AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

Sterling County 4-H Club members received their awards for the year ending in September 1958 at the awards barbecue Saturday night. The barbecue had to be moved indoors to the community center due to the muddy grounds at the city park. There were about 140 club members, parents, and guests present at the barbecue according to the nearest count we could get. Guests included the buyers of 4-H club lambs at the 1959 county show, members of the Sterling County Livestock Show Association, and members of the commissioners court as well as Mr. and Mrs. Ernest Williams and Mr. and Mrs. R. L. Huckabee.

Members who received awards were — Achievement donated by the Ford Motor Company, Jerry Payne, David Durham and Cecilia McDonald. Leadership, sponsored by Edward Foss Wilson, assistant secretary Health, Education and Welfare, Washington, D. C., Clayton Stewart and LeRuth Reed. Range Management awards went to Mitsy Davis and Reynolds Lee Foster. Lee received a silver belt buckle as a district winner. He had previously received a certificate as one of the two state winners in this contest in December from one of the sponsors, the Texas Sheep & Goat Raisers Association at their annual meeting in Dallas. This certificate is worth a \$30 scholarship to the Texas Range Camp at the A&M Adjunct at Junction, August 16 through 22. The other sponsor of the range award is the Texas Agricultural Extension Service.

The Gold Star winners Carolyn Payne and Reynolds Lee Foster, received their awards at a luncheon, also in December. This is the highest county award for 4-H Club work and can be won only one time by a club member. Year pins for the completion of the work including a completed record book went to Barbara Clark, Jack Clark, Claudia Collins, Mitsy Davis, Barbara Durham, David Foster, Reynolds Lee Foster, Temple Ann Foster, Cecilia McDonald, Jeanie McDonald, Troy Murrell, Jerry Payne, Carolyn Payne, LeRuth Reed, Clayton Stewart, Crisp Williams and David Durham.

Thus far, 4-H Club members are batting 100% in the record book completion for their sheep demonstrations for 1958. This is the first time that I have ever had all club members turn in their record books on their demonstrations. In addition to the sheep demonstrations already completed, a couple of club members have turned in completed record books on other demonstrations such as safety. Twenty-five record books have been turned in to date. I would like to congratulate the club members on their record books. Every one of them did a good job of completing their books; they are a good set of records.

Grasshoppers and caterpillars continue to chew or various trees and plants. Sprays or dusts applied last week killed the pests but the show-ers cut down on the time that the insecticides were effective. Ordinarily most of the insecticides will continue to kill for as long as 5 days but heavy showers will wash them off and lessen the killing time. Even though the sprays or dusts did kill for 24 to 36 hours previous to the showers, there are still great numbers of the pests present. They appeared in such large numbers that often people think they were not killing them but

it is hard to wipe them out when they appear in as large numbers as did the grasshoppers. The best thing is to try to keep the more susceptible plants sprayed and hope that the weather will turn against the hoppers.

The county agent's office will be closed from June 13 to July 6. I have received a scholarship to Colorado State University at Fort Collins to attend the Western Regional Extension Summer School there from June 15 through July 3.

Each year about 25 Extension agents in Texas receive scholarships to the school. In all about 400 Extension agents attend the school from all the states. I am looking forward to attending the school and from reports of other agents who have attended in the past, am sure that I will enjoy it. Mrs. Barlemaan will accompany me and take part in the after school activities planned by the school for agent's families. My address while absent will be Newsom Hall, Fort Collins, Colorado.

Mrs. Forrest Foster Noratadata Hostess

Mrs. Forrest Foster was hostess for a meeting of the Noratadata Club in the community center Tuesday night. The president, Mrs. Reynolds Foster, read letters from the hospital board of directors thanking the club for their help with the open house during National Hospital Week, and for the book cart and books that they donated to the hospital.

It was decided that the club would continue to meet during the summer months and to have a picnic for the husbands in August.

Those present were Mrs. Forrest Foster, Mrs. Mildred Emery, Mrs. Nan Davis, Mrs. Hubert Williams, Mrs. Alvie Cole, Mrs. Bill Cole, Mrs. M. C. Reed, Mrs. Neal J. Reed, Mrs. F. F. Westbrook, Mrs. Reynolds Foster, Mrs. Leroy Butler, Mrs. Kenneth Peel, Mrs. Foster S. Price, Mrs. Bill Brooks and Mrs. Jim Coleman, a guest.

Prizes at bridge were won by Mrs. Williams, Mrs. Westbrook and Mrs. Davis.

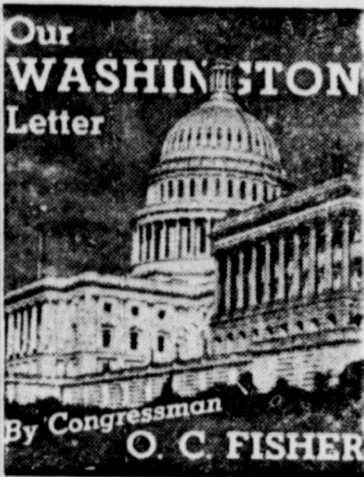

Worth Durham New Bank Director Here

Worth B. Durham, local attorney, was named to the board of directors of the First National Bank here Tuesday. This action was taken by the directors at the regular director's meeting Tuesday morning. Worth replaces Claude Collins, who died last month.

The new director has been attorney for the bank a number of years, and is active in many ways in the community. He is county attorney for Sterling County, is active in state bar circles, has served as Lions Club president in past years, is a member of the official board of the First Methodist Church here, and is a teacher of one of the adult Sunday School classes.

Bank directors now include R. T. Foster, H. L. Hildebrand, Rufus W. Foster, Flavy E. Davis, Roland Lowe and J. S. Cole and Durham.

Officers of the bank include R. T. Foster, president, H. L. Hildebrand, vice-president, J. S. Cole, honorary vice-president, H. D. Coleman, executive vice-president and cashier and Nan E. Davis, assistant cashier.

By Congressman O. C. FISHER

IS THE U.S. pricing itself out of business? That question is being asked over and over, even as labor leaders are pressuring Congress to increase the minimum wage to \$1.25 per hour and an expansion of coverage. They theorize that by upping the minimum, the general wage levels are pushed upward. Moreover they contend that by forcing minimums upward in the south, where production costs are less, less business will be attracted in that direction.

THE SIMPLE fact is that due to high costs of production more and more American manufacturers are moving their plants to foreign countries where wages are lower. The National Cash Register is doing it. Tile and brick makers are doing it with some going into Mexico. Most of the tile now used in Houston is imported from American-owned plants south of the border.

An Illinois company has a wage cost of \$2.90 per hour, making eight-penny nails which sells for \$9.80 per 100 pounds in carload lots. Similar nails from a German plant with a wage level of 90 cents, are now delivered in Illinois for \$8.32.

Take barbed wire. Last year more than half of the barbed wire sold in this country was imported. A jobber in Dayton can buy a ton of barbed wire made in Germany for \$40 less than similar wire made in nearby Cleveland, where wages are three times as high.

A typewriter concern reports that it has identical plants in Germany and the U. S. It pays \$2.25 an hour to workers in the American plant, less than 60 cents to its workers in Germany.

And so it goes across the board. Last year 169 American plants moved to Puerto Rico, attracted by lower wages and tax advantages.

But despite this trend, the steel workers are demanding increased wages, and there may be a strike! Four years ago the U.S. was exporting more than four times as many autos as it was importing. Now imports are running four times exports.

Recent guests have included Lt. Ronald H. Salter of Brady, a recent West Point graduate; Paschal O. Drake, Jr. of San Angelo, now with the USDA; and Mr. and Mrs. C. B. Drinkard of Eden.

Mrs. Chas. A. Long Died Here Sunday

Services for Mrs. Chas. A. (Cora Lee) Long, 82, a Brady resident for 73 years, were held in Brady Tuesday afternoon at 2:30 in the Wilerksom Funeral Chapel.

Burial was in Cox Cemetery in Milburn. Mrs. Long died at 7 a.m. Sunday in the Sterling County Hospital. She had moved here two years ago, and was born Dec. 13, 1876 in Gonzales County.

Survivors include four daughters, Mrs. J. E. Mitchell of Sterling City, Mrs. Jesse Ferris of Mercury, Mrs. N. A. Mitchell of Rankin and Mrs. V. H. Woods of Fort Worth; two sons, Van Long of Brady and Lonnie Long of Brownwood; five sisters, Mrs. Maude Deeds of Brady, Mrs. Belle Roberts of Dallas, Mrs. Nora Bealy of San Antonio, Mrs. Ed. Penn of Mercury and Mrs. Willie Kilmer of Placid.

WILLIE SEALE, 38, KILLED IN CAR CRASH SATURDAY

Willie Lee Ellison Seale, 38, was killed when his car careened from the highway, smashed into a utility pole and rammed into a fence 20 miles north of Sterling City last Saturday afternoon.

A teen age occupant of the car, Bennie Hoffman, also of Sterling City, was uninjured. Police said Seale, who was driving the car, was hurled from the wildly skidding car after it struck the pole.

Highway Patrolman Jack White said an ambulance happened on the scene minutes after the crash and loaded Seale and Hoffman and rushed them to a Big Spring hospital where Seale was pronounced dead on arrival.

Hoffman was examined at the hospital, but not injured, White said.

C. P. Nalley, operator of the Nalley-Pickle Funeral Home, and his assistant, Bob Reed, were returning to Big Spring from Meridian when they drove upon the accident scene.

Seale was a mechanic at the Johnson Ford Company and was driving a company car at the time of the accident.

Survivors include his wife, Mrs. Callie Marie Seale of Sterling City; two daughters, Odessa Kay Seale of Sterling City and Lottie Jo Seale of Beaumont; one son, Willie Lee Seale of Beaumont; his mother, Mrs. Lottie Ferguson of Beaumont; and one sister, Mrs. Marion Pollock of Vidor. The body was returned to Beaumont for services and burial.

Open House Next Tuesday Night at New Highway Building

Open house will be held at the newly completed resident engineer's office and laboratory west of town next Tuesday night at 7:30-9:30 p.m. The new State Highway Department building was recently completed and the resident engineering staff moved in last Friday.

Wives of the staff will act as hostesses and punch and cookies will be served, said Mrs. Leroy Butler, junior clerk. Everyone is cordially invited to attend the open house, said resident engineer H. L. Bailey.

The staff at present is as follows:

- H. L. Bailey, resident engineer
- Dan Glass, senior engineer assistant
- Louie Alexander, senior party chief
- Ray Mixon, senior inspector
- Mrs. Leroy Butler, junior clerk
- Leslie Cole, junior lab assistant
- E. A. Crook, engineer assistant
- Don Kirby, rodman
- David Gruny, checker
- Wilbur A. Stone, rodman
- Kenneth Peel, draftsman
- Don Martin, junior inspector.

DAUGHTER TO MR. AND MRS. LLOYD C. COLE

A daughter, named Allison Melva, was born to Mr. and Mrs. Lloyd C. Cole in Houston on June 7. The baby weighed eight pounds and fourteen and one-half ounces. The paternal grandmother is Mrs. Agnes Cole, and the great grandmother is Mrs. O.V. Anderson, both of Sterling City.

It's all right to speak from the shoulder, providing it originates higher up.

three brothers, Wesley Sansom of Mercury, Milton Sansom of Brownwood, and Harmon Sansom of Hall; twenty-five grandchildren. 31 great-grandchildren and two great great grandchildren.

Sterling Alumni Meeting Saturday

Claude Collins Will Admitted To Probate Tuesday

The will of the late Claude Collins was admitted to probate here Tuesday afternoon before Judge W. R. Brooks.

The Fort Worth National Bank was named executor and trustee of the will. After making certain provisions regarding his surviving wife, Eleanor Collins, the will provided for the creation of trusts for the benefit of Mrs. Collins and Claudia and Corwin Collins. Such trusts will be administered by the Fort Worth bank.

Items left include the home and the ranch in Sterling, the New Mexico ranch and some Pecos County farm land.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week were—

- Neill Munn
- D. P. Glass
- Jake Martin
- Luis Bernal
- Carlton Fields
- Leroy Hunt II
- Eulalio Basquez, Jr.
- Dismissals since Thursday morning of last week include—
- H. N. Bartlett
- Mrs. Wm. J. Swann
- W. O. (Bill) Green
- George B. Turner
- Mrs. Bill Spraggins
- Mrs. Chas. Long, deceased
- Melinda Lou Terry

Willene Glass 10th in State Typing

Willene Glass, daughter of Mr. and Mrs. David Glass, a first year typing student from Sterling High School, was 10th in typing in the state interscholastic league typing finals in Austin last month. E. B. Hosea, high school business teacher, was informed of her placing this week. Willene came up with 124.42 points and the first place winner had a total of 141 points.

Mrs. Dayton Barrett, local second grade teacher, is attending A.C.C., Abilene, this summer taking some educational courses.

In Case of Fire Dial 8-2121.

To Gather at 6 o'Clock

The annual Sterling School Alumni get-together is to be held this Saturday, June 13. A barbecue is planned for the gathering at the Nick Reed River Park. Should rain ruin an outside meeting, the supper will be held in the community center, said Mrs. Bill Brooks, president.

Time for the meeting will be 6 p.m. and the supper will begin at 7, said Mrs. Brooks. Plates are \$1.25 each and all alumni of the school are urged to be present, even if reservations have not been turned in.

A dance follows the supper and meeting, and will be held in the high school gym. Ennis Adams and his orchestra will play for the dance, which begins at 9 and the cost is \$3 per couple.

Alumni officers are hoping for a crowd of 160. Alfred Chapple is to give the invocation, and Mrs. Brooks will give the welcome. Mrs. W.Y. Benge will welcome the class of 1959 and her daughter, Chris, will respond for the group. Billie Nadine Young is to give the historian's report.

This year's officers include Mrs. Brooks as president, Mrs. Finis Westbrook as vice-president, Mrs. Hubert Williams as secretary, Mrs. Gene Alley as treasurer and Mrs. Billie Nadine Young as historian. Finis Westbrook and Charlie Davis are acting as this year's dance committee.

This year's nominating committee is composed of Mrs. Eschol Crook, Mrs. David Glass, Mrs. Chesley McDonald and Mrs. Bill J. Cole.

NO PARTY SATURDAY NIGHT AT COMMUNITY CENTER

The usual party for Sterling young people will not be held at the community center this Saturday, June 13, it has been announced. The Sterling Alumni Association is holding its annual meeting and get-together that night, so the youth party has been put off or postponed.

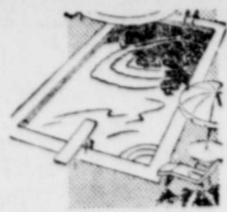

It is understood that the high school principal O. A. (Bob) Madison, has accepted a position in the Coahoma high school for next year. He had been here one year, coming from Post, Texas school.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All decisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

Pitched Roof Saves Money On Construction of Home

Roofer applies asphalt shingles in a light color to home with a roof pitch of 2 inches per foot of width. Builder of this home in a California development says the construction costs saved with this low-pitched roof enabled him to offer a high quality home for as much as 20 cents less per square foot than the same house would cost with a flat roof.

If you plan to build a home, you can save considerably on overall construction costs by careful selection of the roof style, says the University of Illinois Small Homes Council.

The Council's research shows that the most economical roof has a 2-in-12 pitch—that is, a slope of two inches for every foot of width—on a house either 28 or 40 feet wide.

In its annual Short Course for Builders, the university research group explained that only a few years ago houses 24 feet wide with higher pitched roofs were the most economical to build. The main reasons this has changed are:

1. Trusses with joints nailed and glued together are available today. These are less costly than the older method of joining members with bolts.
2. Today asphalt shingles can be applied to roofs with slopes as low as two inches per foot. This insures a top quality roof that is economical and will give years of trouble-free service. A further advantage of asphalt

shingles on a small, low house is that a light color can be chosen for the roof. This makes the house appear taller and larger.

3. Labor costs have gone up, faster than material costs. Although a 28-foot house needs more material than a 24-foot house, it needs little more labor.

The Council points out that the most expensive house to build is one with a flat roof. Research shows that at average, nation-wide costs of labor and materials it would cost \$254 per 100 square feet of floor area to build a house 24 feet wide with a flat roof. The same house with a 2-in-12 roof would cost \$234 per 100 square feet.

Similarly, a house 28 feet wide with a roof pitched at 2-in-12 could be built for \$228 per 100 square feet, while the same house with a flat roof would cost \$242 per 100 square feet.

A house 40 feet wide with a flat roof would cost \$237 per 100 square feet, while the same house with a roof pitched 2-in-12 could be built for \$227 per 100 square feet.
