AROUND THE COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

Eight 4-H Club members exhibited 16 fat lambs at the Abilene Fat Stock Show, January 24-27. Exhibitors and the number of lambs they exhibited were as follows: Mike Payne, one finewool lamb; Larry Stewart, one finewool lamb; Kenneth Fincher, one finewool lamb; David Foster, two finewool lambs; Tommy Foster, two finewool lambs; LeRuth Reed, three finewool lambs and one crossbred; Cecilia McDonald, two finewool lambs and one crossbred lamb; Jeanie McDonald, 1 finewool lamb and 1 crossbred.

The judging was done on Monday by W.M. Day, county agent of Upton County. There were approximately five hundred lambs entered in the show this year.

The Sterling County 4-H Club members collected ten ribbons on the sixteen head of lambs they took to the show. Placings were as follows: First place pen of three finewool lambs—LeRuth Reed; third place heavyweight finewool lamb and sixth place heavy finewool—LeRuth Reed. All of LeRuth's lambs were George McEntire breeding. Cecilia McDonald had 13th lightweight crossbred and sixteenth place lightweight finewool lambs. Her lambs came from Riley King, George McEntire and Matthews and Sellers. The fourteenth place lightweight finewool lamb was exhibited by Tommy Foster; his lamb was bred by his father. LeRuth Reed took 20th place in the heavyweight crossbred class with a lamb bred by H. A. Chapple. Mike Payne's twenty-first place heavy finewool lamb was bred by the J. T. Davis Estate. The twenty-third place finewool lamb shown by David Foster was bred by the Spade Ranch. Jeanie McDonald's twenty-fifth place crossbred lamb in the light weight class was from Riley King.

Six of the club members' lambs were eligible to sell in the auction sale on Wednesday but only four sold. LeRuth Reed chose to withdraw two lambs from the sale to

To Show Stock at Houston Fat Stock Show

Clinton Hodges of Sterling City, Texas, will show 11 Rambouillet Breeding Sheep in the Open Class Division of the 1960 Houston Fat Stock Show and Rodeo.

The 28th exposition will be held February 24th through March 6th.

Entries exceed 11,000 and include fourteen breeds of cattle, four registrations of horses, eleven sheep breeds, Angora goats, six swine breeds, about twenty poultry breeds and nine rabbit breeds.

show at another show. Tommy Foster's 14th place lamb sold for 34c per pound. Two lambs, the thirteenth and sixteenth place lambs, owned by Cecilia McDonald, sold for 33.20. David Foster's finewool lamb also sold for \$33.20.

There is still plenty of time for you to spray your fruit and nut trees for scale. The dormant season of the year is the best time to spray for this pest as the recommendations call for the use of an oil emulsion spray.

Scale is a parasitic insect which saps the vitality from a tree and results in the eventual death of the tree. Attaching itself to the bark of the tree it is about the size of a pinhead and has a hard outer coating much like a snail.

The best control is achieved through the use of 3½ gallons of 97% oil emulsion in 100 gallons of water. In severe infestations, it may be necessary to spray twice to kill the crop. Good cultural practices such as fertilization and pruning will usually restore the tree to good health following the spray.

BELL BABY DIES

The 18-day old baby son of Mr. and Mrs. Gilbert Bell of New Mexico was buried in El Paso last Saturday at 4 p. m. The baby, named James Kenney Bell, was only eighteen days old. Attending the services were Mrs. Alton Holland, Mrs. Dorbandt Barton, Mrs. D. K. Durham and Mrs. Ray Lane.

HAVE YOU PAID YOUR POLL TAX?

Have you paid your poll tax yet? So you can vote in the local school board election; the city election for a mayor and two councilmen; and for the Democratic Primaries this spring and the presidential election in the November election?

Well, if you haven't and don't pay it today or tomorrow, just forget it. It'll be too late. Poll tax paying ends in Texas the last day of January. And in Texas you don't vote unless you pay a poll or over 65; under 21 this year; you may get an exemption. Ours don't have to have one in counties this size, but it may be a good idea to have one for future reference—or something.

In April voters here get to vote on school board members and also a city election for a mayor and two city councilmen.

On the first Saturday in May the first Democratic primary election will be held in Texas. Locally, we are voting on a sheriff, two county commissioners, county attorney, district judge, district attorney, and a state representative. We, too, all vote on governor, and all of the state officers.

In November at the General Election, voters will not only vote on the state and local officers, but the president and vice-president as well.

You will get an awful lot for your \$1.75 poll payment this year.

Monday Is the Last Day For Candidates To Announce

Monday, February 1, is the last and final day for candidates to announce for office in the Democratic Primary this year, said County Chairman Jack Douthit. All filings postmarked Feb. 1 will be accepted, he said.

Filings received this week include that of William McDonald for district judge and David Read for the State Legislature from this district.

CARD OF THANKS

We want to thank everyone for all the nice things done during the illness and death of our loved one, Alva Morris. We thank you for the cards, letters, messages, memorials, flowers, and visits. We especially thank the minister, pall bearers and friends from Sterling County who helped us with the funeral services. The family of Alva Morris

Warrant Issued For Suspect in Killing Here

A warrant has been issued here for a man suspected of being the killer in the beating death of Cecil Grady, 29, two weeks ago. Grady's body was found in an oil field pasture 14 miles up the Garden City road. He had been beaten to death by a person unknown.

Sheriff Bill Green said a warrant had been issued for a suspect in the case. Green said he knew who they were hunting but preferred to not release his name as yet. The suspect is still being hunted for arrest at this time.

Grady's body was found on Friday two weeks ago and he was buried in Oklahoma a week ago Monday. He had just been released from the Texas penitentiary a day before his death. He bought a bus ticket from Angelo to Midland but was found the next day dead beside the road on the Glass ranch west of Sterling City.

By Congressman O. C. FISHER

POLITICS and plane crashes claimed head-line attention in Washington last week. A meeting of the Democratic National Committee, giving candidates a chance to put their best foot forward, attracted high political brass from every state in the Union.

With Congress taking a close look at the alarming number of commercial airline tragedies, methods of tightening safety and security methods were being explored. But even at that it was announced that the airline fatality rate last year was only .68 persons per million passenger miles. The railroad rate was .26, but for commercial highway and taxi travel it was 2.3 persons per million passenger miles.

ON THE POLITICAL front, Senator Lyndon Johnson had a good week. In Brooklyn the Senator was the honored guest at a rally attended by 62 Democratic county leaders of New York State and members of that State's Democratic committee.

OLD KING COTTON, the South's traditional "cash crop" is feeling the effects of increased foreign competition. As world production has increased, U.S. producers have had to cut acreage drastically and have in effect been called on to make the supply adjustment for the entire world. From 1949 through 1955, the U. S. decreased production 2.5 million bales, while during that same period other countries increased their production by more than 7.5 million bales. Some phases of our foreign aid has encouraged this.

Speaking of foreign aid, it is reported the U. S. is preparing to purchase 438,000 pounds of wool tops (processed wool) for Korea, and is asking for bids. I have urged that if such acquisition is undertaken our American mills be given top priority.

THIS being income tax-paying time, Internal Revenue has informed me it has three bulletins which are supposed to help prepare returns, available at the Government Printing Office, Washington 25, D.C. at 40 cents a copy. Entitled **Your Federal Income Tax, Tax Guide for Small Business, and Tax Guide for Farmers**, the pamphlets are replete with guidelines for figuring deductible items, depreciation allowances, etc.

LIONS CLUB

The Sterling City Lions Club met Wednesday noon in the community center for the regular weekly luncheon. Leslie Payne, vice-president, acted in the absence of president Alvie Cole.

It was decided to raise the money for the "bum fund" that the club sponsors. The money is raised by club members from citizens and the sheriff administers the fund in a sort of community chest type of way. Named on the committee to raise the money were Boots Williams, Jim Coleman and Marion Hays.

The club decided to have a pancake supper soon. Named on the committee to work up the supper details were H. A. Chapple, Hal M. Knight and Henry Bauer.

Mims C. Reed has transferred from Texas A&M College to Texas Tech for the second semester.

Bank To Open Bids on Big Remodelling Job Today

Directors of the First National Bank here will open bids on the remodelling job here today. The proposed \$70,000.00 job will be completed by August when the bank will celebrate its 50th anniversary. Doyle Maddux, architect, of San Angelo has been retained as architect on the project.

As seen in the above picture the top story of the present building will be removed. The facilities will be enlarged and a drive-in deposit window is to be added at the rear of the building.

The new lobby will have terrazo floors; there will be a director's room, a new vault, additional storage, night depository and there will be additional office space available for renting.

The structure will have central heating for winter and summer air conditioning.

The exterior walls will be finished with Roman brick below and porcelain enamelled metal facing above with marble trim around the front entrance. The entire ceiling will be finished with acoustical metal grid.

Roy Foster is president of the bank, and H. L. Hildebrand is vice-president. Other directors are H. D. Coleman, Rufus, Foster, Flavy Davis, Roland Lowe and Worth B. Durham.

Coleman is the executive vice-president and cashier and Mrs. Nan Davis is assistant cashier. In the bookkeeping department of the bank are Mrs. Martin C. Reed and Mrs. Dally Nichols.

CIVIL SERVICE SUPPLY CLERKS' EXAMINATIONS TO BE GIVEN

The U. S. Civil Service Commission has announced examinations for supply clerks paying from \$3755 to \$4490 a year for employment in various Federal Agencies in this area.

Federal employees are entitled to liberal fringe benefits such as paid vacations, sick leave with pay, low cost group life insurance and an excellent retirement plan.

Apply at the post office for application forms or for information as to where they may be obtained or obtain them from the Eighth U. S. Civil Service Region, 1114 Commerce Street, Dallas, Tex. Employment opportunities

for these positions are anticipated in the various Federal agencies in the following counties in Texas; Andrews, Borden, Crane, Dawson, Ector, Gaines, Glasscock, Howard, Loving, Martin, Midland, Mitchell, Scurry, Sterling, Upton, Ward and Winkler.

Avants Back From San Antonio

Rev. and Mrs. Asa Avant returned home from San Antonio Tuesday. They had been gone two weeks. Visiting the Avants here Wednesday of this week were Dr. and Mrs. Chess Lovern and son Mark Edward of Lubbock. The Rev. Avant, Methodist pastor here, is recuperating from a heart attack he had last fall.

You Can Pay Your City Taxes Monday

Due to the fact that the last day of tax-paying January is on Sunday and the fact that the city office is closed on Saturday, taxes may be paid on Monday, February 1, with no penalty.

So said city secretary Mrs. Horace Donaldson this week. Ordinarily payment after the final day of January would mean a penalty, this year it won't, according to city action.

The Harvey Lathams have bought the J. S. Cole home here from the estate and fixing it up preparatory to moving in soon.

'Dimes' Opens First Birth Defects Center

A birth defects study center, the first of its kind designed to combine clinical treatment with research and teaching, has just been officially opened at Columbus, Ohio. It is supported by funds from the New March of Dimes, which is now engaged in its January campaign for contributions to fight three major crippling diseases including, besides birth defects, arthritis and polio.

Medical experts say that birth defects are the biggest unmet childhood medical problem in the United States today. There are more than 600 different kinds of birth defects, or "congenital malformations," as they are called by doctors. They range all the way from harelip and clubfoot to mental retardation.

Some 250,000 American babies are born each year with one or more significant birth defects; and about half of this number are doomed to a lifetime of serious illness or crippling. About 34,000 infants each year are stillborn because of these afflictions, or die within the first month of life. Medical science as yet has few clues to the causes of these disorders that occur before birth; and there are few known methods of prevention.

Shrouded in Superstition

The study center in Columbus' famed Children's Hospital thus represents the beginning of the New March of Dimes attempt to solve a medical problem that has heretofore been largely neglected by research. It is a problem that has for centuries been shrouded in fear, superstition and shame. By tackling this issue with a three-pronged program of research, patient aid and training of skilled medical professionals, the March of Dimes organization seeks to bring hope to the hundreds of thousands of parents whose lives have been blighted by bewildering grief and heartbreak following the birth of a malformed child.

This hope is bolstered by the past record of the March of Dimes organization in fighting baffling diseases. It was March of Dimes funds that encouraged Dr. Jonas E. Salk to become a virologist and that

Parents are taught to give home care to children with birth defects at the Columbus Children's Hospital Birth Defects Study Center, supported by New March of Dimes funds. Here doctors examine Jackie Vess, 3, born with hydrocephalus, commonly known as "water on the brain," while parents get instruction.

Born with an open spine, two-month-old Madonna Galich is examined by a physician at the Birth Defects Study Center, just officially opened in the Columbus, Ohio, Children's Hospital. New March of Dimes funds will be used to help this baby toward a normal and useful life.

produced his world-celebrated vaccine against crippling polio.

Some Can Be Helped

Certain major birth defects, such as "water on the brain" (hydrocephalus) and "open spine" (spina bifida), can now sometimes be corrected by new techniques of surgery, medical experts at the March of Dimes organization report.

Through the combination of treatment, teaching and study at the Columbus Birth Defects Study Center and others the March of Dimes hopes to establish and support, it is believed that new knowledge will be obtained and spread so that the devastating effects of these disorders may eventually, for the most part, be prevented or controlled.

**Sauce for
the Goose**

By Betty Barclay

"There's no better way to add variety and a party touch to family meals than by the clever use of sauces," says the new General Foods Kitchens Cookbook.

This unique book, compiled by more than 130 women of General Foods Kitchens, is almost square in shape and designed to lie conveniently flat when opened. The de luxe edition of the cookbook comes with a wrought iron holder which can be used to hang the book on the wall and then props it open at just the right angle for easy reading when you place it on your work counter or table.

This Indian Jelly Sauce is suggested as being especially good with ham or pork.

Indian Jelly Sauce
1 1/2 cups apple jelly; 1/2 cup chutney; 1 1/2 teaspoons lemon juice.

Melt jelly over low heat. Stir until smooth. Mix in remaining ingredients. Serve warm with ham or pork. Makes 1 1/2 cups sauce, or 10 servings.

Good and Easy

By Betty Barclay

HERE'S an after-school snack made with cereal and semi-sweet chocolate squares, and so good the young set won't ever suspect it's good for them, too. Another virtue every busy mother will appreciate... it's so easy to make.

Chocolate Glasses
1 package (8 squares) Baker's Dot Chocolate; 1 cup sweetened condensed milk; 1 cup nut-like cereal kernels; 1 teaspoon vanilla.

Heat chocolate over hot water until partly melted; then remove from hot water and stir rapidly until entirely melted. Add milk and blend; then add cereal kernels and vanilla. Drop from teaspoon onto waxed paper. Cool until firm. Makes 5 dozen candies.

COOKIES EQUAL TO THE OCCASION

By BETTY BARCLAY

It's a mighty comfortable feeling to have a cookie jar filled to the brim, ready to yield its toothsome contents to satisfy between-meals appetite or to add interest to a simple fruit dessert. And if they're these nut filled chocolate cookies with a snowy drift of confectioner's sugar atop each, you'll be proud, too, to serve them to guests with afternoon tea or coffee, or as a late-evening snack.

Chocolate Cookie Balls

8 squares unsweetened chocolate
1/2 cup shortening
1 cup sugar
1 1/2 teaspoons vanilla
1 egg
1 cup sifted flour
1 teaspoon double-acting baking powder
1/2 teaspoon salt
1 tablespoon milk
1/2 cup chopped nuts
Confectioners' sugar

Melt chocolate and shortening together. Add sugar and vanilla; Mix well. Add egg and beat thoroughly. Sift together flour, baking powder, and salt. Add to chocolate mixture; then add milk and nuts. Mix well. Chill dough several hours. Form dough into small balls. Place on ungreased baking sheet and bake in moderate oven (375°F) 8 to 10 minutes. While still warm, dust with confectioners' sugar. Makes 3 dozen cookies.

Pretty Waffle Treat!

By Betty Barclay
DO something different with waffles! With a quick "twist of the wrist" you can serve these pretty waffle "butterflies"... an excellent dessert idea, or a teenage TV "make-it-yourself"! Use the Maple Cream Cheese filling for topping doughnuts, sandwiching cookies or on pancakes.

Butterfly Waffles
Toast or broil frozen waffles as directed on the package. Split and fill each waffle with about 1 tablespoon Maple Cream Cheese Filling. Then cut each waffle diagonally in half and arrange on plate, with points touching, to form butterfly wings. Place a spoonful of Maple Cream Cheese Filling at point where wings meet, for body of butterfly. Use red cherry stems for antennae and banana slices for wing patterns. Serve with maple-blended syrup.

Maple Cream Cheese Filling:
Mix 2 packages (3 ounces each) cream cheese, with 1/4 cup chopped California dates and 1/2 cup Log Cabin Syrup. Makes about 3/4 cup filling.

Puddings That Please

By Betty Barclay

WHEN the back-to-school parade begins, and youngsters march in for dinner with hearty appetites, a filling dessert to their liking can be one of the easiest ways to win their approval for your entire menu. Today's recipe for Peanut Butter Crunch Pudding includes ingredients that please youngsters most, and its easy preparation is gratifying to every homemaker.

Peanut Butter Crunch Pudding
1 package vanilla pudding and pie filling mix; 2 cups milk; 1 1/4 cups graham cracker crumbs (about 20 crackers); 1/4 cup sugar; 1/4 cup creamy-style peanut butter; 3 tablespoons butter.

Combine pudding mix and milk in saucepan. Cook and stir over medium heat until mixture comes to a full boil. Remove from heat. Let cool to room temperature.

Meanwhile, combine graham cracker crumbs, sugar, peanut butter, and butter. Mix thoroughly. Spread 1/4 cup crumb mixture in an 8x8-inch cake pan. Cover with 1 cup of the pudding. Then add alternate layers of 1/4 cup crumb mixture and remaining pudding. Sprinkle with remaining crumb mixture. Chill. Makes 9 servings.

THE AMERICAN WAY

"IN THE BIBLE THERE IS MORE THAT FINDS ME THAN I HAVE EXPERIENCED IN ALL OTHER BOOKS PUT TOGETHER... BRINGS WITH IT AN IRRESISTIBLE EVIDENCE OF ITS HAVING PROCEEDED FROM THE HOLY SPIRIT."
