

THAT CIVIL RIGHTS BILL has not passed, the issue remains unsettled. That is true despite the apparent break in the Senate filibuster after the approval of a modified right of jury trial for those who may be accused in the courts of violating the terms of the bill. As it passed the House, the traditional Anglo-Saxon civil right of jury trial was expressly prohibited. As it looks now, the Senate will probably pass the watered-down bill and send it back to the House. There, if an attempt is made to approve the Senate amendments, a single objection can send it to the Rules Committee. Then the wrangle will begin. The Rules Committee is about through for this session and it won't be easy to get them together before the recess.

Even if the Rules Committee should meet and act, the Civil Rights extremists in the House may refuse to concur in the right of trial by jury. They have promised the Negroes back home they will not stand for such a right for alleged violators, and since it is all politics anyhow they may choose to keep the issue alive by refusing to concur in the Senate amendments.

IT LOOKS LIKE the Republicans stand to gain the most from this Civil Rights fiasco this year. That is, since it is all designed anyhow as a sop for the gullible Negro vote the Republicans will claim they would have achieved victory except for the Southern Democrats, responsible for the watered-down version and the road block against final passage.

On the other hand, some dopsters foresee the Republicans in the House accepting the Senate amendments, maybe tilting the issue in favor of House approval. If so, the Republicans could still claim credit for everything the extremists want and would blame the Democrats for everything in the bill the extremists don't want.

And so it goes, a plague on both houses. Right now the chances of any Civil Rights bill being passed is about 50-50.

Spade Ranch Honors Long-Time Employees

The Spade Ranch honored three of its long-time employees with a surprise barbecue dinner at the ranch last Saturday at noon. About 450 persons attended the affair. Honored for long service were Otto Jones, Tom Arnett and W. F. Eisenberg.

Among those attending the barbecue from Sterling were Mr. and Mrs. John D. Lane, Mr. and Mrs. Ray Lane, Mr. and Mrs. Lee Augustine, Mr. and Mrs. Clell Ainsworth, Mr. and Mrs. Pink Russell, Mrs. Lura McClellan, Mr. and Mrs. Jeff Davis, Mr. and Mrs. Vern Davis, Mr. and Mrs. Forrest Smith and son, Mr. and Mrs. John Reed, Mr. and Mrs. Fowler McEntire, Mr. and Mrs. Claude Collins and Corwin, J. T. Davis, Seth Bailey and Delbert Haralson, Mr. and Mrs. W.W. Durham and Mr. and Mrs. Doug Farnsworth.

LOCATION FOR CITY WATER WELL DONATED BY DAVIS

A location for the site of the water well for the Sterling City water supply was donated to the city by J. T. Davis Thursday of this week. The lot is lot 7, block 4 in the Harris addition, facing Colorado street, said mayor John Walraven.

There have been a number of complaints from people with home gardens that their tomatoes have bloomed and bloomed and yet have failed to set a single tomato. Some have had the same trouble with beans.

Plant disease specialists say that the trouble is not in the plant itself but is due to the hot, dry weather; high humidity or low humidity or dry winds. The plants fail to pollinate and therefore a fruit crop is not set. There are some hormone sprays available which may give relief from this situation—at least they are worth a try if you have your garden in good shape and have put in lots of hard work and water. These sprays are available from seed and feed dealers and nurseries under different trade names.

To avoid this trouble in the future, the disease specialists recommend several varieties of tomatoes. Varieties recommended are Firesteel, Pennhart, and Bounty in the large tomatoes; for small tomatoes Somerset, Porter, and Denmark are recommended. Earlier planting is also recommended to get the plants into production before the hot temperatures and hot, dry winds.

Grain sorghums may be cheap feed this year if present crop prospects materialize. According to USDA figures, acreage this year is up considerably over last year. Total acreage in the US is estimated at 25,644,000 acres as compared to 17,214,000 last year. Texas acreage is also up this year. Last year's acreage was 7,523,000 as compared to 9,554,000 acres this year.

Texas, incidentally, is the leading producer of grain sorghum.

Kansas ranks second with 7,512,000 acres and Nebraska third with 2,384,000 acres.

A good crop of maize has already been harvested in South Texas area from San Antonio southward. Yields in much of that section of the state have been running near the 3,000 pound per acre mark, according to reports. Price there (San Antonio) was \$1.60 per hundred two weeks ago.

Harvest has started in the area around Taylor and reports are that much of the storage space there is already filled up with a lot of the grain still in the field. With that kind of crop, chances are that the price will be down considerably when the harvest stage is reached in the Panhandle and Plains area. Livestock men who have need of grain for feed, and who have storage space, would do well to purchase theirs when the price is down.

A new 4-H club range management demonstration will be ready for 4-H club members on September 1 this year. The Texas Sheep and Goat Raisers Association will sponsor the contest according to announcement from the Extension Range Specialists A. H. Walker and Carolyn O. Hoffman. Purpose of the program is to give 4-H club members an understanding and appreciation of range management, encourage closer working relationships between youths and adults, and stimulate club members to use proper range management practices where they operate their own ranches.

There are seven different parts to the new demonstration and county, district, and state awards will be made. A club member will have to complete one or more of the demonstrations to be eligible for the awards. Demonstrations are: (1) Make a plant collection (2) rainfall, moisture and temperature conditions, (3) native grass observation plot, (4) range survey of one or more pastures, (5) compare forage production on brush controlled and uncontrolled areas, (6) determine advantages of deferred grazing as compared to continuous grazing, (7) range management demonstrations as outlined in a circular to be made available.

More information will be forthcoming on this demonstration in the near future and will be made available to all club members. From present information, it looks like a good contest and there should be a good deal of interest in it, especially in West Texas.

Hereford Stocker-Feeder Sale in Angelo August 20

A Hereford Stocker-Feeder calf sale will be held in San Angelo, at the San Angelo Livestock Auction Company, Tuesday, August 20.

The sale is sponsored by the Concho Hereford Association. Its purpose is to provide a better market for the better quality Hereford calves, especially for the intermediate and smaller producer. All calves will get the full benefit of higher quality.

Steers and heifers will be shown in groups of 10, 20, and carloads of 40 for judging and awards. Producers may show in any group they desire but do not need to show to consign calves in the sale.

The judging will begin at 7:00 a. m. Tuesday. The sale will begin at 11 a. m. August 20.

Although prior entry is not required, the sale will begin at 11 a. m. Tuesday. The sale will begin at 11 a. m. August 20.

MOST CATTLE AND CALVES SELL FULLY STEADY

FORT WORTH—Movement of cattle and calves got back to normal proportions Monday at Fort Worth and all around the major marketing circle. Trade was active on most classes, although some fat cows closed unevenly lower. Bulls were strong to 25 cents higher. Grainfed cattle again were very scarce.

Slaughter calves and stocker and feeder classes of cattle and calves were very active to all interests, and high grade replacements were virtually lacking.

Good and choice slaughter steers and yearlings sold from \$20 to \$24.50, with only odd head eligible to sell above the \$23 marker. Medium and lower grades sold from \$13 to \$19. Fat cows cashed at \$12.50 to \$14, a few higher, and canners and cutters sold from \$8 to \$12.50. Bulls brought \$11 to \$15.75.

Good and choice slaughter calves cashed at \$19 to \$22.25 and common to medium kinds drew \$14 to \$18. Cull sorts sold from \$10 to \$13. Stocker steer calves of good grades sold from \$19 to \$23, and load lots of choice dehorned calves were eligible to sell comfortably above that range. Steer yearlings bulked at \$21 down.

OLD EWES \$1.00 HIGHER; FEEDER TRADE STRONGER

Slaughter ewes sold fully \$1.00 higher at Fort Worth Monday as most sales for the class ranged from \$7 to \$9, relatively few merchantable kinds below \$8. Feeder lambs were stronger, and other classes were fully steady. Top end of the price range on most classes was poorly tested due to the scarcity of the high grades in the run.

Good to choice slaughter lambs sold from \$21 to \$22, and cull, common and medium sorts sold from \$14 to \$20. Stocker lambs sold from \$18.50 downward. A few yearlings sold from \$14 to \$18. Old wethers cashed at \$13 down, a few higher. Aged bucks sold from \$5 to \$6.

HOGS HIT NEW HIGH IN AN ACTIVE TRADE

Choice butcher hogs sold from \$22.75 to \$23.25 at Fort Worth Monday, the higher figure marking a new high for the year, and once again setting a new high here since August, 1954. Medium to good butchers sold from \$18 to \$22, and sows cashed at \$18 to \$20. Stags sold around \$12 down.

WHAT ARE CATTLE GOING TO BE WORTH?

A question which comes daily to the livestock men at Fort Worth

School To Open Here September 3rd

Free Attraction Daily at State Fair

One of the world's most remarkable spectacles will be featured as a free attraction at the 1957 State Fair of Texas, October 5-20.

The mysterious rituals of the Aztecs and Mayans of ancient Mexico will be faithfully recreated by actual descendants of those long vanished races.

The Aztec-Mayan Spectacular will be presented twice daily on the Magnolia Stage, climaxed by the dangerous "ceremony of the flying pole."

This awe-inspiring ritual is performed by the "Birdmen of Teotihuacan." Dressed in feathered, birdlike costumes, these "flying Indians" climb to the top of a 100-foot pole. To the weird music of a flute and drum, the four fliers one by one go through an intricate dance on a tiny platform atop the pole.

They then leap into space, spinning head down, hanging by their heels from ropes wound around the pole. As they glide gracefully to earth, the ropes unwind in ever-widening circles.

Seldom seen outside a few remote villages in the jungles of Mexico, the strange ceremonial of the flying pole is among the oldest of the surviving native rites of that country, dating from the times before the Spanish conquest. Fliers are trained from the age of 9 for this daring feat.

The colorful dances of the Aztec-Mayan Spectacular are performed by a troupe of 20, attired in authentic costumes. In addition to the daily appearances on the Magnolia Stage, they will be featured in 3 big free Cotton Bowl shows during the fair. The first will be on Mexico Day, October 7.

Seaman Recruit Jimmie D. McWhorter is finishing his basic training at the San Diego Naval Training Center on August 9. He will then get off two weeks and plans to come home for a visit with his parents. He expects to get here August 13, said his mother, Mrs. J. D. McWhorter. After his leave, he will go back to some station in California for sonar schooling.

these days is "What will calves and yearlings be worth this Fall?" Naturally, the answer to that question would come in handier than the key to Fort Knox, if a person had it for certain!

The sharp rise in prices for stockers and feeders which developed this Spring and lasted through the Summer so far, has got cattlemen wondering just how much their calves or yearlings may REALLY be worth come Fall.

It is now obvious that great many Texas cattle will stay at home this Fall as some of the drouth hit ranches strive to get restocked. Certainly, if the usual late Summer and Fall rains come the demand for replacements in the Southwest will pick up with extreme rapidity. Some observers predict a strong market for cattle in Texas from farms where there is now being raised a big crop of grain sorghums and other feed.

Just how much higher will feeders from Cornbelt or Western States go in price, before they figure the market has out-stripped the price for finished cattie?

That is another of the big "ifs" is the picture.

If the fat cattle price continues to rise, some say it will, others say it won't. The negative thinkers here point to the huge turkey and broiler production, and an increase in pork output as factors weighing against much higher beef prices.

If the rains come to Texas and the Southwest in the next two months.

And, if domestic and foreign affairs do not upset the consumer demand for meat.

If all these things are favorable, then the drouth-harried Southwestern stockmen may indeed enjoy his best Fall season for a long, long time.

If you and I had the answers to all of these ifs, we could get rich before New Year's.

The opening for the Sterling City school has been set for Tuesday, September 3, said superintendent O. T. Jones this week. The opening exercise will be at 9 a. m. in the school auditorium.

Mrs. Lillian Werb has been named home making teacher for the school year, replacing Lillie Shanklin, who resigned. She is a 1957 graduate of North Texas State College at Denton. She also attended San Angelo College and was a member of the Ramettes while attending SAC. Her husband is overseas in the service at present.

Mrs. Arthur Barlemann will be the sixth grade teacher, replacing Mrs. Witt Hines, who is going to teach in Big Spring this fall. Mrs. Barlemann had taught on a part-time basis last year.

Mrs. Leona Shafer, librarian, has resigned and will be in the Wink school this fall. No librarian has been named so far here, said Jones.

The school will take the customary two-day Thanksgiving holidays and will turn out for Christmas on Friday, December 20, said the superintendent. There will be a two-day Easter holiday, and one day for teachers to attend the district teachers meeting.

School Budget Hearing Set For August 17

The Sterling School Budget hearing has been set for Saturday, August 17 at 4 p. m. in the school building. Any interested taxpayer may appear and take part in the hearing.

Sterling School Board
By O. T. Jones

Lions Club Luncheon

The Sterling City Lions Club met in the community center Wednesday noon for the regular weekly luncheon. Twenty-seven members and guests were present.

A second spraying of the town for fly and mosquito control was talked. President Horace Donalson appointed a committee to take up donations from interested persons to help pay for the spray material. It was estimated to cost about \$125.

Appointed to the committee were Earl Bailey, Bill Green, W. W. Durham and Seth Bailey.

Coach Diddle Young told of the Six-Man All-Star football game in Abilene last week. Young, coach of the West All-Stars, said his team lost to the East All-Stars 35-14. He told of the West basketball team beating the East group.

Guests included W. C. Berry, Mike Williams and Dean Boyd. Berry was a new member.

The prize went to Seth Bailey.

NOTICE OF ELECTION Agricultural Stabilization and Conservation County Committee

The election of persons to serve on the Sterling County Agricultural Stabilization and Conservation County Committee will be held on September 9, 1957.

Election will be by mail. All ballots must be returned to the ASC County office by not later than 5:00 p. m. September 9, 1957 or post marked not later than September 9, 1957 if they are to be counted.

L. C. McDonald, Ralph Davis and Reynolds Foster were appointed to serve as a nominating and tabulation board for the election. The board selected the following persons as nominees to be placed on the ballots:

Marvin E. Alley Clyde R. Foster
Billy R. Bynum Forrest Foster
Alvie L. Cole William Foster
Foster Conger Clinton Hodges
Charlie Drennan Perry Matthews

In addition to the names selected above there shall be included on the slate of nominees the names of eligible persons whose nomination is requested by petition, provided, the petition is signed by 10 or more eligible voters and presented to the election board not later than August 23, 1957.

Incumbent Committeemen are:
Clyde R. Foster, Chairman
William Foster, Vice Chairman
Clinton Hodges, Third Member
Foster Conger, 1st Alternate
Billy R. Bynum, 2nd Alternate.
Ballots will be mailed to all known eligible voters on August 26, 1957.

Roxy A. Brock
County Office Manager.

Mrs. Hal M. Knight, Jr.

Hagerty-Knight Vows in McCamey

Miss Dolores Hagerty, daughter of Mr. and Mrs. Homer Hagerty of McCamey, became the bride of Hal Mitchell Knight, Jr., son of Mr. and Mrs. H. M. Knight, Sr. of Sterling City, in a formal wedding ceremony performed at 4:00 p.m., Sunday, July 28, in the First Methodist Church of McCamey. The Rev. Arthur Kendall, pastor, was officiant for the double ring rites.

Wedding music was presented by Mrs. C. H. Cox, violinist, and Richard Box of Crane, vocalist, accompanied by Mrs. H. W. Driskill, organist.

The church was beautifully decorated for the ceremony. The communion altar was adorned with twin arrangements of white asters and gysaphelia backed with lemon

leaf. The chancel rail was covered with plumosus and lemon leaf entwined. Behind the rail stood tall chancel arrangements of large white chrysanthemums with carnation small mums and gysaphelia. These were on a tall stand of lemon, brake and plumosus and topped with white cathedral candles.

The family pews were marked with large mums, gysaphelia and cathedral candles with the bride's chosen colors of yellow and white.

The bride, given in marriage by her father, wore a formal length gown of imported Chantilly lace and nylon tulle over taffeta. Defined with a saberina neckline and tiny short sleeves with matching lace the elongated bodice complimented

the voluminous skirt of lace, scalloped hemline revealing the double pleated tulle ruffles, sweeping into a formal length train.

Her veil of silk illusion fell from a half hat of white lace, encrusted with sequins and seed pearls. For her bride's bouquet she carried a cascading arrangement of white gardenias, yellow roses, white satin rosebuds and lily of the valley.

Miss Ellen Ann Glover of San Angelo was maid of honor. Other bridal attendants were Miss Mary Lou Maberry of McCamey, brides-

maid, and Miss Tomiasine Hunt, junior bridesmaid, cousin of the bride. All wore identical dotted swiss dresses with pale yellow taffeta cummerbunds and matching cartwheel hats. They carried nose-gays of white carnations trimmed in yellow.

Serving as best man was Tom Brien of Houston. Groomsman was Kent Jones of Sterling City and Johnnie Northcutt of Midland was junior groomsman. Ushers were Mims Carl Reed of Sterling City and Doug Klingman of Dallas.

Flower girl was Reba Jo Brown and candlelighters were Britt Newton and Kay Kinsey of San Angelo, cousin of the bride.

The mother of the bride wore a pale orchid dress trimmed in matching lace. The groom's mother wore a blue silk sheath dress. Both wore gardenia corsages.

A reception was held in the McCamey Park Building after the ceremony. The serving table carried out the bride's chosen colors of

NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 2 proposing an amendment to Article III, Section 51a of the Constitution of Texas, so as to increase the limit on the maximum monthly payment to needy aged persons from state funds and on the total yearly expenditure out of state funds for assistance to needy aged, needy blind, and needy children, and allocating and appropriating additional sums, supplementing current legislative appropriations, for payment of assistance grants.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 51a. The Legislature shall have the power, by General Laws, to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions and regulations as may be by the Legislature be deemed expedient for assistance to, and for the payment of assistance to:

"(1) Needy aged persons who are actual bona fide citizens of Texas and who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate, or to any person who shall not have actually resided in Texas for at least five (5) years during the nine (9) years immediately preceding the application for such assistance and continuously for one (1) year immediately preceding such application, provided that the maximum payment per month from state funds shall not be more than Twenty-five Dollars (\$25) per person; and provided further that no payment in excess of Twenty-one Dollars (\$21) shall be paid out of state funds to an individual until and unless such additional amounts are matched by the Federal Government.

"(2) Needy blind persons who are actual bona fide citizens of Texas and are over the age of twenty-one (21) years; provided that no such assistance shall be paid to any inmate of any state supported institution, while such inmate, or to any person who shall not have actually resided in Texas at least five (5) years during the nine (9) years immediately preceding the application for such assistance and continuously for one (1) year immediately preceding such application.

"(3) Needy children who are actual bona fide citizens of Texas and are under the age of sixteen (16) years; provided that no such assistance shall be paid on account of any child over one (1) year old who has not continuously resided in Texas for one (1) year immediately preceding the application for such assistance, or on account of any child under the age of one (1) year whose mother has not continuously resided in Texas for one (1) year immediately preceding such application.

"The Legislature shall have the authority to accept from the Federal Government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children as such Government may offer

not inconsistent with restrictions herein set forth; provided however, that the amount of such assistance out of state funds to each person assisted shall never exceed the amount so expended out of federal funds; and provided further, that the total amount of money to be expended out of state funds for such assistance to the needy aged, needy blind, and needy children shall never exceed the sum of Forty-seven Million Dollars (\$47,000,000) per year.

"The Legislature shall enact appropriate laws to make lists of the recipients of aid hereunder available for inspection.

"Supplementing legislative appropriations for assistance payments authorized by this section, the following sums are allocated out of the Omnibus Tax Clearance Fund and are appropriated to the State Department of Public Welfare for the period beginning August 31, 1957 and ending August 31, 1959: Four Million, Nine Hundred Thousand Dollars (\$4,900,000) for Old Age Assistance, One Hundred, Seventy-Five Thousand Dollars (\$175,000) for Aid to the Blind, and Five Hundred, Twenty-Five Thousand Dollars (\$525,000) for Aid to Dependent Children. Such allocations and appropriations shall be made available on the basis of equal monthly installments and other wise shall be subject to the provisions of currently existing laws making allocations and appropriations for these purposes."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of Texas at an election to be held throughout the State of Texas on the 5th day of November, 1957, at which election there shall be printed on such ballot the following clauses:

"FOR the Constitutional Amendment increasing the limit on the maximum monthly payment to needy aged persons from state funds from Twenty Dollars (\$20) per month to Twenty-five Dollars (\$25) per month subject to certain conditions for payment in excess of Twenty-one Dollars (\$21) per month and on the total yearly expenditure out of state funds for assistance to needy aged, needy blind, and needy children from Forty-two Million Dollars (\$42,000,000) per year to Forty-seven Million Dollars (\$47,000,000) per year, and allocating and appropriating additional sums, supplementing current legislative appropriations, for payment of assistance grants."

"AGAINST the Constitutional Amendment increasing the limit on the maximum monthly payment to needy aged persons from state funds from Twenty Dollars (\$20) per month to Twenty-five Dollars (\$25) per month subject to certain conditions for payment in excess of Twenty-one Dollars (\$21) per month and on the total yearly expenditure out of state funds for assistance to needy aged, needy blind, and needy children from Forty-two Million Dollars (\$42,000,000) per year, and allocating and appropriating additional sums, supplementing current legislative appropriations, for payment of assistance grants."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published as required by the Constitution and laws of this State.

NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 3 proposing an amendment to the Constitution of Texas adding a section to be known as Section 49-c of Article III, providing for the issuance and sale of bonds of the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State; providing for the payment of such bonds; creating an agency to administer said Fund and to perform other duties prescribed by law; limiting the period during which financial assistance may be granted; and providing for the calling of an election and the publication and issuance of the proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-c, as follows: "Section 49-c: There is hereby created as an agency of the State of Texas the Texas Water Development Board to exercise such powers as necessary under this provision together with such other duties as may be prescribed by law. The qualifications, compensation, and number of members of said Board shall be determined by law. They shall be appointed by the Governor with the advice and consent of the Senate in the manner and for such terms as may be prescribed by law."

"The Texas Water Development Board shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed One Hundred Million Dollars (\$100,000,000). The Legislature of Texas, upon two-thirds (2/3) vote of the elected Members of each House, may authorize the Board to issue additional bonds in an amount not exceeding One Hundred Million Dollars (\$100,000,000). The bonds authorized herein or permitted to be authorized by the Legislature shall be called 'Texas Water Development Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purpose set forth herein. "All moneys received from the sale of State bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Water Development Fund to be administered (without further appropriation) by the Texas Water Development Board in such manner as prescribed by law. "Such fund shall be used only for the purpose of aiding or making funds

available upon such terms and conditions as the Legislature may prescribe, to the various political subdivisions or bodies politic and corporate of the State of Texas including river authorities, conservation and reclamation districts and districts created or organized or authorized to be created or organized under Article XVI, Section 55 or Article III, Section 52, of this Constitution, interstate compact commissions to which the State of Texas is a party and municipal corporations, in the conservation and development of the water resources of this State, including the control, storing and preservation of its storm and flood waters and the waters of its rivers and streams, for all useful and lawful purposes by the acquisition, improvement, extension, or construction of dams, reservoirs and other water storage projects, including any system necessary for the transportation of water from storage to points of treatment and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for methods.

"Any or all financial assistance as provided herein shall be repaid with interest upon such terms, conditions and manner of repayment as may be provided by law. "While any of the bonds authorized by this provision or while any of the bonds that may be authorized by the Legislature under this provision, or any interest on any of such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"The Legislature may provide for the investment of moneys available in the Texas Water Development Fund, and the interest and sinking funds established for the payment of bonds issued by the Texas Water Development Board. Income from such investment shall be used for the purposes prescribed by the Legislature. The Legislature may also make appropriations from the General Revenue Fund for paying administrative expenses of the Board.

"From the moneys received by the Texas Water Development Board as repayment of principal for financial assistance or as interest thereon, there shall be deposited in the interest and sinking fund for the bonds authorized by this Section sufficient moneys to pay the interest and principal to become due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds issued under this Section. If any year prior to December 31, 1982 moneys are received in excess of the foregoing requirements then such excess shall be deposited to the Texas Water De-

velopment Fund, and may be used for administrative expenses of the Board and for the same purposes and upon the same terms and conditions prescribed for the proceeds derived from the sale of such State bonds. No grant of financial assistance shall be made under the provisions of this Section after December 31, 1982, and all moneys thereafter received as repayment of principal for financial assistance or as interest thereon shall be deposited in the interest and sinking fund for the State bonds, except that such amount as may be required to meet the administrative expenses of the Board may be annually set aside; and provided, that after all State bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys so received shall be deposited to the General Revenue Fund. "All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such acts shall not be void by reason of their anticipatory nature."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on the 5th day of November, 1957, same being the 1st Tuesday after the 1st Monday in said November, 1957, at which election each ballot shall have printed thereon, the following words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of the proper appropriation made by law.

NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 37 proposing an amendment to Subsection (a) of Section 62, Article XVI of the Constitution of Texas, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas be amended so as to read hereafter as follows:

"Section 62. (a) The Legislature shall have the authority to levy taxes to provide a State Retirement, Disability and Death Compensation Fund for the officers and employees of the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. The Legislature may also include officers and employees of judicial districts of the State who are or have been compensated by the State, and may make such other reasonable inclusions, exclusions, or classifications of officers and employees of judicial districts of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection, and persons participating in a retirement system created pursuant to Section 48-a of Article III of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection except as permitted by Section 63 of Article XVI of this Constitution. Provided, however, any officer or employee of a county as provided for in Article XVI, Section 62, Subsection (b) of this Constitution, shall not be eligible to participate in the Fund authorized in this Subsection, except as otherwise provided herein.

The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State.

"All funds provided from the compensation of such person or by the State of Texas for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, or in bonds issued by any agency of the United States Government, the payment of the principal and interest on which is guaranteed by the United States; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent School Fund or for the Permanent School Fund of this State, under the same limitations and restrictions imposed by the Constitution for investment of those funds and subject to such regulations as the Legislature may provide. However, a sufficient amount of said Fund shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such legislation shall not be invalid by reason of its anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on the first Tuesday after the first Monday in November, 1957, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

"AGAINST the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said special election and this Amendment shall be published and the election held as required by the Constitution and laws of this State.

You are looking through the window of a **Cool** Kitchen —
it's Electric
 NOTHING Measures up to an **Electric** Kitchen

A wide choice of new colors and smart styling keynotes the Electric Kitchen of Today — a Kitchen for you to enjoy! There's something truly exciting about the latest electric appliances with their streamlined looks and pushbutton operation... designed to stay modern for years to come. Improvements and added features bring greater work-saving and time-saving conveniences... all this and a cool — cool kitchen. No wonder home makers are using these Electric Kitchens. Why don't you see your **ELECTRIC APPLIANCE DEALER** and let him equip your kitchen the Electric way!

NUMBER ONE IN CROSS-COUNTRY ECONOMY TEST —CHEVROLET!

Drive the car that recorded up to 17% greater fuel savings in a conclusive transcontinental economy test of the three leading low-priced cars—sanctioned and certified by NATA.* Running from Los Angeles to New York, Chevy proved that it costs least to operate of all three!

It just goes to prove that Chevy offers more of the important things that make for happier driving. Remarkable pep and handling ease;

that kind of road-holding ability usually associated with sports cars; and, to round it off nicely, *outstanding economy*. Drive one soon at your Chevrolet dealer's.
