Eagles Beat Klondike; Play Ft. Davis Tonight

EAGLES TAKE THE SEASON'S OPENING GAME 46-12 WITH NOT TOO MUCH EFFORT

The Sterling City Eagles Six-Man football team opened the 1954 season here last Friday night by trouncing Klondike 46-12, in an easily-won affair. Coach Young played all his boys during the four quarters, and coasted most of the time.

Klondike kicked off to Sterling and Marshall Blair on the first play got a 50-yard run to the Klondike 1-yard line. The next play he took the pigskin over for a touchdown. The pass for extra point was no good. A little later, Klondike fumbled the ball and Billy Derrell Blair recovered for the Eagles. Don Carper, Eagle back, carried the ball for about 3 yards. Klondike drew an offside penalty and then Sterling drew a five yard penalty for taking too long in the huddle. Billy D. Blair took the pigskin for about 17 yards for a first down. Then Billy D. took it on over for the second TD of the night. He made it on a long end run. With the score now 12-0, the pass for extra point was no good. Klondike then took the ball on the kick and kept it, marching down field for 3 first downs. The Eagles held on their own 3 yard line and took over the offense. Billy D got in an eight-yard gain and was hurt on the play. Marshall Blair picked up 5 yards and Don Carper picked up 38 yards on a fast getaway play. A double pass play saw Marshall Blair take the ball over into paydirt again on a 26 yard run. Don Carper ran the ball over for the extra point. The score was now 19 to 0.

Klondike received the kick and then lost the ball to Sterling on a fumble. Leslie Cole recovered for Sterling and on the first play, Don Carper faded back for a pass but when hampered, he got in a run for about 10 yards. Sterling lost the ball on downs and Klondike took over for a few plays. As Sterling got the offense moving again, Leslie Cole charged a pass and ran over for a TD. Klondike was offside and Sterling elected to take the gain—which was of course a touchdown. At this point Coach Young ran in his second string Eagles. Marvin Foster got a nasty cut on his face on the first play. (He had to have three stitches to close it later) The Eagle coach left his second stringers in and let Klondike make a score. David Gruny blocked Klondike's kick for the extra points.

The half ended with the score Sterling City 26, and Klondike 6. Sterling kicked as the second half started and Klondike got in one good long run, but Don Carper nailed him after he had gained 33 yards. Sterling was penalized at this point 15 yards for holding. When the Eagles got the ball, Billy D. Blair got loose and run almost the full length of the field for a TD making the score 32-6. As Sterling kicked to Klondike, the boys from the Plains started downfield, but lost the ball on downs. Billy Derrell got off a long pass to Gaston who run it over for a touchdown, but a red flag was down and the play was called back by the officials. As the fourth quarter began, Billy D. picked up a long run on a pass from Carper. Then Blair passed to Carper and Carper went over the remaining four yards for a counter. Leslie Cole kicked the ball through the uprights for two extra points. The score was now 40 to 6. A Klondike player, Rod Matthews, scooped up one of his teammate's fumbles and scooted over for a TD, but a red flag was down and the play was called back. Klondike had been offside. On the next play, Klondike's Airhart repeated, and took the ball over for 6 points. The score now stood at 40-12. Klondike kicked and Bobby Lester took the ball down field on the return for better than 20 yards. Sterling finally lost the ball on downs and Klondike took it for a few plays. They had to kick on a fourth and Don Carper, playing far back for the Eagles, made a good return. As the ball was snapped on the first play, Gaston goes downfield on a nice long gain. A pass from Billy D. Blair to Leslie Cole was good and Cole goes over for the final counter of the game. The score was now 46-12 in favor of the Eagles.

Elizabeth Hilbrand is taking graduate work at S.M.U. this year, working on her master's degree in home economics.

The kick for extra points was no good. Klondike took the kick and as play resumed, they fumbled and David Gruny recovered the ball, giving the Eagles the ball as the final whistle blew.

Coach Young's boys take on the Fort Davis Indians tonight at the Eagle field at 8 o'clock. The Fort Davis boys were coached by Young last year. They had a good team, but were beaten in bi-district play by Klondike. Klondike advanced to play the regional title game with Lohn here last December. Lohn was the title winner of that game.

Cattle Sell Well, Stockers Strong

Fort Worth—A big run of cattle appeared at Fort Worth and at other major markets as the mid-September marketing got under way last Monday. However, the buying power remained strong on cattle and prices were favorable.

Cows were fully steady and bulls also held fully steady. Slaughter steers and yearlings brought strong prices, with some fat steers and yearlings from \$22 to \$25, the latter price for a short load of fed cattle from the State Home at Corsicana. This \$25 price was the highest fed cattle price in some months at Fort Worth. Numerous loads of well finished steers sold from \$20 to \$22.

Stocker and feeder demand remained strong and a load of fancy feeder calves weighing 513 pounds from P. R. Bonds of Tarrant County topped at \$21, and their heifer mates sold at \$18.75. Order buyers reported the numbers of high quality stockers and feeders was short of the demand for them from Cornbelt and Western feeding areas. Some of the plainer kinds of stocker and feeder steers drew strong prices.

Slaughter calves ruled weak to 50 cents lower with a top of \$18 sparingly, and most sales from \$17 downward of fat calves.

Sheep and lambs drew mostly steady prices except slaughter ewes were around 50 cents per hundred lower at Fort Worth Monday. Fat lambs topped at \$19 and feeder lambs drew \$12 to \$15. Some feeder lambs at \$15 were considered stronger than comparable lambs sold late last week.

Slaughter ewes sold around \$3 to

\$4 a few outside that range. Slaughter yearlings sold from \$8 to \$12.50 and old wethers drew \$9.50 down. Old bucks sold around \$3.

Hogs in Sharp Price Advance
 Butcher hogs moved up 50 to 75 cents per hundred at Fort Worth Monday. Top hogs sold at \$21 to \$21.75, mostly at \$21 on top hogs.

Less attractive butchers including fatbacks, cold bloods, lights and heavies were reported from \$19 to \$20.75.

Last week hogs had closed at \$20.50, the lowest price of the year and also the lowest price since February of 1953 at this market.

Sows were 50 cents higher at \$15 to \$18.

The strong demand for stocker and feeder cattle and calves has been a firm prop under prices at the market at Fort Worth recently. The continued demand from principal feeding areas in the Cornbelt was bolstered by the predictions of a whopping corn crop this year. Fort Worth order buyers report more orders in hand than they can fill for the high grades.

In general, it is believed that feeding margins may be smaller this year than last, since stockers and feeders are currently selling \$2 to

\$4 above a year ago. However, recent strength in the fat cattle market has been highly encouraging.

Stories of the drouth in Texas have been exaggerated in the minds of some of the mid-westerners who were at Fort Worth for the Aberdeen-Angus feeder calf sale last week. One Iowan cornered this writer and asked in surprise "What's this, I thought all the cattle in Texas were thin?"

Apparently he thought that all the cattle in this section were staggering around virtually starved to death. Fact is that because of the supplemental feed they have had, most calves and cows coming to Fort Worth this year are heavier than normally is the case.

Feeder lambs coming to the Fort Worth yards are averaging 8 to 10 pounds heavier than normal this year. The reason? Not better pasture, but the supplemental feed the ranchers and farmers have been giving the stock.

In fact some lambs in feeder flesh are too heavy to suit most of the feeder buyers, indicating they had more milk from the supplementally fed ewes than was expected. They also probably picked up some of the feed too!
