, G. B. Wadzeck of San Angelo, Ed Sharpe of Mason, C. E. Brown of Llano, Fred Thompson of Fredericksburg, Harvey Ballew of Lampasas, E. A. Broadhead of Sonora, S. G. Boynton of San Saba, and R. G. Green of Santa Anna. C. L. Harless of San Angelo, chairman of the school board, was also with the group.

Another recent visitor was Smith Bell, Mayor of Brownwood. He was in the Capitol attending a national realtor's conference. Fred Earwood of Sonora and Walter Pfeuger of Eden were here last week in connection with wool matters. Another visitor to our office was Lt. Donald D. Carroll of Brownwood, now stationed at Fort Bliss.

On last Friday I addressed a weekly luncheon of the Washington Shriners, attended by 150 Washingtonians. It being close to Texas Independence Day and there being a good many Texans present, I said a few words about Texas. I pointed out that, historically, except for the early American settlements

sponsored by Moses and Stephen Austin and others, and the use made of those settlers by Sam Houston when the revolution came, with the victory at San Jacinto, the dividing line between Latin America and the United States would probably today be along the Sabine rather than the Rio Grande River. Except for the Texans having done the impossible, Texas, the Rocky Mountains and most of the states on the Pacific Coast would in all likelihood still be a part of Latin America.

I paid tribute to John Nance Garner, whose warnings of "Go Slow, Danger Ahead" will never be forgotten. I quoted from one man's appraisal of the Garner philosophy, thus:

"Stickin' to what he's learned in school

And what he's been raised to believe . . .

Things like simple arithmetic . . . Long and short division, ledger system . . .

Old-fashioned bookkeeping and squarin' . . .

Accounts on Saturday nights . . . Dependin' on a budget, never spendin' . . .

More than he had; being orful keerful

'Bout not makin' promises he couldn't keep.

An' things like that . . ."

LIONS CLUB

The Lions club members met at the community center Wednesday for the regular luncheon meeting. Forty-three members and guests were present. The prize went to Ted Brown.

April 8 was set for the night of a ladies night program and an observance of the 25th anniversary of the founding of the club in Sterling City.

Lion Swann told of the progress of the National Heart Drive.

A talent show was set for Friday night either April 16 or 23, whichever date is available with no conflicts.

The club voted to let the Sterling City PTA have Wednesday, March 31 for a district meeting, with the community center for luncheon. The club will not hold a meeting that week.

Mrs. Lee Hunts Brother-in-law CHARLES D. PHINNEY DIES AT BROWNWOOD

The father of several prominent Texans, Charles D. Phinney, died in Brownwood Monday night at the age of 78. He was a brother-in-law of Mrs. Lee Hunt of Sterling.

Phinney's survivors include his widow and three well-known sons. The sons are Maj. General Carl L. Phinney, Dallas lawyer and commander of the Texas National Guard's 36th Division; Robert L. Phinney, Austin, collector of internal revenue for the Southern District of Texas, and Temple Phinney, Dallas architect.

A daughter, Mrs. Maude Dillion, who holds a supervisory position in the Dallas school system, also survives.

Phinney was a retired Brownwood building contractor. He was born in Nova Scotia.

Daughter to the Neal J. Reeds

A daughter, named Deneal, was born to Mr. and Mrs. Neal J. Reed on last Friday, February 12, in the Sterling County Hospital. The baby weighed eight pounds and was born at 9 a.m.

This is the second child of the Reeds. They have a little girl, Debbie.

Grandparents are Mr. and Mrs. J. L. Seal of Dallas and Mr. and Mrs. N. H. Reed of Sterling City.

Presbyterian Church

The initial services of Dr. and Mrs. Baxter Greer at the First Presbyterian Church last Sunday were very encouraging. At 7:30 p.m. the pastors of the Methodist and Baptist Churches were present with members of their congregations who participated in the worship program. Dr. and Mrs. Greer express their sincere appreciation for the cordial reception and generous "pounding" given them by the people of Sterling City and community. It is their desire to prove themselves worthy (in a measure at least) of this token of good will by cooperating in all helpful enterprises for the good of the community.

Dr. Greer will preach Sunday at 11 a.m. on the subject "The Old Gospel for a Modern World." The sermon topic at 7:30 p.m. will be "The Measure of God's Love." Mrs. David Glass is pianist.

The Sunday School will be conducted at 10:00 a.m. with Mr. Aaron Clark as general superintendent.

A cordial invitation is extended to all to attend the services.

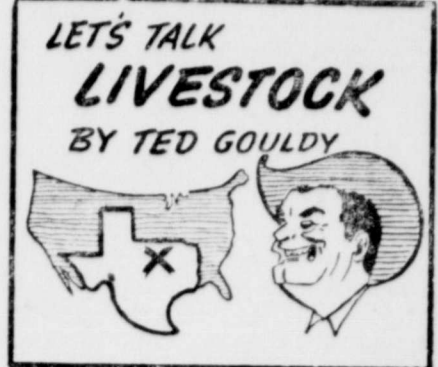

Plays Football in Okinawa

Joe L. Snead, Jr., aviation electronics technician second class, USN, son of Mr. and Mrs. Joe L. Snead of Roscoe, played center on the football team of the sloop tender USS Salisbury Sound, which placed second in the Ryukyus Command Football League in Okinawa. The team lost only one conference game.

To Start Dancing Lessons in Home

Mrs. L. C. Alexander, leader of the Girl Scouts and Brownies in Sterling City, has moved to the M. C. Mitchell old homeplace, and is planning to start dancing lessons on March 1, she said this week.

Mrs. Alexander said she planned to teach rhythmic dancing, tap, clogging and interpretative dancing and possibly later ballet and ballroom dancing, if there was a demand for it.

Fort Worth—At a meeting last week of the Texas Swine Breeders Association officers and directors, the matter of swine shows was discussed. A number of the breeders expressed the view that because of the cancellation of major hog shows there had been some undeserved criticism of the shows and the Texas Livestock Sanitary Commission.

It was brought out at this meeting that perhaps some explaining of the reasons hog shows had been cancelled would clear up some misunderstandings.

The major shows cancelled their swine departments last year because of VE (vesicular Exanthema). They did this because the symptoms of VE are identical with those of foot-and-mouth disease.

This requires that tests lasting at least ten days, and in some cases 21 days, would have to be made at a show if a case of VE broke out. This would tie up all cattle, sheep, goats and hogs for ten days to three weeks, since they would all be in quarantine and could not be moved from the show grounds until the disease was identified.

Fine breeding swine would have to be slaughtered, and often VE hogs sell just for their tankage value.

A threat of having their stock put in quarantine would keep all other exhibitors away from a major show, especially out-of-state entries.

It was brought out at a meeting here that strict federal regulations as well as state rules, are evoked when VE breaks out. It could lead to endless complications if VE broke out at a livestock show.

The spokesman for the Southwestern Exposition and Fat Stock Show attending the meeting offered full cooperation to the swine breeders in holding 1955 shows at Fort Worth.

The regular classes will be catalogued in 1955 for all swine, breeding classes and barrows. In the event the VE situation makes it inadvisable to hold the hog classes in conjunction with the livestock again, the show will stage a barrow show immediately after the other show stock has cleared the premises.

The Fort Worth show officials assured the swine breeders that there was no, and never had been, any desire to permanently separate the swine show from other stock. Show officials offered full cooperation to breeders and even offered to hold a spring show this year in Fort Worth, but after study the breeders found that too few fat barrows would be available to make up a representative show and it was agreed to make next year's show the biggest and best yet.

The assurance that a show will be held will enable 4-H and FFA members to proceed with their fat barrow projects for 1955 with the assurance that a show will be held for them in Fort Worth late in January of early in February.

Stocker cattle and calves were stronger at Fort Worth Monday. A load of 872-pound stocker cows drew \$15. Some 750-pound feeder yearlings drew \$20. Fed cattle were numerous and slow and weaker. Cows were barely steady. Slaughter calves drew firm prices.

In the sheep barn prices were steady to 25 cents higher on fat lambs, and fully steady on other sheep and lambs. Fat woolled lambs cashed at \$20 to \$21, and shorn fat lambs drew \$17.50 to \$19. Shearing type feeders were quotable at \$10 down. Yearling muttons drew \$12 to \$15, and aged wethers \$12 down. Old ewes \$7 to \$9, with stocker ewes \$10 to \$12. Old bucks \$4 to \$5.

Hog prices were steady to 25 cents lower on butcher hogs with top kinds at \$26.25 to \$26.75. Sows were \$1 higher to \$21 to \$24.

Incidentally the corn-hog ration for the week ended Feb. 6 was 16.6, meaning that 100 lbs. of pork would buy 16.6 bushels of corn. This ratio (Continued on Back Page)

tion is highly favorable to hog production. A year ago the corn-hog ratio was 12.0 on the same date. A group of 4-H and FFA boys visited the Fort Worth stockyards Monday and marketed some fat lambs. The top lambs in their shipment brought \$21.50. This was the day's extreme top.

TO DESIGN LOUNGE WEAR

Tuesday of this week, Mrs. J. P. Lester, Jr., completed a deal with Madye's of San Angelo to act as designer and consultant on a new line of lounge-wear originated by "Missy" of Sterling City.

The new line, with an Indian motif, will be named "Princess Too-Nicey", after the wife of Quanah, last great Indian Chief of the Comanches, of whom "Missy" is a direct descendant.

Legend tells that Quanah once offered his wives for sale at \$1,000 apiece, except Princess Too-Nicey, who was not for sale. In his words, "Her too nicey."

The Princess Too-Nicey lounge-wear will be introduced and sold nationally, as a supplement to her established line, by Madye's of San Angelo, who has had outstanding success in the manufacture of Madye's Scuffs, an original and beautiful line of women's boudoir footwear.

Behind The 8 Ball

8-BALL
Another dust storm blew up on Monday, but was not quite as bad as the one last week. Tumble weeds weren't so noticeable this week, and the wind did not get quite so strong.

8-BALL
Not long ago I had a letter from Charlie White in Saskatoon, Sash., Canada, laughing at me for saying it was cold in Sterling. He said it was 47 below zero there and he went to a hockey game one night with the temperature at 46 below and enjoyed it.

It seems that they're having a record cold winter in Saskatchewan and nearby areas. The coldest was on the British Columbia-Yukon border, with a minus 49.

However, in the Saskatoon paper he sent me, it gave almost as low readings in the Dakotas and Montana and Wyoming.

Charley, you can have all that cold weather. I'll take this 80 degree winter weather here.

8-BALL
I've got a boatload of tumbleweeds in my back yard I'll sell awfully cheap.

In fact, dirt cheap.
8-BALL
It's getting pretty close to the deadline for your car inspection—in case you haven't already.

8-BALL
With the long range weather forecast showing above normal rainfall for February for this part of the country, things had better start happening—in the way of rain, that is.

It might be as the little boy said as he argued with another. It's not going to rain anymore. My daddy said it never was going to rain here anymore.

San Angelo Fat Stock Show February 25-28

A record number of entries is expected to compete for \$20,000 in premiums at the San Angelo Fat Stock Show February 25-28. Championship Hereford, Angus and Brangus cattle; Rambouillet, Delaine, Corriedale, Suffolk, Hampshire, Southdown, Shropshire sheep; fat steers and lambs will be shown in new barns at the Fairgrounds.

Equally important during the 4-day Stock Show will be the Championship Rodeo at 2:00 p.m. daily. Produced by Everett Colburn of Dublin, Texas the rodeo is described by officials as the "roughest, toughest and wildest" in the southwest. New equipment has been added to the rodeo arena and the grandstands improved for the event.

4-H, FFA and Junior College livestock raisers will participate in the Livestock Judging Contest, which is always a highlight of the Stock Show.

Running concurrent with the Fat Stock Show will be a Trade Show sponsored by the San Angelo Jaycees, market poultry show with turkeys and broilers, and the Don Franklin Carnival Shows on the midway.

The J. M. Hornbuckles visited in Sterling City with friends and relatives this week.

J. T. Davis attended the Livestock Show at San Antonio the first part of this week.

EASY to make, easy to eat, but mighty hard to keep on hand—that's the way it is with a good batch of cookies! And it's especially true when the cookies in the jar are Bran Delights—crunchy cereal cookies so tasty that unless you have a lock on the cookie jar—they'll disappear like magic. So, make a double batch and be prepared—just be sure to store the "extras" in a tightly covered container to insure their crispness.

Bran Delights
1 1/4 cups sifted flour; 2 teaspoons double-acting baking powder; 1/2 teaspoon salt; 1 1/2 teaspoons grated orange rind; 1/2 cup butter or other shortening; 1 cup sugar; 1 egg, well beaten; 1 tablespoon milk; 1 tablespoon orange juice; 1 1/4 cups 40% bran flakes.
Sift flour once, measure, add baking powder and salt, and sift again. Add orange rind to shortening and cream thoroughly. Add sugar gradually and cream together until light and fluffy. Add egg, milk, and orange juice, beating thoroughly. Then add flour gradually, mixing well; stir in cereal. Chill until firm enough to roll. Roll 1/4 inch thick on lightly floured board. Cut with floured 2 1/2-inch cutter. Bake on greased baking sheet in hot oven (325° F.) 6 to 8 minutes. Makes 3 to 4 dozen cookies.
