MONORAIL TO BE INSTALLED AT FAIR

The nation's first commercial operating Monorail line, latest development in modern express transportation, will be installed as a top feature of the 1956 State Fair of Texas in Dallas, October 6-21. The 4,000-foot line will run from the front of the fairgrounds to the main parking lot on the rear. The Monorail will be "safe, silent and swift," according to Monorail, Inc., of Houston, which will construct this line.

LET'S TALK LIVESTOCK

BEEF PROMOTION CHECK-OFF FAILS IN CALIFORNIA

Fort Worth—National attention has been focused on the state-wide vote in California to check-off 10 cents per head on all cattle sold, the money to be used in promotion of beef. It was announced that 10,486 cattlemen voted on the matter, and that some 46,000 ballots had been mailed out by the state government.

In the balloting only 54% voted for the check-off and 46% were opposed. The act passed by the California legislators provided that 65% must approve before the check off could become law. The levy would have yielded about \$400,000 a year. According to state law another referendum can be held in two years.

CATTLE PRICES WEAKEN; WEAK TO 50 CENTS LOWER

One of the largest offerings of grass cattle and calves of the year arrived at Fort Worth Monday and most classes reflected weaker prices. Sales ranged from steady to 50 cents lower, with the medium and common cattle and calves showing the larger declines.

Continued dry weather in the Southwest has narrowed the outlets for stockers, especially the choice slaughter steers and yearlings \$17.00—26.00; fed heifers \$24 down. Plain and medium butcher cattle \$12 to \$17, with some canner kinds down to \$10. Fat cows \$9.00—12.00, few young choice cows \$13.00 or above. Canners and cutters \$6.00—9.00. Bulls mostly \$9.00—12.50. Good and choice fat calves \$14.50—17.50, baby beef heavies to \$18 or above, one such lot of 15 creepfeds weighed 650 pounds at \$20. Cull to medium slaughter calves \$8.00—14.00. Stocker steer calves \$19.00 down; stocker steer yearlings \$18.00 down.

HOGS ADVANCE 25c; SOWS STEADY AT FORT WORTH

Choice butcher hogs topped at \$16.50 to \$16.75 at Fort Worth Monday, a 25c higher market than at the close last week. Heavy butchers drew \$14 to \$16.25, and some pigs drew \$12 to \$14. Sows cashed at \$13 to \$14.50.

SHEEP AND LAMBS STRONG; KILLERS AND FEEDERS ACTIVE

The rather small supply of sheep and lambs at Fort Worth Monday was sold and weighed early in a very active market at stronger prices. Good and choice slaughter lambs cashed at \$18 to \$20, strictly choice kinds quotable to \$21, and shorn lambs from \$19 downward. Cull to medium lambs drew \$10 to \$17. Stocker and feeder lambs sold

Mrs. Oscar Atkinson Buried Monday

Mrs. Oscar Mary (Clark) Atkinson, 65, died at 12:10 p.m. last Saturday in the Memorial Hospital in San Angelo following a lengthy illness. Funeral services were held at 2 p.m. Monday in San Angelo at the Robert Massie Chapel. Burial followed in Lawnhaven Memorial Gardens.

Mrs. Atkinson was born Jan. 12, 1891, in Menard County. She married Oscar Atkinson June 13, 1907 at Hagerman, New Mexico, and the couple moved to Sterling County where they leased a ranch.

A year later they moved to Glasscock County and to Knickerbocker in 1909. The Atkinsons owned a ranch at Knickerbocker and in Irion County.

Survivors include her husband; two sons, Reginald Atkinson of Merton and D. O. Atkinson, Jr. of Marfa; a daughter, Mrs. Henry Schmidt of Brownfield; two brothers, Aaron Clark of Sterling City and John Clark of Gonzales; her mother, Mrs. Will Clark Atkinson of Sterling City; a sister, Mrs. Alvie Cole of Sterling City and two grandchildren.

John Hamilton, Jr. went to Denton last week-end where he enrolled in North Texas State College.

from \$13 to \$16.25.

Yearling muttons sold from \$10 to \$16.50. Old wethers drew \$8 to \$12.50. Slaughter ewes sold from \$4 to \$5, with a few emaciated lightweights down to \$3, and some fancy fat ewes to \$5.50. Old bucks sold around the \$4 marker.

U.S.D.A. BUYING SPREADS TO POULTRY AND EGGS
The recent announcement that the USDA would launch a hamburger buying program to support the live cattle prices this Fall was preceded very shortly by a similar announcement that turkey and eggs were in line for government purchase, too.

Texas' turkey crop is a record one, and the overall supply across the nation is far larger than had been expected earlier this year. The big increase in laying flocks, reported early this year, is creating a chaotic egg price situation, hence the buying programs.

The food will be used in the school lunch program and federal institutions, as permitted under the law.

FARMERS AND STOCKMEN AIN'T NEUTRAL!

We had a request from Fort Worth's NBC outlet to help announcer Bud Sherman line up a couple or three farmers or livestock men to be interviewed and their ideas to be carried on the nationwide "Monitor" program.

Question was "I'm going to vote for _____ because _____"

Then the farmer or stockman would tell whether it was Ike or Adlai he was for, and why.

We consider it a certainty that who-ever gets asked this question ain't likely to be neutral! No, suh!

Lions Hear of Mexico Jeep Trip

Steve Heacock, safety man of this area for the State Highway Department, showed slides of a trip taken in Mexico this summer. Steve and his son made a jeep camping trip of 2,500 miles "down Mexico way." He spoke as the slides were flashed on the screen, giving interesting sidelights on Mexico, its population, its topography and customs.

Other guests besides Heacock included John Dibrell of Big Spring, and Walter Van Orth.

The door prize went to Doug Farnsworth.

Heacock and Van Orth, both with the Texas Highway Department, had arranged a display of precautions taken by workmen repairing state highways.

RANCHERS, FILE FOR YOU FEDERAL GAS TAX REFUND BEFORE OCTOBER 1

Gas Tax Refunds For Non-Highway Use

By Arthur Barlemann, Co. Agent
Sterling County ranch and farm operators are reminded by the county agent, Arthur Barlemann, Jr., that October 1 is the last day they can file the claim for the refund of the 2c federal tax on gasoline used for ranch or farm purposes off the highway. This does not relate in any way to the state tax on gasoline. Date for deadline is just 10 days away; claims filed after October 1, 1956 will not be honored.

Refunds may be claimed for any gasoline used in the care of livestock such as feeding, shearing or management of any type; farmers may claim a refund for gas used in plowing, planting, fertilizing or building terraces where the farmer uses his equipment to do so. The refund will be made on all gasoline used during the period January 1, 1936 through June 30, 1956. Hereafter it will be filed on an annual basis from the period July 1 through June 30.

A supply of the claims is in the county agent's office along with a helpful information pamphlet. Copies can be had by going by his office and picking them up or mailing a request for the form, but it must be done soon since only 10 days are left.

The claim itself is very simple requiring only the name and address of the operator, number of gallons multiplied by two and the amount of refund claimed. You should have sufficient records of gasoline purchased and used to verify your claim should it be necessary to do so. Completed forms are to be mailed to the District Director of Internal Revenue, Dallas 1, Texas.

SNODGRASS TALKS ON "LOOKING FORWARD WITH OUR SCHOOLS" AT P.T.A.

Wayne Snodgrass, principal of Sterling City High School spoke on "Looking Forward with Our Schools" when the first Parent-Teacher Association meeting of the year was held Thursday evening of last week. Stanley Horwood sang a solo "My Country."

Bill Young gave the devotional. The high school athletic department gave a special feature.

Registration of members and the handing out of yearbooks took up part of the time. A social hour followed the meeting with the hospitality committee serving refreshments.

Gene Smith, son of Mrs. Daisy Smith, now living in Salinas, California with his uncle and aunt, Mr. and Mrs. Elvin (Curly) McNew, has enrolled in Harmel College. He is attending college in the day time and working in a brick factory at night.

WRECK VICTIM STILL CRITICAL

Mrs. J. B. McIntyre, 30, of Sterling City, remains in a critical condition in the Shannon Hospital in San Angelo. Mrs. McIntyre, injured September 7 when thrown from a car near Water Valley in an accident, suffered head injuries, multiple fractured ribs and severe cuts.

Visitors at the R. P. Browns last week-end were Mr. and Mrs. Kenny Trimble of Dalhart. The Trimbles, friends of the Browns, were on a vacation trip.

Eagles Down Jayton 37-6 Last Friday

North Concho River Soil Conservation News Column

Many ranchers in the district are still deferring pastures in hopes of getting some badly needed rains. If and when rains do come these deferred ranges will be in better shape to take up the water. Accumulation of even small amounts of cover and litter on the ground will go a long way toward speeding up range improvement.

Worth Durham, who ranches in Sterling and Upton Counties, and has been deferring some of his pastures in both areas says, "It's darn sure worth while in this dry area."

Experiment Station studies prove that seasonal deferrment is a management practice which cannot be over looked on bare drought stricken ranges.

The next issue of the North Concho River Soil Conservation District Newsletter will be out soon. Be watching for it and let us know if you have any suggestions for improvement, or if your address is not correct we would appreciate your calling our attention to the error.

October 2, is the date set for the next Soil Conservation District Supervisors election in districts all over the country. The Supervisors position in zone 3 will be voted on this year, in the North Concho River SCD. Zone 3 of the North Concho River SCD is the Southwest corner of Coke County which drains into the North Concho River. J. R. Mims is presently supervisor from that zone.

LORAIN TO HAVE JUBILEE PROGRAM

Loraine, Texas—Horse racing, old fiddlers contest, square dance and a Jubilee Program will feature the two-day celebration September 21-22, marking Loraine's 50th anniversary as a town.

The celebration will be opened with a giant parade Friday afternoon at 2:30. The parade will feature a callopie, bands, covered wagons, riders on horsesback and floats of various kinds.

At 4:30 Friday afternoon horse races will be staked on a quarter mile track at the west edge of town. The races will feature saddle ponies of the area.

At 8:00 p.m. on Friday the Jubilee Program will be held at the high school gymnasium. This program will be a variety of entertainment and will feature the crowning

First Home Game of Year Here Tonight with Lawn

The Sterling City Eagles went to Jayton last Friday night and came away with a 37 to 6 victory over the Plains footballers. The Eagles ran roughshod over the Jaybirds and allowed the only score of the season against them.

Jimmy D. McWhorter and Kelton Gaston shared top honors by getting twelve points each. Bill Young ran over six points for the only run touchdown of the evening. Wilbur Stone made 6 points on a pass and also picked up one extra point on conversion. All of Gaston's and McWhorter's points were made on passes.

Jayton's lone touchdown was made by Darwin Murdoch. Lynn Glass and Melvin Foster showed up exceptionally on blocking. Marvin Foster, David Grunty, Jim Davis and Nathan Morris did some real jobs of tackling, and it is this blocking and tackling that has allowed only one lone touchdown against the Eagles this year.

PLAY LAWN HERE TONIGHT FOR FIRST HOME GAME

The locals take on the six-man team from Lawn here tonight for the first home game of this season. Although a non-conference game, the one tonight promises to be a good one from several angles. Coach Diddle Young's boys are coming along fine and will turn in a good performance before the local fans tonight. Young has a good number of boys out all the way from freshmen to seniors. This should be a good season for the Eagles.

FLORIDA GROWTH

The population of Florida has almost doubled in five years, according to the 1956 Yearbook of the American Peoples Encyclopedia. Permanent residents of Florida total approximately 3,709,700, an increase of 38.8 per cent since 1950.

of the queen of the jubilee and a style show of period dresses.

Saturday morning at 10 o'clock Old Timers will have a meeting at the Lions Club building at which Congressman George Mahon will be the principal speaker.

Following the get-together of old timers a free barbecue will be served to those who lived in or around Loraine in 1910 or earlier. Others will buy their barbecue at 50 cents a serving.

At 3 p.m. on Saturday Beards will be judged. At 3:30 more horse races. At 6:30 Old Fiddlers Contest followed by square dance.

Texas State Fair in Dallas October 6-21

More big shows and more big names sparkle through the pleasure packed entertainment program for the 1956 State Fair of Texas, Oct. 6-21.

There will be 24 performances in the Auditorium of the Broadway musical comedy hit "Damn Yankees", starring the famous comedian, Bobby Clark. Shows are scheduled nightly with matinees Saturdays, Sundays and Wednesdays.

The always-popular Ice Capades featuring an unusual production of "Peter Pan", will have 23 performances nightly except Sundays, with matinees Oct. 6, 10, 12, 20, 21 and two matinees October 7 and 14. The Joie Chitwood Auto Daredevils will smash and crash their way through 27 thrill shows in front of the grandstand.

Famous entertainers appearing at the fair will include Elvis Presley, the rock n' roll star, Oct. 11; Jack Benny's Sportsman Quartet and Pianist Roger Williams in the big free East Texas Day show Oct. 16; and Victor Borge's one-man "Comedy in Music" show Oct. 20.

Louis "Satchmo" Armstrong and his band will give four free shows on Oct. 15, Negro achievement day, and Johnny Long and his orchestra will play free shows daily in the Automobile Building.

Free spectacles in the Cotton Bowl will include the Fiesta Mexicana on Mexico Day Oct. 8, and the colorful Statewide Music Festival Oct. 9, in which over 4,000 high school musicians will take part. There'll be free aerial acts twice daily over the Magnolia Midway stage, and Magician Mark Wilson will present free magic shows several times daily in the Dr. Pepper Theater.

The million-dollar Midway will have its usual allure for carnival fun-seekers. There'll be dozens of rides and shows, including some new-fangled thrill rides like the

Rotor, Roundup, and Twister, plus old favorites like the giant roller coaster and the nostalgic old-fashioned carousel, plus an acre of midget rides in Kiddie Town for the small fry.

There'll be something for everybody at the fair and plenty going on all the time. Numerous exhibitors will present free entertainment, ranging from western music bands to variety shows to performing chickens. There will be band concerts, free movies, fireworks, radio and TV programs.

Every day of the fair will be crammed with fun; every day will offer something different to see and do.

Farmers and Ranchers Under Social Security

More than 100 self-employed farmers who have reached age 65 have in the past three months filed their claims for social security benefits in the 13 counties served by the San Angelo District Office, according to E. M. Bowers, Manager.

These persons, Bowers continued, filed their 1955 tax returns, paid the self-employment tax thereon, and have already grossed \$600 in creditable farm income in 1956. By a special provision in the law, farmers past 65 who meet the two conditions just outlined may file their claims now, without having to wait until the end of 1956, their second year of coverage under social security.

Payments are in the process of being certified to those who do not expect their net earnings this year to exceed \$1200, and to those other farm and ranch operators who have passed their 72nd birthday. If the farmer thinks he may net over \$1200, but cannot make a reasonable estimate of the expected net for 1956, his claim is still approved, but no checks are released until the end of the year when exact figures become available or at such

earlier time as he can make a fairly accurate estimate.

As there may be advantages to having a claim filed at this time, Bowers urged all self-employed farmers who are over 65, who have filed their 1955 tax returns, and who are still operating their lands, to get in touch with the San Angelo social security office in the very near future. A copy of the 1955 tax return and cancelled check or money order stub showing payment should be presented when the claim is filed.
