S. M. BAILEY APPOINTED TO GOVERNOR'S COMMITTEE FOR REFUGEE RELIEF

The appointment of S. M. Bailey as local representative for the Governor's Committee for Refugee Relief Program has been announced by John H. Winters, Committee chairman. Mr. Bailey will act on behalf of the State Committee in Sterling County.

The committee was appointed by Governor Allan Shivers at the request of President Eisenhower to inform the people of Texas on the Refugee Relief Program. In addition to Winters, who heads the State Department of Public Welfare in Austin, members are the Rev. Henry Herbst, pastor of SS. Peter and Paul Church, New Braunfels; the Rev. A. O. Rast, Executive Secretary of the Texas Lutheran Mission Board; Leonard L. Holloway of the Baptist General Convention of Texas; Sam W. Levy of Houston; and C. W. Pfluger, Jr., of Coupland.

Under the Refugee Relief Act of 1953, 214,000 displaced persons were declared admissible to this country. Recent figures show slightly over 43,000 have obtained sponsors and have migrated to the United States.

Of this number it is estimated that less than 500 have been brought to Texas.

To be successful in helping displaced persons get a new start in life, the Refugee Program will need assurances from 30,000 to 40,000 sponsors by early in 1956.

A sponsor is required to give assurance that the refugee will be provided with employment and housing and will not become a public charge.

The refugee's qualifications to fill the job provided him are certified by overseas officials. The Governor's Committee noted that a large percentage of the refugees are classified as agricultural workers who could be absorbed easily in the farming and ranching regions of Texas. Many skilled craftsmen are also looking for new homes in America.

"These refugees have escaped, in many instances, from prisons and concentration camps to wind up spending years in refugee camps for resettlement," said Mr. Winters. "Texas is lagging in doing its part in this humanitarian program to which our nation has committed itself. Mr. Bailey as representative of the Governor's Committee for Refugee Relief Program in Sterling County, will give the details of the program to any employer or citizen interested in providing a new opportunity to a refugee."

Mrs. Guy Dayvault and Mrs. Vera Spalti of Dallas were here this week visiting Mrs. Spalti's mother, Mrs. Ruth Allen.

The D. L. Haralsons returned Wednesday night from a five-day visit with relatives in Louisiana.

The Sterling City Lions Club met in the community center on Wednesday noon for the regular weekly luncheon. Guests were Van Thurman of Big Spring and Bob Bryan of San Angelo.

Dubberly and Horace Donalson and Dr. Wm. J. Swann paid tribute to the departing member for his service to the club, community and his church.

On motion of Dr. Swann, the club voted to send a letter of commendation to the Comanche Club, recommending Dr. Greer.

THE VETO OF THE GAS BILL by President Eisenhower climaxed the long-drawn-out battle, and strangely was based up on reasons that had nothing to do with the merits of the measure.

After commending the "basic objectives" of the measure because, he said, the effect of the Supreme Court decision giving the Federal Government control over gas producers "will discourage individual initiative and incentive to explore for and develop new sources of supply."

The President based his veto on the incident involving the payment of a \$2500 campaign contribution to a South Dakota Senator, disclosed on the eve of the passage of the gas bill in the Senate. This incident, the President said, indicated "a very small segment" in supporting the measure.

He went on to say the undue influence efforts are being investigated but the results could not be determined until after the deadline for his acting on the bill (Saturday, February 18.)

THE EFFECT OF THE VETO will be less gas into the big cities to meet increasing demands and eventually higher prices to consumers. Without such controls gas was delivered under the Natural Gas Act for 16 years, during which there was a marked decline in cost of gas to consumers.

While it is unfortunate that the President's action was not based upon the merits of the bill rather than a side issue that could have nothing to do with whether the proposal was right or wrong, it is understandable that the President was faced with a tough decision. The issue had become clouded by the Case incident, and tremendous political pressures were brought to bear on his action.

THE INDIRECT ATTEMPT to influence a Senator's vote by a \$2500 gift can't be tolerated. It should be fully exposed and dealt with along with any other such incidents. But should a President veto any bill when there is a charge of improper influence, whether proven or not? In the Senator Case incident, he refused to accept the gift and voted against the bill. Has it come to pass that anyone who makes an improper campaign contribution can thereby assure a veto of a bill in which he has an interest, one way or another?

It will likely be several years before another Gas Bill is enacted—if ever. Not until severe shortages occur and consumer prices get so high that public opinion will unshackle the producers in keeping with the spirit of free enterprise.

The Customer Gets It in the Neck (?)

**LET'S TALK
LIVESTOCK**
BY TED GOULDY

**BIG CATTLE AND HOG
RUNS CONTINUE**

FORT WORTH—Over 110,000 cattle and 102,000 hogs were reported at 12 major livestock markets Monday. Prices on fed cattle and butcher hogs were under pressure and closed lower again at all points.

Aside from drylot fed steers, yearlings and heifers the cattle and calf trade at Fort Worth Monday was about steady. Some interests were talking lower on cows, but shippers and independent packers took the bulk of the supply at steady prices. Bulls, slaughter calves and stocker and feeder classes were firm.

Comparative prices: Good and choice slaughter steers and yearlings \$14.50—17.50; common to medium kinds \$11.00—14.00. Fat cows \$11.50—12.50; canners and cutters \$8.00—11.50. Bulls \$10.00—14.75. Good to choice slaughter calves \$16.00—18.50. A few fancy to \$19.00; common and medium \$13.00—13.50; culls \$10.00—13.00. Stocker steer calves \$18.50 down. Steer yearlings \$18.00 down; replacement cows \$8.00—13.50.

**STOCKER COWS FEATURED
FRIDAY, APRIL 13TH**

A distribution sale of stocker cows and pairs will be held at Ft. Worth April 13 and will be jointly sponsored by the Texas Aberdeen-Angus Association, the Texas Hereford Association and the Fort Worth Livestock Market Institute.

The sale will be open to all breeds, as well as those of predominantly Hereford or Angus breeding. There will be no classes or judging, and it will be an opportunity for those seeking replacement cows or pairs to look over a sizeable number of all kinds and different quality.

With the improved pasture conditions in much of the Southwest it is expected that there will be heavy demand for females to rebuild herds depleted by the drouth. Considerable interest has been indicated from Souther and Southeastern buyers, as well as from the Southwest.

**LAMBS OPEN STRONGER,
MILK LAMBS AT \$18.50**

Some of the new crop lambs have been showing up in the receipts at Fort Worth in the past couple of weeks, and some of these choice milk fat lambs have been bringing \$18.50. Old crop woolled fat lambs sold around \$18 down, with a few club lambs to \$18.50 Monday.

Fall shorn or No. 1 pelt lambs sold from \$17.50 to \$18.00, and No. 2 pelts sold around \$17. with some freshly shorn kinds from \$16.00 to \$16.50. Packers were taking practically all of the lambs at prices that surpassed the feeder buyers bids.

Cull, common and medium slaughter lambs sold from \$12 to \$16. Slaughter ewes freshly shorn sold at \$6.50 to \$7, and some woolled canner ewes sold from \$7.50 to \$8.00. Some freshly peeled yearlings sold at \$14, and some with more pelt sold to \$16.00—16.50.

**HOGS TOP AT \$12.50,
SOWS OPEN HIGHER**

Butcher hogs opened steady to 25 cents lower Monday at Fort Worth with choice kinds topping at \$12.25 to \$12.50, and the less desirable weights and grades from \$10 to \$12.

Packing sows were steady to 50 cents higher and sold from \$9.50 to \$11.00.

Make Good Soup — It's Good For You!

By BETTY BARCLAY

A tempting luncheon is that old favorite of hot nourishing soup, served with a crisp cool salad. Although this menu is good any season of the year, it really comes into its own on a brisk winter day.

Today we are suggesting a potato soup made with instant powdered cream. It's a rich, creamy soup, delicately flavored with onion and celery and should be served piping hot. It is so simple to make when you use instant cream in the proportions given below.

This instant cream not only creams your coffee, but provides wonderful short cuts in food

preparation as well. For a delicious meal just serve this potato soup with fresh fruit salad.

Pream Potato Soup

- 1/4 cup finely chopped onion
- 2 cups diced potatoes
- 1/4 cup finely chopped celery leaves
- 1 teaspoon salt
- 3 cups water
- 1/2 cup instant cream
- 2 tablespoons butter or margarine

Combine onion, potatoes, celery leaves, salt and water. Cover and cook 20 minutes. Shake instant cream on top of potato mixture and add butter. Stir once or twice. Makes 4 servings.

JAMES AUBREY ASBILL MEMORIAL FUND

The Sterling County Hospital received a gift of \$104.00 from the memorial fund established by the friends of James Aubrey Asbill, son of Mr. and Mrs. Thomas E. Asbill of Garden City, and who died in the local hospital on February 3. At the request of the family, this fund was established rather than flowers, and the fund is composed of one-half of the funds given. The remaining half was given to the Cancer Fund.

The fund will be used to buy equipment that will be of value in giving life to other youngsters and will be selected by the hospital and Dr. Wm. J. Swann.

Presentation of the fund was by Rev. Lee Crouch, pastor of the First Methodist Church of Garden City.

Ravioli, Quick, Delicious!

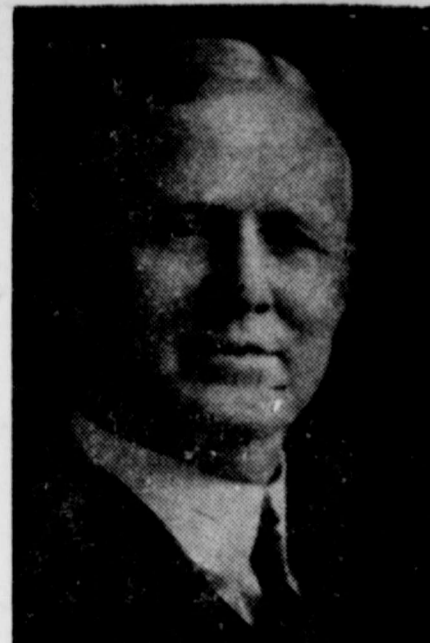

By BETTY BARCLAY

The idea that woman's place was in the kitchen, if she wanted to feed her family well, is just a quaint memory. Nowadays the woman who knows how to pick and choose wisely from the ready to serve foods on the grocer's shelves, the fresh fruit and vegetable stalls, can serve summer meals that click with a minimum number of hours spent brewing and baking in the kitchen.

Canned ravioli is a specially helpful ready-to-heat-and-serve mainstay for summer meals. It is full of appetite appeal, full of nourishment, and easy to prepare. The Chef Boy-ar-dee beef-filled ravioli, simmered in the flavor some Chef sauce until tender makes a satisfying main dish for many summer meals. With a crisp green salad, rolls and iced tea or coffee—milk for the milk drinker—it is a delicious summer luncheon. With fresh or frozen green peas, corn, green beans, spinach, it is adequate for an easy summer dinner. Bread sticks add a welcome note of crispness and a crisp salad of fresh greens is good with ravioli! At dinner, too. Ice cream or a fresh fruit dessert of any sort makes a perfect ending for this sort of easy-to-prepare meal.

Since there is such a vogue now for Italian-style foods, a few cans of this beef-filled ravioli on the supply shelf are a comfort. They can be brought out, opened, heated and served in no time for an emergency meal or an impromptu
