SON TO THE JIM CANTRELLS

A son, named Jim Jeffrey, was born to Mr. and Mrs. Jim Cantrell at 1:38 a.m. Wednesday in the Sterling County Hospital. The baby weighed seven pounds and eleven ounces.
 "Papa" Jim is a State Highway Patrolman stationed here. Grandparents are Mr. and Mrs. H. A. King of Kingston, Oklahoma and Mr. and Mrs. W. H. Cantrell of Weatherford.

The John Stuckwishes are moving to Alpine this week-end. John will be administrator of the new hospital in Alpine. He has served as administrator here in the Sterling County Hospital for the past five years.

CATTLE STEADY, LAMBS OPEN 25-50 CENTS HIGHER
FORT WORTH—Receipts at Fort Worth in the cattle division Monday were about 1,000 below a week ago as weekend rains slowed movement in the country. However, around the major marketing circle a seasonally heavy run was reported as more than 102,000 cattle and calves. This totaled 16,000 above a week earlier.

Trade at Fort Worth developed along fairly active lines and slaughter cattle and calves were mostly fully steady, with some calves strong. Stocker trade was very active as the out-of-state representation from the Cornbelt and the Western States were active. Prices ruled strong to unevenly higher on replacement calves and yearlings.

In the sheep yards the offering was about 2,500 above a week ago, but the trade was active and strong, with some sales of lambs 25 to 50 cents higher. Milk fat lambs topped at \$21.50, and old crop shorn lambs topped at \$18. Both slaughter and feeder interests were active, and both feeder and breeding types of replacements cleared at strong rates.

Hogs were 25 cents higher as choice meat hogs topped at \$19, and medium grades sold from \$16 to \$18.50. Sows cashed at \$15 to \$16.50.

Good and choice yearlings and heifers sold from \$19 to \$22.85, the top figure for a load of 760-pound fed heifers from Johnson County. Plain and medium butcher yearlings and heifers sold from \$12 to \$18.

Fat cows cashed at \$12.50 to \$15, with one tippy load of cows from the Tom L. Burnett Cattle Co., Foard County, topped at \$16 and averaged about 1,200 pounds. Canners and cutters sold from \$8 to \$12.50. Bulls drew \$10 to \$15.50.

Good and choice slaughter calves sold from \$18 to \$21, and common and medium offerings cleared at \$13 to \$17.50. Cull sorts sold from \$10 to \$13.

Good and choice stocker steer calves ranged from \$19 to \$23, and good and choice heifer calves sold from \$18 to \$22. Replacement cows sold from \$10 to \$14.

Good and choice slaughter spring lambs sold from \$19 to \$21.50, and cull to medium spring lambs cashed at \$14 to \$18. Stocker and feeder spring lambs cashed at \$17 to \$19, and stocker and feeder yearling wether lambs sold from \$15 to \$16.50. Yearling ewe lambs sold from \$18 to \$20. Good and choice shorn yearling lambs cashed at \$16 to \$18 for slaughter purposes, and cull to medium sorts sold from \$10 to \$15. Slaughter ewes cashed at \$5 to \$7. Old bucks sold from \$4 to \$5. Aged wethers drew \$12.50 down.

Mrs. J. N. Knight of Millersview Dead

The mother of two Sterling City women residents, Mrs. J.N. Knight, 86, died in an Eden hospital Monday at 1 p.m. A resident of Millersview, Mrs. Knight was the mother of Mrs. Willie Bengé and Mrs. Luther Hallmark of Sterling City.

Burial was Tuesday in Millersview. Services were held in the Baptist Church there with the Rev. Kenneth Vaughn of Eden officiating.

Mrs. Knight was born Nov. 17 1871 in Liberty. In 1888, she married H. B. Spain, who died in 1908. In 1911 she married J. N. Knight, who died in 1953. The Knights had been residents of Concho County since 1923.

Survivors include four daughters, Mrs. J. D. Grounds of Millersview, Mrs. Willie Bengé and Mrs. Luther Hallmark, both of Sterling City; and Mrs. J. R. Turner of McCamey; four sons, Claude Spain of Memphis, Tenn., Adkin Spain of Crockett, Doc Spain of Brownwood, and Sterling Spain of Killeen; 20 grand children, 33 great grandchildren and two great-great grandchildren.

The Foster Sims Prices left Sunday for Ruston, La. for a week's visit with relatives and friends.

Memorial Day Holiday IN STERLING CITY

Thursday, May 30, Memorial Day, was observed as a holiday here in Sterling City by the merchants. It is one of the set holidays of the year observed by the local merchants.

The bank, post office, and court house offices, as well as the retail stores were closed for the day.

Dance Recital Colorful Affair

Mrs. Jeanne Deans, dance instructor, presented her local pupils in a very colorful recital last Friday night. The Mardi Gras Fantasy, as it was called, was held in the school auditorium. Colorful costumes, fanciful numbers, along with nifty small fry cuties, made up a very entertaining program.

Dances included ballet, tap, precision numbers and funny antics by the pupils of Mrs. Deans.

Among those appearing on the recital were Diane Hodges, Linda Kelly, Shelly Haralson, Kathy Haralson, Elaine Price, Rosanne Foster, Su Speck, Nancy Bengé Lynn Bengé, Janie Copeland, Lynda Allen, Claudia Collins, Edna and Olema Davis, Bill Blaneck, Carolyn Cole, Macky McEntire, Diana Lou Cole, Pamela Ann McEntire, Jaynell Cope, Beverly Frances Brooks, Mitsy Davis, Mike Williams, Temple Ann Foster, Danny Bailey, Ginger Stone, Lee Douthit, Billy Boyd Allen, Jodie Green, Jacque Caperton, Tony Allen, Willene Glass, Jackie Cole, Charlotte Foster and Janet Westbrook.

METHODIST CHURCH

The Rev. L. S. Dubberly, pastor of the Methodist Church, is attending the Annual Conference of the Southwest Texas Conference which is meeting in San Antonio this week. The conference started Monday evening and will continue through Friday noon. Rev. Dubberly will be back Saturday and preach Sunday morning and evening.

Also attending the conference are Mr. and Mrs. Roy Foster and Mr. and Mrs. Rufus Foster as lay delegates from the Methodist Church here.

The pastor will preach on the following subjects next Sunday: "The Heritage of a Name" will be the subject at the 11 o'clock worship service and "More Than a Day" will be the subject for the evening.

The young people will meet Sunday evening at 6:30. The choir will practice Wednesday evening at 7:30.

The Daily Vacation Bible School will begin June 10. All children within the age group are invited to attend this school.

FRED CAMPBELL TO ELDORADO AS ASSOCIATE COUNTY AGENT

Fred Campbell, who was county agent here for five years, has just received his master's degree in wool work at the University of Wyoming. He has been named associate agent for Schleicher County. He will report there Saturday.

Fred resigned here a year ago to work on his master's degree.

Campbell will assist W. G. (Tiny) Godwin, Schleicher agent, who is recovering from injuries received in a recent highway accident.

A native of Paint Rock, Campbell has always specialized in wool. He is a 1950 graduate of Texas A&M.

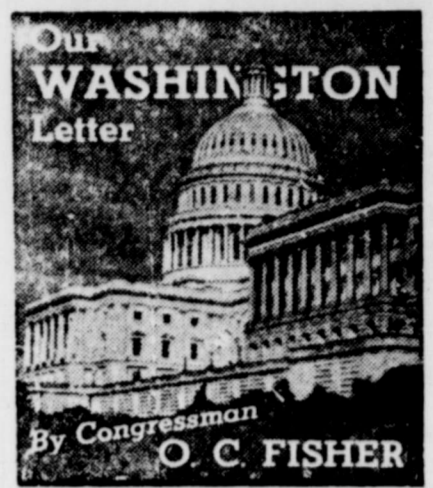

Attends Car Air-Conditioning Training School

Truman Kennemer, mechanic at the R. T. Caperton Chevrolet Co., has just returned from a training school on car air-conditioning at General Motors Training Center at Garland, Texas. This is the third air conditioning school Truman has attended learning installation and servicing methods.

Bill Swann, son of Dr. and Mrs. Swann, and pre-med student at the University of Texas, is home for the summer holidays.

Mr. and Mrs. Roland Lowe went to Dallas this weekend on a buying trip for their store, the Lowe Hardware and Furniture Company.

Hal Knight, Jr., student in Texas Tech, and son of the Hal Knights, arrived home this week for the summer holidays.

THE DEPARTMENT OF DEFENSE is the biggest business in the world. That fact was faced this past week when the House acted upon the \$36 billion appropriation to pay the nation's defense costs during the next year.

Just where does all that money go? Well, here is a breakdown that may simplify it a bit:

About one-third goes for military pay and allowances. A third goes for hardware—planes, tanks, guns, missiles, etc. The other third goes to operate and maintain the various bases, including civilian pay, water, light, heat and paint.

We maintain 1,068 bases, from small radar outposts to the gigantic bases and depots. Of these 733 are in the U.S., the remainder are outside.

A total of 48,000 airplanes are being operated; 780,000 trucks, cars and jeeps; and nearly 3,000 ships.

The fuel bill alone costs \$1 billion a year—220,000 barrels of fuel.

IN ADDITION, the military services have built and they maintain 51,000 miles of streets and roads. That is enough pavement to reach twice around the world. We have built and we maintain 4,500 miles of runway 150 to 250 feet wide. And we operate over 12,000 miles of railway.

Water consumption at these bases amounts to a billion gallons a day.

The military grocery bill is \$650 million a year. This includes 386 million pounds of flour, 300 million pounds of beef, 107 million pounds of chicken, 68 million pounds of frozen vegetables, 60 million pounds of coffee.

DEFENSE IS BIG business. It can be readily seen that further good housekeeping methods can easily save a billion dollars a year.

Speaking of more efficiency, HOOVER COMMISSION recommendations are now 73% in effect, according to the most recent announcement.

RECENT VISITORS have included Lt. Col. G. L. Hahn of London, Kimble County, presently a key official in hospital programming and maintenance for the Air Force. Col. Hahn and family returned from a recent tour of duty in Germany.

Others: W. P. Barnes, H. E. Hurst, J. H. Gregory, Glenn Lewis, Houstie Harte, H. E. McCullough, M. D. Bryant, of San Angelo; John Harrod of Eden, who while here was admitted to practice before the U.S. Supreme Court; Mr. and Mrs. O. R. McWhorter and daughter, Blossom, of San Angelo; Bernice Sammons of Eldorado; and C. S. Taylor of San Angelo.

MIDLAND RODEO OPENS JUNE 4

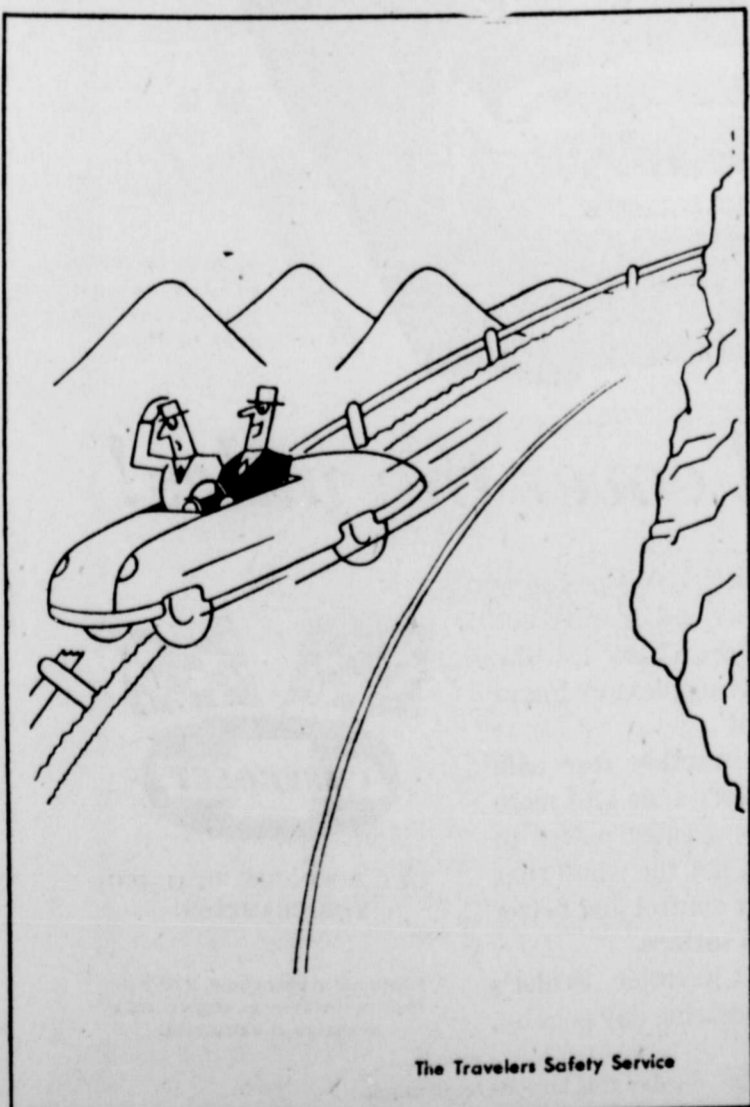

MIDLAND—"Everything is ready for the 1957 rodeo," Courtney Cowden, President of Midland Fair, Inc., said today. "This will be the fastest show we have ever produced. Extra help around the arena and the streamlining of our specialty acts will insure a fast show."

Cowden explained that for the first time in several years the Midland show does not conflict with the Ft. Smith, Ark. Rodeo, consequently most of the champion cowhands will be on hand at Midland.

This is to be the first show of the season for the vitamin fed rodeo stock from the Lightening C Ranch at Dublin, Texas. Everett E. Colburn, Director and Producer of the show, says the animals are in better shape than he has ever seen them. "The rains we've had this year has the animals feeling pretty salty," Colburn said.

The 23rd Annual Rodeo begins with the opening day parade, Tuesday afternoon, June 4th. Five night performances begin that night and goes through Saturday night.

loves to cut loose and cover the miles!

If you're looking for a real "escape artist," a car that loves to step out and get away from it all—well, it just happens that Chevy was born with that urge.

If there ever was a car that loved to cut loose and cover the miles, it's this one. Yet it's so easy to handle that it even makes city traffic seem a bit lighter and parking places a bit bigger.

Chevy's pretty easygoing out on the highway too. Not poky. Far from it. You find, for example, there isn't a hill around that can make it breathe hard

—not with Chevrolet's high-performance V8 on the pulling end. You've got up to 245* horsepower here for the biggest helping of driving pleasure found in the low-price field!

Chevy's new Positraction rear axle (optional at extra cost) adds still more pleasure. It delivers greater power to the wheel that grips, not the wheel that slips. You have surer control and better traction on any road surface.

Stop by your Chevrolet dealer's before another good driving day goes by.

GET A WINNING DEAL ON THE CHAMPION!

*Optional at extra cost. 270-h.p. high-performance engine also available at extra cost.

The 4-H Club barbecue was attended by about 100 people Monday night in the community center. The event, originally scheduled for the river park on the Nick Reed ranch, was moved to the center because of the recent rains, mosquitos, and chigger son the river at this time.

In attendance were 4-H Club members, their parents, members of the County Livestock Show Association, members of the county commissioners court, school officials, school officials, local people who bought lambs at the county show this year, and the guests of several club members.

Mothers of the club members deserve a vote of thanks for the splendid way in which they organized themselves to make the barbecue possible. Each one brought some item for it ranging from a lamb to cakes, salads, plates, cups, forks and spoons.

Don McDonald, president of the 4-H Club, acted as master of ceremonies. O. T. Jones gave the invocation. Judge G. C. Murrell presented the 4-H Club members with their awards for the year 1956.

The Achievement Award, donated by the Ford Motor Company, went to Bill Davis and Don McDonald. This award goes to club members who have made an outstanding record throughout a period of several years. They must have completed their demonstration during that time.

The Leadership Award donated by Edward Foss Wilson was won by David Durham. It goes to a club member who has participated in various activities of the club and who has been a leader in his field.

LeRuth Reed won the Meat Animal Award donated by Thomas E. Wilson. This goes to a club member who has done outstanding work in the field of meat animal production.

Four club members received the Soil and Water Conservation Award made possible by the Firestone Tire and Rubber Company. They were Carolyn Payne, Jerry Payne, Clayton Stewart and Reynolds Lee

Foster. These four have worked for several years on the grass identification and range judging teams.

The Gold Star Award is the highest award that a 4-H Club member can win on the county level and is limited to one club member per county. This award, donated by the Agricultural Extension Service and Texas A&M College, was won by Don McDonald. A club member must have completed at least three years of work and carried his demonstration to completion. In addition he should have exhibited qualities of leadership in his club and his county.

I would like to add my congratulations to those of everyone else in saying that these club members have done an outstanding job and are to be commended for winning these awards.

Year pins for completing their

work for a period of years were also presented by Judge Murrell. Tony Allen and Bill Davis received pins for completing five years work. Four year pins went to Don McDonald and David Durham. Lynda Allen, Kenneth Fincher, and LeRuth Reed received pins for completion of three year of work. Two year pins went to Mitzi Davis, Reynolds Lee Foster. Cecilia McDonald, Carolyn Payne, Jerry Payne, Milton Reed and Clayton Stewart. Pins for completion of one year's work went to Barbara Durham and Troy Murrell.

As of today—Wednesday—no pecan casebearer eggs have been found in Sterling County. I have checked a number of trees periodically around the county and have been unable to find any eggs.

Eggs have been found in San Angelo however, and so it probably will be a matter of days until they are found here. It may be that the rains have delayed the laying of the eggs or has knocked eggs off.

Every tree owner who expects to harvest a good crop of pecans should keep careful check on his own trees. The little eggs, about half the size of a pinhead, are easy
