Bask'ball Tourney Underway Here

Will Run Through Saturday Night

The Lions Club sponsored independent basketball tournament got underway here in the gym last night with the opening game between Nabors Paint team of Big Spring and the Ace Builders of San Angelo. Second scheduled game was between Elliott Drug of Big Spring and West Texas Bearing team of San Angelo.

A 10 p.m. game Thursday between Sterling City and the Garden City teams wound up the first night's activities. In first round play Friday night winners of the two Thursday night games are in the offing. Also the losers are scheduled to play for the consolation end. Also for the 1st round competition Forsan is scheduled to meet Smith Construction Co. of Big Spring.

Play gets underway Saturday afternoon at 4:00 p.m. and winds up with the final game of the tournament at 9 p.m., establishing the tournament winner.

The Lions Club and the independent team members are sponsoring the tournament, and will handle the concession stand and the gate. Admission prices are 25c and 50c. Coach Diddle Young said it was possible that the Ace Builders team of San Angelo might withdraw. (But at the time this paper is printed—Thursday, it was not known for sure.) If so, said Young, another team would replace them if possible.

At the concession stand will be sandwiches, hot dogs, candy (homemade), cake, drinks and coffee, it was said.

Thursday night workers at the gate are Jeff Davis and Tom Onstott. Concession workers that night include H. A. Chapple, Lewis Petnecky, Dr. Wm. J. Swann and Cecil Long.

Scheduled for gate work on Friday night are H.M. Knight and Marvin Churchill, while in the concession stand will be Roland Lowe, Gene Carr, Bill Green and Rufus Foster. Scheduled for the concession stand Saturday afternoon are Jack Douthit, Marion Hays and Ralph Hasten. At the gate will be Robert Madison and Jim Coleman.

Saturday night concession stand crew will be Henry Bauer, Billy Crews, Alvie Cole, Darwin Sprawls, and G. Bird. Seth and Earl Bailey are scheduled for work at the gate.

Final Rites Said For Mrs. Oriencia Garza Wednesday

Final rites for Mrs. Oriencia Garza, 40, were said in the Catholic church here Wednesday morning at 10. Burial followed in the City Cemetery. Lowe Funeral was in charge of arrangements.

Born March 30, 1915 Mrs. Garza had been a resident of Sterling for eight years. Her husband was Libardo Garza. She had died in the Sterling County Hospital following a lengthy illness. Survivors include her husband, a daughter, Mrs. Elvia Sanchez, and two sons, Libardo, Jr. and Otoniel Garza.

Car Registration In Sterling County Is Lagging

Captain R. M. Hammett of the Motor Vehicle Inspection Service, Department of Public Safety, advised motorists today that only 28% of the 469,911 vehicles registered in the 49 county Midland Region have been inspected and approved for the 1959 inspection period. Deadline for securing the new inspection stickers is April 15, 1959. As in previous years, it appears many drivers will be in for a long wait to get their vehicles checked. At the present time, most inspection stations are busy, but not rushed.

Of the 854 vehicles registered in Sterling County, only 166 have been inspected, and issued an approval sticker for the 1959 inspection period by the inspection station here.

Captain Hammett reminded motorists that the law prohibits inspections during inclement weather, thereby reducing the time for inspections. There will be no extension of time to have a vehicle inspected. Passenger cars are inspected for headlights, tail-lamps, stop lamps, reflectors, horn and windshield wipers. Commercial vehicles are inspected for the above plus other requirements as provided by law.

Anyone operating a motor vehicle after April 15, 1959 without displaying a 1959 inspection sticker will be operating in violation of the law and subject to a fine not to exceed \$200.00.

LET'S TALK LIVESTOCK BY TED GOULDY

TV CAMERA WILL "WATCH" CATTLE WEIGHT Fort Worth—Arrangements have been completed by the Fort Worth Livestock Market Institute for installation of a closed circuit television camera to flash the weighing of cattle into the sale arena on March 5. The television camera will be set up in a scale house about 200 feet from the arena and the weight and lot number will be flashed onto a monitor above and behind the auctioneer's stand in the sale arena.

Details for the TV coverage of the weighing were worked out last week with Carter Engineering Company of Dallas, after Manager Ted Gouldy of the Institute had called in Ivan Harrison of Dallas and Aupert Bogan, technical chief at WBAP-TV, to work out details of the pickup.

The camera will be literally "looking over the shoulder" of the weighmasters in the scalehouse, which houses two sets of scales. As soon as the weight is officially stamped on the scale ticket the weighmaster will put the lot number and weight total before the lens where it will be available to those in the sale area in another building nearby a block away.

"This will enable the buyers to tell better what they are doing," Gouldy said. "Weight is an important factor not only from the size of cattle desired, but also it will enable the alert buyer to keep abreast of the numbers of carloads of cattle he is getting."

The sale will be the first one in which cattle have been auctioned on the Fort Worth Stockyards in 36 years and the auction will be held in the old livestock exhibit building immediately behind the North Side Coliseum.

Many stockmen are among the buyers who have asked for reservations in the reserved seats in the buyers section of the stands, Gouldy said, and a number of out of town packers have signified they will be on hand. Pratt Packing Company, Sulphur Springs, was the first of these to make a reservation for his two buyers. T. C. Lupton, Dallas business man and rancher at Mesquite, was the first rancher to make a reservation.

Private treaty selling of the cattle will start at 8:00 AM, and auction selling will get under way at 10:00 A.M.

"We included auction selling in the 1959 series of special sales at the request of many buyers and many stockmen who have used the sale previously," Gouldy said. "Many buyers feel it is easier for them to get a chance to bid for cattle in the auction type of sale, so for those who prefer to buy or sell by this method, we will have it."

A team of auctioneers will alternate in selling the cattle and special arrangements are being made to facilitate the movement of the cattle to the shipping division for the convenience of the buyers.

CATTLE TRADE SPOTTY IN OPENING SESSION

Trade on cattle and calves was rather slow here Monday. Mature fed steers and slaughter calves faced weak to 50 cents lower rates. Fat cows were steady to weak, and canners and cutters and bulls cashed at steady prices. Stockers were generally steady, although some heavier weight and plainer kinds of stocker calves were steady to weak.

Good and choice slaughter steers and yearlings drew \$25.50 to \$27.50 and a few

TACO SUPPER AND FLOOR SHOW ON FEBRUARY 27

The Senior Class is sponsoring a taco supper and floor show on February 27 at 7:00 p.m. in the school gymnasium. Tickets will be sold by all class members this Saturday, February 21 in town. Prices are \$1.00 for adults and 85c for children.

A good supper and a good floor show is promised by the class members. Money raised will be used for class activities through the school year.

City Election Notice

NOTICE OF CITY ELECTION Notice is hereby given that there will be an election in the City of Sterling City, Texas on Tuesday, April 7, for the purpose of electing two (2) City Councilmen. Councilmen whose terms are expiring are H. F. Donaldson and J. I. Cope. (Signed) RUFUS W. FOSTER Mayor of the City of Sterling City, Texas

HOBO DAY SATURDAY

The sophomore class is having Hobo Day Saturday, February 21. All kinds of work will be done by class members.

Call 8-4991 if you want any work or service. Or see any member of the sophomore class.

School Easter Holidays Told

School will turn out Friday afternoon, March 27 at about 5 p.m. and classes will be resumed Tuesday morning, March 31 at 8:45 a.m. This will give Saturday, Sunday, and Monday, March 28, 29 and 30 for Easter holidays.

One day of school will be made up by going Friday Mar. 27 and the second day will be made up Saturday, April 4. These moves are made necessary by school having been closed February 2 and 3 due to bad weather, said school superintendent O. T. Jones.

baby beef yearlings and heifers sold to \$28 and better. Medium and plain butcher sorts sold from \$18 to \$25.

Fat cows drew mostly \$18.50 to \$20.50 and canners and cutters sold for \$18 to \$18.50. Bulls drew \$13 to \$23.50. Good and choice slaughter calves bulked at \$25.50 to \$29, a few to \$29.50. Medium and plain calves sold from \$18 to \$25 and culls sold from \$17 to \$20.

Medium and good stocker steer calves sold from \$28 to \$33, a few lightweights above that figure. Heifer calves drew \$30 down. Stocker steer yearlings sold from \$24 to \$29, some feeder steers at \$24.50 were medium to good grades.

LAMBS TOP AT \$18.50 MONDAY AND MOSTLY STEADY

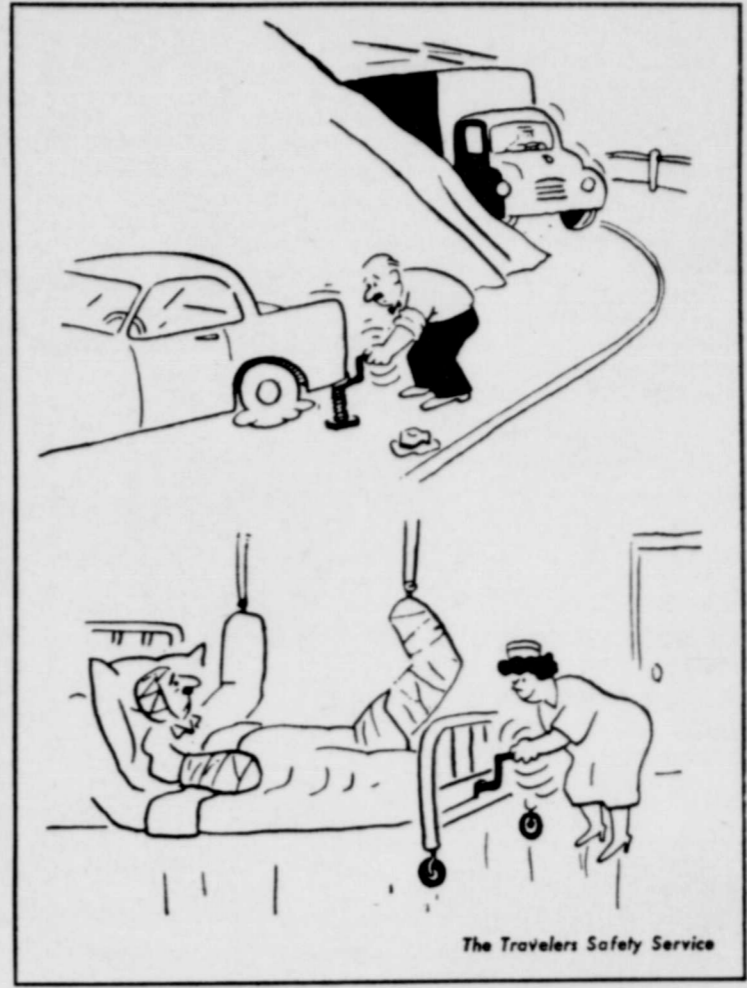

Sheep and lambs were slow at Fort Worth Monday and some sales of slaughter lambs were a little easier. Feeder lamb swere steady. Good and choice milk fat lambs cashed at \$18 and \$18.50, and good and choice old crop lambs sold at \$16.50 to \$17.50, with a few strictly choice club lambs to \$18. Heavy lambs of 105 to 111 pounds scored \$17. Stocker and feeder lambs sold for \$15.50 to \$17.50, slaughter ewes drew \$8 to \$8.50. Slaughter bucks drew \$7.50. Woolled feeder lambs sold to \$18.

HOGS STEADY TO 25 CENTS LOWER MONDAY

Hogs were steady to 25c lower at Fort Worth Monday. Choice hogs sold at \$16.50, a few to \$16.75 and \$17, on weights of 190 to 240 pounds. Heavies in the 245 to 270 pound range sold at \$15.50 to \$16.25. Some 125-pound pigs sold at \$14. Sows ranged from \$12 to \$14.50, weights above 350 pounds usually from \$13.50 down.

The Road Toll

by Jerry Marcus

Better than 97% of the road toll cars were apparently in good condition.

Mrs. Bill J. Cole Is Noratadata Hostess

Mrs. Bill J. Cole was hostess last Friday night to the Noratadata Club in the home of Mrs. James McEntire. A salad course and pie was served.

A business meeting of the club was held and a program on American Heritage was presented. Mrs. Dayton Barrett gave a paper on "Our American Credo."

Bridge and bingo were played. Members present were Mrs. Charles Allen, Mrs. Robert Foster, Mrs. I.W. Terry, Mrs. F. S. Price, Mrs. Bill Brooks, Mrs. Dayton Barrett, Mrs. Stanley Horwood, Mrs. Martin Reed, Mrs. Hubert Williams, Mrs. Leroy Butler, Mrs. Ewing McEntire, Mrs. Alvie Cole, Mrs. Finis Westbrook, Mrs. Bill J. Cole and Miss Sue Nelson.

Guests included Mrs. Leah Wyckoff, Mrs. Fowler McEntire, Mrs. Martin Brown, Mrs. Bob Fields and Mrs. Sudie McEntire.

GUEST DAY TEA TO BE TONIGHT

The Noratadata Club Guest Day tea will be held tonight, February 20 at 7:30 in the community center. Mrs. Gerald Gordon of Colorado City will review the book, "Mr. Arris Goes to Paris."

Epsilon Zetas Have Guest Day Tea February 12

The Epsilon Zeta Club held its guest day tea in the community center last Thursday evening, February 12. About thirty-five persons were at the tea, including guests from the Noratadata and Wimdauis Clubs.

The Rev. Ralph Hasten, local Methodist pastor, made a talk on "Youth of Our Time." He was introduced by Mrs. Winn McClure.

Tea of cookies, canapes and coffee was served. The table was decorated with a bouquet of red and white carnations, carrying out the Valentine motif. The Valentine theme was carried out in the table and room decorations throughout.

Hostesses for the Epsilon Zeta Club were Mrs. Marcus Loader, Mrs. Fred Igo, Mrs. Charlie Davis and Mrs. Clinton Hodges.

This is Heart Month—won't you make a donation to the Heart Fund?

PTA Has Founder's Day Tea Program Last Week

The Sterling City Parent-Teacher Association observed Founder's Day with a silver tea following the program last Thursday. The tea was held in the lunchroom of the school.

Mrs. H. A. Chapple discussed "Education: Inclusive and Exclusive." The pupils of the 7th and 8th grades had the entertainment program.

E. B. Hosea gave the devotional. A life membership was presented to Mrs. Dayton Barrett, teacher in the local school system. Piano music during the tea hour was played by Willene Glass.

Lions Club to Sponsor Independent Team At State Meet

The Sterling City Lions Club voted Wednesday to sponsor a team to enter the State T.A.A.F. Basketball Tournament in Austin March 13-14. The team will be the one that represented the club in the all-star game here a week ago and will represent the Sterling all-stars here in the club sponsored tournament here this week-end.

The motion was made to include a fund raising committee consisting of S. M. Bailey, Jeff Davis, H. A. Chapple and Roland Lowe.

The club acted on the sponsoring at the luncheon meeting Wednesday. F. O. Scroggins of Odessa was a guest and H. D. Coleman, executive vice-president of the local bank became a new member.

School Library Notes

Book Given High School Library in Memory of Mrs. W.L. Emery

In memory of Mrs. W. L. Emery, Mrs. Taylor Garrett and Mr. and Mrs. Leroy Butler have placed in the High School Library Harnett T. Kane's biographical novel, "The Lady of Arlington." The book derives its title from Arlington, the estate left to Mary Custis Lee by her father, the son of Martha, wife of George Washington. Mary Custis Lee rose to greatness with her husband. Theirs may be the story of defeat in one respect, but it is also the story of moral triumph, a triumph that rose out of loss and sorrow.

SENIORS SPONSORING ACROBATIC PROGRAM FEBRUARY 27 AT 2:30

The Seniors are sponsoring **The Coriells**—acrobats in an assembly program at the high school February 27 at 2:30 p.m.

The Coriells will feature balancing, acrobatics and juggling acts. The program will cost 15c for grade school students, 25c for high school students and 35c for adults. Everybody in the community is invited to come up to the school and see the program.

The two men feature a variety of balancing and acrobatic routines as well as object juggling. Starting with the demonstration of the fundamentals of juggling, balancing and tumbling this team progresses to perform some of the most difficult juggling of hoops, balls, clubs and Roman battle axes. But not only do they juggle and pass various objects from partner to partner while standing upright they also juggle while upside down in a free head balance with both their hands and feet. One member juggling a pole 10 feet in length with his feet while maintaining a free head balance. Juggling is also performed while riding unicycles. A western touch is added to the program when rope spinning is introduced as a part of the act. Although born in the midwest and raised on circus lots, the trick roping in the act makes the cowboys themselves sit up and take

notice. The trick and fancy rope manipulating is as expert as any cowhand's and various forms of jumping and skipping the rope while it is being spun and also includes the famous Texas skip. One member of the duo spins a "big loop" seventy-five feet in length while balancing on the shoulders of the other. A demonstration in advanced tumbling is performed in which cartwheels, round-offs, flip flaps and high aerial backs are demonstrated. Juggling and rope spinning are also demonstrated balanced on the poly-poly and the unicycle. Fun and laughter is also provided when the members of the audience are invited to participate in the act and to perform some of the more seemingly simple balancing feats.

A well-rounded variety program in physical education is brought to a thrilling finale when two of the most difficult feats in balancing and acrobatics are performed by the duo. One member of the team performs a slide-for-his-life down a ramp from a pedestal to the floor while balancing on his head on a roller skate. And finally, the seemingly impossible is performed; almost everyone has seen an acrobat walk on his hands but one of the members of this team actually walks on his head while maintaining a free head balance. In fact, he is the only man in the world

who can jump rope and walk up and down steps standing on his head. This team of acrobatic balancers has been featured on the **You Asked for It** and Ed Sullivan Television programs as well as other TV shows.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week were—
Neill Munn
D. P. Glass
Apelona Coronado
Mrs. Oracio Silva and infant daughter, Ernestine Foster Conger
Mrs. J. M. Nichols
Dismissals since Thursday morning of last week include:
Howard Jackson
Mrs. Marvin Churchill
Mrs. Hortencia Garza, died

Dr. Wm. J. Swann is up and about this week following a week of illness at his home here.

Mr. and Mrs. C. J. Dunn and Beverly have moved back to Sterling City from Bracketville. They have lived in Alpine and Bracketville for the past several years.

For Qualified Man or Woman to service and collect from cigarette machines in this area. Full or part time. Excellent opportunity for qualified person. \$592.50 to \$1,975.00 cash required to enable you to begin immediately. Company finances expansion. If you have serviceable car and 8 spare sours weekly, write, giving particulars to National Sales & Mfg. Co., Inc., 3508 Greenville Avenue, Dallas 6, Texas.

Delta Kappa Gamma Meeting in Stanton

The Beta Kappa Chapter of Delta Kappa Gamma met in the high school cafeteria at Stanton Saturday afternoon, February 14. A valentine tea had been planned by the hostesses. Featured on the program was a book review, given by Mrs. Fay Smithson, who because of illness, had it recorded on tape.

The book reviewed was *Arctic Mood*, an interesting journal of the life of Eva Alvery Richards while a teacher in a village in the Arctic, not too far from Point Barrow, a place she visited before returning to her home five thousand miles away in the states.

Mrs. Thelma Kloven, president of Beta Kappa Chapter, presided at the business meeting. A white elephant sale was held to raise money for the chapter's part in the state scholarship fund. The hostesses were the Martin County members.

Mrs. Dayton Barrett and Mrs. Frank Milligan were the Sterling County members who attended.

Colder Weather

A norther blew in Wednesday night, lowering temperatures back to winter-like. The low was 30 early Thursday and a drizzle dampened the landscape.

WIMODAUSIS CLUB MEETING

The Wimodausis Club met in the community center club room February 18 for a program on International Affairs. Mrs. Rufus Foster was leader for the program.

Mrs. Foster, Mrs. Roy Morgan and Mrs. Roy Foster discussed issues of international affairs such as undeveloped areas, trade and aid, disarmament, United Nations and American foreign policy.

Mrs. Harvye Glass was named delegate to the District Convention in Brownwood Mar. 19-20. Mrs. Clyde Bowen was named alternate.

The club's president, Miss Ethel Foster, has just returned from an area club session in New Orleans.

In Case of Fire Dial 8-2121.

Win Top 4-H Project Awards

Darrell Bozell

Paula Obrecht

Young forester Darrell Bozell, 18, of Mount Pleasant, Titus County, won the 1958 state 4-H Forestry award of a fountain pen and pencil set given by the American Forest Products Industries.

He started his forestry project two years ago when he cleared a 10-acre plot. Since then, he has planted 2,000 pine trees furnished by the Texas Forestry Service. Over 75 per cent have survived, he reports, and now stand two to three feet tall.

Young Bozell hopes to improve the area until he has the 10-acre plot in commercial pines.

Miss Paula Joan Obrecht, 18, of Claude, state winner in 4-H Dress Revue, was awarded a trip to National 4-H Club Congress in Chicago by Simplicity Pattern Company.

There she modeled a rosebeige wool flannel modified chemise dress with a shirred overback, self belt in front, three-quarter sleeves, and a stand-up roll collar opening to a V in front.

A nine-year 4-H'er, she has won first in Armstrong County dress revue each year. For the past three years, she has been one of the top five girls in district event.

She makes most of her clothes and also western shirts for her brother. About \$660 has been saved by her sewing project, she estimates.

Miss Obrecht is district representative at the State 4-H Council and president and junior leader of the Claude 4-H Club.

Now a home economics major at Harding College, Searcy, Arkansas, she hopes to become an Extension worker.

News-Record

It's Better To Tell If You Earn, 'Tho On Social Security

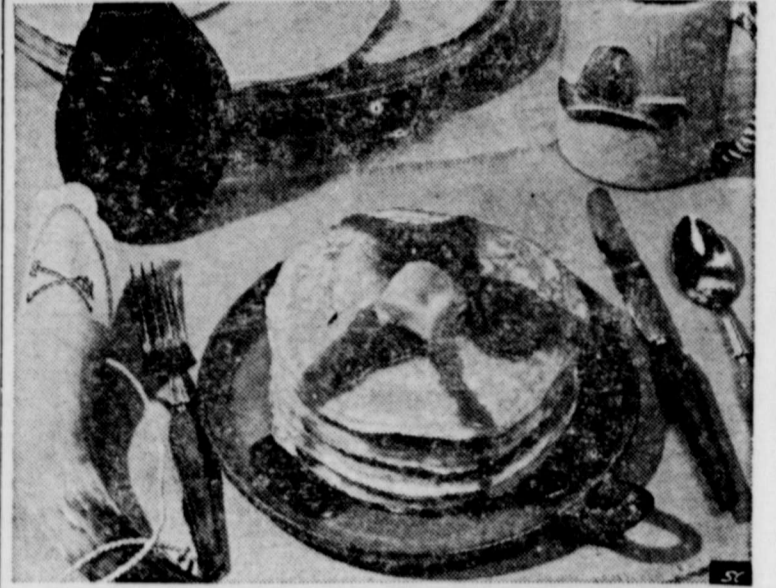

"Persons receiving social security benefits can save themselves and us a great deal of inconvenience if they will report promptly when they go to work and expect to earn more than \$1200.00 in the calendar year," stated Floyd B. Ellington, manager of the social security district office at San Angelo, Texas.

"Most people know that if their earnings are in excess of \$1200.00 for the year that they will not be entitled to a benefit check for every month of the year," Ellington continued. "However, many folks are confused as to what to do when they don't know for sure on January 1 what their total earnings for the year will be. Sometimes they go on receiving their benefit checks all year without realizing that their earnings in the last part of the year may cause them to go over the \$1200.00 limit. When this happens they may have to refund part of the benefits they received."

"It's much better to advise the social security office as soon as they think they might exceed the \$1200.00 so that we may withhold some of their benefits until they see how much their earnings will be. If they don't earn the \$1200.00 their checks for all the months withheld will be paid to them at the end of the year," Ellington said.

Schooltime Breakfast

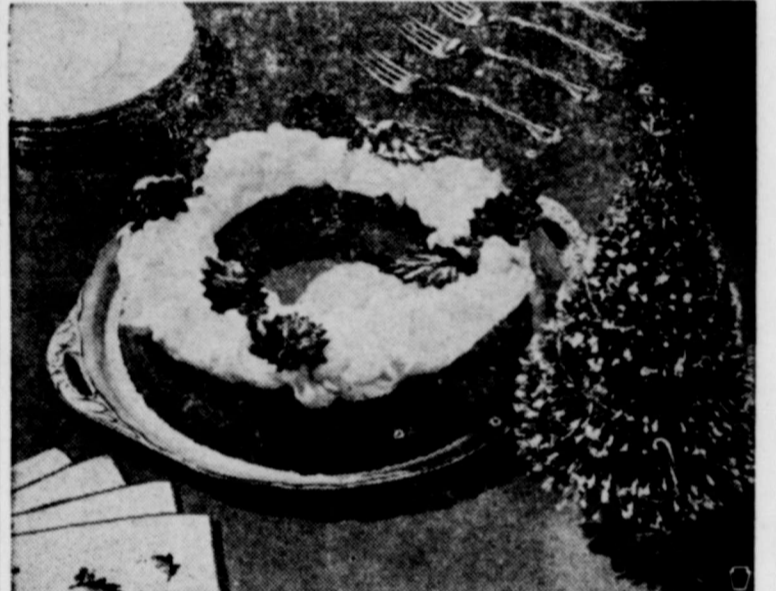

The youthful "cowboy" or "ranchman" in your family will be eager to get up when he can be sure of having a pancake breakfast with all the trimmings! See that he has a bottle of maple-blended syrup handy—he'll love serving himself. Occasionally, for the sake of change, mix the syrup with fruit juice, with diced fresh or canned fruits, or with canned apple sauce. And try heating the syrup with a bit of butter for another tempting treat... the whole family will join in your "ranchman's" enthusiasm for the first meal of the day.

Pancakes

- 2 cups prepared pancake and waffle mix
- 1-3/4 cups milk
- 1 egg, beaten
- 2 tablespoons cooking oil, melted
- butter or other shortening

Combine all ingredients. Mix with spoon or egg beater just until smooth. Bake on hot griddle or in lightly greased skillet, turning once. Do not stir batter between bakings. Serve with butter and warm Log Cabin Syrup. Makes about 20 four-inch pancakes.

Rich Chocolate, Tender Mint Flavor Gala Molded Dessert

"Superb" is the word for this truly marvelous frozen chocolate dessert with its green-tinted, peppermint-flavored center layer. No short-cut recipe is this, but your pride in the result will be worth every bit of time and care it costs you.

CHOCOLATE MINT CREAM

- 2 squares unsweetened chocolate
- 1 envelope (1 tablespoon) gelatin
- 1/4 cup cold water
- 1 1/4 cups milk, scalded
- 1/2 cup sugar
- 1/4 teaspoon salt
- 1 cup heavy cream
- 1/4 teaspoon vanilla
- Peppermint extract to taste
- Green coloring

Melt chocolate in top of double boiler. Combine gelatin and cold water in mixing bowl; mix well. Add scalded milk, sugar, and salt, and stir until gelatin is dissolved. Add cream. Pour 2 cups gelatin mixture slowly into melted chocolate, beating with rotary egg beater until blended. Then cook 5 minutes. Remove from boiling water and add vanilla. Chill chocolate mixture until slightly thickened. Place in bowl of ice and water and whip with rotary egg beater until fluffy and thick. Pour 1/2 of chocolate mixture into large mold or individual molds and chill until firm. Place remaining chocolate mixture over lukewarm water until ready to mold.

To the plain gelatin mixture, add peppermint extract and green coloring. Chill until slightly thickened. Place in bowl of ice and water and whip with rotary egg beater until fluffy and thick. Turn into mold over firm chocolate layer and chill until firm. Pour remaining chocolate mixture into mold. Chill until firm. Unmold. Serve plain or with whipped cream. Decorate with candies and chocolate leaves, if desired. Makes 6 servings.

RUPTURE

SHIELD—EXPERT. H. L. Hoffmann of Minneapolis and Chicago will demonstrate, without charge, his "Lock-O-Matic" Shields in SAN ANGELO, Hotel Cactus, Friday, Feb. 27 from 10 A.M. to 3 P.M. Please come early.

Mr. Hoffmann says: "After 30 years during which I have personally fitted over 20,000 cases of hernia, I have produced and patented the AMAZING Lock-O-Matic. Vastly superior to methods heretofore available Lock-O-Matic is setting a new standard for effective control and comfort. Why wear antiquated and unscientific trusses that always enlarge the opening. Remember: The Best is none too good, if you are ruptured."

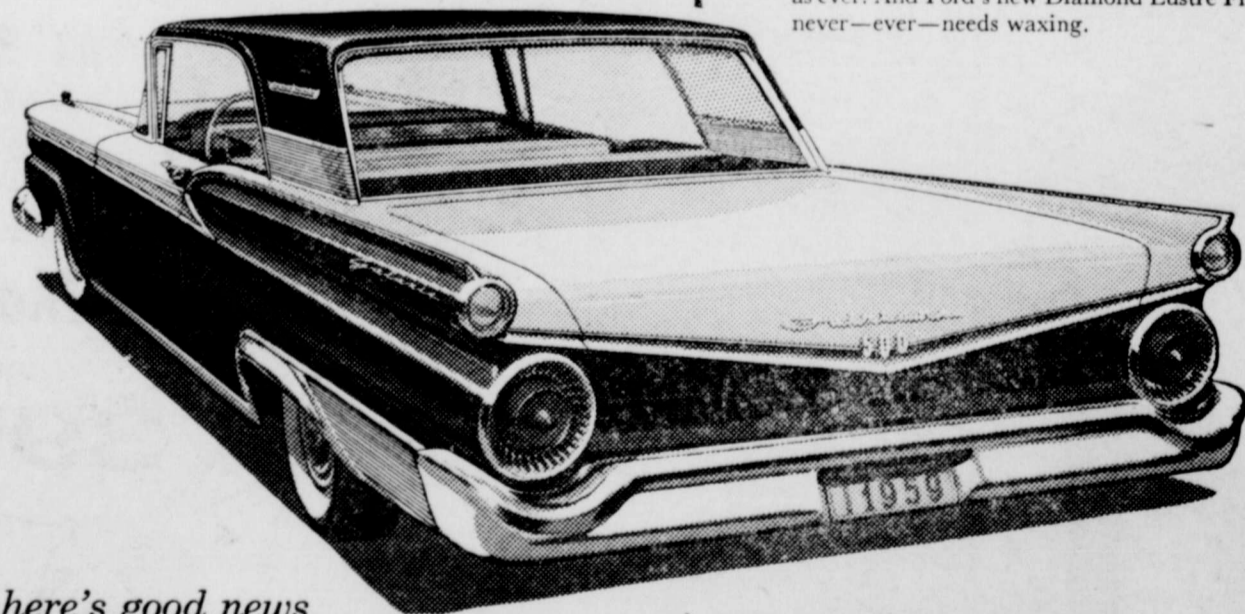

Caution: If neglected, rupture may cause weakness, backache, nervousness, stomach and gas pains. Those having large ruptures which have returned after operation or injection are especially invited.

What's behind the big switch to FORD?

These specific common sense features are the big reasons why Ford is the best seller:

1. Six passengers, not just four, ride in comfort. Yes, even the man in the middle. Because Ford's full-depth seats are extra thick all the way across—there's no hard spot in the center as in some cars.
2. The doors are wider for easier entry. Compared with Ford's major competitor, they open wider... and have two-stage front door checks.
3. Ford's styling is sensible. It's clean and simple like the Thunderbird. No useless wings that are easy to dent.
4. Ford's frame is safer. In its field, only Ford has a wide-base frame that seats all passengers within the protection of its husky side rails.
5. Ford's spacious luggage compartment is easier to load and unload. High rear trunk wall on Ford's nearest competitor makes loading difficult.
6. Ford's got the most sound and weather insulation—everywhere. No other low-priced car compares.
7. Ford is economical. You save up to a dollar a tankful with Ford's standard Six or Thunderbird V-8 engines—for they thrive on regular gas. You need change oil only after each 4000 miles. The muffler is aluminized to last twice as long as ever. And Ford's new Diamond Lustre Finish never—ever—needs waxing.

And here's good news for the economy-minded...

With all these exclusives, and with the usual optional equipment, Ford prices are as much as \$100 lower* than the nearest major competitor.

*Based on comparison of manufacturers' suggested retail delivered prices

Come see the world's most beautifully proportioned cars...

Captivating Circles

TOO YOUNG to swim in the Pacific Ocean, Patty, 3, and Grady, 2, get around this handicap by using a tub as their private pool at San Diego, California.

TO KEEP those whiskers from getting singed, this ingenious cigarette smoker uses a circular ash guard. After all, you don't grow a luxuriant sample like this every day.

TO PLEASE his boss, and also the customers at this Miami, Fla., pool, Corky, the porpoise, daily plunges through a paper-covered hoop. The 500-pound clown is star of the show.

TO TRAIN students at the Ft. Leonard Wood, Mo., school of the U. S. Army Engineers, these International crawler tractors are used for earthmoving demonstrations. The 10 tractors are part of an array of 234 machines operated in the six-weeks' course.

New Hospital For Southwest Is Announced

Designed as the nation's most modern combined diagnostic clinic and hospital, this \$10,000,000 building project has been announced by the board of the Scott and White Memorial Hospital of Temple, Texas. It will provide 279 beds and facilities for 50,000 clinic and hospital patients annually. An innovation for care of the critically ill will be a special observation unit on each hospital floor. A nursing station will be surrounded by a circle of 12 private rooms, where all patients will be under constant observation within a few steps of the nurses. This, it was said, will improve service for many of the critically ill.

Four hospital bed floors in the shape of a cross (A) and two clinic floors (B) rise above the first two floors and basement, which contain diagnostic and research laboratories, surgical and X-ray departments, rehabilitation therapies and other jointly used facilities. A Nurses Residence (C) will help meet the shortage of nurses in the Southwest by increasing student nurse enrollment from 60 to 85. The structure marked (D) is a future building for educational purposes.

The consulting architects, Ellerbe and Company of St. Paul, Minnesota, designed the new Mayo Clinic and specialize in planning combined diagnostic clinic and hospital facilities. Architectural working plans will be prepared by Wyatt C. Hedrick of Fort Worth.

Jay A. Phillips, of Houston, Chairman of the Scott and White Board of Trustees, said that the target date for starting construction is June 1, 1960. "We already have upward of \$1,000,000 and are aiming at raising the balance over the next year and a half. As a non-profit institution Scott and White serves patients from all parts of the Southwest. This new center will be of tremendous benefit in providing people of moderate means throughout our region with a high quality of diagnosis and treatment at a reasonable cost."

ELECTRIC Lawn Lighting
Adds glamour to your home

THE NEW FASHION FOR HOMES \$2.50
... down payment and \$2.50 a month on your electric statement

Newest way for homeowners to add new sparkle, new radiance! Fashionable electric post lights, bringing the colorful brilliance of electric lighting to your lawn! Solution to Breakfast Problem

Having a problem getting the family up for breakfast? In this age of electronic miracles, the gadget shown above is suggested as a logical solution. It will arouse the sleeper, in more ways than one, but once up, he can help establish good eating habits for the family. Strong measures (maybe not to the extent shown above) are necessary, according to leading doctors and nutritionists who have studied the subject, to insure that breakfast will not be the day's most neglected meal. Breakfast, according to those diet authorities, should supply about one-fourth to one-third of the daily food requirements. They point out that the "let's skip breakfast" people prove to be less alert, less efficient and more susceptible to fatigue than those who eat a good morning meal. The human body is so constructed that for maximum health it requires fairly even intakes of food at regular intervals. You can't make up for the lack of a good breakfast. People who are troubled in holding the right weight should eat a good breakfast. If they neglect breakfast they may eat too hearty a lunch or dinner. And they just might have a snack or two between meals. What constitutes a good breakfast? The foods essential to the day's first meal include fruit or fruit juice, cereal, milk or other beverage, and several slices of toast. Eggs and breakfast meat frequently should be included. These foods are necessary both for children and adults. They supply the nutrients essential for the physical and mental stimulus for work—and play.

Bridal Shower Held

A bridal shower was given last Thursday for Miss Helen James in Ballinger. Miss James is the bride-elect of Jimmy Shannon, stationed in San Diego, California with the U.S. Navy. Miss James is the niece of Mr. and Mrs. Bill Gartrell of Sterling City. The following were present: Mrs. Lewis James, mother of the honoree, Mrs. Morgan Boatright, Mrs. P. J. Legg, Mrs. Ida Mae White, Mrs. Troy D. King, Mrs. W.C. Dodson, Mrs. Lee Butler, Mrs. Love Sharp, Miss Lois Nell Shary, Mrs. Rena Northington, Mrs. B. H. Ervin, Mrs. Hazel Wood, Mrs. T. L. Savors, Mrs. Walters T. Meuller, Mrs. Lille Dietz, Mrs. John Power, Mrs. Plumber and Mrs. Aubrey Smith, all of Ballinger; Mrs. Bill Gartrell and Mary Sue, Mrs. H. M. Duncan and Glenda and Harlan, Mrs. Bill Adams and Mrs. Martin Wright, all of Sterling City. The couple is planning a March wedding.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All deviations concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association. TEXAS SHEEP & GOAT RAISERS ASSOCIATION
