No. 48

The next week is going to be a busy one for all Sterling county 4-H club members and even more for two of them. Events on the schedule are the Gold Star luncheon in San Angelo on Saturday, December 6; the 4-H and FFA lamb tour and contests on Saturday, December 13, and the Texas Sheep and Goat Raisers' Association Convention in Dallas on the 10th.

The Sterling county club members to be honored at the luncheon in San Angelo are Carolyn Payne and Reynolds Lee Foster. They will receive their Gold Star awards for 4-H club work there. Also, Mrs. Leslie Payne and Reynolds Foster, adult leaders will be honored guests for the presentation. The luncheon will be sponsored by West Texas Utilities Company. The awards will be presented by Price Campbell, who is on the board of directors of the company and also a member of the board of directors of A&M College. Also present will be other officials of the company along with Earl Rudder, vice-president of A&M, and John Hutchison, director of the Texas Agricultural Extension Service.

In Dallas on October 10th, Reynolds Lee Foster will receive his certificate as a state winner in the Range Management contest for the Texas Sheep and Goat Raisers' Association. He, along with Bill Jacoby of Ozona and Alice Clair Jones of Sonora will be honored by the convention on the morning of the 10th. They will make short talks to the group. Jacoby was the other winner in the range contest; Alice Clair was the winner of the Sheep and Goat Award and will be just back from her trip to the National 4-H Club Congress in Chicago. They left on Friday November 30. She was one of about 30 Texas boys and girls who received trips as prizes in various 4-H club contests. Reynolds Lee will be accompanied by his father and me.

Saturday, December 13, is the date of the Sterling County lamb tour. Lambs will be brought in to the show barn for this day. Also, there will be livestock judging contests, lamb trimming and fitting contests, and a barbecue.

Families of the 4-H and FFA members will furnish potato salad for the barbecue. Cal Roberts will barbecue the goats. Proceeds from the barbecue will go to the show building fund. Plates will be available to take home so come on out and enjoy the barbecue and help the fund!

The Livestock Show Association met Tuesday, December 2 to make the final plans for the tour. They also decided to pipe water into the barn. Members of the group are to meet at the barn next Tuesday, December 9 to lay pipe and get it all fixed up. This will make a nice barn with water available.

The Extension Service and the Internal Revenue Service is sponsoring an income tax clinic at Robert Lee on Friday, December 12. The clinic is for all interested tax accountants who fill out farm and ranch returns and county agents. The clinic will start at 9:30 and be over at 3:30.

PTA Meeting Here Next Thursday

The Sterling City Parent-Teacher Association will meet next Thursday afternoon at the school auditorium. A Christmas program will be put on by the first and second grades.

Grade school principal J. R. Dillard will give the devotional. The Baptist minister, Billy Crews will discuss the topic "Abiding Values—Spiritual, Social and Cultural". A musical selection will be played by Kathy Cope.

The Don Hodges are moving to Louisiana, near New Orleans. Don is being transferred to the new Texas Natural Gas Company plant there from the Silver plant.

World Clothing Week Opens December 8 At School

School bells on Monday morning December 8 will signal not only the beginning of classes, but also a concentrated effort by school children of the town to collect good used clothing for underprivileged children and adults. The project, World Clothing Week, is part of a nation-wide campaign to raise used clothing, shoes, and bedding for needy children, and adults, in the United States and 36 countries overseas. Gifts also aid more than 23,000 orphans in 288 orphanages operated or assisted by the Christian Children's Fund, Inc.

World Clothing Week will continue that whole week through December 12, and superintendent of school O. T. Jones, has asked that every family in Sterling County gather up all their outgrown, unneeded clothing and send it to school that week. If there are no school age children in a family, a neighbor's child will be glad to bring the gift along with his own. Clothing of all kinds, children's and adult, is needed.

All clothing collected by the school will be turned over to the Christian Children's Fund, Inc., sponsor of World Clothing Week, for distribution.

Behind The 8 Ball

Turkey Day has come and gone. I spent the day on the lake at Granite Shoals. Ike's Place, a fishing camp. Now, folks, the weather was bad. Nearly freezing. But, the cabins at that camp were nearly full of fishermen. And they went fishing, too. Out in boats.

Me—my ears nearly froze just standing on the fishing pier watching the fishers fish for crappie—or going out to bait trotlines or going boat fishing down the lake.

Now, I hadn't gone to fish exactly. Thought I would if the weather were just right—which it wasn't Thursday or Friday. I just went on a Thanksgiving family affair. The Texas-A&M game was on TV and the seat a lot better and considerably warmer than the one even on the 50 yard line—so I was told by some of the unlucky spectators. (That was of course the ones rooting for A&M.)

8-BALL

The Christmas lights were put up the first part of this week by the West Texas Utilities crew. The lights are usually sponsored by the Lions Club and the money raised by a committee to pay for them.

If you think they add a lot to our town during the Christmas season, just make a donation toward paying the bill. It usually averages about \$95. Any Lion member could take your donation.

8-BALL

"Advertising has ruined me" said the small town merchant as he closed down his business for lack of customers.

"I never knew you to do vary much if any advertising" said a good friend of his.

"Oh, I haven't" said the merchant, "But the city merchants just advertised so much that they got all my customers going to the city to do their buying."

How true—and yet how really unnecessary.

8-BALL

Good magazine subscriptions are always good Christmas gift ideas. You can subscribe to any magazine printed at the News-Record. Some have some special Christmas rates now in effect.

They make gifts that last all year.

Lions Club Luncheon

The Lions Club met Wednesday noon in the community center for the regular weekly luncheon. Six FFA boys were present and put on a program on parliamentary procedure. The boys included Rudolph Rodriguez, David Durham, C. L. King, Johnny Augustine and Clayton Stewart.

The members voted to arrange for some eye examination and glasses (if needed) for some students.

Lion Bob Madison gave a report of the fund raising committee. He mentioned several stunts or money-raising promotions. It was decided to have a womanless wedding soon.

The club will hold the annual Christmas Auction on Wednesday, December 17. That will be the day of the Christmas dinner. No meeting will be held on December 24.

The club voted to ask Riley King to act as auctioneer for the Christmas auction.

Noratadata Club Xmas Bake Sale Today

The members of the Noratadata Club are holding their annual bake sale (and Christmas Goodie Sale) here today in the lobby of the Palace Theater. They will have cakes, pies, candies, etc. on sale.

The sale will open at the theater lobby this morning, it was said.

LOCAL FFA BOYS ENTER LEADERSHIP CONTESTS

Twelve boys from the Sterling City Future Farmers of America went to Eldorado November 24 to participate in the Leadership contests.

On the Senior Chapter Conducting team were Don McDonald, Danny Stewart, Tony Allen, Bill Davis, Calvin Gaston, and Bill Wilson. The team won third place; Ozona was first and Robert Lee second.

Don McDonald, Tony Allen, Danny Stewart and Bill Davis made up the radio team and placed second in the contest. Robert Lee was first in this contest. The same four boys made up the Senior Skill team and won a fourth place in that event.

In the junior division, the Junior or Greenhand Chapter Conducting team consisted of Clayton Stewart, David Durham, Lee Foster, C. L. King Jr., Johnny Augustine and Rudolph Rodriguez. This team placed third; Ozona was first and the Lakeview team second.

David Durham, Clayton Stewart, Lee Foster and Johnny Augustine were on the Greenhand Quiz team. This team answered 100 questions per member, consisting of parliamentary law and FFA organization. They won a second place banner; Robert Lee first in the event.

Clayton Stewart, Lee Foster, David Durham and C. L. King Jr. made up the Junior Skill team and they placed fourth in that event.

The teams won four banners in the leadership contests

We think they did a fine job in showing that they have some natural ability and the desire to participate and try to win. As far as we know they were the only boys in the contests who participated in three different contests.

CONCHO FFA DISTRICT BANQUET HELD MONDAY NIGHT IN SAN ANGELO

The Concho FFA district annual banquet was held Monday night in San Angelo at Sifton's Cafeteria. All ten schools in the Concho district were represented. Those going from Sterling City included the Chapter Sweetheart, Jeannine Jones, Mr. and Mrs. O. T. Jones, Elizabeth Cole, Mr. and Mrs. Reynolds Foster, Mr. and Mrs. Worth Durham, Mr. and Mrs. L. C. McDonald, Don McDonald, Tony Allen, Bill Davis, Danny Stewart, David Durham, Johnny Augustine, Lee Foster, C. L. King Jr., Clayton Stewart and Fred Igo—sponsor.

Don McDonald, president of the Concho FFA District, acted as master of ceremonies. Banners for the leadership contests at Eldorado were presented. The public speaking contest was held, with Joe McMullan of Ozona winning that event. The district entertainer was elected—being Mark Schafer of Garden City, an instrumentalist on the electric guitar.

The contest drawing the greatest attention was the election of a district FFA Sweetheart from the ten

The annual football boys-pep squad girls banquet is to be held next Friday night, December 12 in the community center.

The people who used to gripe about "taxation without representation" should be here now to see how it is with representation. They didn't know "futtin'."

I believe it's worse.

THE AMERICAN WAY

Right to the End

America's First Jetliners Will Shrink Nation

First Southwest Jet Service through Dallas by mid-1959

One of the most significant advances in U. S. transportation history occurs in January when American Airlines launches the first commercial jet service across the nation with 707 Jet Flagships (shown above).

The most thoroughly tested airliners ever to enter service, the huge 600 mile-an-hour 707 Flagships will trim the nonstop time between Los Angeles and New York, where they will be introduced, to an incredible 4½ hours.

American's big four-engine jets will carry 112 passengers in both first-class and aircoach accommodations (56 in each) and will have considerable cargo carrying capacity. Their speed will shrink the nation another 40 per cent resulting

in tremendous savings in time for passengers and shippers.

The principal improvement which may be remembered longer by the passenger than the savings in time is the superior comfort of the great new airliners. American's 707 Jet Flagships are longer, wider and roomier than the slower piston airplanes they will replace and are virtually vibration free because of the turbine engines.

Following the introduction of the 707 Jet Flagships on the transcontinental nonstop route between Los Angeles and New York, service will be expanded to include by mid-1959 San Francisco, Chicago, Dallas, Washington, D. C., Baltimore and Boston.

WIMODAUUSIS CLUB CHANGES DAY OF MEETING

The Wimodausis Club will meet

Tuesday, December 9 at 3 o'clock instead of Wednesday as scheduled. At that time Miss Bertha Williams

of San Angelo will lecture and show films on the great cathedrals of Europe.

Sugar and Spice and Everything Nice

Quite a few American families wouldn't be serving fruit cake as a Christmas day dessert if it had not been for the British sailors of several centuries ago.

Those British sailors must have been as shrewd as they were observant. In the Orient they ate cakes made with fruit. They liked

them and asked for the recipes. They got them, and with an eye out for a few extra shillings and pounds, they also returned to their homeland with the ingredients necessary to the baking of a fruit cake. Recipes were jealously guarded by the sailors.

According to information gathered by the American Institute of Baking, Chicago, the sailors obtained currants and raisins from Greece and Turkey. Citrus peel preserved in honey came from Italy. Almonds came from Spain. Strange seeds—and even the bark

of trees—came from the Far East.

Although fruit cake was made available to the western world by British sailors, the first fruit cake, as we know it, probably was baked in Egypt several centuries ago. It consisted of several kinds of tropical fruits, sugar, wheat meal, spices, oil and honey, all collected by the Egyptian housewife.

In modern America, the housewife may walk into a bakery or grocery store and buy a delicious fruit cake of almost any size,

and with a minimum of effort. And the cake she buys is the finishing touch for the best meals to be served during the holiday.

Quick 'N' Easy Sauce

By Betty Barclay

AT THIS time of year, when we're all so busy with holiday activities, there isn't always time to make elaborate desserts. But the simplest cake or pudding becomes a delightful treat when it's topped with this easily-made sauce, rich with the deeply satisfying flavor of unsweetened chocolate.

Chocolate Marshmallow Sauce
1 1/2 squares Baker's Unsweetened Chocolate; 1/2 cup boiling water; 1 tablespoon butter or margarine; 2 tablespoons corn syrup; 1 tablespoon marshmallow cream; 1 cup sugar; 1/4 teaspoon salt; 1/4 teaspoon vanilla.

Melt chocolate over hot water. Add 1/2 cup boiling water, the butter, corn syrup, marshmallow cream, sugar, and salt, stirring constantly until sugar is dissolved and mixture is blended. Place over direct heat and boil 3 minutes. Stir in vanilla. Serve warm on ice cream, cake, or other desserts. Makes 1 cup sauce.

Mayor Proclaims Beef Week December 1-7

December 1-7 was designated BEEF WEEK in Sterling City this week when Mayor Rufus Foster signed the proclamation, in official tribute to the cattle industry. Mayor Foster presented the proclamation to M. C. Reed who is Texas Beef Council chairman of Sterling County.

"Historically, the cattle industry in Texas is older than Texas itself. Economically, the cattle industry has been a pace-setter for Texas, and continues to be a leading growth factor in the State's economy, constantly seeking new techniques for building an even more rewarding future for all our citizens," the proclamation read. "I proclaim December 1-7 as Beef Week and urge appreciation and recognition from our citizens for the many continuing contributions of this great industry."

Coconut Holiday Treats

By Betty Barclay

FOR AN extra-special treat during the holiday season, make these extra special holiday macaroons.

Holiday Macaroons
1 1/2 cups Angel Flake Coconut; 1/2 cup finely cut dates or figs; 1/2 cup walnuts, cut; 1/2 cup sugar; 1/2 tea-spoon salt; 1 egg, well beaten; 1/2 tea-spoon vanilla.

Combine coconut, dates or figs, walnuts, sugar and salt; mix well. Add egg and vanilla and blend; let stand 5 minutes. Then drop from teaspoon onto greased baking sheet. Bake in moderate oven (350°F.) 15 minutes, or until golden brown. Remove at once from baking sheet. Makes about 1 1/2 dozen macaroons.

PIPING HOT waffles with maple-blended syrup make a perfect breakfast for a chilly morning! And by baking strips of bacon right in the waffle baker, with the batter, you have a super "one-dish" meal!

Bacon Waffles
2 cups dry prepared pancake mix; 2 cups milk; 1/4 cup shortening, melted; 2 eggs; 12 slices partially cooked bacon; Log Cabin Syrup (maple-blended syrup).

Place pancake ready-mix, milk, shortening, and eggs in bowl. Beat with egg beater until fairly smooth. Pour onto hot waffle baker. Place one slice partially cooked bacon over batter in each section of baker before closing top. Bake until done. Serve hot with butter and maple-blended syrup. Makes 3 four-section waffles.
