Big Spring-Sterling City Friendship Dinner Held Here Monday Night

Almost one hundred men were present at the Howard-Sterling Friendship Dinner here Monday night. The affair was sponsored by the Big Spring Chamber of Commerce and members were host to the local business men and ranchers.

Joe Pickle, editor of the Big Spring Daily Herald, acted as the master of ceremonies. Chamber of Commerce president Walker Bailey welcomed the assembly and a response was given by Sterling Lions Club president Delbert Haralson.

The Big Springers paid for the meal tickets and some tail twisters rounded up some more money, and over \$200 was presented by Jimmy Beal to Mrs. Billy Ralph Bynum. Mrs. Bynum is president of the Epsilon Zeta Club which served the meal. The club netted over \$140 on the project, said Mrs. Bynum and will be used for club community projects through the year.

A male quartet the "Gospelaers" sang several numbers. Quartet members included Harold Robbins, J. W. Turney, Derrell Shepherd and Charles Stutton. Mrs. Doyle Turney accompanied the group at the piano.

Juniors Make Around \$100 on Supper and Style Show

The Junior Class of Sterling City High School sponsored a spaghetti supper and style show at the school Tuesday night, and netted in the vicinity of \$100. The supper was served in the school lunchroom and the style show was held in the auditorium. Brooks & Bailey furnished the clothes for the show.

Members of the class put on a little skit about themselves and some of the faculty members.

Mrs. Lee Augustine won the door prize of a dress from Brooks & Bailey.

Gail Steward is class president and E. B. Hosea is class sponsor.

Children appearing in the style show included Kenneth Stuckwisch, Randy Badger, Skeete Foster, Terry and Denise Emery, Lesa Kay Hopper, Sheryl Butler, Pam McEntire, Jaynell Cope, Carolyn Sue Cole, Janice Igo, Charlotte Foster, Debbie Reed, Shelly Haralson, Beverly Brooks, Diana Lou Cole, Kathy Haralson, Rossanne Foster, Betty Jo Barrett, Su Speck, Janie Copeland, Nelwyn King, Barbara Clark, Ginger Stone, Temple Ann Foster, Jacques Caperton, Lynda Allen, Elizabeth Cole, Sandra Williams, Glenda Sparks, Gayle Steward, LeRuth Reed, Lavada Mitchel, Jeannine Jones, Carolyn Payne, Judy Stewart, Brenda Augustine, Jeannie McDonald, Barbara Durham, Cecilia McDonald and Lee Douthit.

Kathy Haralson sang a song during the style show.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

Albert Fields
James Morgan
Mrs. Neal Reed
Neill Munn
Charlie Bowen
Dayton Barrett
Mrs. James McCollum
Mrs. Herbert Pendley
Mrs. J. G. Bird
Mr. and Mrs. D. P. Glass
Dismissals since Thursday morning of last week include—

Loyd Murrell
Mrs. Leslie Cole
Benito Loyola
Chris Bengé

New Post Office Hours

Unless Congress makes the necessary appropriations today all first and second class postoffices will be closed all day on Saturdays as well as Sundays. The mails will run on the regular schedules and will be distributed to the boxes, but there will be no window service. The Sterling City post office is second class and is included in the above.

Starting next Monday all post offices will be open just 8½ hours daily. The Sterling City post office will open at 8:00 a.m. and close at 4:30 p.m.

In Case of FIRE Dial 8-2121.

PTA Officers To Be Installed Next Thursday

Next Thursday, April 18, new officers of the Sterling City Parent Teacher Association will be installed. Mrs. Elmer Payne, president of the 16th District of Texas Congress Parents and Teachers, is to be the installing officer.

The new officers to be installed are as follows:

President—Mrs. Forrest Foster
1st V.-Pres.—Mrs. Ross Foster
2nd V.-Pres.—Mrs. R.T. Caperton
3rd V.-Pres.—Mrs. John Copeland
Secretary—Mrs. Joe Emery
Treasurer—Mrs. G.C. Murrell
Historian—Mrs. Chas. Speck
Parliamentarian—Mrs. Frank Miligan
Music—Mrs. O. T. Jones
Publicity—Mrs. Dayton Barrett
Publication Chairman—Mrs. C.L. King.

The meeting opens at 3 p.m. in the school auditorium. Jim Davis is scheduled to give the devotional. Nelwyn King is to give a musical selection. A President's tea will follow the program.

Attend District Conference in Big Spring

Several local members attended the 16th Annual District PTA Conference in Big Spring recently. A life membership was awarded to Mrs. Chesley McDonald.

A panel discussion, written by Mrs. R. T. Caperton "Responsibilities of Youth in Moral and Spiritual Education" was presented by Mrs. Caperton, Mrs. G. C. Murrell and Mrs. Dayton Barrett.

100 Peace Officers To Be Here for Meeting April 23

More than 100 West Texas law enforcement officials are expected here April 23 for a Federal Bureau of Investigation sponsored conference on "Law Enforcement and the Fleeing Felon."

Beginning at 9 a.m. in the district courtroom, the conference is one of seven in a series being held over the state. Ed Dorris, FBI agent from San Angelo, said officials from about 50 West Texas counties are expected to attend.

W. A. Murphy, special agent in charge of the Dallas FBI office, is in charge of the panel conference. Dorris said guests will be treated to dinner by J. T. Davis, president of the First National Bank here.

Scheduled to make up the featured panel is Lee R. Braziel, San Angelo chief of police; Tom Green County sheriff Cecil Turner; Leon Yager, Colorado City chief of police; Sterling County sheriff W.O. (Bill) Green; Coleman County sheriff H. F. Fenton, Jr.; Runnels County sheriff Don F. Atkins; Capt Ray Butler, commander of San Angelo 21-county Highway Patrol District; Capt. G. L. Morahan, Abilene Highway Patrol District Commander; Texas Ranger Ralph Rohatsch of San Angelo; Texas Ranger Capt. Gulley Cowser of Junction; and Eldon Mahon, district attorney from Colorado City.

Murphy said one of the major problems facing law enforcement officials is apprehension of individuals who flee across state lines after the alleged commission of a crime. He said more than 150 conferences dealing with location of fugitives has been scheduled this year by the FBI.

Conferences will be conducted on a forum basis. Federal law enables local authorities to request assistance from FBI agents after learning an individual has fled interstate to avoid prosecution or confinement after certain felonies or attempted, said Murphy.

Specific felonies under the law are murder, arson, mayhem, burglary, rape, kidnapping, robbery, extortion or assault with a dangerous weapon.

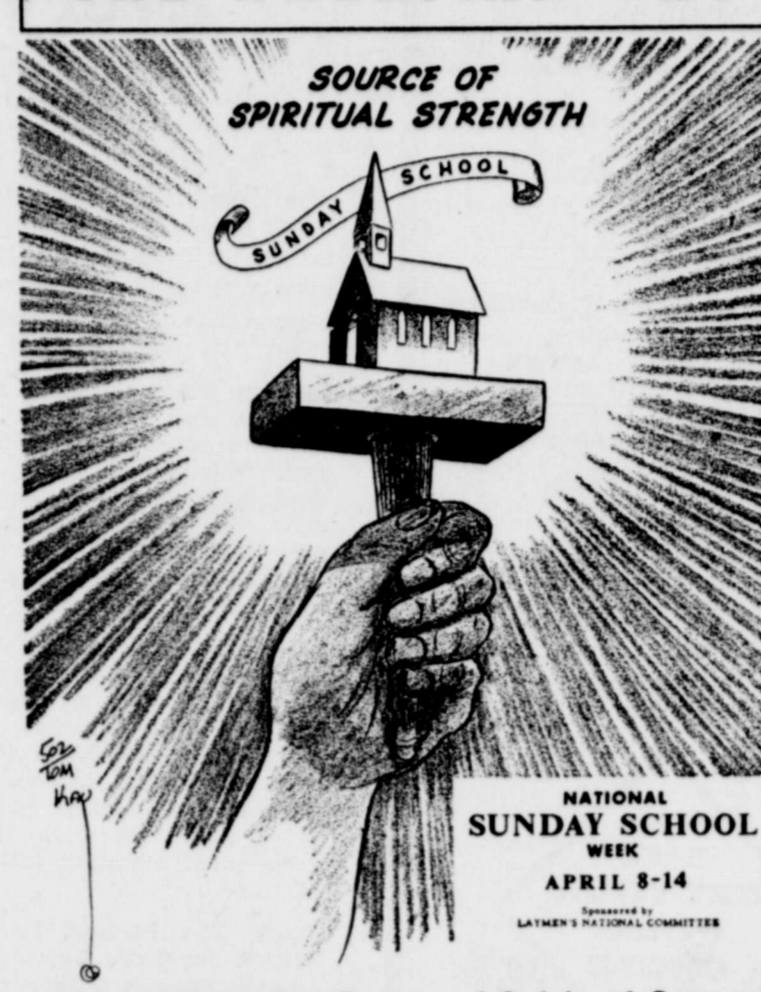

More than 750 conferences, attended by about 58,000 persons, have been conducted by the FBI since 1952. Previous conferences dealt with automobile thefts, thefts from interstate shipments, interstate transportation of stolen property and bank robberies.

Mr. and Mrs. Charles Churchill and sons, Leroy and Barry Todd of Odessa, spent the week-end here with Charles' parents, Mr. and Mrs. M. E. Churchill.

Mr. and Mrs. York Gruny and David are planning to spend this week-end in Yeso, N. M. visiting Mrs. Gruny's parents, Mr. and Mrs. E. P. Asbill.

Our WASHINGTON Letter

By Congressman O. C. FISHER

RETRENCHMENT IN Federal Spending got a set-back last week when the House marched up the hill and then down the hill in acting on needed cuts in an appropriation bill. Observers looked upon it as the worst set-back of the year for the economy bloc, and may portend bad days ahead for the taxpayers. It will depend on whether this trend continues.

After first voting 162-to-142 in favor of a \$50 million reduction in a hand-out Federal grant program to help local communities pay for their sewer systems, the House reversed itself and voted to restore it. It was said too many members were getting this grant money in their districts, and when the economy bloc in the House threatened to cut it off local pressures became aroused.

Ironically, those who oppose re-

ductions in spending, such as this, are often the very ones who clamor the loudest for tax relief. What the free spenders overlook is the fact that tax cuts are phony unless we have a balanced budget and have our fiscal house in order. Those of us who want honest tax reduction are determined to carry on in the battle to cut down on nonessential spending. The going is rugged and the outcome is uncertain.

THE NUMBER ONE topic of comment in the returned questionnaires which continue to pour in seems to be the budget and retrenchment in spending, along with the need for tax relief. Returns of the polls are exceeding our expectations. As many as 700 have been received in one day. Some unavoidable delay is faced in answering many of the inquiries contained in the comments. Tabulation is proceeding and the results will be announced just as soon as possible. There is still plenty of time for your questionnaire to be sent to us.

VISITORS LAST week included Miss Pat Blanks of San Angelo, here with a group of honor students from Stephens College in Missouri; George Perkins of Del Rio; Lawrence Westbrook of San Angelo; Wayne Luce of Uvalde; Jim Daniel of Eden; Ed Jackson of Eldorado; D. V. Speakman of Brownwood; and Fred Becker of Ean Angelo.

Give to Conquer Cancer.

SCHOOL TRUSTEES REELECTED

The two Sterling School Trustees whose terms were expiring were re-elected in voting last Saturday. Chesley McDonald and D. L. Haralson, Jr. both were returned to the posts of trustees.

Returns Canvassed

At a board meeting Monday afternoon, the returns of the election were canvassed. McDonald got 46 votes, Haralson received 43, and Jeff Davis and Foster S. Price got one each on a write-in.

The board reorganized and the same officials were named. Worth Durham is president, Chesley McDonald is vice-president and Haralson is secretary.

Teacher contracts with the local teachers were renewed. The three administrators were reelected at a meeting earlier this year.

Locals Get Science Grants For Summer Study

O. T. Jones, superintendent of the Sterling City schools, has received a grant from the National Science Foundation and Baylor University for study at Baylor six weeks this summer. Mr. Jones will get tuition from Baylor and a money grant from the Foundation which will enable him to financially handle the study for the six weeks period. He will study chemistry and physics, he said. A group of internationally known authorities will conduct the studies, he said.

Weldon Snodgrass to S.M.U.

High School Principal Weldon Snodgrass received one of the grants to study the six weeks period at Southern Methodist University.

The National Science Foundation is supported by private industrial concerns that are concerned with the building of future scientists in our country.

FHA Girls Presenting Play Tonight

The Future Homemakers of America, Sterling City Chapter, is to present a play tonight at the school auditorium. Opening at 7:30 p.m. the play is a comedy in three acts titled "DAISY'S DIET" Prices of admission will be 50c for adults and 25c for children.

Appearing in the play will be Carolyn Payne, Sandra Williams, Jeannine Jones, Brenda Augustine, LeRuth Reed, Judy Stewart, Gayle Steward, Karen Young and Claudia Collins.

Mrs. Lillie Shanklin, homemaking teacher is sponsor of the group. The furniture in the play is loaned by Lowe Hardware and Furniture Co.

Lions Club Luncheon

The Sterling City Lions Club met at noon Wednesday in the community center for the regular weekly luncheon. The door prize went to Henry Bauer.

The club decided to go into a membership drive this month. Also the ministers of the town's churches were invited to become regular members.

President Delbert Haralson will appoint a membership drive committee at the next meeting and the all-out drive will get underway as soon as possible.

Negro Minstrel Planned

The program committee had been looking into the possibility of putting on another negro minstrel. The plans were laid before the club and it was decided to have a minstrel soon as possible after school closes.

Place in District Typing

At the district typing contests held at Knott on April 2 Wanda Simmons placed first and Sandra Williams placed third. This placing gives each of the local girls a shot at further competition in the Regional meet April 13 in Odessa. E. B. Hosea, typing teacher, said the girls were to enter the Regional meet this week-end.

County Bonds Sold

The State of Texas School Permanent Fund bought the County of Sterling Bonds (\$75,000) in a session this week at Austin. The rate of interest was 3.6538 per cent, which is low at this time.

FACTS

Every Saver Should Know

ONLY A BANK MAY LEGALLY ACCEPT SAVINGS DEPOSITS

Various institutions like savings and loan associations, mortgage companies, investment firms, credit unions and small loan companies may LOOK like banks, accept savings, lend money and perform other financial functions but there's a big difference! And it's important to you.

In You National and State Banks Your Savings Are Deposits . . . not investments in shares of stock. In a bank you gain interest without investment, you don't have to invest to earn while you save. Your Bank contracts in advance to pay a DEFINITE rate of interest on your savings. It is an obligation. There is no uncertainty about it.

Other financial institutions who have so-called Savings "Accounts" are not so obligated, and you are therefore faced with the possibility sometime of **having to wait for your money**. Even though they may customarily pay on demand, they are not obligated to maintain enough cash on hand to do so. Banks under State and National laws, must maintain full Cash Reserves at all times.

Banks Are Insured To The Maximum of \$10,000 For Each Depositor By The Federal Deposit Insurance Corporation (alled FDIC). This agency, established by the United States Government, will promptly fulfill the savings deposit obligation if the bank is unable to do so. Certain other types of savings institutions are not required to make immediate payment in cash of your investment when they do not have available

funds. Neither does such inability to make full payment obligate their insurer to make payment as it would in a bank. Banks are safe places of DEPOSIT . . . and you build up your credit should you need any type of bank loan.

Banks are the only institutions which can offer ALL financial services . . . the convenient ONE place of ALL money matters . . . checking accounts, savings accounts, all types of loans, bank drafts, money orders, cashier's checks, letters of credit, safe deposit boxes, and many, many others. More than 71 million Americans have over 76 billion dollars in Bank Savings Accounts. Banks serve not only you in all financial services but also serve the entire community in financial, commercial, industrial and private business enterprise thereby adding to the city's growth.

TO SUMMARIZE

At The First National Bank of Sterling City, You Are A Depositor—not a shareholder. A bank must pay its DEPOSITORS in full, promptly upon request. In certain other savings institutions, there is no obligation for immediate repayment of your investment.

AT YOUR BANK All Depositors are assured of a definite rate of interest on savings, and your savings are fully protected up to a maximum of \$10,000 for each depositor.

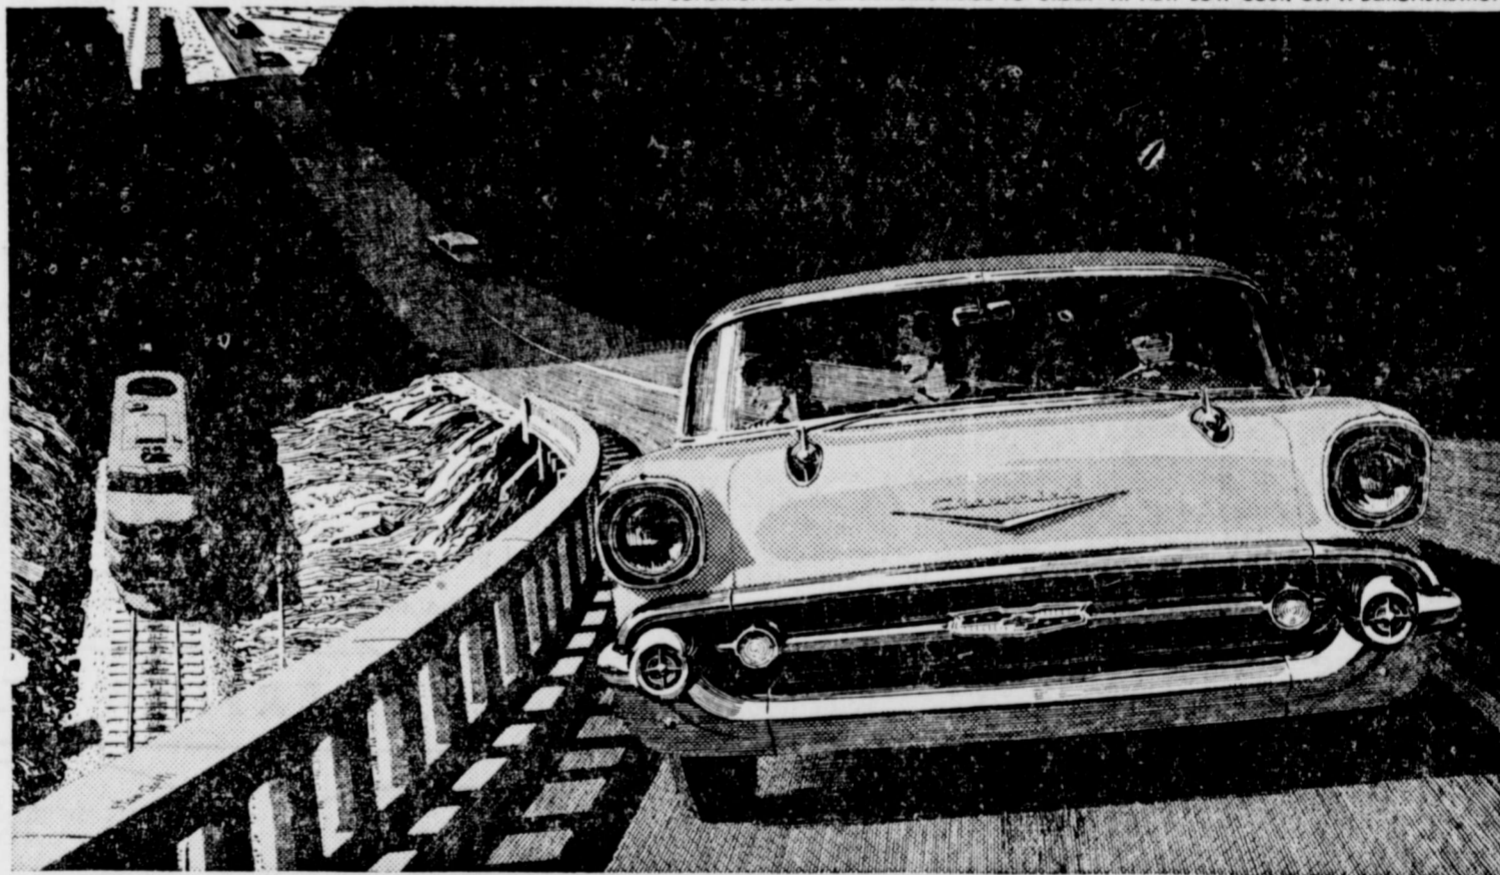

**THERE IS NO SUBSTITUTE FOR MONEY IN THE BANK

SPRING LAMB TOP \$24.00,
GREEK LAMBS AT \$26.00

The Easter lamb market opened at Fort Worth Monday with a minimum of fireworks, and at the conclusion of the day most fat lambs were around 50c higher. A few lightweight lambs sold for the special order for Greek Easter lambs topped at \$2.6

Trade was rather slow developing as most salesmen priced lambs considerably higher in hope of getting

more premium for the lambs which will be processed this week and rushed to the Eastern Seaboard in time for the Easter trade. However, slaughter interests held the line after the modest advance of 50 cents.

The Greek Easter lambs are little fellows scaling 40 to 60 pounds, and usually bring a sizeable premium over the heavier lambs, and this year it was only \$2.

Tone of the trade was good on older sheep, and stocker and feeder lambs enjoyed a much better outlet than last week.

Comparative prices: Good and choice Spring lambs \$22 to \$24, a few lights \$26. Cull to medium Springers \$15 to \$20. Good and choice old crop lambs \$1 9to \$22.50, latter price for Fall shorn pelts. No. 2 and No. 3 pelts sold from \$21 down, with some fresh shorn choice fat lambs at \$20. Cull to medium old croplambs at \$12 to \$18. Stocker and feeder woolled lambs \$21 down; shorn feeders \$19.50 down, some of these lambs were \$1 to \$1.50 above

feeder bids last week, but not that much above their packer value at that time. Yearlings and two's sold from \$17 down; aged wethers cashed at \$14 down; slaughter ewes drew \$7.50 down to around \$5.50 or \$6.00.

CATTLE TRADE VERY ACTIVE, PRICES STRONG

Trade in the cattle division at Ft. Worth Monday was very brisk, with steady to stronger prices all down the line. Top grades and high quality were again rather scarce.

Good and choice steers and yearlings drew \$19 to \$24, and common and medium sorts sold from \$13 to \$18.50. Fat cows cashed at \$12.50 to \$15, with canners and cutters from \$9 to \$12.50. Bulls sold at \$10 to \$15. Good and choice fat calves cashed at \$20 to \$24, and cull, common and medium kinds sold from \$12 to \$19. Stocker calves and yearlings sold from \$15 to \$22.

HOGS TOP AT \$18.25; SOWS SELL \$16.00 DOWN
Butcher hogs sold steady Monday

at Fort Worth with choice meat type hogs at \$18.25, and the medium grades and less desirable weights from \$16 to \$18. Sows sold from \$15 to \$16.

MISSISSIPPIANS GET FORT WORTH MARKET

We had a call from a Mississippi packing house Monday morning wanting market news regularly from here, which indicates once again the close tie between Fort Worth and the flourishing livestock business that is developing in the Mid-South.

For many years the cattlemen of Dixie have been steady buyers of stockers and feeders at Fort Worth, and in the past few years the outlet for breeding sheep and stocker and feeder lambs has been growing by leaps and bounds.

In the past year there have been numerous shipments of fed steers to the market here from Louisiana, Mississippi, and Arkansas as those once giant farms and plantations switched from row crops to roughage and feed as a part of their transition from a cotton economy to a livestock farming operation.

Often these cattle are shipped from the Mid-South to feedlots near Fort Worth where they rest and recover from the long journey and then move in to market when receipts and other factors look favorable.

We feel that this trade between Southwest and Mid-South will continue to grow, and already many Fort Worth market service agencies have part time or permanent representatives in those areas.

Proves again the old saying that livestock moves around a lot nobody knows just when or where the next moves will be. However, it is a cinch it be either toward a market to toward some feed. Knowing just which and when is what makes the livestock business interesting, and profitable for the folks in it.

Serve Salads for Spring Meals

By JANE ASHLEY

Salads are choice fare during the early spring season. You'll find a wide choice in fruits and cottage cheese to serve with the dressing of your choice. Shown here with a selection of strawberries, grapes, citrus fruit sections and melon balls is a delicately flavored and tinted Pastel Cream Dressing. For a more robust flavor a fish and rice salad with a well seasoned Easy-Mix Salad Dressing may please your family.

Pastel Cream Dressing

1/2 cup Mayonnaise
1/4 cup currant jelly
1/4 cup cream, whipped

Place Mayonnaise and jelly in a small bowl. Beat with rotary beater until smooth and well blended. Fold in whipped cream. Chill before serving. Delicious on fruit salad.

Mayonnaise

1 egg yolk
1 1/2 teaspoons sugar
1/2 teaspoon salt
1/2 teaspoon paprika
1/2 teaspoon dry mustard
2 tablespoons vinegar or half vinegar and half lemon juice
1 cup MAZOLA Oil

Combine egg yolk, seasonings and 1 tablespoon of the vinegar in a small deep bowl. Beat until thoroughly blended. Continue beating and add corn oil, 1 tablespoon at a time, beating thoroughly after each addition until 1/2 cup is used. Then add remaining vinegar and continue adding remaining oil, a tablespoon at a time. Makes about 1 cup.

Tuna and Rice Salad

2 tablespoons MAZOLA Oil
2 tablespoons vinegar
2 tablespoons finely chopped onion
1 1/2 teaspoons salt
1 teaspoon curry powder (optional)
Few grains black pepper
1 1/2 cups cooked rice
1 1/2 cups cooked flaked tuna fish
1 cup chopped celery
2 tablespoons chopped green pepper
1/4 cup Easy-Mix Salad Dressing

Salad greens

Combine corn oil, vinegar, onion, salt, curry powder and pepper. Add to rice. Toss lightly until seasonings are well mixed with rice. Place in refrigerator for about an hour. Just before serving, add remaining ingredients and mix thoroughly. Serve on crisp salad greens. Makes six servings.

Easy-Mix Salad Dressing

1 1/2 teaspoons salt
1 1/2 teaspoons dry mustard
3 tablespoons sugar
1/2 cup undiluted evaporated milk
2 cups MAZOLA Oil
1/2 to 3/4 cup vinegar

Combine first four ingredients in deep bowl. Beat with rotary beater until thoroughly mixed. Add corn oil, 1/4 cup at a time. Beat after each addition until oil is blended and mixture is smooth. Add vinegar, all at once, and beat until smooth and thick. (After vinegar is added, dressing thins slightly but thickens immediately when beaten.) Store in the refrigerator in covered jar. Makes 1 1/2 cups.

BREEZES FROM A WINDMILL FAN

By Milton Reed

Last Friday afternoon, J. R. Dillard, junior high coach, presented awards to the participants of junior high sports. The boys received gold footballs and the girls received gold basketballs. The cheerleaders of the pep squad received magaphones. Some individual awards were also made.

The juniors sponsored a style show and spaghetti supper Tuesday night. The juniors also had a short skit. Each of the juniors and a sophomore mocked different members of the faculty. Jackie Cole played the piano.

This Thursday, Friday and Saturday a show called "The Great Locomotive Chase" will be at the Palace. This is a story about the Civil War. The star is Fess Parker of Davy Crockett fame. Incidentally, the boss tells me he knew Fess when he lived in San Angelo. Maybe eventually he will be a star. Think so.

Say, kids, I'll give you a good tip. Since this was report card week and your grades get you in trouble, just get one of mom's or dad's cards. That will probably get you off the hook.

I guess you wonder why the column is so short this week. Well, the wind sure hasn't been turning that windmill fan very fast. If you ever see me around, tell me how you like the column.

Wimodausis Club Has Easter Program

The Wimodausis Club members had an Easter program when they met Wednesday afternoon at the clubroom of the community center. Hostesses were Mrs. H. F. Donalson and Mrs. T. F. Foster.

Mrs. C. B. Stovall opened the program with a prayer. "My Last Wonderful Days" by Hazel Beck Andre was given by Mrs. L. S. Dubberly, and Mrs. David Glass gave the part "It's Time for Four Faiths."

BAKE SALE SET

The club decided to have a bake sale on Saturday, April 20. It will be held at the Palace Theater, beginning at 10 a.m. said Mrs. Ray Lane, president.

A donation was voted for the crippled children's association. Sixteen club members were present.

METHODIST CHURCH

The class on church membership will be received into the church Sunday morning at the 11 o'clock worship service. The pastor will preach on the subject "Christ, the King." The subject for the evening service will be "The Day a Thief Rejoiced." There will be a Good Friday service next Friday evening beginning at 7:30 The Lord's Supper will be a part of the service.

On Easter Sunday morning there will be christening of infants. The doors of the church will be opened for all who wish to unite with the Methodist Church.

The young people will meet Sunday evening at 6:30. The choir will meet Wednesday evening at 7:30 for practice.

Attend Teachers Meeting

Attending the District 11 meeting of the State Teachers Association in Brownwood last month were Weldon Snodgrass, Mrs. Witt Hines and Mrs. Leona Shaffer.

One of the highlights was a lecture by Mrs. Billie Davis, Newton, Iowa. She is the author of "I Was A Hobo Kid." In discussing the background of the book, she gave a very interesting, unusual and impressive philosophy of life. 1620 teachers were in attendance.

Attends Delta Kappa Gamma Tea

Mrs. Witt Hines, sixth grade teacher here, attended a Delta Kappa Gamma Society Tea at the Midland Women's Club Saturday afternoon. Music was given by the Midland High a cappella choir under direction of R. C. Michener.

Miss Dephane Tabor, Midland's ambassador to Turkey in 1955, presented a film strip made while in Turkey. She spoke on "Vanishing Veils" as she showed the films.

Midland members were hostesses to women teachers in attendance from Howard, Sterling and Martin counties.

Mrs. Hines also visited her sister, Mrs. Harriet Rice—who is a member of the Jane Long school faculty in Midland.

Bitterweed in Sterling County as in many other counties is thriving. In the opinion of many ranchers, this is one of the worst bitterweed years in a long time.

Reason for the good crop this spring is due in most cases to the wet February. The rains during February were slow and gentle and more of the moisture went into the ground. Last fall some of the creeks and river were on slight rises and carried plenty of bitterweed seed along with them. Those seed germinated as a result of the February rains. If you didn't know how high the water got in your creeks during the rises, you can check the bitterweed now and find out. It will be growing just as far out as the water spread.

Hand pulling of bitterweed is an expensive process now in most places with it as thick as it is. Chemical control is cheap and does a good job if done properly. One pound of low volatile 2,4-D per acre has given good control and will cost about \$1.25 per acre. Enough water should be used to get good coverage of the plants. About 3 or 4 gallons to the acre has given Charles Speck on the Jackson Ranch a good kill this year. Finis Westbrook also has sprayed some and reports the bitterweed was showing the effect half a day after spraying.

Ideal conditions for spraying have been difficult to find lately but a fairly still day is preferred. Too, the bitterweed should be sprayed before it reaches full bloom. If the flowers are matured, the seeds will develop and be in condition to germinate.

Netwire or rock dams, just enough to slow down the water, will help keep the bitterweed confined also. The seed are heavy and if the water can be slowed down for just a minute, the seed will settle to the bottom. In that way the pest can be kept confined to a smaller area than if the water is allowed to run on unchecked. I've seen a couple of good examples of that lately. Just one string of small rocks less than six inches high in a draw had backed up bitterweed behind it. Above the little dam the strip was many times wider than below the dam. A brush dam would serve as well as the rock or netwire.

Grass judging 4-H Club members have covered about one-third of the grasses they will study before the district 4-H Club contests in San Angelo the last of this month. David Durham, Barbara Durham, Le-Ruth Reed, Lee Douthit, Cecilia McDonald, Reynolds Lee Foster,

and David Foster have been working regularly the last couple of weeks. They have made good progress. Several others have missed a meeting but can still catch up with the others. Four people will make up a team.

Wool and mohair judging will be resumed shortly. The state wool and mohair judging contest will be held in San Angelo on June 8.

Shearing season will soon be here. During the last several years more and more wool in Texas has been prepared a little better at the shearing pen.

This preparation of wool at the shearing pen is not to be confused with grading. It is simply a method of putting the finewool in separate bags from the coarser wools. The staple wool and the clothing wool is kept in separate bags and the tags and sweepings off the boards are placed in one bag.

This program was started sever-

al years ago by the Texas Sheep & Goat Raisers' Association and the Extension Service. County Agents have been trained to help the rancher in the wool preparation and are always ready to help. The Sheep & Goat Raisers' Association has been working on the educational end of the program with the warehouseman. At present, several warehouses in this area are coop-

erating in the program and the rancher is receiving the benefit of the prepared wool program through a better price for prepared wool. Of course the marketing picture is not going to change overnight. The program is going to take time but each year more and more people are taking advantage of it. For example ten years ago the majority of the cotton bought in the cotton belt

was bought "hog round" without regard to grade to staple. Today very little of it is marketed that way; the majority is bought on grade. So it is with a number of other agricultural products; time and perseverance have brought about the changes.
