The Dishonor Roll

by Jerry Marcus

Almost 1,000,000 persons were killed or injured in weekend accidents in 1959.

AROUND THE COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

Grasshoppers have become a nuisance in some areas. While they have not reached the numbers here in Sterling County that seem to be plaguing nearby counties, it might be well to pass on the latest recommendations for control of hoppers so that you will have them if they do become serious locally.

A number of different insecticides can be used as spray for good control of the hoppers. Dieldrin, aldrin, heptachlor, chlordane, toxaphene, or malathion all are recommended as sprays. These can be used on the turnrows, along the edges of pastures, fence rows, or on ornamental plants. On gardens only malathion should be used on vegetables that will be harvested within ten days. All others listed should not be used within 30 days of harvest time.

Safest to use in gardens actually would be baits. Baits can be made using 2 ounces of heptachlor or aldrin per 100 pounds of bran. These baits should be scattered around the edges of the garden.

A few pecan casebearer eggs have been found again. This is the second generation of the pests this year but it is evidently just beginning as the eggs are very scattered. Eggs were found on trees belonging to Foster Sims Price and Lee Reed's. On a check on Tuesday morning, however, we could find no other eggs.

This generation of casebearers can still cause damage to pecans. The nuts are not hardened enough to keep the larva stage of these pests from boring into the nut and ruining it.

Recommendations for spraying are the same as for the first generation. It would be best for tree owners to check their trees for the presence of the eggs. If eggs are present, then the trees should be sprayed with 3 pounds of malathion to one hundred gallons of water. If no eggs are present on the brown, blossom end of the nuts, spraying would serve no useful purpose.

Uel D. Thompson, Extension Animal Husbandman announces that the annual beef

cattle short course for cattlemen will be held on the campus of Texas A&M College on August 8, 9, 10. Personnel of the college, leaders in the cattle business in Texas, and out of state authorities will appear on the three day program.

Topics to be discussed are feeding, breeding, carcass evaluation, and marketing, along with other topics of interest. A complete program is available in the county agent's office for any one who might be interested in attending.

The June market report of the Extension Livestock Marketing Specialist, Lloyd Bergsma, warns that the cattle market can look for lower prices this fall. The demand for good and choice calves remains strong even though the market has dropped \$6 to \$8 per hundred in the last 60 days.

Slaughter calf production for the first four months of 1960 was up 8 percent over 1959 and is expected to continue above last year's level. Price continues to decline here also.

The overall prediction for cattle is that prices will continue lower throughout the summer with no change this fall. Lower prices on all grades are in prospect for the fall.

Sheep producers are faced with the same situation. Price trends for slaughter and feeder lambs will continue downward. A greater than normal percent of Texas' lambs will be marketed as feeders this fall.

Only bright spot in the livestock picture is in the hog business. The price is expected to reach the peak in August. Price declines this fall and winter will be less than 1959.

O T. Jones, school superintendent, had an operation on his nose the first of the week in a San Angelo hospital. He returned home following a short stay in the hospital.

Mr. and Mrs. Don Rawson of Athens are here visiting at Mrs. Ruth Allen's. Due to arrive Friday for a visit are Mrs. Guy Dayvault and Mrs. Vera Spalti of Dallas. They plan to go to Brady for the July 4th rodeo and celebration.

Fire at Drug Store Last Friday

A motor on a compressor at the Long Drug Store caught fire last Friday night and burned, causing some smoke and alarm at the drug store last Friday evening. No real damage was done.

Smoke was detected coming through the door into the hotel by Mrs. Opal Cumbie, and the alarm was turned in to the fire department.

Mr. Long said that compressor motor burned up at least once a year.

Woodmen Log Rollers Met Here Monday Night

The Sterling City Woodmen of the World Camp was host to the District Log Rollers Association meeting here Monday night. A barbecue supper was held in the city park for the visitors and local members.

There were 37 men present from W.O.W. camps at San Angelo, Bronte, Rowena and Abilene, as well as the locals.

A barbecue supper was served. Consul Commander H. F. Donaldson of the local camp welcomed the guests. Roy Martin had barbecued the goat for the supper. The menu consisted of barbecue, beans, potato salad and chips, pickles, onions, bread and tea.

E. A. Bowers of Abilene, state manager of the W.O.W. was present and made presentations of pins to R. P. Brown (50 years) and Hal M. Knight—a 25 year pin.

Bowers invited the group to the 70th Anniversary Celebration in Abilene on July 7.

Rodriguez-Ramirez Wedding Here

Miss Ernestina Rodriguez of Sterling City and Edward Ramirez of Big Spring were married June 18 in the Mexican Baptist Church here by the Rev. Simon Natividad, the pastor.

The bride is the daughter of Mr. and Mrs. Hilario Rodriguez.

Mrs. Pablo Ramirez was matron of honor and her husband, the bridegroom's brother, was best man. Misses Elma Longoria of Mertzon, Mary Abreo of Big Spring, Mary Elsa Morales and Olivia Balderaz were bridesmaids.

Groomsmen and ushers were David Abreo, Joe Cadringhead and Albert Barraza, all of Big Spring and Jodie Rodriguez, brother of the bride.

The couple will reside in Big Spring.

Recent Bride Given Introductory Tea Last Saturday

Mrs. Leon Ferguson, who was Miss Carolyn Cope of San Angelo before her recent marriage, was honored with an introductory tea last Saturday afternoon in the home of Mrs. Nan Davis.

About seventy-five persons called during the tea hours of five to seven.

Hostesses for the affair included Mrs. Davis, Mrs. Marion Hays, Mrs. D. D. Nichols, Mrs. Riley King, Mrs. Bernard Petty, Mrs. H. A. Chapple, Mrs. Dayton Barrett, Mrs. George Case, Mrs. Gene Alley, Mrs. Chesley McDonald and Mrs. Leroy Butler.

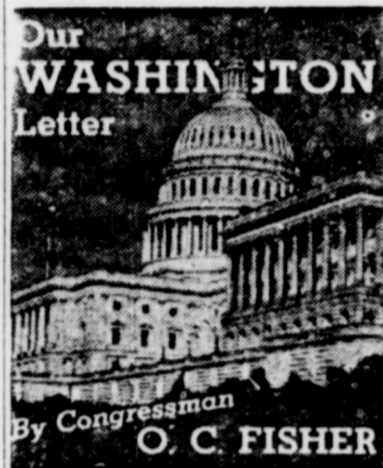

Mrs. Davis greeted the guests at the door. Other hostesses assisted at the serving of the cake and punch.

Rev. John Gibbs, Methodist pastor and his family, returned home from San Antonio Tuesday. They had been there attending a Methodist jurisdictional conference.

Fourth of July Holiday Here

Next Monday, July 4, is one of the regular holidays observed by Sterling City merchants. The merchants have a total of five holidays observed throughout the year, and the 4th of July is one of them.

The bank, post office, the grocery stores, and other retail merchants and offices will be closed.

With two weeks to go, the ultimate outcome of several important bills remains in doubt. Federal aid to education may or may not survive, with the likelihood a watered-down measure will be cleared. A big hike in the minimum wage bill pushing it up to \$1.25 an hour, is being pushed hard in a last minute drive by Senator Kennedy and Rep. Roosevelt, both self-styled liberals.

A sugar bill to extend the present sugar quota program beyond its expiration on next January 1, will be acted upon at the last minute. For years Cuba has enjoyed a preferred status in the orderly distribution of sugar to the world's markets, with the U.S. paying a premium for the large Cuba quota. But those lush days for Cuba sugar producers under the present Communist brigands appear to be numbered. A pending bill would allow the President to cut the amount and price at his discretion.

An even more stringent bill may be the end result. Many of us oppose any legislation that would allow the pro-Communist regime at Havana to receive anything above the world price for their sugar that is sold in the U.S.A. Indeed, we would do well to look to other sugar-producing countries for more of our requirements. The Philippines, Brazil, and other anti-Communist countries, produce a lot of sugar.

AMISTAD DAM on the Rio Grande is approaching reality, barring any developments which are always possible but which are not expected. The House-approved bill has cleared the Senate committee and is now on the Senate calendar. And there is a good chance that an initial appropriation can at the last minute of the session be provided. If so, that would save a few months by clearing the deck for Col. L. H. Hewitt, the Water Commissioner, to proceed with preliminary plans and pre-construction details.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week were—D. P. Glass, Fannie Copeland, Fred Hodges, Mrs. Leroy Hunt

OLDEST AT SANCO REUNION

R. E. Martin, 83, Sterling resident, was the oldest person at the Sanco (Coke County) reunion recently. He was awarded a plaque picture in color of the first courthouse of Coke County. Said he would not take a pretty for it.

Mr. and Mrs. W. T. Miller and daughter of Midland visited Mrs. Miller's mother, Mrs. Lydia Hardt, here last weekend.

A Swimming Pool For Sterling City??

There is talk of having a swimming pool here in Sterling City. Directors of the Lions Club discussed it following last week's meeting and there is a great deal of enthusiasm for it among the townspeople. The Lions directors were favorable to the idea as a possible club project.

Nearly all cities, both the large and small, now have pools. Some have municipal or city-financed pools, some have county-financed pools, such as Bronte and Robert Lee, some have school pools, and some are handled by civic clubs or civic-minded individuals.

The city park has the water supply and the available land for such a project. It will possibly become a reality here this year.

Some children go to San Angelo now, some to Robert Lee some to Big Spring and some to Forsan for swimming. The past three summers until this summer, the school bus took swimming groups to Forsan and Robert Lee (alternately).

Methodist Youth Fellowship Hayride Held Monday

The M.Y.F. group, under the sponsorship of Stanley Horwood had a hayride Monday night. About twenty people were present.

Refreshments were served at the church and the hayride followed.

Lee Douthit, Publicity

Mrs. Frank Edens of Buchanan Lake visited Mrs. W. B. Atkinson last week.

Mr. and Mrs. Jim Bob Clark and family are visiting Mrs. Clark's relatives in Colorado this week.

The Worth Durhams left Thursday for a stay at their summer home in Colorado.

C. W. B. Collyns of Fort Worth is here this week visiting Mrs. Claude Collins and family. Mr. Collyns and the late Claude Collins were brothers-in-law.

Mr. and Mrs. Roland Lowe have gone to Ruidoso, New Mexico for the July fourth week-end. They have a summer cabin there.

CARD OF THANKS

I want to thank everyone that helped in any way at the fire at the drug store last Friday night—the fire department, the ones who turned in the fire, etc.

I appreciate everything.

New Lions Officers Installed at Ladies Night Program

LESLIE PAYNE IS NEW PRESIDENT

Leslie Payne was installed as new president of the Sterling City Lions Club ladies night program here Tuesday evening. The affair was held in the community center and ninety-two persons were present. Besides installation of the new officers, a program of magic and yo-yo feats was presented by Bunny Martin, a Brownwood entertainer. Films of the club's style show and pan cake supper were shown by Hal Knight.

New officers were installed as follows:
Leslie Payne-president
Arthur Barlemann-1st vice-president
Jim Coleman-2nd vice-president

Bill Brooks-3rd vice-pres.
Bill Crews-secy-treasurer.
Hal Knight-Lion Tamer
Eddie Braswell-tail twister.
Outgoing president Alvie L. Cole presided at the banquet. He was presented with a past president's pin by club secretary Bill Crews, and Cole presented Payne with a president's pin.

Door prizes went to Ross Foster and Lee Douthit.

Martin, the world's champion yo-yo king and magician, entertained the crowd with his feats of magic and yo-yo ability. He is strong on audience participation. His program was very well received and enjoyed by all. He was assisted by Don Hardin.

A buffet style supper was served by Mrs. Levi Martin, consisting of ham, green peas, corn, stuffed celery, pickles, beets, rolls, cake and tea.

Mixon To Open Dairy Hut Here

Ray Mixon, who is building a Dairy Hut at the corner of Highway 87 and the Big Lake highway, plans and hopes to have it open this week-end. Ray has had Jim Cantrell as general contractor on the building and the first part of this week. Mixon said he hoped to open toward the last of the week. He wants to be open for the July 4th week end.

Ray has bought the corner lots from Mrs. Winnie Neill and erected a nice drive-in drink, sandwich and short order place. He said he will not have curb service but will fill orders at the window for the patrons.

The Joe Pools of Ft. Stockton visited Mrs. Pool's parents, the Luther Hallmarks, here last week.

Emerald Melon Salad

By Betty Barclay

MELONS are such wonderful menu helpers—and especially delightful teamed with lime-flavored gelatin for a hot weather salad. For instance, cantaloupe or honeydew melon captured in lime-flavored gelatin add a cool and colorful touch to luncheon or dinner. Try this Emerald Melon Salad with its hint of fresh mint to perk up appetites.

Emerald Melon Salad
1 package lime-flavored gelatin; 2 tablespoons finely chopped fresh mint leaves; 1 cup hot water; 1 cup cold water; 2 teaspoons lemon juice; 1½ cups melon balls or cubes*.

Combine gelatin and mint. Add hot water and stir until gelatin is dissolved. Let stand about 15 minutes; strain, and add cold water and lemon juice. Chill until slightly thickened. Then fold in melon. Pour into 1-quart mold or individual molds. Chill until firm. Unmold. For salad, serve on crisp lettuce with mayonnaise. Makes 6 servings.

*Cantaloupe, honeydew, and watermelon may be used.

FATAL ACCIDENTS 6 DATE FATALITIES 6 DATE DEATHLESS DAYS 6

THE DEADLY TRUTH—About traffic safety in Texas in 1959 was that only one day in the whole year was free of traffic deaths. In 1958, there were five "Deathless Days" in Texas, four in 1957, five in 1956, three in 1955. If more Texans will drive in such a way that their cars are never involved in a crash which takes a human life, then Texas can record more "Deathless Days." Will YOU drive so that the Fourth of July holiday will add a "Deathless Day" to the Texas traffic calendar? (Official 1959 Texas Traffic Death Calendar Compiled by Statistical Services, Texas Department of Public Safety and Reproduced by the Governor's Highway Safety Commission, Austin, Texas.)

Widows Get Full Social Security Benefits at Age 62, Says Ellington

"Widows should apply for social security benefits as soon as they are 62", Floyd B. Ellington, Manager of the San Angelo District Office advises. "It would be even better if they applied a month or two before they are 62. Of course no one should delay, but widows in particular should be careful to apply for benefits promptly." A woman's benefit based on her own account, or on the account of a living husband is reduced if she applies before age 65, but a widow's benefit is different. Widows' benefits are not reduced and the full amount is paid at age 62. "So, if you are a widow", Ellington explained, "and we once paid you a lump-sum or monthly benefits, you should apply again when you are 62. In fact, you can speed your first check by applying a month or so before."

Seasoning For Your Salads

By Betty Barclay

THE Avocado Sea Food Salad here contains wonderful ingredients that are all in good supply right now. And these items take on added interest, thanks to the use of the expertly blended exotic herbs salad dressing. Whether you're a salad expert or a novice, you'll like the way this mix seasons your salads just right, every time!

Avocado Sea Food Salad

1 envelope Good Seasons Exotic Herbs Salad Dressing Mix; 2 medium avocados, peeled and cut in halves; 1/2 cup mayonnaise; 4 teaspoons lemon juice; 1 1/2 pounds fresh shrimp or crayfish, cooked, cleaned, and cut in small pieces*; 1/2 cup coarsely chopped celery; dash of pepper; salad greens; 16 asparagus tips; 8 pimento strips; 2 hard-cooked eggs, sliced.

Sprinkle 1 1/2 to 2 teaspoons of the dressing mix over avocado halves. Combine remaining dressing mix with mayonnaise and lemon juice. To half of this mixture add sea food, celery, and pepper. Pile into avocado halves. Place on salad greens. Garnish each salad with 4 asparagus tips, 2 pimento strips, and several egg slices. Serve with remaining dressing mixture. Makes 4 servings luncheon or entree salad.

*Or use 2 cups canned shrimp or crayfish, drained and cut in small pieces, or 2 cups canned lobster, drained and flaked.

Additional Work Might Increase Your Social Security

"Social Security benefits can be increased in some cases by additional work after a person first applies for benefits," Floyd B. Ellington, manager of the San Angelo social security office announced today. "But certain requirements must be met before the benefit amount can be refigured."

If a person continues working during the year he first files for social security, he may request that his benefit amount be refigured to include the total earning for that year. There is no definite amount he must earn in the year, but it must increase the average earnings figured at the time of filing.

Another type of recomputation has a definite earnings requirement—earnings must exceed \$1200 in a calendar year after the year the person first filed for benefits. Even though the earnings exceed \$1200, the benefit cannot be increased unless the work since filing would raise his average earnings.

Ellington emphasizes that it is better to check with your social security office and be sure, rather than to guess whether work after retirement will increase your benefit amount. Write your local office and include the amounts of your earnings in each year beginning with the year of fi-

For a Beautiful Cake!

By Betty Barclay

HEAVENLY frosting, delicately honey-flavored, and covered with frosty-white flaked coconut, makes a "beauty" out of the simplest of cakes! You can use bakers' cake layers; or you can make layers or a large loaf from a mix, or from your own favorite recipe.

Coconut Honey Frosting
2 egg whites; 1½ cups sugar; ¼ teaspoon salt; ½ cup water; 2 tablespoons light corn syrup; 2 tablespoons honey; ½ teaspoon vanilla; ¼ cup Angel Flake Coconut.

Combine egg whites, sugar, salt, water, corn syrup, and honey in top of double boiler. Beat 1 minute until thoroughly mixed. Cook over rapidly boiling water, beating constantly with sturdy egg beater (or at high speed of electric beater) 7 minutes. Remove from boiling water. Add vanilla and beat 1 minute or until thick enough to spread. Frost cake and sprinkle with flaked coconut. Makes 5¼ cups frosting or enough to cover generously tops and sides of two 9-inch layers.

IN fall, when days hum with added activities, turn to short-cut dessert recipes to help make the most of time spent preparing the evening meal. An easy-to-please Raisin Nut Pudding made with pudding and pie filling mix can be prepared in about fifteen minutes, and, when served as a sweet ending to the meal, will bring extra dividends of praise from the family.

Raisin Nut Pudding
1 package butterscotch pudding and pie filling mix; 2½ cups milk; ½ cup cut raisins; ¼ cup chopped walnuts.

Combine pudding mix and milk in saucepan. Then add raisins. Cook and stir over medium heat until mixture comes to a full boil. Remove from heat and add walnuts. Pour into sherbet glasses. Chill. Serve plain or with cream. Makes 5 or 6 servings.
