WASHINGTON NEWSLETTER

Right at this time there is little to report from Capitol Hill that is newsworthy. Last week committees were set up and hearings on various bills are now going on. When a new member of Congress takes office he seeks the best committee assignment he can obtain. He usually must serve for several years before he is able to get on a preferred committee but in the meantime he takes what he can get.

Once a Member is put on a committee he normally remains there, if he so desires, so long as he is in Congress. But if he finds it is best from his standpoint to change over another committee when an opportunity occurs, he must begin there at the foot of the class. The real important work in legislation is done in committees. When one serves here a few years, watching the turn-over from term to term, he learns that some who get the most publicity actually accomplish less than others who go about their jobs without fanfare, studying and working on their assignments.

And it seems that the public soon catches on to the publicity-seekers. They don't usually last very long. I recall that a few years ago a young man was elected from Indiana. He was publicized as a "Model Congressman". He was supposed to have everything a good representative should have—looks, ability, ambition, courage, poise, and so forth. The Democratic leadership went all out to push him. He landed a spot on the Armed Services committee during his first term—a most unusual accomplishment. But it apparently all went to his head. He got LIFE to photograph him at work during committee sessions in his office, at home, rushing about as if the world revolved around him.

But the freshman was a bit offended, and so stated—to the press—when the chairman of the committee made him wait his turn in

Only 14% of Cars Here Inspected

There are only 14% of the motor vehicles here inspected, said inspector Johnny Marion this week. He said with 951 cars registered only 141 have their new inspection stickers. The deadline for inspection is April 1, reminded Marion. The 86% of owners have only a few more weeks to attend to the matter. Here in Sterling there are two inspection stations—R. T. Caperton Chevrolet Co. and Sterling Motor Company.

FHA NEWS COLUMN

There was a called FHA meeting on Wednesday, January 19. President Bernice Green called the meeting to order. It was decided to have a Hobo Day and Bake Sale in order to raise money to send three girls to the Galveston State FHA meeting. This will be on February 12. Committee chairman for the bake sale and hobo day are Barbara Simmons and Barba Dunn.

March 26 was set as the date for the FHA banquet, which will be formal.

Glenda Lambert, Reporter

JET TRAINER CRASH KILLS PILOT LAST WEEK

A Webb AFB (Big Spring) officer student pilot was killed last week on Thursday when his jet T-33 trainer left formation and crashed on the Rufus Foster ranch about 15 miles northwest of Sterling City. Rufus saw the crash and reported the incident to authorities here and Webb officials came down to investigate and take charge.

The plane, one of four, was on a routine flight from Webb. The pilot was thrown from his plane as it crashed.

STERLING ON TV TUESDAY

Sterling City was one of the TV features Tuesday at 7:30 p.m. on the Humble TV program. Sterling was featured as a "windmill" city—or town on the program.

questioning witnesses during hearings. About everything he did was publicized far out of proportion to its importance. And, sure enough, he lasted exactly one term. He actually did little for his district or for the country, and the people soon found it out.

All of which reminds us—in whatever endeavor we are engaged—that the old maxim is sound which states: "Teach me to neither proffer nor receive cheap and undeserved praise."

Sterling County 4-H Club Stock Show Here Saturday, January 22

Lions Club Luncheon

The Sterling City Lions Club met at noon Wednesday in the community center for the regular weekly luncheon meeting. Mrs. Levi Martin served the club a fried chicken dinner.

It was brought out that January was "new member" month and that six new members were expected by the district governor. New members are now welcome in the club.

A card of thanks from Lion Claude Collins was read by president R. T. Caperton. Collins is now at home and recovered from his illness.

It was announced that work on the new gas plant near Silver oil field had begun. Thirty new residences are being built there, said Lion Horace Donalson.

Lion Fred Campbell told of the 4-H Club Livestock Show that is scheduled for Saturday, January 22. The show may be held in the old tabernacle if weather isn't suitable for an outdoor show.

Coach W. L. Young told of the basketball tournament that his two teams will play in over at Robert Lee this week-end.

School Census Underway

The census of scholastics is now underway in Sterling County. The census is under the direction of O. T. Jones, school superintendent.

Jones especially wants the names of all children that will be six years old by September 1, 1955. If you have a child in that category or know of one, please call Mr. Jones.

Mrs. Ray Lane took the census among the Latin-Americans.

Benefit Basketball Game Here Monday Night

There will be a March of Dimes Benefit Basketball Game at the gym Monday night, January 24, it was announced this week. The Sterling City R. T. Caperton team will play the Garden City Independents here at 7:30, said R. B. Mitchell, manager.

Admission will be a donation to the March of Dimes and all profits from the concession stand will go to the drive, it was said.

The local boys played the Garden City Independents there Monday night and beat them 38-32.

Prof. Ellis Sparkman Is Buried in Waco

Funeral services for Ellis Hugh Sparkman, 76, retired head of the Baylor University Spanish department, was held in Waco on Dec. 31. Burial was in the Oakwood Cemetery there.

Sparkman, an instructor at Baylor 40 years, had died at the home of a daughter, Mrs. William A. Black, in Lubbock, where he had lived since his retirement in 1952.

Sparkman was born near Waco and educated at Howard Payne College, the University of Arkansas, the University of Chicago and Baylor.

He was the author of many articles on languages and job placement. He was a member of the Spanish association of the Texas State Teachers Association and the modern language section of the TSTA, and was sponsor of the Waco chapter of Sigma Delta Pi, a national Spanish fraternity. He helped draft the constitution of the present Alpha Phi fraternity and organized the first chapter at Baylor.

The 1951 issue of the Roundup, Baylor yearbook, was dedicated to Sparkman. It spoke of him as a "student's teacher, rough and thorough, but fair and fun."

Surviving besides Mrs. Black are a son, Dr. Robert S. Sparkman of Dallas; four brothers, Clarence Sparkman of Boerne, Ernest Sparkman of Ozona, Walter Sparkman of Sterling City and Alvin Sparkman of Houston; a sister, Mrs. Ruth Murray of San Angelo and a grandson. His wife died in 1928.

Mrs. G. Ainsworth went to Dallas the first part of the week for a physical checkup. She was accompanied by her daughter, Mrs. Lura McClellan.

HOSPITAL NOTES

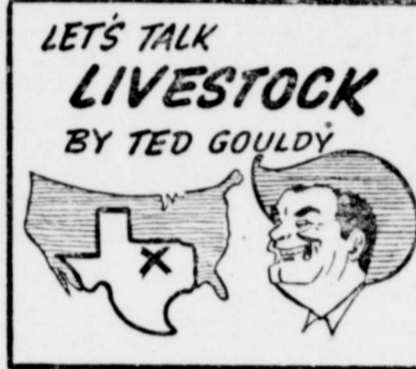

Patients in the Sterling County Hospital on Thursday morning of this week included—

Mr. and Mrs. D. P. Glass
Mrs. N. H. Reed
Dismissals since Thursday morning of last week include—
Claude Collins
Mrs. M. E. Churchill
Mrs. W. B. Allen
J. H. Cox, deceased January 14, and body carried to Lubbock by Lowe's Funeral Home Saturday.

STERLING POLO TEAM BEATS COLORADO CITY SUNDAY

The Sterling City Palmetto Polo team beat the Colorado City team there Sunday afternoon by the score of 5-4.

Making the trip were players John Blair, Pete Moore, Boots Williams, Forrest Smith, R. B. Mitchell, Nolan Stewart, Carl Blair, Bill Blair, Delmar Radde and spot man—A. D. Lawson.

FORT WORTH - Well finished beef sold higher at Fort Worth Monday, with most steers and yearlings strong to 50 cents higher and fed heifers mostly 50 cents higher. Some fed heifers at \$23 were mates to heifers sold late last week at \$22.50. Shortfed cattle sold about steady.

Cows were mostly steady, and bulls drew steady to 50 cents lower prices. Calf trade was generally steady kinds and quality considered, although some creepfed heavyweights sold to better advantage than late last week to top at \$20.

High grade stockers and feeders were far short of the needs of the buyers and prices were strong on the available offerings, quality considered. Some good stocker steer calves and stocker yearlings drew \$20, and better kinds in sizable lots were quotable well above that range.

Good and choice fed steers and yearlings sold from \$19 to \$24, some mixed heifer and steer yearlings to \$23.50, the best price for mixed lots in some weeks. Lower grade butcher cattle sold from \$12 to \$18, with cutter grades around \$10.

Fat cows cashed at \$10 to \$12.50, and canners and cutters drew \$6 to \$10. Bulls sold mostly from \$9 to \$14, a load of breeding bulls to \$224 per head.

Good and choice slaughter calves drew \$15 to \$20, and common and medium offerings sold for \$10 to \$14, with culls at \$8 to \$10.

Medium and good stocker steer calves and yearlings drew \$15 to \$20, and heifers of similar kinds sold \$2 to \$3 under comparable steers unless fat enough for slaughter. Stocker cows drew \$9 to \$12.

SHEEP AND LAMBS SOLD STEADY

A generally steady trade prevailed at Fort Worth on all classes of sheep and lambs, although the top was \$20.50 on some club lambs—50 cents better than the high mark last week.

Stockers and feeder demand was again broad, with shipper buyers aggressive on mixed feeder and fat lambs again. Older sheep were scarce and fully steady.

Good and choice fat lambs in the wool sold from \$17 to \$20.50, shorn lambs with fall shorn pelts sold at \$20 down, and No. 1 pelt lambs sold from \$19.50 downward. Cull, common and medium sorts sold from \$10 to \$16.

Stocker and feeder lambs bulked at \$14 to \$19, the latter figure on mixed feeder and fat lambs, and some very thin stocker lambs cashed at \$17. Old ewes drew \$5 to \$7. Old bucks drew \$3.50 to \$4.50. Yearlings drew \$10 to \$16.50, and aged wethers were quoted from \$7 to \$12.

26 4-H Clubbers To Show Stock

The Sterling County 4-H Club Livestock is all set for tomorrow, Saturday, January 22, said County Agent Fred Campbell, this week. The show, an annual affair, is being sponsored by the Sterling City Lions Club. The club raised the money for premiums, etc. by a committee of three members.

May Be Held in Tabernacle

The show may be held in the tabernacle if the weather is bad, said Campbell. Should the weather be pretty, the show will be held just south of the American Legion building, as usual. But should it be raining, sleeting or snowing (or should it just be too cold) the affair will be held in the tabernacle.

The judging will start about 11 a.m., said Campbell. W. M. (Dub) Day, Reagan County Agent, will again do the judging. Most of the lambs will arrive about 8 Saturday morning, said the local county agent.

J. Q. (Bubba) Foster is the superintendent of the show and his assistants are R. T. Caperton, Riley King and Clinton Hodges.

There will be a sheep sale that afternoon with about 20 lambs to be sold. Each boy or girl is entitled to sell one lamb, said Campbell.

Club boys and girls feeding for the show include the following:

Bobby Dunn, Barba Dunn, Jodie Green, Jim Davis, Jodie Emery, Buddy Brown, Alfred Chapple, Bill Davis, Milton Reed, Mitsy Davis, Delmar Radde, LeRuth Reed, Jerry Payne, Cecelia McDonald, Don McDonald, Lynda Allen, Tony Allen, Wilbur Stone, Lynn Glass, Lee Foster, Wayne Drennan, Wayland Drennan, David Drennan, Claudia Collins, David Durham and Bitsy Durham.

There is a total of 125 lambs on feed with 9 registered Rambouillet.

Awards To Be Made

Besides the prize money and ribbons, the following awards are to be made at the show:

The J. T. Davis plaque award, a three year travelling award will go to the champ feeder of the fine-wool lamb.

The Gordon Bird Award, a permanent trophy to the feeder of the champion finewool lamb.

Nathan's Jewelers Award, a 3-year travelling trophy to feeder of the champion crossbred lamb.

Nathan's Award, a permanent trophy replica of the above award to the feeder of the champion crossbred lamb.

Holland Jewelry Production Awards—1 silver belt buckle to the feeder of registered Rambouillets; and 1 silver belt buckle to the feeder of fat lambs.

The local American Legion will present an award to the best showmanship boy at the show.

L. F. Hodges will give a registered Rambouillet ewe to the shower of the best group of registered Rambouillet lambs at the show.

Gordon Bird will give three lambs to the club members who make the most prize money at all the shows this season.

The WSCS of the local Methodist Church will serve dinner in the community center that day, it was announced.

O. T. Jones Speaker at PTA Meeting

The Sterling City P-TA met in the school auditorium Thursday afternoon of last week with Mrs. R. T. Caperton presiding.

The devotional was given by Rev. Robert Ritchie. The Latin-American grades gave the special feature and Mrs. W. O. Green spoke on Civil Defense.

Mr. O. T. Jones gave the main topic, "Defending Our Democracy Through Home and Community".

During the business meeting the P-TA voted to donate \$25 to the March of Dimes.

The next meeting will be on February 10 when Founders' Day will be observed with a tea in the Homemaking Department.

Mr. Worth Durham will speak on "Forewarnings of Delinquency".

Skip Collins looks ready for anything. Is he ready for polio?

Last spring he received a vaccine designed to protect him from infantile paralysis. Some time this year, after studying records on Skip and nearly two million other youngsters, scientists will know if the vaccine works. Skip's a football-playing laboratory, helping them out.

Your March of Dimes contributions not only make the vaccine trials possible, they also give a chance for a better life to thousands who have polio.

Texas History Club

The Texas History Club met last Friday, January 14. President Danny Stewart called the meeting to order. The minutes were read by Secretary Jeannine Jones. The president then asked for a report from the treasurer and the reporter. After the business session, the program was turned over to the program chairman, Craig Sparks. Poems were read by Jodie Green, Jimmy Bauer, and Calvin Gaston. Refreshments were served by the refreshment committee and then the meeting was adjourned.
 Reporter, Jodie Green

From where I sit ... by Joe Marsh

A Pretty "Snappy" Menu

Cuff Taylor had a near riot in his hen yard last week. Seems the hens were scratching around the cold ground when they found a piece of rubber band frozen in the ice.

"One hen pecked at it," says Cuff, "and it snapped right back. She backed off clucking while another hen tried it, and another. And the 'worm' kept right on snapping back. They all got their feathers ruffled. You never heard such a ruckus!"

"I finally had to break up the ice with an ax before those hens

would get back to business and start laying eggs again."

From where I sit, some people raise a pretty big fuss over nothing, too. Take the fellow who would deny me a temperate glass of beer with my game of checkers. Maybe he'd rather have coffee! Well, that's all right. He has a right to his own preference. But so do I. And there's no point in his "snapping" at me just because his choice isn't the same as mine.

Everybody loves a bargain...

...and the biggest bargain in your budget today is your electric service. The fact is that West Texas families get almost twice as much electricity per dollar today as they did twenty years ago. For mere pennies a day electric service helps you live better, feel better, play better, work better. Just a few examples:

For about a nickel you can refrigerate all your food for a whole week end. Hot water is always on tap for just a few pennies' worth of electric service. Television is enjoyed by one and all for just a few cents of electric power a day. Everything comes out clean in the family wash for just pennies of electric service.

And all this low-cost electric service is right at your finger tip... around the clock. Usually bargains don't come this easy, or this big. No wonder everybody loves this bargain... **ELECTRIC SERVICE.**

Pause for Reflection

BY James C. Ingebrtson
 "Children have a thousand times more sense than they are given credit for. They don't want to hear fairy tales told as if the stories were true."

This observation—which I consider a profound one—was made by Columnist Joseph Breig in the Dec. 24, 1954 issue of THE TIDINGS.

I should like to add to that, if the adult world were as wise as the child world, it would perceive much more clearly than it does in many cases the difference between flights of fancy and down-to-earth facts. A child makes mud pies—but he doesn't try to eat them. But adults contrive the most fantastic theories—such, for instance, as that moral and economic laws can be violated with impunity—and try to live by them!

This is not childlike—it is simply childish.

Styling that's stealing the thunder from the high-priced cars!

The styling spotlight blazes down on a low-cost car this year—for the Motoramic Chevrolet is stealing the show from the high-priced cars with its subtle sweep of line, the brilliant sophistication of its European-type grille, the bold rake of its deep-curved windshield.

And there's even more excitement in the way it drives—the velvety comfort of Glide-Ride front suspension and outrigger rear springs, the handling ease of Ball-Race steering, the flashing performance of the new 162-h.p. "Turbo-Fire V8"

engine or the two new "Blue-Flame" 6's. All this—plus the extra-cost options of Powerglide or Overdrive and a full range of power assists. Try a 1955 Chevrolet—now—and you'll know why it is stealing the thunder from the high-priced cars.

MORE THAN A NEW CAR... A NEW CONCEPT OF LOW-COST MOTORING

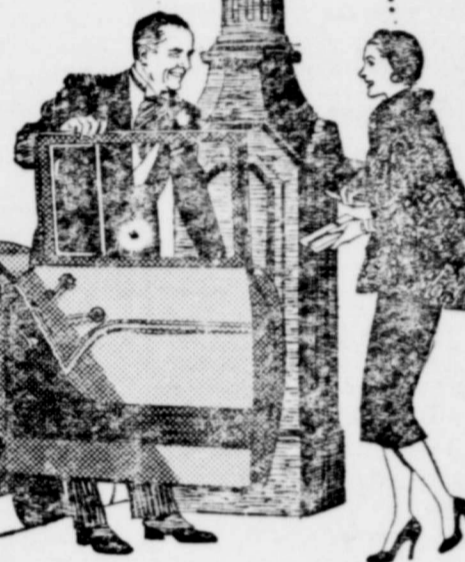

The Bel Air 4-Door Sedan

Everything's new in the motoramic CHEVROLET

It's a perfect gem to look at!

And it's powered to run rings around the rest!

Pink and Blue Shower Last Saturday

A gift tea at the community center clubroom last Saturday afternoon honored Mrs. Delbert Hopper. Hostesses for the affair were Miss Helen Brown, Mrs. Lura McClellan, Mrs. Taylor Garrett, Mrs. Pat Boatler, Mrs. W. R. Hudson, Mrs. Horace Donalson, Mrs. Jim Hinchaw, Mrs. Charlie Pate, Mrs. Robert Foster, Mrs. C. C. Ainsworth. In the receiving line were the honoree, her mother, Mrs. T. A. Rees, and Miss Helen Brown. The centerpiece on the serving table was of yellow gladiolus and jonquils. Mrs. Taylor Garrett poured tea and Mrs. Pate served cake. At the register was Mrs. Lura McClellan. About 80 persons took part in the gift shower.

3rd GRADE STUDENTS WIN MARCH OF DIMES CONTEST
The third grade students won the March of Dimes contest sponsored at the school. Mrs. Crossno's students returned a total of \$19.29 with the little dime cards in the polio drive. The room thereby won the \$5 prize given by the county polio chapter. Chairman Wayne Zuck presented the class with the \$5 on Thursday of this week.

Second in the drive was the 7th grade with \$13.50. The 1st grade was third with \$18.00 returned, said Zuck.

Mr. and Mrs. D. L. Slaton of San Angelo were guests at the R. P. Browns Sunday.

No Trouble To Double

By Betty Barclay

HERE'S Apple Ginger Mold—A DESSERT—so pretty, so light, so wholesome that it's perfect to serve during the festive season, especially to children whose tolerance (system-wise) of heavy, rich, holiday goods is on the shaky side!

AND HERE'S Apple Ginger Mold—A SALAD—so gay, so tasty, yet so simple to prepare that it slides in beautifully with a big turkey dinner or a cold ham and baked bean supper! Truly, a recipe double.

Apple Ginger Mold (Salad or Dessert)

1 package lemon or strawberry gelatin; 1 cup hot water; 1 cup zinger ale; 1½ cups red apples, cut in match-stick pieces.

Dissolve gelatin in hot water. Add zinger ale. Chill until slightly thickened. Then fold in apples. Turn into individual molds. Chill until firm. Unmold. Makes 6 servings.
