## LET'S TALK LIVESTOCK BY TED GOULDY

### CATTLE OPEN MIXED. PRICES MOSTLY STEADY

FORT WORTH—Trade was active and prices were fully steady on most of the 3,800 cattle and calves at Ft. Worth Monday. Fed cattle were in small supply again, and some short-fleshed two-way steers sold to feeders at a little over packer bids. Typical of the cattle in this category was the load of 940-pound steers at \$20.75.

Cows were a little less active and steady to weak as compared with the high runaway market late last week brought on by rain which cut the receipts. Bulls were steady to 50 cents higher, some heavies to \$16.50.

Fat calves were selling steady to 25 or 50 cents higher. Top baby beef heavies reached \$22 to \$22.50. Stocker cattle and calves were steady. Some good lots of steer calves getting up to \$23 to \$24.50, and their heifer mates selling from \$22 down. Steer yearlings sold from \$22 down. A few stocker cows cashed at \$10 to \$16.

Comparative prices: Good and choice steers and yearlings \$20 to \$22.50, high choice or prime quotable to \$24 or \$25. Medium and lower grades \$14 to \$20. Fat cows \$13.50 to \$15, and canners and cutters \$10 to \$13.50. Bulls \$11 to \$16.50. Good and choice fat calves \$20 to \$22.50, and medium and lower grades \$13 to \$19.50. Stocker steer calves \$18 to \$24.50 and heifer calves \$22 down.

### MISSOURIAN AND TENNESSEAN REPORT COWS TO TEXAS

Late last week among the Fort Worth visitors were Bill Bevis of Memphis, Tenn., and John Rush of Joplin, Missouri, both livestock commissionmen on the terminal markets of those cities. They reported heavy buying of stocker cattle in their area by Texas interests, and said the buying was heavy enough they expected it to cut numbers at their markets next year.

Their reports bore out earlier information from that area that Texas' cattle population was swelling right along with the improved pasture conditions.

### FEED PROSPECTS SUFFER DUE TO COLD, WET DAYS

Current estimate on the cotton crop, reveals heavy losses, up to 200,000 bales for Texas, and more than 600,000 bales for the nation. That adds up to a lot of cottonseed meal and cake.

Reports coming into Fort Worth also indicate some heavy losses may occur in the grain sorghum crop due to wet fields and frosts. In Fort Worth this past week Gene Gunter of the Livestock Market in Wichita, Kansas, and president of the National Livestock Exchange, reported Kansas farmers were at a dead halt

### STERLING CITY SHOOTING CASE APPEAL DROPPED

Austin—The Third Court of Civil Appeals today granted a motion to dismiss an appeal on the conviction of three juveniles on charges of holding up a service station operator in Sterling City May 7.

Herman Lee Wright and Nicky Rocha were committed to the State Youth Development Council and Doyle Hail was put on probation under his parent's supervision. All are from Big Spring.

An appeal had been made from the decision by the County Juvenile Court of Sterling City but later the attorneys asked for dismissal of the appeal.

### Buy Oklahoma Bulls

Roy Foster, Roy Foster, Jr. I. W. Terry returned home the middle of the week from Oklahoma where they went to buy some bulls. They bought twelve Hereford bulls from the Bonner Ranch near Ringling, Oklahoma. Monkey Garvin of Colorado City accompanied them.

Mrs. Stanley Horwood underwent an operation in the Scott & White Hospital in Temple the first part of this week.

in harvesting their record milo crop due to wet fields and freezing weather. "It is just standing there, too wet to harvest, what the crop will be now is anybody's guess," Gunter reported.

Bill Hare, Oklahoma City Livestock Exchange secretary, reported similar conditions in many parts of the Sooner State, too!

High moisture content of much of the grain that is being gotten in makes it unlikely to store well, is the report from Texas points.

The huge feed supply may be drastically cut as a result.

### SHEEP FULLY STEADY, GOATS SELL HIGHER

The offering of sheep and lambs was active and fully steady at Ft. Worth Monday. Good and choice fat lambs sold from \$21 to \$22, and some medium to good stocker and feeder lambs drew \$19 to \$20. Some slowness in the stocker lamb trade was reported at most points due to the cold, wet weather, which has hindered grain pasture grazing. A few slaughter ewes sold around \$9.

A rather large offering of goats arrived and found both slaughter and stocker buyers paying stronger prices. Most of the slaughter goats cashed at \$6 to \$6.50, and stocker goats sold from \$7 to \$8, however, some of the goats in the \$7 to 7.50 range were similar to slaughter goats sold last week around \$1 under Monday's figures.

### HOGS OPEN LOWER, TOP BUTCHERS \$17.00-17.50

Smaller offerings of hogs appeared at Fort Monday, and the trade was steady to 25 cents under last week. Choice hogs sold from \$17 to \$17.50, mostly \$17.25. Medium and good hogs and packer sows both sold from \$16 to \$17.

Trade in stocker pigs remained very slow, and supplies of good stocker pigs or breeding sows for sale were reported relatively small at this time.

## Fire Department and Stock Show Discussed at Lions Club Luncheon

The Sterling City Lions Club members met at the community center Wednesday noon for the regular weekly luncheon meeting. Melvin Foster was a guest.

Fire chief R. P. Brown told of a need for about 1200 feet of new fire hose here and a corps of 20 volunteer firemen. It was said that by merely having fire hydrants with the water system here, a saving of \$5,000 would be made on fire insurance premiums. More cuts can be had if the trucks are upto standard and the volunteer fire department is organized right. Dr. William J. Swann said he would have a portable oxygen machine for rescue work at the meeting next week. A machine of such sort is needed in a community for work on victims of smoke, shock, drowning, etc.

It was announced that Congressman O. C. Fisher would be a speaker at the meeting next week. He will be the guest of Jack Douthit.

### Livestock Show Plans Told

Lion Fred Igo told of the plans for the Sterling County Livestock Show that will be held here on Jan. 11. Igo said directors of the Sterling County Livestock Association met last week and reelected Riley King as president. William Foster was named superintendent of the show with Ewing McEnture as assistant. Worth Durham was named clerk with Marcus Loader as assistant. King will again act as auctioneer.

The annual lamb tour will be held on December 21, said Igo. All animals will be brought in to the showbarns rather than the past country tour. A barbecue dinner is to be served that day at a cost of \$1.00 per plate.

In the show on January 11 two classes of lambs will be shown as usual—the lightweight and heavy-weight classes. One new class, that of commercial ewe lambs (pen of three) will be added. These ewes cannot be registered nor subject to registration.

Igo said the association figured that around \$250 would be needed to use for prize money and awards, etc. Some of the money will be raised at the barbecue dinner on the day of the lamb tour—Dec. 21. The other will be raised by the Lions Club committee for that purpose. That committee was appointed by president Horace Donaldson Wednesday. He named Seth Bailey, Alvie Cole and Bill Green.

### RESOLUTIONS OF RESPECT IN MEMORY OF

BROTHER W. D. FARNSWORTH who departed this life October 2, 1957

Once again a Brother Mason, having completed the Designs written for him on Life's Trestle Board, has passed through the portals of Eternity, and entered the Grand Lodge of the New Jerusalem; and hath received, as his reward, the white stone with the name written thereon.

And Whereas, the All-wise and Merciful Master of the Universe has called, from labor to refreshment, our beloved Brother and he having been a true and faithful member of our beloved Order,

Therefore, Be It Resolved,

That the Charter of Sterling Lodge No. 728, A.F.&A.M. of Sterling City, Texas, in testimony of our loss, be draped in mourning for thirty days, and that we tender to the family of the deceased Brother, our sincere condolence in their deep affliction, and that a copy of the resolution be sent to the family.

Respectfully Submitted:  
C. C. Ainsworth  
L. S. Dubberly

## P.T.A Meeting Held Thursday

Mrs. Roy Morgan spoke on "Guidance with Meaning" when the Sterling Parent Teacher Association met at the school auditorium Thursday afternoon. High school principal Weldon Snodgrass gave the devotional.

Mrs. C. L. King's first graders and Mrs. Dayton Barrett's second grade pupils put on the entertainment feature.

A business session followed the program.

Be sure and see "OKLAHOMA", at the Palace Theater next week. A great picture show. (adv.)

## Eagles Beat Christoval 68-38 Last Friday

REV. J. BARCUS MOORE

## Methodist Revival Starts Next Sunday

The revival at the First Methodist Church here will start next Sunday and end the following Sunday. The Rev. J. Barcus Moore of Corpus Christi will do the preaching. He will not arrive until Monday afternoon. He will preach his first sermon Monday evening, November 18 beginning at 7 o'clock. The Rev. L. S. Dubberly, the pastor, will preach Sunday morning and evening next Sunday. His Sunday morning subject will be "The Four C's in Witnessing." That evening he will preach on "The Divided Heart." There will be no service Monday morning.

Beginning Tuesday morning Rev. Moore will preach on the general theme of **Personal Religious Living**. Tuesday morning he will preach on the subject "A Starting Point"; Wednesday—"Basic Conditions" (New Birth); Thursday—"Growing in Grace"; Friday—"Little Foxes that Spoil the Vineyard"; and Saturday morning he will preach on "Fruits of the Spirit."

Members of the official board will serve coffee and doughnuts each week-day morning before the 7 a. m. early morning service.

Subjects for the evening services will be as follows: Monday—"On Doing the Impossible"; Tuesday—"Replenishing Our Spiritual Capital"; Wednesday—"Grace of God"; Thursday—"You Gotta Go There by Yourself"; Friday—"No Points in Trifling with Christ"; Saturday—"When One Is Lost"; Sunday morning—"You Have Met Christ"; and Sunday evening—"When It's God or Nothing."

A cordial invitation to everyone is extended by the pastor, L. S. Dubberly, and the members of the church. Rev. Moore is the pastor of St. Luke's Methodist Church in Corpus Christi. He has been pastor there the past nine years, and is rated as one of the top-notch preachers of the state.

Members of all other churches are very cordially invited to attend the early morning (7 a. m.) services as well as the evening and Sunday services.

H. L. Hildebrand attended a bank director's meeting in Dallas Thursday of this week.

## MORE SLOW RAINS

The first part of the week was again marked with slow drizzly rains in Sterling County. Beginning early Sunday morning the mists, drizzles and sprinkles fell through Tuesday to give around an inch of moisture in the most favored places and a little under in others. The fall was so gentle that there was no runoff and all the fall was to the good on the pastures and ranges.

Coupled with the earlier winter rains, Sterling County is entering into winter in good shape with the weeds, winter grass and filaree doing fine. Winter feeds or grains that are in the ground will do well, too. Barely affecting Sterling County, cotton farmers are hurting, due to the wet fields and damaged cotton. Cotton farmers on the plains and out west are losing money daily from the wet weather.

## Play Mertzton Here Tonight at 8

Sterling City pumelled the hapless Christoval Cougars 68-38 last Friday night in a game there. This was the next to the last conference game of the season for the Eagles. They have one more to go—the one with the tough Mertzton Hornets here tonight at 8 o'clock.

At the Christoval game the locals romped 28, 22, 12 and 6 points in the four periods.

Curtis Vaughn of Christoval was high scorer of the game with 24 points as Sterling City's touchdowns were sprinkled between nine players.

Hitting the tally sheet for the Eagles were Wilbur Stone with 20; Robert Quintana 12; Nathan Morris 6; Melvin Foster 6; Jim Davis 6; Alfred Chapple 6; Daniel Gonzales 6; and Jody Green 6.

Wayne Soloman made the Cougar's other 14 points.

### MERTZTON HERE TONIGHT

The Eagles play the last conference tilt here tonight with the Mertzton Hornets. The Hornets have a powerful team and so far are in the unbeaten class along with the Eagles. The Eagles are the defending champions from last year. In fact Coach Young's boys went all the way to the regional title game and won it.

## October Tax Collections Are Good

Taxpayers Take Advantage of 3% Discount

Taxpayers took advantage of the 3 percent discount in State, county and school taxes in October. A total of \$167,363.05 in state, county and school taxes was paid in to W. O. Green's office in October, said Mrs. Green. This amounted to 81 percent of the total taxes due, it was said. Also, there were 95 poll taxes paid, it was said. Next year is election year, and many more polls will be paid before the deadline of January 31, it is hoped.

### City Taxes Total \$3,017.29 Paid in October

A total of \$3,017.29 in city taxes was paid by city taxpayers during the month of October, said Mrs. Virgie Garrett, city secretary. This amount is from a total due of close to \$8,000.00, said Mrs. Garrett. The city, too, allowed a 3 percent discount in October.

Further discounts will be 2% in November and 1% in December, in case anyone is interested in obtaining discounts even yet. This applies to the state, county, school and city taxes.

The Sterling County Livestock Show Association met Tuesday night. Officers for the year were elected, show dates and plans made, and the lamb tour and judging contests set.

Officers were reelected. Riley King is president; Tommy Foster, treasurer; and Fred Igo secretary. Other members present were Ralph Davis, Forrest Foster, L. F. Hodges, Clinton Hodges, Reynolds Foster, Ewing McEntire and the county agent.

The Sterling County Livestock Show was set for Saturday, January 11. Show superintendent is William Foster; assistant superintendent is Ewing McEntire; sale clerk is Worth Durham; assistant sales clerk is Marcus Loader; auctioneering and awards will be handled by Riley King. Show classes will be the same as last year with the addition of the range ewe class. There are no Southdown lambs on feed nor are there any shorn lambs so these two classes were dropped.

The Sterling City Lions Club will sponsor the show. Lions members will raise the money by contacting the business houses.

This year some changes were made in the lamb tour. Date was set for Saturday, December 21. Rather than make the tour around

the county which entailed driving some 200 miles, the lambs will be brought to the show barn. In the opinion of many of the parents, this would be easier on every one than the long drive.

The lambs will be brought to the barn for everyone to see. In addition to the display of the lambs, the livestock judging contest and a lamb trimming contest will be held. Prizes will be awarded to the junior division and senior division as they were last year. In the trimming contest, there will also be two divisions. Boys or girls who have fed and trimmed lambs before will compete in one division. Those who have not will be in another division. Contestants will be given a specified amount of time to trim a lamb that has not been previously trimmed. At the end of the time, the trim job will be judged. Trophies will be awarded to each division winner.

A barbecue dinner will be served on the grounds. FFA and 4-H club members will sell tickets to the meal. Money derived from the sale of tickets will go into the fund to be used in sponsoring the show.

Tomorrow, (Saturday, November 16) marks the opening of the deer season in most of Texas. Hunting in

many parts of Texas results in a pretty good income. According to figures released by wildlife people, the average hunter spends slightly over \$59 in pursuit of game. This includes all hunters over 12 years of age and all types of game.

In the United States, 25,000,000 Americans spent a whopping \$3 billion on hunting and fishing. This is more than is spent for dental care, medical care, hospitalization insurance, legal services, higher education or funeral expenses.

Hunting is a fine sport but each year many hunting trips are broken up by accidents and carelessness in handling weapons. Some of the accidents are unavoidable but many of them result from carelessness. Shooting at any object that moves in the brush or tree usually results in the wounding or death of some hunting party members. Each year much livestock is also lost to the careless hunter.

Remember when hunting to be careful for the other fellow's safety—just as careful as you would like him to be for yours. When you shoot, be sure you are shooting at a deer, not someone else's deer one.

**School Children To Gather Clothing for Needy Children**

During the week of December 2, school children of Sterling City will collect good used clothing for orphaned and needy children, and adults, in the United States and 34 countries overseas, it was announced today by superintendent of schools O. T. Jones.

The drive, which is part of World Clothing Week, will continue here for five days, December 2 through December 6. Superintendent Jones expressed the hope that every family in Sterling City will begin now to gather up all the outgrown and worn clothing which accumulates in nearly every household and send it to school during World Clothing Week. All types of infants, children and adult clothing and shoes are needed. Bedding, too, can be put to good use.

Mr. Jones stated: "Statistics show that nearly half the world's children are inadequately clothed, housed and fed. Thousands of children in our own United States cannot attend school regularly because they lack proper clothing. Overseas, orphaned and other needy children and adults desperately need help. Through World Clothing Week, the school children of Sterling City and the entire community, can make a substantial contribution toward alleviating the distress of these unfortunate ones."

World Clothing Week is conducted under the auspices of the Christian Children's Fund, Inc. Since 1938, C.C.F. has been active in child welfare work. Today, it provides vital assistance to orphaned and needy children in 250 orphanages in 35 countries. In addition to the United States, C.C.F. operates its programs in thirty-five foreign countries.

Dr. W. R. Carmichael, superintendent of schools in Bryan is chairman of the Texas drive.

*Cranberry Surprise*  
A HOLIDAY PARTY TREAT

By NANCY HOLMES

This is the time of year when homemakers and hostesses like to discover a new culinary masterpiece which will fit perfectly into fall and winter menus. Such a special treat is Cranberry Surprise Souffle Salad, so easy to make a day ahead — or just an hour or so before serving time. This colorful molded salad teams wonderfully with chicken, turkey, duck, lamb or pork. It may be served on the side or as part of a picture plate. Featured as the main item of the menu, for a luncheon or an afternoon party, it is delicious and satisfying — accompanied, perhaps, by small sandwiches of thinly sliced ham. You will want to make Cranberry Surprise many times through the coming Holiday Season.

**Cranberry Surprise Souffle Salad**

- 1 1-lb. can whole-cranberry sauce
  - 1 pkg. lemon-flavored gelatin
  - 1 cup hot water
  - ½ cup Real Mayonnaise
  - 1½ oz. (½ a 3-oz. pkg.) cream cheese
  - 1 tablespoon lemon juice
  - ¼ teaspoon salt
  - 2 oranges, diced
  - ½ cup chopped celery
  - ¼ to ½ cup chopped nuts
- Dissolve gelatin in hot water. Heat cranberry sauce until melted. Strain to get ½ cup juice.

Pour juice into dissolved gelatin. Blend Real Mayonnaise and cream cheese. Add to gelatin mixture with lemon juice and salt. Blend thoroughly with rotary beater. Turn into freezing tray of refrigerator and chill (without resetting control) 20 to 25 minutes, or until firm about 1 inch from edge but soft in center. Turn into bowl and whip with rotary beater until fluffy. Fold in remaining cranberry sauce, diced oranges, celery and nuts. Pour into 1-quart mold. Chill until firm (about 1 hour). Unmold and garnish with salad greens. Makes 6 servings.
